Dr. Kushalappa PA, Director (Academics), Dr. Prashanth Vishwanath, Director (Research), and Dr. KA Raveesha, Head, School of Life Sciences were present.

Inauguration of National Science Day 2022 by Dr. Gopalkrishna Joshi, Executive Director at Karnataka State Higher Education Council alongside Dr. B. Manjunatha, Registrar, JSS AHER, Dr. Kushalappa PA, Director (Academics), Dr. Prashanth Vishwanath, Director (Research), and Dr. KA Raveesha, Head, School of Life Sciences.

Dr. Raveesha K A in his welcome address thanked the Chief guest Dr. Gopalkrishna Joshi and cited his overwhelming contributions in curriculum framework for higher education. Speaking at this event, Dr. Prashanth Vishwanath, Director (Research) briefed the activities of the recently held National Science Week (22nd -28th February 2022) as a part of Azadi Ka Amrit Mahotsav celebration. The event was funded by DST STUTI (Synergistic Training program Utilizing the Scientific and Technological Infrastructure). More than 150 students and faculties

from various departments and constituent colleges of JSS AHER were involved in popularizing science through Models, Exhibits, Demonstrations, and Skits to 4000+ student beneficiaries of rural areas around Mysuru viz., Kollegala, Gundlupet, Chamrajnagar, Gundlupet, Sargur, Suttur, and Varuna.

The chief guest, Dr. Gopalkrishna Joshi delivered the National Science Day lecture on the topic “Science & Technology for Sustainable Development”. He addressed the audience on the positive effect of confluence in a performing ecosystem. He emphasized on the spirit of inquiry and inquisitiveness as human attitude in strengthening the civilization which has survived all odds due to its scientific calibre and technological advancements. He also highlighted the importance of science in achieving the 17 Sustainable Development Goals of United Nations. He asked the youth to become collaborators in National development. This is one of the main goals of National Education Policy 2020 with a long-term goal of achieving 100% GER. Dr. Joshi, was felicitated by the authorities of JSS AHER, for his contribution to the field of higher education.
