Report on the Global staff and student exchange program of Pacific University School of Pharmacy, Oregon, USA at JSS AHER, Mysuru

(8th February -12th March 2022)

Pacific University School of Pharmacy, Oregon, USA and the JSS AHER, Mysuru had established the MOU in the month of March 2019 towards the staff and student exchange program. In this context Dr. Marina Suzuki Associate Professor, Director, Office of Global Pharmacy Education and Research, and Pharm D Candidate, Class of 2022 Ms. Robin Demoski, Koyukon Athabaskan are here with us between 8th - 16th February and 9th – 12th March 2022 respectively.

Visit at JSS College of Pharmacy and Govt. Medical College and Hospital, Ooty (12th and 14th February 2022):

Dr. Marina Suzuki visited JSS College of Pharmacy, Ooty on 12th of February after completing the quarantine period for the international travelers in India. On the said date she was welcomed by the Principal and briefed about the administrative functioning of the college and the various Pharmacy programs offered by the College. After the brief interaction with the Principal, she visited the various departments during the college tour. The heads of department and the staff members explained the about the area of research activities and the facilities offered at each department.

On 14th of February along with Dr. S. Ponnusankar and Dr. Roopa B S a hospital visit to GMCH, Ooty was arranged. During the visit she was explained about the process of how the public health care services are offered by the state government of Tamilnadu. She was explained about the registration process of the patients to visit OPD, and consultation clinics. Procurement, dispensing of Medicines and devices by the Main store and distribution to various units by the department of Pharmacy. She was explained about the maintenance of the OPD and In-Patients of the medical records. She visited various Medical and surgical units. She was explained about the how the insurance schemes work to avail inpatient services and the different insurance schemes offered by the government and the private sectors. She visited Sait hospital which caters the maternal and neonatal care services. Tamilnadu Medical Services Corporation (TNMSC) was visited, and she was explained about the procurement and distribution of the medicines and devices to the entire district of Nilgiris. It was mentioned that Tamilnadu government has 38 TNMSC and was explained the operational aspects. Messiah community pharmacy was visited. She was explained how the community pharmacy works and it caters the services to the private sectors. BS hospital was visited as one of the private sectors of the hospital.

In the noon session, Dr. Marina had interaction with the intern students and followed by the staff interaction with the department of Pharmacy. Wherein she discussed about the pharmacy education and its transformation, clinical pharmacy services, various opportunities at USA and the various exchange programs offered by the Pacific University School of Pharmacy. On 15th February she had the same discussion with the clerkship students. She was also invited by Dr. S Ponnusankar, to be on board as an adjuvant faculty member. Principal had agreed to and Dr. Marina to consented for the same.
