

National Education Day -2022

Webinar on Teacher as a Lifelong Learner

Report

Internal Quality Assurance Cell (IQAC) and Center for Continuous & Lifelong Learning for Professional Excellence (CCLPE), JSS Academy of Higher Education & Research have jointly organized Webinar on "Teacher as a Lifelong Learner" on 15th November 2022 to mark National Education Day 2022.

Dr Pushpalatha K, Coordinator CCLPE, JSSAHER welcomed the participants and explained the importance of National Education Day and the theme for the year 2022- "*Changing Course, Transforming Education*". She also introduced the resource faculty of the webinar.

Dr Thomas V Chacko, Dean, Medical Education and Professor of Community Medicine, Believers Church Medical College and Hospital, Thiruvalla delivered webinar on the topic, "Teacher as a Lifelong Learner". In his comprehensive talk, Dr Chacko described the way teacher in a health professions education can inculcate the qualities of lifelong learner through intrinsic and sustained motivation. He explained various pathways of professional development, research, academic advancement to keep oneself open for learning at all stages of career. He also answered various questions on E learning, professional identity formation, multi tasking nature of teachers, role of institutions in making teachers as life long learners raised by the participants during interactive session. Dr Praveen Kulkarni, Associate Dean (IQAC), JSSAHER moderated the interactive session and proposed the vote of thanks.

Heads of the institutions and university departments, university officers, IQAC coordinators and members from constituent colleges and university Departments, CCLPE members and teaching faculty from various health professional institutions were present. A total of 112 delegates attended the webinar.
