Mr. Cuddapah Sandeep, Technical Support Associate Manager at Accenture Technology Centre, Bengaluru, delivered an impactful guest lecture on March 2, 2024, at JSS College of Pharmacy in Mysuru. The focus of the lecture, "Ensuring Compliance Excellence: Navigating 21 CFR Part 11 and GAMP 5 Guidelines in the Regulated Industries," was particularly relevant for M Pharm Quality Assurance students.

The lecture began with a thorough introduction to the significance of 21 CFR Part 11 in pharmaceutical and regulated industries, emphasizing its role in managing electronic records and signatures. Mr. Sandeep then shifted to the Good Automated Manufacturing Practice (GAMP) 5 guidelines, providing a comprehensive understanding of its framework for validating automated systems. Practical insights and real-world examples were seamlessly integrated, offering students valuable context and illustrating the challenges and solutions associated with compliance.

Students gained a comprehensive understanding of 21 CFR Part 11 and GAMP 5 guidelines, thanks to Mr. Sandeep's insightful presentation. The practical application of these regulations was emphasized through industry examples, enabling students to bridge the gap between theory and real-world implementation. The interactive session further enriched the learning experience, allowing students to engage with the speaker, pose questions, and deepen their understanding of compliance complexities.

In conclusion, the guest lecture by Mr. Cuddapah Sandeep proved to be a valuable addition to the academic journey of M Pharm Quality Assurance students. The lecture's industry relevance, practical insights, and interactive nature contributed significantly to preparing students for the challenges they may encounter in their professional careers. The college extends its gratitude to Mr. Sandeep for sharing his expertise and enriching the educational experience of the students at JSS College of Pharmacy.
