Report

Four Days Research Orientation Workshop “Journey of Discovery: Unveiling Dreams Through Research”

School of Life Sciences, JSS Academy of Higher Education & Research, Mysuru is one of the pioneering institutions in the country to implement BSc Honors (4 years) programme, as per National Education Policy 2020. Research is an integral component of 8th semester BSc Honors, as per UGC guidelines. So, to orient students for research, Four Days Research Orientation Workshop “Journey of Discovery: Unveiling Dreams Through Research” was organized from 7th to 11th December 2024 by the Research Cell of School of Life Sciences, Mysuru. The workshop was inaugurated by Dr. H. Basavanagowdappa, the Vice Chancellor of JSS Academy of Higher Education & Research, alongside Dr. Prashant M. Vishwanath, Dean (Research), Dr. KA Raveesha, Dean (Faculty of Life Sciences) and Dr. Siddesha JM, Organizing Secretary of the workshop.

In his opening remarks, Dr. K.A. Raveesha emphasized the importance of research introduced for BSc Honors programme, and the need for research orientation for students. Dr. Siddesha JM, Organizing Secretary of the workshop briefed about aims, scope and topics of the workshop, and pursued the students to make use of the opportunity.

Dr. H. Basavanagowdappa, the Vice Chancellor of JSS AHER, in his presidential address illuminated the worth of determination, perseverance, and lateral thinking. He motivated students taking the examples of Thomas Alva Edison’s life story, highlighting the rewards of determination and perseverance in research and the society. He preached students to develop never give up attitude and work with positive attitude and thinking, which help to conquer over failures.

Dr. Prashant M. Vishwanath highlighted the growth of research culture at JSS AHER over the years and briefed about research fellowships offered by JSS AHER to the students to nurture and support research. He encouraged students to utilize JSS AHER facilities for their training. Finally, Dr. Anil Kumar K.M proposed the vote of thanks. The inaugural event was moderated by Ms. Shravani.

A panel of 13 eminent scientists from medical, dental, pharmacy, and life sciences faculty addressed the participants. The topics covered were scope and significance of research, finding research gaps & identifying the research problems, hypothesis & objectives of a research problem, methodology and results, study designs, ethical issues in research, sampling, sample size estimation and statistics analysis, research & IPR, plagiarism & scientific misconduct, report and thesis writing, bibliography- citation and references, translation of research work to entrepreneurship- journey from laboratory to market, data representation in reports, thesis and publications.

(L-R) Dr. K.A. Raveesha; Dr. Prashant M. Vishwanath; Dr. H. Basavanagowdappa; Dr. Siddesha JM.
