

## Guest Lecture Report

**Date:** August 24, 2023

**Time:** 10:30 AM

**Venue:** JSS College of Pharmacy, Mysuru

We were honored to host Dr. Hiriyan S Ganesh Bhat, the General Manager and Head of Central Analytical Lab at Micro Labs Ltd, Bommasandra Industrial Area, Bengaluru, as a distinguished guest speaker. Dr. Bhat delivered an enlightening guest lecture on the topic of "Analytical Strategies for Detection of Nitrosamine Impurities and NDSRI's" to the M Pharm students and faculty members of JSS College of Pharmacy.

### **About Dr. Hiriyan S Ganesh Bhat:**

Dr. Bhat is a seasoned professional with extensive expertise in analytical chemistry. His contributions to the field are highly regarded, making him a remarkable analytical scientist in the pharmaceutical industry with over 29 years of experience. As the General Manager and Head of Central Analytical Lab at Micro Labs Ltd, he plays a pivotal role in ensuring the quality and safety of pharmaceutical products through advanced analytical techniques.

### **Lecture Highlights:**

The guest lecture commenced at 10:30 AM in the college premises and was attended by enthusiastic students and esteemed faculty members. Dr. Bhat's presentation focused on critical aspects related to nitrosamine impurities and NDSRI's detection. The lecture encapsulated the following key points:

- Understanding Nitrosamine Impurities and NDSRI's
- Regulatory Compliance
- Analytical Techniques
- Challenges and Future Trends

### **Interactive Session:**

The lecture was followed by an engaging question and answer session, allowing students and faculty members to interact with Dr. Bhat directly. The session provided an opportunity for attendees to seek clarifications, share their perspectives, and deepen their understanding of the subject matter.
