Dr. Ramith Ramu Delivers Invited Talk at National Conference on Biotechnological Convergence

Dr. Ramith Ramu, Associate Professor, Department of Biotechnology & Bioinformatics, JSS Academy of Higher Education & Research (JSS AHER), Mysuru, was invited as a Resource Person at the Alumni Sponsored National Conference on “Biotechnological Convergence: Reshaping Global Food Security, Ecology and Environment and Medical Therapeutics,” organized by the Department of Biotechnology, Alva’s College, Moodbidire, in association with the Karnataka State Pollution Control Board.

On 20th February 2026, at Kuvempu Hall, Alva’s College, Dr. Ramu delivered an invited talk titled **“Food-Derived Bioactives and Probiotics in Diabetes Management: From Molecular Insights to Translational Therapeutics.”** The lecture highlighted the potential of food-derived bioactive compounds and probiotics in modulating metabolic pathways and their translational applications in diabetes management. The talk provided an opportunity to engage with students, research scholars, and faculty members, fostering academic discussions and knowledge exchange.

Dr. Ramith Ramu (Extreme RIGHT), Associate Professor, Department of Biotechnology and Bioinformatics, JSS Academy of Higher Education & Research, receiving a memento as a token of appreciation from the Chair during the national Conference on *National Conference on "Biotechnological Convergence: Reshaping Global Food Security, Ecology and Environment and Medical Therapeutics"* held on **20th February 2026** at *Alvas College (Autonomous), Moodubidire*.

ALVA'S COLLEGE (AUTONOMOUS), MOODUBIDIRE

A Unit of Alva's Education Foundation (R.)

Alumni Sponsored National Conference 2026

on

**“Biotechnological Convergence: Reshaping Global Food Security,
Ecology and Medical Therapeutics”**

Organised by
