## Department of Health System Management Studies -NSS Unit

### World Environment Day

World Environment Day was celebrated on June 5<sup>th</sup>, 2023, with full enthusiasm and drive towards the conservation of Nature Jointly by the Department of Health System Management Studies and NSS Unit of the Department of Health System Management Studies and Nutrition and Dietetics. Dr CP Madhu Medical Superintendent of JSS Hospital was the Chief Guest. Guests of Honour were Dr. TS Harsha Assistant Professor, KSOU, Dr. HK Mamatha, Dean and Coordinator, Department of Health System Management Studies, and Dr. Vanitha Reddy, Coordinator of Nutrition and Dietetics were present.

The saplings were planted on this occasion to embark on the concept of Vanamahotsava by Dr HK Mamatha, Dean and Coordinator Department of Health System Management Studies

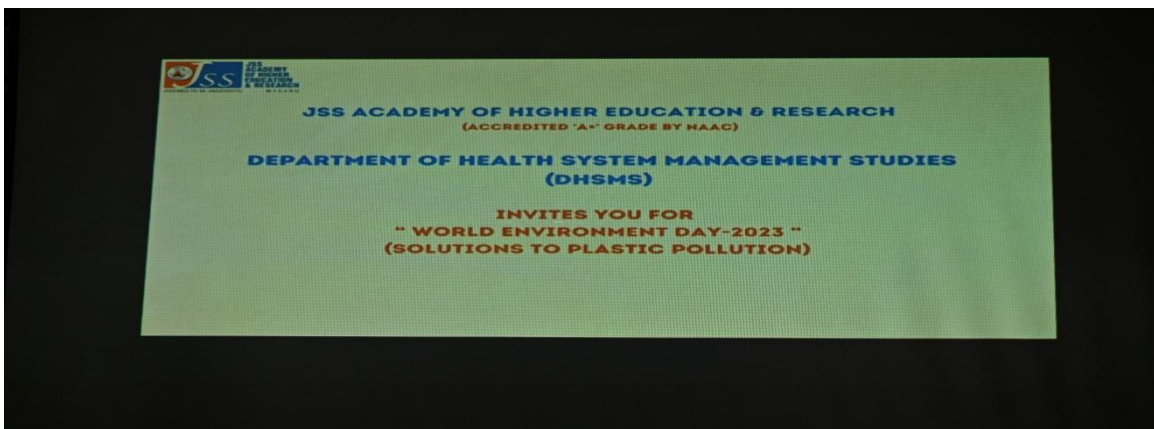

Dignitaries were presented with Green Saplings with the concept of Go Green for a Better Environment

Dr. Harsha TS delivered the Lecture on the effect of Plastic on the Environment and stressed especially on the Bio-Medical waste of Hospitals and how it should be treated for a better Sustainable Environment.

On account of World Environment Day various competitions were conducted: E-Poster, Best out of Waste, and Essay competition winners were announced and certificates to the winners were distributed

A short Movie on Solutions to Plastic was Projected on the Occasion by Students of the Department of Health System Management Studies

Quiz Competition on World Environment Day was Organised and Students were actively Involved and Participated
