

Report: Young Researcher Award 2025 Conferred to Dr. Ramith Ramu at JSS AHER Research Conclave

Dr. Ramith Ramu, Faculty at the Department of Biotechnology and Bioinformatics, JSS Academy of Higher Education & Research (JSS AHER), Mysuru, was presented with the *Young Researcher Award 2025* in recognition of his continued contributions to research and innovation. The award was presented during the *JSS AHER Research Conclave 2025*, held from June 14–15 at **JSS College of Pharmacy, Ooty**.

The internal conclave served as a platform for all researchers across JSS AHER campuses to interact, collaborate, and showcase their ongoing research. Dr. Ramith's work stood out for its scientific impact and relevance to societal health challenges.

JSS AHER congratulates Dr. Ramith for this achievement and appreciates his dedication towards strengthening the research ecosystem of the institution. The university also acknowledges the blessings of **His Holiness, the Hon'ble Chancellor Swamiji**, and the support from all academic and research leadership in nurturing young researchers.
