

Department of Biotechnology & Bioinformatics Students Shine at St. Joseph's College for Women JO-CONCLAVE

We are thrilled to announce the stellar performance of our students at the Intercollegiate Fest hosted by St. Joseph's College for Women, Mysuru, on April 19, 2024. The event provided a platform for our students to showcase their talents and expertise while fostering camaraderie and collaboration among peers from various institutions.

The fest featured a diverse range of competitions, and our students participated and showcased their talent in Shakespeare Play, Music Band, and Rhythm Dance which provided opportunities for students to demonstrate their creativity and skills beyond the realm of academia. Our students rose to the occasion, participating with enthusiasm and passion, and leaving a lasting impression on both the audience and judges.

In the category of Shakespearean drama, our students mesmerized the audience with their outstanding portrayals, breathing vitality into timeless literature through their unique renditions and commanding stage presence. Their commitment to embodying the intricacies of the characters and narrative shone through in each moment, garnering admiration and recognition from the spectators and securing a well-deserved second position.

Participants immerse themselves in the world of Shakespearean drama, bringing iconic characters to life with passion and skill, in a captivating display of theatrical artistry."

The Music Band competition was a testament to the exceptional musical talents of our students, who delivered captivating performances that left a lasting impression on the audience. Their proficiency in various instruments and genres was evident, as they skilfully crafted harmonious melodies and dynamic compositions that resonated with all who were present. Their dedication and passion for music were truly commendable, and their outstanding performance earned them well-deserved recognition for their musical prowess. In appreciation of their talent and hard work, they were awarded a cash prize of Rs. 2000, which served as a token of appreciation for their remarkable achievement in the competition.

Participants steal the spotlight in the music band competition, harmonizing talent, passion, and sheer energy, leaving the audience in creating moments!"

In the Rhythm Dance category, our students truly impressed the audience with their mesmerizing choreography, impeccable precision, and infectious energy. Their performances were nothing short of captivating, highlighting their creativity and flawless synchronization. With seamless coordination and expressive movements, they demonstrated their unwavering dedication and passion for the art form, earning admiration and applause from all in attendance. It's with great pride that we announce their outstanding achievement: securing the prestigious first place in the Rhythm Dance category. As a well-deserved reward for their talent and hard work, they were honoured with a cash prize of Rs. 5000, further recognizing their remarkable success.

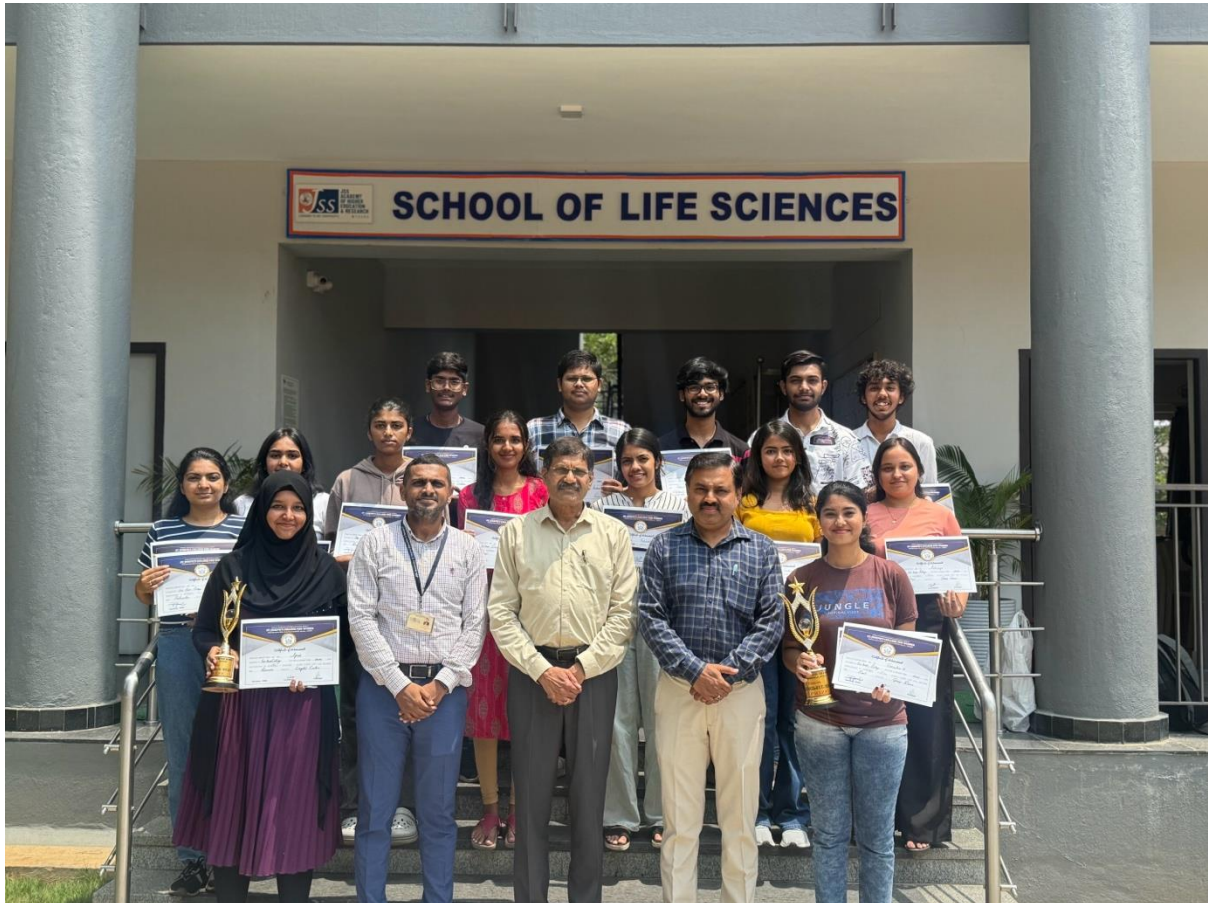

Participants dazzle in the Rhythm Dance category, mesmerizes all who witness their captivating performance.

Radiant smiles adorn the faces of the participants ,as they receive their well-deserved awards, a testament to their hard work, dedication, and achievement at the intercollege fest."

Overall, our students from the Department of Biotechnology & Bioinformatics exhibited not only their academic excellence but also their artistic flair and teamwork, reflecting the holistic development fostered at SLS, JSSHAER. We extend our heartfelt congratulations to all the participants for their outstanding performance and commend their dedication and hard work in representing our institution with distinction.

"Head of Department, Course Coordinator, and Department Coordinator join victorious students in celebrating their achievements at the intercollege fest."

We are immensely proud of our students' achievements and look forward to their continued success in future endeavours, both within and beyond the academic realm.
