

Post Graduate Students Assured Internship 2025-26

Post Graduate students were provided internship opportunities during 2025–2026 through strong industry–academia collaborations with NABH (National Accreditation Board for Hospitals & Healthcare Providers), NABL (National Accreditation Board for Testing and Calibration Laboratories), and JCI (Joint Commission International) accredited hospitals across India.

Through hands-on exposure to Clinical Administration, Human Resources, Quality & Innovations, Operations, Medical Records, Information Technology, Marketing, Public Relations, and IP Billing students gained practical skills and valuable insights into real-world healthcare management.

The programme strengthened industry readiness, professional competencies, and career opportunities, including potential Pre-Placement Offers (PPOs), while reinforcing the institution's commitment to experiential learning and employability.
