

### **Health screening camp at Darsaguppe Village**

As a part of NSS Special Camp, the Dept. Pharmacy Practice, JSS College of Pharmacy, Mysuru, in association with the NSS Unit of JSS College of Pharmacy, Mysuru, organized a Health Screening Camp on 28<sup>th</sup> March 2026 to raise public awareness of the importance of regular health monitoring and the safe use of medications. During the camp, interested persons were screened for blood pressure and blood glucose levels. A total of 100 villagers were monitored for their blood pressure and blood glucose levels. At the time of monitoring, 60 villagers had elevated blood glucose levels, and 20 villagers had elevated blood pressure. People with elevated blood pressure and blood glucose levels were advised on non-pharmacological management, such as lifestyle modifications, and were advised to consult a physician for further diagnosis & treatment. We thank the Principal & Vice-Principal of JSS College of Pharmacy, Mysuru, for their support and encouragement in organizing this camp.
