

REPORT

INDUSTRIAL VISIT – BIOCON, BENGALURU

Class: M.Pharm, Pharmaceutical Analysis

Department: Pharmaceutical Chemistry

Date: 02/05/2024

Students of M. Pharm Pharmaceutical Analysis program, Department of Pharmaceutical Chemistry, JSS College of Pharmacy, visited Biocon Biologics Bangalore on 2nd May 2024. Reached Biocon House Electronic City at 10 AM and we were received, and welcomed by Ms. Meghashree R. Human Resource Consultant Biocon Biologics. All students were formally introduced by Ms. Meghashree R. and presented about Biocon Biologics and its Apprenticeship program, and recruitment process. Next interactions with students were started by the Global Head of Biocon Biologics Mr. Chella Pandian Pitchai, who conducts leadership development, culture, value & belongingness development programs at Biocon and followed by Ms. Rekha, who works in the Talent Acquisition team and got insights about the internship program at Biocon.

Biocon arranged JSS Alumni's interaction with students, and students got the opportunity to interact with esteemed Alumni are Ms. Ranjitha R (works in QMS), Mr. Vivek P.V. (works in RA), Mr.S. Praveen (works in Syngin Biocon QC), Mr. Nitin Kashyap (work in IT Department), Mr.G. Vishwanath (work in Syngin Biocon in QC) and the interaction went till 1 PM.

We presented a 50-year college diary to all alumni and Biocon staff. After interacting with alumni Ms. Meghashree R. took us for lunch. Post lunch followed by interaction with Mr. Ranju Thomas, he explained how to crack interviews and key features that need to be showcased. Students got to hear the inspiring stories of all of their career journeys and talk about the developments made in JSSCPM from 2012 to till date.

After interaction, we were taken to the manufacturing site Biocon Park, B1 block, and got the opportunity to see fermentation bioreactors, affinity chromatography, monoclonal antibodies production, purification, and packaging of biological products, and the entire process was addressed by the senior manager Mr. Sachin Pandey. We had interaction with JSS College of Pharmacy Ooty Alumni Mr. Sarvanan senior scientist in fermentation
