5. Dr. Vanitha Reddy, Asst. Prof. & Coordinator, DND

The Department of Health System Management Studies in collaboration with SPARKLE CINE had organized three days workshop for MBA III semester and MSc Sports Nutrition Management Students. The workshop involved orientation by Entrepreneurs, an eminent professor from IIM, and also hands-on activities. The students had to propose a project and present the Business Model and feasibility analysis at the end of the workshop. All the students enthusiastically participated in the workshop and thanked the management for their immense support for their learning and development.
