

NATIONAL SCIENCE DAY 2022

Report

Model Making Competition was conducted by Department of Microbiology as part of National Science Day celebrations on 26th February 2022. The teams consisting of 3 members participated from all the Departments and Divisions of School of Life Sciences and Life Sciences Departments, JSS AHER. Models were instructed to be aligned with sustainable development goals and were categorised into Display models and Working models for both UG and PG students. Dr. Chandrashekara M, Professor, University of Mysore, Mysuru and Dr. Prakash M Halami, Chief Scientist & Prof. (AcSIR) were invited as Guests to inaugurate and judge the models. Dr. Raveesha KA, Head, SLS & LSD along with all faculty were present for the inauguration.

In all 17 teams participated in the competition consisting of total 50 participants. Department of Environmental Science bagged the first and second prize in the working model PG level for Sewage water treatment plant and Rainwater filtration system while the first and second prize was given to Dept. of Microbiology and Dept. of Biotechnology in the PG level Display model for Ocular tuberculosis and Solid State Tesla coil, respectively. In the UG level working model, the first prize was bagged by Earth Clean Mask (Dept. of Biotechnology) while Instant Energy Boltz (Dept. of Nutrition of Dietetics) received the second prize. In the Display model UG level, both first and second prizes went to Department of Biotechnology teams for SymArt and Phytoremediation of wastewater, respectively. The models displayed were highly appreciated by the Judges for their innovative thinking and creative presentation. The models were kept for display for the entire day for students and faculty of JSS AHER to visit. The event was organised under the leadership and guidance of Dr. Raveesha KA, Head, SLS & LSD, JSS AHER, coordinated by Dr. Ashwini P, Coordinator, Department of Microbiology and organised by Dr. Archer Ann Catherine, Dr. Umamaheshwari S and Dr. Sunita Mesta C. The list of prize winners are tabulated below.

LIST OF PRIZE WINNERS

Sl. No	Event	Event Details	Prize
1.	Model Making Competition		
	Working model PG level	Total Participants: 50 (UG 6 teams and PG 11 teams) Organising Committee: 1. Dr. Archer Ann Catherine	I prize –Sewage water treatment plant (Dept. of Environmental Science) 1. Khalander Bibi 2. D Harish reddy 3. Jyothi Sai Garlapati

		<p>2. Dr. Umamaheshwari S 3. Dr. Sunita C Mesta</p> <p>Judges: 1. Dr. Chandrashekara M, University of Mysuru, Mysuru</p> <p>2. Dr. Prakash M Halami, CSIR-CFTRI, Mysuru</p>	 <p>II prize Rainwater filtration system (Dept. of Environmental Science)</p> <ol style="list-style-type: none"> 1. Hrithika CA 2. Manan Jani 3. Anjali Nair 4. Ankita 
<p>Display model PG level</p>			<p>I prize – Ocular Tuberculosis (Dept. of Microbiology)</p> <ol style="list-style-type: none"> 1. Deepthi P 2. Deekshitha R 3. Lakshmi J  <p>II prize – Solid state Tesla Coil (Dept. of Biotechnology**)</p> <ol style="list-style-type: none"> 1. Akshaya S

			<p>2. Thilakraj S, Tejender</p> 
	<p>Working model UG level</p>		<p>I prize – Earth Clean Mask (Dept. of Biotechnology) 1. Ayesha Siddiqua 2. Shreya MC 3. Vishikha S Urs</p>  <p>II Prize – Instant energy boltz (Dept. of Nutrition & Dietetics) 1. Yeswanth Kiran RS 2. Sri Harsha DJ 3. Khushal S</p> 
	<p>Display model UG level</p>		<p>I prize – SymArt (Dept. of Biotechnology) 1. Nithya MJ 2. Karthik Kalyan SM 3. Prabhu Kishor K</p>

			 <p>II prize – Phytoremediation of wastewater (Dept. of Biotechnology) 1. Harshini P 2. Anirudha Desai 3. Jasmitha Jadhav</p>
