A Report on Workshop organized by Training and Placement Cell

With an objective to acquaint the students with knowledge of career opportunities, Two-day workshop on “**Global Career Opportunities and Challenges in Clinical Research for Life Science Graduates**” has been organized on 19th and 20th July 2023 for PG students at School of Life Sciences, JSSAHER, Mysuru.

A total of 364 PG students from Microbiology (119), Molecular Biology (26) Biotechnology (20), Bioinformatics (20), Environmental Science (18) Biochemistry (56), Nanoscience and Technology (03), Cosmetic Science (03), Medical Statistics (07), Geoinformatics (06), Medical physics (06), Nutrition & Dietetics (80) registered and participated from various divisions and departments which was divided into batches for two days.

The program initiated with **welcoming** the **chief guest/Resource Person** of the workshop **Mr. Anand Padmanabhan**, Managing Director, Consortium Clinical Research Pvt. Ltd., Coimbatore and the dignitaries **Prof. Vishal Kumar Gupta**, Dean, Academics, JSS AHER, Mysuru, **Prof. Raveesha K. A.**, Dean, School of Life Sciences and Life Sciences Department, JSS AHER, Mysuru, **Dr. Amit Patil**, Member Secretary, Training and Placement Cell, JSS AHER, Mysuru, **Dr. Sumana K.**, Co-ordinator of Training and Placement Cell, School of Life Sciences, JSS AHER, Mysuru and all the members of the training and placement cell, coordinators and faculties followed by introducing the chief guest/Resource Person by Dr. Sumana K. Co-ordinator of Training and Placement Cell, School of Life Sciences, JSS AHER, Mysuru.

The dignitaries addressed the students highlighting the importance of the topics. After welcoming and addressing the gathering, Resource person began with the sessions which was divided into 04 batches (2 batch per day) on the topic career guidance and orientation in clinical research, clinical research and the opportunities, global career opportunities in clinical research and life science graduates and the avenues in clinical research. All the sessions were an interactive session, and the speaker answered many

queries raised by the participants. And finally, online feedback was collected by the participants.

The entire programme was co-ordinated with the support of the JSS AHER authorities, Coordinator and members of training and placement cell, coordinators and faculties of School of Life sciences and Life Sciences Department, Mysuru, JSS AHER.

Training and placement cell, School of Life sciences and Life Sciences Department, Mysuru, JSS AHER is looking forward to organizing future programs for the benefit of the students for their career.

The MD offered a JD as Clinical Research Coordinator (CRC).
