**Report on Career Counselling Activity, 2021-22**

**Date: 8<sup>th</sup> November 2021, Monday**

**Venue: Seminar Hall**

The Career Counselling discussion was held on 8<sup>th</sup> November for PG Students of School of Life Sciences and Life Science Departments, Mysuru by Mr. Veerabhadra Swamy. The session was on the courses that are offered by the University and the opportunities available to achieve their aim in opting the right course with focused direction. The session was focused on the orientation towards the opportunities and the platforms available and get groomed towards the requirement. The career services and the assistance from the committee in achieving diversified career goals, exploring the roles in different platforms as potential candidates.

The session continued with Ms. Kavitha. The counsellor emphasised on the skill sets that needs to be imbibed during the study and the goals that needs to be set after the completion of the course. The knowledge on the avenues available and the technical skills with the current aptitude was made aware. The session also focused upon the training programmes, aptitude, technical interviews, personal interviews, and group discussions that are organised from the TPC during the course of the masters that helps to excel during the recruitment process.

The next counsellor Mr. Chidananda Murthy, emphasized on the research and the platforms for the fellowships available to continue the studies after masters. The research taken up as career, in-house and the opportunities abroad along with the fellowships and funding agencies that can be availed can be planned during the study of masters was highlighted.

**OVERVIEW:**

The session created an awareness upon the courses, avenues and the opportunities for life science graduates. The sessions highlighted on the placement opportunities, internships, industry collaborations, focused and refined skill sets to be imbibed during the study. The session concluded with the positive impact on the participants with the clarity in framing their career and possible reach-outs.
