Report on opening of 3rd edition of STUMAG 2022-2023

STUMAG – Student Wall Magazine

The third edition of STUMAG was opened on 15th March 2023.

STUMAG, the student's wall magazine is to inform, engage, inspire and entertain a diverse readership including faculty, staff, students and other friends of STUMAG by presenting intimate, timely and honest portraits of the college. In originality of its conception in the excellence of its writing and visual presentation and in its commitment to accuracy, healthy discourse and additional balance, the wall magazine endeavors to reflect the values and the quality of the institution itself by maintaining the respect and interest of its readers.

The inauguration of 3rd edition of STUMAG was held on the occasion of the Annual Day celebrations of our college in presence of honorable Chief Guest Dr. Shashi Bala Singh, Director – NIPER Hyderabad along with our beloved Principal Dr. T M Pramod Kumar, Dr. G V Pujar, Vice Principal

For the Third Edition of STUMAG, we had given six topics for the students - Adulthood – the reality, 5G in India, Saving our culture and tradition, A note to younger self, Internet – connecting and diving people and Chatgpt – impact on Pharmacy field. English, Kannada, Hindi, Malayalam, Tamil, Urdu, Telugu articles and other literary and artworks from the students bestowed the STUMAG board and indeed synergized with the topics which we were focusing on. An extra pin board has been installed and was dedicated only to the Alumni Meet Function which was celebrated at our college on 3rd September 2023. A few pictures and words from the Alumni Meet were displayed on the board to cherish the memories.

As the quote goes “Sweet words are like honeycomb sweet to the soul and healing to the bones”. This was how we felt when their kind words elated our works. The dedicated efforts of our viewers as well as the members were prevalent in this edition. Group selfies of our college students were also a part of this edition which will bring back a lot of memories to the students.

Thus, we believe that the topics which we have adopted for this third edition have indeed found its true value.

During the Annual Day celebrations, STUMAG Team was felicitated with momentous and certificates for their exemplary support, contribution, and dedication. Thus, encouraging the students to achieve greater heights in their future endeavours.

With regards

Stumag Staff coordinator
