

REPORT ON QUALITY EDUCATION

Sustainable Development Goals: Quality Education SDG No: 4

On March 06th, 2024, as a part of NSS activities, students from JSS College of Pharmacy staged a street play in Taripura village, Shrirangapattana taluk, Mandya district. The purpose was to raise awareness among the public about the importance of Quality Education (aligned with SDG Goal 4). It's clear that significant efforts are required to ensure that education in India becomes genuinely accessible, safe, and inclusive. The student theatre group delivered a compelling performance advocating for the necessity of Quality Education in rural regions.
