

## World Forest Day celebration by Department of Water & Health, JSS Academy of Higher Education & Research, Mysuru at Bergy Village on 21st March 2019

On occasion of World Forest Day, Division of Environmental Sciences, Department of Water & Health, JSS Academy of Higher Education & Research, Mysuru has organized a special awareness and education campaign on Forest Conservation and Forest Fire at Bergy Village, Gundlupet Taluk, Chamarajanagra district, which is located next to Bhandipura National Park. During the awareness programme, students of Environmental Sciences have created awareness and educated the villagers and children about the importance of quality environment and role of forest in managing health environment by walkathon and active interactions. In addition, students of Environmental sciences created awareness and educated them on impact of forest for our children and cause of anthropogenic forest fire through street play. President and members of Bergy Grampanchayath and Mr. Naveen, ACF & Mr. Prasanna CR from forest department were associated for the awareness programme.
