PREAMBLE

Traditionally, universities have been governed on a collegiate basis, focusing on developing knowledge both in the students attending and through research activities. This has promoted a very insular environment, with reward given to those individuals excelling in a particular field. Universities now have to conduct their activities in a more different manner and need a concerted effort by all to succeed.

Today's universities face a multitude of challenges; leading institutional renewal; attracting and retaining top quality faculty, staff and students embracing learning technologies; meeting increasing demands from the public, funding agencies, employers, students and university employees; and seeking new and alternate sources of funds and financial models. This new organizational environment requires leaders who thrive on the challenge of change, who foster environment of innovation, who encourage trust and learning, who can lead themselves, their constituents, units, departments and universities in the future.

When working in education, teams of professionals bring personal commitment and passions toward planning and improving their collegiate community. College administrators act as transformational leaders by integrating

- A shared vision of change
- Empowering voices in a collaborative community
- Reflection on vision value

Effective and Transformational leadership brings teams together to co-construct, learn and reflect on visions and goals, which supports positive change and broadens effectiveness of professional leadership practices.

Educationists
should build the
capacities of the spirit
of inquiry, creativity,
entrepreneurial and moral
leadership among students
and become their role model.

- Dr. A.P.J. Abdul Kalam

ACKNOWLEDGEMENT

JSS UNIVERSITY THANKS EVERY ONE!

The JSS University is happy to bring out its seventh Annual Report which is a comprehensive view of the academic year 2014-15 and brings together the vast range of initiatives, studies, teaching, and research activities taking place across the University. Behind the success of every University, there lie cumulative efforts of innumerable people who have contributed immensely in different ways. Firstly, we would like to acknowledge with fond remembrance His Holiness Sri Shivarathri Rajendra Mahaswamiji, our founder, whose concern and far-sightedness led to the very existence of JSS Institutions. We would like to thank His Holiness Sri Jagadguru Shivarathri Deshikendra Swamiji, our Chancellor whose blessings and guidance have been a constant source of inspiration to scale new heights of excellence. Our sincere thanks to Sri. B. N. Betkerur, our Executive Secretary for his intellectual inputs and sound advice that has supported the University in every aspect. The able leadership of our Vice Chancellor Dr. B. Suresh and his visionary thinking has been pivotal to our success so far.

We appreciate the dynamic intellectual community, our Board of Management for their valuable advice and encouragement in all our endeavours. The Authorities and Board of the University who play a key role in academic and administrative affairs, overseeing strategic planning, and nurturing campus wide academic and research initiatives is noteworthy. We commend the strong team of Principals, Deans, and Vice Principals who are committed to advancing the University and its mission. All appreciation owed to our outstanding faculty members who pass on their knowledge to the next generation and whose individual and collective achievements have brought laurels to the University.

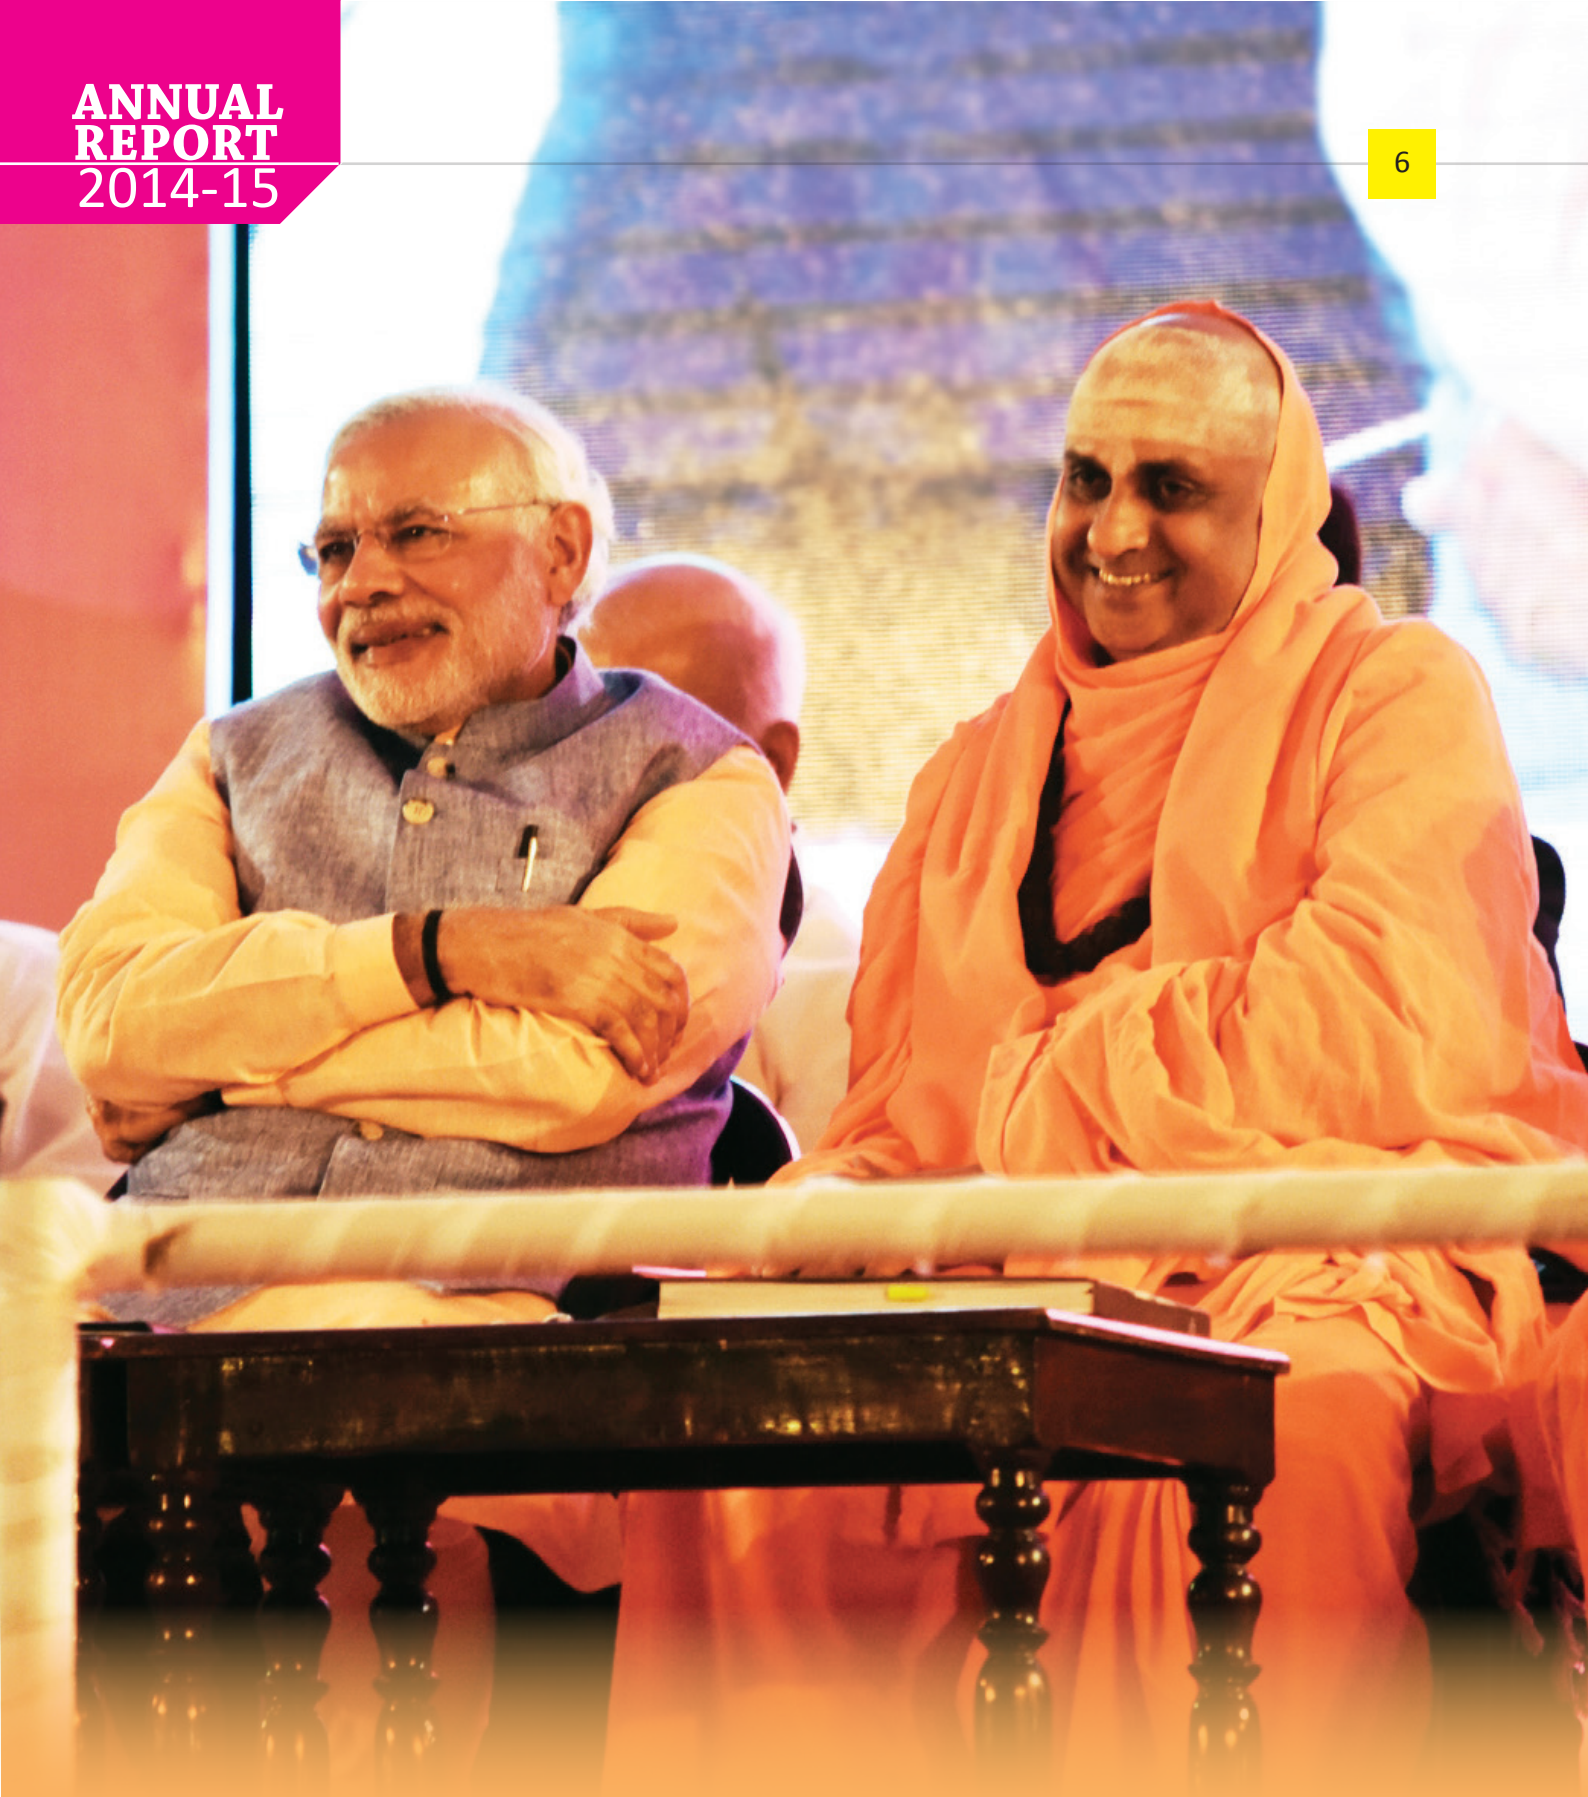

We are grateful to the University Grants Commission and the Ministry of Human Resources Development for their mentoring, guidance and support. A note of gratitude and huge applause to all the University officers and executors of daily affairs whose dedicated efforts enabled the University accomplish ever more than before.

As we reflect on the past year and its accomplishments, we carry forward the lessons learnt and continue the journey ahead with sheer commitment, dedicated team work and steadfast support and guidance from our superiors to achieve the goals ahead with remarkable results in education, research, clinical care and public service.

His Holiness Jagadguru Sri Shivarathri Rajendra Mahaswamiji
Founder President of JSS Mahavidyapeetha

Ignorance is the root of all evils
in the society and education is
the sovereign remedy....

Blessings from the Great Leader

"JSS University has witnessed expansion and excellence. When we look back to the days of its inception, the University has surely come long way, taking up many tasks, facing many challenges and having many achievements, with in a short span of time. We attribute this success to the able leadership of Vice Chancellor, committed faculty members and focused students. Service to the society has transitionally been the mission and we hope JSS University will widen its horizons. We certainly appreciate what the University has achieved, so far and try to reinvent itself not only in imparting knowledge but also to meet the growing demand of the time. They should always set higher goals and strive hard to achieve them."

His Holiness Jagadguru Shri Shivarathri Deshikendra Mahaswamiji

HON'BLE CHANCELLOR

His Holiness Jagadguru Sri Shivarathri Desikendra Mahaswamiji is the 24th pontiff of Sri Suttur Math, established in the 10th century at Suttur, Mysore District, Karnataka. His Holiness Swamiji ascended the Peetha in 1986 at the young age of 29 years and had his spiritual training under the guidance of his illustrious predecessor H H Jagadguru Dr Sri Shivarathri Rajendra Mahaswamiji, the founder President of the JSS Mahavidyapeetha, an educational and cultural organization dedicated to the ideal of providing education to the villages of Karnataka and elsewhere. His Holiness Swamiji in the last 30 years has changed the landscape of education at JSS and took several path breaking initiatives that are narrated below.

A GREAT LEADER'S PATH

- His Holiness Swamiji has established a free residential school at Suttur where 5000 children benefit irrespective of caste and creed coming from different Districts of Karnataka, Tamilnadu, Maharashtra and even North Eastern States of India. The school provides all modern facilities to children with an outlay of Rs.15 crores. This unique institution has drawn the nationwide attention and was inaugurated by (Late) H.E. Dr. A.P.J.Abdul Kalam, the then President of India in the year 2003.
- In order to realize the dreams of his Guru His Holiness Jagadguru Sri Shivarathri Rajendra Maha Swamiji and to bring to the main stream the physically and mentally challenged children, he established-
 - The polytechnic for Physically Challenged – first of its kind in India where an attempt is made to bring the orthopedically challenged, hearing and visually challenged children to the main stream of technical education.
 - Schools for mentally challenged children at Bangalore and Mysore. 'SAHANA' to infuse confidence and the skill required by these children to have equal opportunities in the society.
- To provide healthcare facilities to the rural masses and economically poorer sections of the society, JSS Medical Services Trust was established and it supports.
 - A 1800 bedded JSS Hospital, Mysore, serving as a teaching Hospital to JSS Medical College, Mysore
 - JSS Dental College and Hospital in Mysore with all modern facilities to treat 800 patients every day.
 - JSS Ayurvedic/Medical College and Hospital at Mysore and The JSS Institute of Naturopathy and Yoga, Coimbatore to provide health care through Indian system of Medicine.
 - Primary Health Centers (PHCs) at Suttur and Hadinaru villages in Nanjangud taluk managed by the trust under Arogya Bandhu Yojana.
 - Making Suttur a model health village by adopting Suttur Village.
- In an attempt to support the farming community with advance technologies the Krishi Vigyana Kendra is Established with the support of Indian council for Agricultural Research. The Kendra support the farmers in agriculture, vermi culture, soil testing, on field demonstration, seed processing and seed production.

- To spread the Indian Spirituality & Culture in The United States of America, JSS SPIRITUAL MISSION was established at GAITHERSBURG, Maryland, USA.
- To enable the passing of knowledge present in our spiritual scripts & texts, established the JSS publications division, besides establishing the Vedic School & Gurukulas (School for Training & Religious Heads). Believing in the words of his Predecessor that *"Ignorance is the root of all evils in the society and education is the sovereign remedy"*, he has steered and guided JSS Mahavidyapeetha to become the center of learning by guiding more than 300 Educational Institutions spread over in Karnataka, Tamil Nadu and Uttar Pradesh.
- JSS University established under section 3 of UGC Act is yet another initiative of this great leader to take education to all and nurture research for the world.

Executive Secretary

Sri. B.N Betkerur has been relentlessly providing his intellectual inputs and administrative services for the betterment of the Institution and is an ideal example of a Dynamic Leadership.

The ability to lead comes from within and great leaders, those with whom people connect with on an emotional level and who can inspire change, emerge only after experiencing things as they are in the real world.

Sri BN Betkerur has been associated with the JSS Mahavidyapeetha for more than three decades providing academic leadership to the University, to help drive strategy and policy development.

His experience in serving the government as well as private organizations has been a boon to the university.

His Vision

“There should be a new drive for efficiency and productivity in higher education and JSS University should strive hard in evolving as a truly world class University- A Vision for 2020’

“ True leadership
is the ability to
move people to change.

6
Leadership
traits

Dr.
A.P.J. Abdul
Kalam

Vice Chancellor

Dr.B.Suresh, Vice Chancellor, JSS University, Mysuru is multifaceted leader in India. His Effective Leadership has taken University and its constituents colleges to newer highs and recognition.

Dr. B. Suresh is :

- A transformational leader empowering subordinates.
- A Leader who is scientifically / technically competent and possesses cognitive abilities with great emotional competencies.
- A leader who embraces changes and works with his team to achieve institutional goals.
- A leader who promotes intellectual growth of both staff and students and who creates a culture of learning and making it easy for the institutions to uphold high quality standards.
- A leader who provides the vision by long-term sustainability of the institution.
- A leader who has made great progress in grooming graduates, postgraduates, and Reserch scholars of great acumen.

The Vice Chancellor who has travelled widely, has brought many benefits to the University, by exposing the University to a global presence. Each time he returned from an overseas visit he would have networked and brought scholarships, exchange programs and opportunities for his staff and students. Many distinguished faculty with PhD from universities abroad joined JSS University after they had interacted with him and were encouraged to join the university. Donations, books and facilities to the University followed as

“Good Governance, Able Leadership and Effective Management have truly reflected the spirit and objective of the University in words, action and deed”

- Dr. B. Suresh
Vice Chancellor

a result of the efforts from the Vice Chancellor during these trips. Benchmarking the university with other global players to improve institutional quality has been his passion. He believes in empowering the cadres and provide them with the opprutunies to improve their leadership capabilities in preparation for future and career advancement.

A great Leader in:

- Communication
- Motivating teams
- Team building
- Risk taking
- Vision and goal setting

Making A Point...

“ Always bear in mind that your own resolution to succeed is more important than any other.

- Abraham Lincoln

JSS UNIVERSITY ADMINISTRATION

JSS UNIVERSITY'S FIFTH CONVOCATION

The Fifth Annual Convocation of JSS University was held on 18 October 2014, at Sri Rajendra Auditorium, JSS Medical Institutions campus. Sri Ananth Kumar, Hon'ble Minister for Chemical and Fertilizers, Government of India, New Delhi, which also includes Petrochemicals & Pharmaceuticals, was the Chief Guest. His Holiness Jagadguru Sri Shivarathri Desikendra Mahaswamiji, Chancellor, JSS University, presided over the function.

Sri B.N. Betkerur, Executive Secretary, JSSMVP, Dr. B. Suresh, Vice Chancellor, Dr. Manjunatha B, Registrar, Dr (Lt Col) R. Vijaysimha, Controller of Examinations and others were present. Dr. B. Suresh, Vice Chancellor welcomed the gathering of distinguished guests and presented a brief report of JSS University.

In his convocation address, the Chief Guest Sri Ananth Kumar said there was a need for upgrading the existing curriculum in medical education on par with the global standards as Indian syllabus lagged behind when compared to the medical syllabus in foreign countries.

'In the wake of changes in the lifestyle causing new-age diseases, study of lifestyle should become a part of curriculum to create awareness among the students on health' he opined. Ananth Kumar reiterated the Government's commitment for integrating allopathy with other systems of medicine for providing better health care.

Ananth Kumar said the Central Government was keen to sanction National Institute of

Pharmaceutical Education & Research (NIPER) to Karnataka, to enable pharmacy graduates to pursue their education and requested JSS to be the mentor institute. Stating that the medical equipments were imported even today, the minister hoped that the contributions of research institutes and technology development would strengthen the medical sector to have indigenous equipment's.

Ananth Kumar advised the graduates to view medical profession as a noble service focusing on rural areas and develop an attitude of giving back to the society by serving in rural areas, after passing out from the institute.

A total of 759 (including 349 in absentia) students of JSS Medical College, JSS Dental College, JSS College of Pharmacy, Mysore, JSS College of Pharmacy, Ooty, University Departments of Life Sciences, Water & Health and Health System Management Studies were awarded degrees and diplomas - MD, MS, PG Diplomas, MPH and MSc (Medical Sciences) in Faculty of Medicine, MDS and PG Diploma in Faculty of Dentistry, PhD, M Pharm, PG Diploma, PharmD and B Pharm in the Faculty of Pharmacy, PhD, MSc (Forensic Odontology) and BSc (Allied Health Science) in the Faculty Biomedical Sciences, MSc (Environmental Sciences) in the Faculty of Life Sciences and MBA (Hospital Administration) in the Faculty of Management Studies. Among these, 37 graduates were awarded Gold Medals and 19 scholars were awarded PhD.

GOLD MEDAL AWARDEES

10P01173	Ms. Lisha Joshi	B.Pharm	His Holiness Jagadguru Sri Shivarathri Rajendra Swamiji Gold Medal for obtaining highest marks in B.Pharm Tablets India, Excellence Award (Gold Medal), for outstanding student in B.Pharm
12B10709	Dr. Subash T S	MSc (Forensic Odontology)	His Holiness Jagadguru Sri Shivarathri Rajendra Swamiji Gold Medal for obtaining highest marks in M.Sc. (Forensic Odontology)
10B00306	Ms. Sindhu A	B.Sc (Allied Health Sciences)	His Holiness Jagadguru Sri Shivarathri Rajendra Swamiji Gold Medal for obtaining highest marks in B.Sc (Allied Health Sciences)
12B10104	Ms. Sravani Marisetty	M.Sc. (Environmental Sciences)	His Holiness Jagadguru Sri Shivarathri Rajendra Swamiji Gold Medal for obtaining highest marks in M.Sc. (Environmental Sciences)
12HA0004	Ms. Averil Rinita Rebello	MBA (Hospital Administration)	His Holiness Jagadguru Sri Shivarathri Rajendra Swamiji Gold Medal for obtaining highest marks in MBA

FINANCE SECTION

The Finance section of the University nurtures the development of the university through its strategic planning and maintaining fiscal viability.

Professionalism linked to the vision, mission and value guides the section in realising its objective. The professionalism of the finance wing is linked to build a strong and financially viable gate for the university and constituent colleges in the next five years.

Implementing the improvement opportunities;

The shortcomings in following proper finance regulations financial planning and planning financial strategy were identified and efforts were made to achieve the target over coming all the shortcomings under the effective guidance and support provided by the honorable vice chancellor.

Developing creative plan to support a new organizational initiative:

The parameters for developing a creative plan to support a new organizational initiative were set as targets and efforts were made to support them financially to see that any new implementation should not suffer for want of financial support.

Recognizing the suggestion of associates for bringing effective changes:

By recommending for their career progression and getting them monetary gain for the excellent work rendered by them.

Best practices seen at workplace with regards to leadership and being visible at all the levels of coworkers:

Leader being a friend, philosopher and

Leaders being a friend, philosopher and guide to coworkers gradually helps the coworkers to become better leaders in future.

- Sri. C. C. Hiremath
Finance Officer

guide to subordinates and not merely being a boss. Working as the members of a family and treating the leader as the head of the family.

Sharing new thoughts and knowledge of the new field of work with coworkers to implement changes to meet the need of the Institution.

Dr. Avinash B S, Reader, Dept. of Periodontology, JSS Dental College and Hospital, Mysore.

Dr. Balamuralidhara V, Assistant Professor, Dept. of Pharmaceutics, JSS College of Pharmacy, Mysore.

Dr. S Suriyanarayanan, Assistant Professor, Dept. of Water and Health, JSS University, Mysore.

Dr. G Mohan Rao, Professor, Dept. of Instrumentation and Applied Physics, Indian Institute of Science, Bangalore.

Dr. D Mangalraj, Professor and Head, Dept. of Nano Science and Technology, Bharathiar University, Coimbatore.

BOS IN BIOMEDICAL SCIENCES

Dr. P A Kushalappa, Director, (Academics), JSS University, SS Nagar, Mysore. -**Chairman**

Dr. R N Suresha, Professor, Dept. of Pharmacology, JSS Medical College, SS Nagar, Mysore.

Dr. P A Mahesh, Professor, Dept. of Pulmonology, JSS Medical College, SS Nagar, Mysore.

Dr. Tejashree A, Professor, Dept. of Microbiology, JSS Medical College, SS Nagar, Mysore.

Dr. L Rajeshwari, Associate Professor, Dept. of Physiology, JSS Medical College, SS Nagar, Mysore.

Dr. M V S S T Subbarao, Associate Professor, Dept. of Biochemistry, JSS Medical College, SS Nagar, Mysore.

Dr. C S Vidya, Associate Professor, Dept. of Anatomy, JSS Medical College, SS Nagar, Mysore.

Dr. Madhu B, Assistant Professor, Dept. of Community Medicine, JSS Medical College SS Nagar, Mysore.

Dr. Suriyanarayanan, Assistant Professor, Dept. of Water and Health, JSS University, Mysore.

Dr. S P Muthu Kumar, Principal Scientist and In-charge, Animal House, Biochemistry and Nutrition, Central Food Technological and Research Institute, Mysore.

Prof. H S Prakash, Professor, Dept. of Biotechnology, University of Mysore, Mysore.

Dr. M N Suma, Dean, Faculty of Biomedical Sciences, JSS University, Mysore

RESEARCH COORDINATION COUNCIL

Dr. B. Suresh, Vice Chancellor, JSS University, Mysore – **Chairman**.

Dr. S Balasubramanian, Chairman, Board of Studies in Research, JSS University, Mysore-Co – Chairman.

Dr. C P Madhu, Chairman, PG Board of Studies in Surgery and Allied Subjects, JSS University, Mysore.

Dr. D Narayanappa, Chairman, PG Board of Studies in Medicine and Allied Subjects, JSS University, Mysore.

Dr. G V Manjunath, Chairman, PG Board of Studies in Basic Medical Sciences, JSS University, Mysore.

Dr. Gowthamarajan, Chairman, Board of Studies in Pharmaceutical Sciences, JSS University, Ooty.

Dr. M Ramesh, Chairman, Board of Studies in Pharmacy Practice, JSS University, Mysore.

Dr. M N Suma, Chairman, Pre and Para Clinical Board of Studies in Faculty of Medicine (UG), JSS University, Mysore.

Dr. Manjunath Shenoy K, Chairman, Clinical Board of Studies in Faculty of Medicine (UG), JSS University, Mysore.

Dr. M R Dakshaini, Chairman, UG Board of Studies in Dentistry, JSS University, Mysore.

Dr. H. Basavanagowdappa, Dean, Faculty of Medicine, JSS University, Mysore.

Dr. B Nandlal, Dean, Faculty of Dentistry, JSS University, Mysore.

Dr. G Parthasarathi, Dean, Faculty of Pharmacy, JSS University, Mysore.

Dr. Madhu Srinivasarangan, Dean, Faculty of Management Studies, JSS University, Mysore.

Dr. H G Shivakumar, Professor, Dept. of Pharmaceutics, JSS College of Pharmacy, Mysore.

Dr. S P Dhanabal, Principal, JSS College of Pharmacy, Ooty

Dr. B Manjunath, Registrar, JSS University, Mysore.

Dr. Mahima V G, Professor, Dept. of Oral Medicine and Radiology, JSS Dental College and Hospital, Mysore.

Dr. G V Pujar, Professor and Head, Dept. of Pharmaceutical Chemistry, JSS College of Pharmacy, Mysore.

Dr. P R Anand Vijayakumar, Professor, Dept. of Pharmacy Practice, JSS College of Pharmacy, Ooty.

Dr. MVSST Subbarao, Associate Professor, Dept. of Biochemistry, JSS Medical College, Mysore.

Dr. Chandan, Lecturer, Faculty of Life Sciences, JSS University, Mysore.

Dr. H K Mamatha, Lecturer, Dept. of Health System Management Studies, JSS University, Mysore.

Ms. Linda Rose Jose, Ph.D. Scholar, Dept. of Microbiology, JSS Medical College, Mysore.

Dr. Bhuvan Nagpal, PG Student, Dept. of Oral Pathology, JSS Dental College and Hospital, Mysore.

Ms. Shilpi Khatri, Ph.D. Scholar, Dept. of Pharmaceutics, JSS College of Pharmacy, Mysore.

Mr. K Rajendran, Ph.D. Scholar, Dept. of Pharmacognosy and Phytopharmacy, JSS College of Pharmacy, Ooty.

Ms. Noor Muzakkira, PG Student, Faculty of Life Sciences, JSS University, Mysore.

Mrs. Kiranmai Kanakavalli Kundary, PG Student, Dept. of Health System Management Studies, JSS University, Mysore.

Dr. Manas K Mandal, Director General – Life Sciences, Defense Research & Development Organization, Ministry of Defense, DRDO Bhavan, DHQ PO, New Delhi – 110 011.

JSS Medical College

Constituent College of JSS University, Mysuru

Impact of the leadership:

Good Leadership helps the human resource of the institution to achieve the targets and meet the vision and mission requirements and high standards of working with moral and ethical integrity is very essential for a leader.

Dr. H. Basavanagowdappa the dean faculty of believes that the Strengths, and limitations of the individuals should be known to lead and organisation.

Quality faculty, fair degree of autonomy, good infrastructure and provisions for performing the required job in ethical manner are sure to make any institution to come to

He also believes in that the University has all the potentials to move up the ladder of ranking its only needs to improve its projection and branding at global level.

His Message as a leader is;

- Everything is possible.... With a right attitude and wish!
- Let not adverse facts stand in the way of a good decision.
- Remain calm with stable mind and be kind.
- Be demanding to achieve a constructive goal.
- Perpetual tm is a force multiplier.

He says that Great leaders are not perfect, but are confident in the choices they make but they are not afraid to ask for help if they need it.

“ Leadership is lifting the vision to higher sights and raising the performance to a higher standard and building personality beyond its normal limitations.

-Dr. H. Basavanagowdappa
Dean, Faculty of Medicine

Message from the Young Leaders

To excel in life you need knowledge and character. These two tools form the foundation to build one's dreams and fulfill his aspirations. At JSS, I've had the opportunity to hone these tools. Heartfelt thanks and gratitude for the same.

When asked how much educated men were superior to those uneducated, Aristotle answered "As much as the living is to dead". Learning is life long, in every field of life. The only way to enjoy it is to be eager, curious and involved in it at every step. Learn from the patients as much as you learn from the books. All of us have it in us to realise our dreams as long as we prioritise them. Remember, your actions show where your priorities lie.

Knowledge is power. And with great power comes great responsibilities. The way we use this powerful tool speaks of our character. Character is our moral and spiritual power. Maintain a healthy balance between the two. If scientific power outruns character, no doubt we will have guided missiles, but misguided men.

Work hard, have a careful observation, be proactive, be responsible, lead by example, strive for overall good, develop & nurture a hobby, and most importantly enjoy life to the fullest!

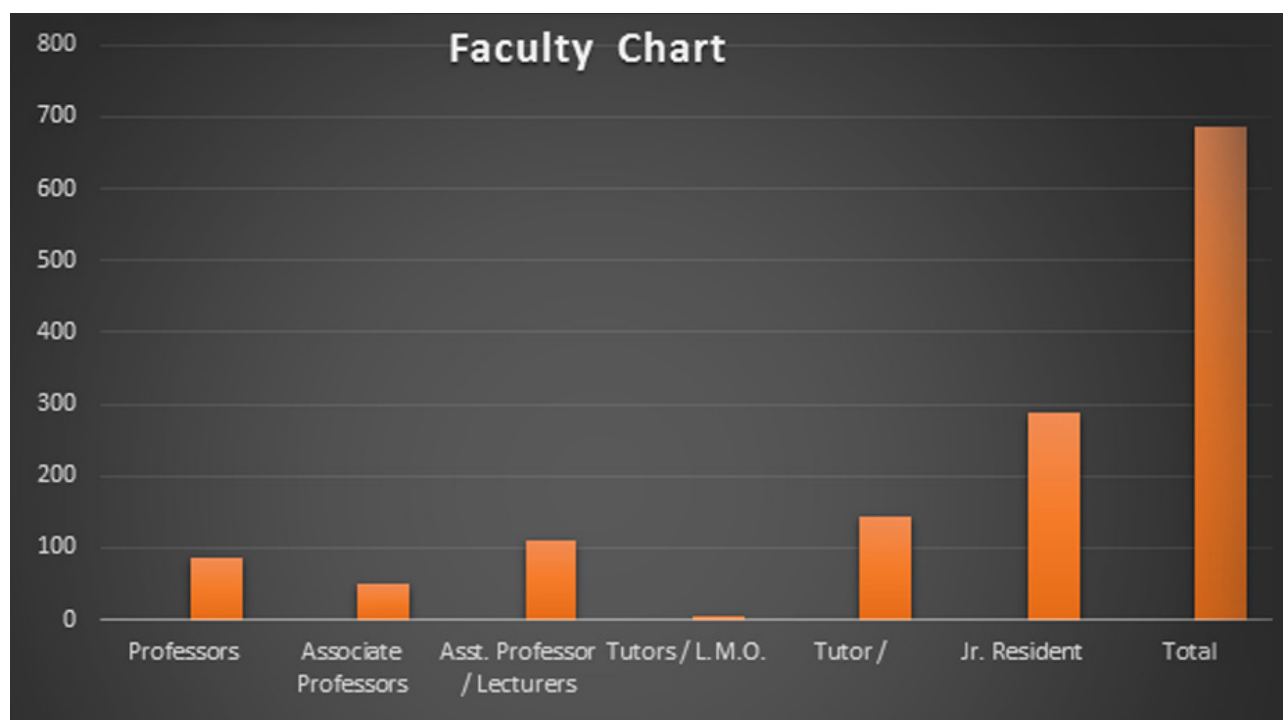

“Dr. Mohammed Saud
JSS Medical College

- Co2 Fractional laser, Targeted Phototherapy

CULTURAL ACTIVITIES

- The Cultural Committee of our College is always on the path, committed to bring out the hidden talents of young prodigies of the institution. Often lost in the vast expanse of the academic world, the various events organized by the cultural body enables the students to break free from the monotony of day to day activities into the realm of art.
- JSS Medical College is known to be a cultural powerhouse for many years now. Once again the students of JSS Medical College have lined up to the expectations and have bagged a multitude of awards at INCIDENT 2014 held from 4th to 9th March 2014 at NIT Surathkal.

Event name: SKIT

The Graduation day for the outgoing students was held on 10-03- 2014. The Cultural program for the evening was organized by the cultural committee. The events performed by staff and students alike included some great numbers sung by Aathira, Dr.Ravi MD, Dr. Pallavi and dances performance by Shreyas HV and mesmerizing instrumental by Dr.Anup. The evening ended on a high with fashion show by a mixture of enthusiastic staff and students which just left everyone wanting to see more. Accompanied by the dinner in the JSS University parking lot. It was indeed a evening of entertainment for the graduates.

The Cultural Committee of our College is always on the path, committed to bring out the hidden talents of young prodigies of the institution. Often lost in the vast expanse of the academic world, the various events organized by the cultural body enables the students to break free from the monotony of day to day activities into the realm of art.

Dr.Ambarisha Bhandiwad who had been the Cultural Chairperson, handed over the chairmanship to Dr.Nalini Kotekar, Prof.&HOD of Anaesthesiology from the year 2013.

JSS U - Fest 2013 had brought young talents from 8 JSS institutions. Nationally acclaimed artist AnkitTiwari performed in the fest. He

captivated the audience for over 2 hours with his melodious numbers. JSS Medical College bagged both cultural & sports championship. Our students proved their talent on the ramp too and added glitz and glamour to the fest.

We bid adieu to the outgoing batch of JSS Medical College students and celebrated their successful transition from a medical student to a doctor by organizing Graduation Day 2014.

On Sept 5th 2014 Teacher's day and Fresher's day was celebrated, where in all teachers were felicitated. Fresher's day saw several fresh faces and talents emerging. Few of them were - Preethi (who brought laurels with her live performances in 'yadethumbihaduvenu'), Vynika and Asmitha performed a few scintillating dances, Gemima, exhibited her special talent of spelling the complicated words backwards. Dr.Anup, PG in Dept of Community Medicine mesmerized the crowd with his mind-blowing instrumental skills.

Shortly thereafter The 99th Jayanthi Celebrations of Sri Shivarathreeswara RajendraMahaswamiji was conducted. And as a part of the celebration famous stand-up comedian Praneesh and his team performed live for a jam packed audience.

NSS REPORT

Journey thus far...

Rabindranath Tagore said “I dreamt that life was joy; I awoke and saw, life was service; I acted and behold, Service was Joy!” Indeed that is what we at NSS believe in. We take pride in the various social activities we were involved in between the period from April 2014 to March 2015 and they have been stated below.

Department of Community Medicine and NSS Unit of JSS Medical College, Mysore have jointly organized, world health day 2014 on 8th April 2014. On this occasion a student symposium was held on World Health Day theme of the year “Small Bites – Big threats”. World Health Day 2014 highlighted some of the most commonly known vectors – such as mosquitoes, sandflies, bugs, ticks and snails – responsible for transmitting a wide range of parasites and pathogens that attack humans or animals. The campaign aimed at raising awareness about the threat posed by vectors and vector-borne diseases. An important aspect of the campaign was to provide information.

Dr.Renuka M, professor and head of Community Medicine, welcomed the gathering and Dr.H.Basavana gowdappa, Principal, JSS Medical College, inaugurated in event. In his inaugural address he mentioned the burden of

vector borne diseases and relevance of their prevention and control in the current scenario. This was followed by the symposium where third year MBBS students, Miss. Nishchitha, Mr.Uday Kumar, Miss. Prathyusha, Mr.Vinay Kumar, Mr.Pulkit Gupta, delivered talks on world health organization, themes of world health day, burden of vector borne diseases, current strategies for prevention and control of these problems.

Dr. Sunil Kumar, D, NSS Officer presented the role of honors to the speakers. Dr.B.M. Balaraj, Vice Principal, JSSMC, distributed felicitated the student speakers. Dr. Praveen Kulkarni, coordinator for the event, proposed vote of thanks. Dr.Kavitha HS and Miss Namratha, compared the event. More than 150 MBBS students, faculty, post graduate students had participated.

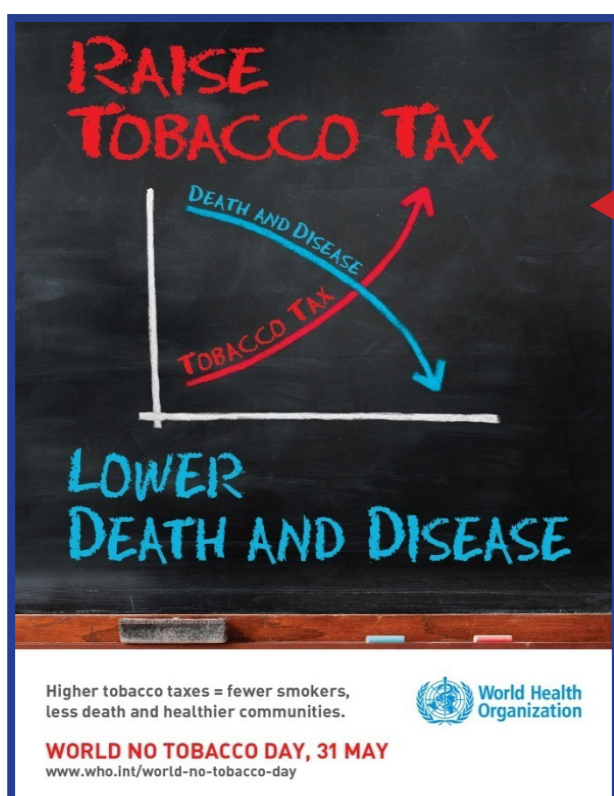

Earth Day 2014

NSS Unit of JSS Medical College and Department of Community Medicine in collaboration with Inner Wheel Club, Mysore has jointly organized World Earth Day 2014 on 22th April 2014. Every year on April 22, over a billion people in 190 countries take action for Earth Day. People plant trees, clean up their communities, contact their elected officials, and more—all on behalf of the environment. Earth Day 2014 will

focus on the unique environmental challenges of our time. As the world's population migrates to cities, and as the bleak reality of climate change becomes increasingly clear, the need to create sustainable communities is more important than ever. Earth Day 2014 will seek to do just that through its global theme: "Green Cities". On this occasion Ayurvedic Medicine plants and tree saplings were planted in Urban Health Center and Government school of Medar Block, Mysore. This was followed by a program and Guest lecture, Dr Rama medical officer welcomed guests of honour, Dr Om Prakash, Prof JSS ayurvedic medical college, Mysore who explained the importance of medicinal plants and Mrs Sowjanya, President of Inner Wheel Club and its members asked students to take oath on avoiding usage of plastic covers and products. Dr HugaraSiddalingappa delivered vote of thanks. Dr Sunil Kumar NSS officer, Dr Narayanmurthy urban health center coordinator, Mr Nagendra social worker and others were present.

World No Tobacco Day 2014

Every year, on 31 May, WHO and partners everywhere mark World No Tobacco Day, highlighting the health risks associated with tobacco use and advocating for effective policies to reduce tobacco consumption. Tobacco use is the single most preventable cause of death globally and is currently responsible for 10% of adult deaths worldwide. Specific goals of the 2014 campaign are that: governments increase taxes on tobacco to levels that reduce tobacco consumption; individuals and civil society organizations encourage their governments to increase taxes on tobacco to levels that reduce consumption. Research shows that higher taxes are especially effective in reducing tobacco use among lower-income groups and in preventing

young people from starting to smoke. A tax increase that increases tobacco prices by 10% decreases tobacco consumption by about 4% in high-income countries and by up to 8% in most low- and middle-income countries. The ultimate goal of World No Tobacco Day is to contribute to protecting present and future generations not only from the devastating health consequences due to tobacco, but also from the social, environmental and economic scourges of tobacco use and exposure to tobacco smoke.

With regards to the above the NSS Unit of JSS Medical College and Department of Community Medicine conducted a SIGNATURE CAMPAIGN FOR STRINGENT IMPLEMENTATION OF LAWS FOR TOBACCO CONTROL AND RAISING TAXES ON TOBACCO PRODUCTS at JSS Medical College, Mysore. About 250 signatures were collected for the same and were handed over to the concerned authorities for further action.

NSS Unit of JSS Medical College, Mysore organized World Environment Day 2014 on 5th June 2014. It is observed every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet Earth. World Environment Day (WED) is the United Nations' principal vehicle for encouraging worldwide awareness and action for the environment. Over the years it has grown to be a broad, global platform for public outreach that is widely celebrated by stakeholders in over 100 countries. It also serves as the 'people's day' for doing something positive for the environment, galvanizing individual actions into a collective

power that generates an exponential positive impact on the planet. The 2014 theme for World Environment Day will focus on **'Small Islands and Climate Change'**, the official slogan for the year 2014 is **'Raise Your Voice Not The Sea Level'**.

On this occasion drawing competition was organized under the nature in garden area of JSS Medical College campus. More than 40 medical professionals participated in it. Dr. Balaraj B.M, Vice Principal of JSS Medical College inaugurated the event by stroking a brush on the canvas. He briefed about the importance of environment day by stating that it is necessary to adopt three R's REDUCE, REUSE and RECYCLE. Dr. Sunil Kumar NSS officer, Dr. Siddalingappa, and Mr. Nagendra social worker organized the event. Dr. Renuka M Prof & Head, Dr. Ashok, Dr. Narayanmurthy, Dr. Prakash, Dr. Kavitha S and Dr. Vidya of Dept of community medicine were present.

Blood Donation

District health Officer, Mysore and DAPCO had organised a blood donation camp in collaboration with Lions Club international on 9th of June 2014 at DHO Office premises, Nazarbad. The blood donation camp was organised in a specially modified Volvo bus with was refitted with all the facilities of a blood bank for the same purpose. About 25 Students from JSS Medical College donated blood on the occasion. The event was co-ordinated by NSS Unit of JSS Medical College. Dr. Balaraj B.M, Vice Principal, JSS medical College and Mr. Jayashankar, Public Relations Officer, JSS Medical College were present on the occasion.

WORLD BREAST FEEDING WEEK-2013

This year's World Breastfeeding Week (WBW) theme, "BREASTFEEDING: A Winning Goal - For Life!" In 1990 eight global goals, the Millennium Development Goals (MDGs), were set by governments and the United Nations to fight poverty and promote healthy and sustainable development in a comprehensive way by 2015. There are regular "countdowns" to gauge progress in achieving the goals. This year's WBW theme responds to the latest countdown by asserting the importance of increasing and sustaining the protection, promotion and support of breastfeeding in the post 2015 agenda, and engaging as many groups, and people of various ages as possible.

For creating awareness among medicos regarding breast feeding practices and Breast Feeding Week 2014, Quiz competition was conducted by National Service Scheme in collaboration with Department of Community Medicine, JSS Medical College, Mysore.

To begin with there were five teams each having four 7th term MBBS students. The quiz competition extended over a period of one hour. The first round was an elimination round wherein written test was conducted. One team was eliminated in this round and the remaining four were moved into further rounds. The second round was a visual round consisting of multiple choice questions.

In the third round one student from each team had to pick up the topics that were written in the chits and give verbal clues regarding the topic (without directly using the words in the chit) and the rest of the team members had to guess the topic within the specified time. Once the team members guessed the topic they were given time to think about it and discuss among themselves for 30 sec, after which another student from the same team had to come on the dais and speak about the topic. Teams were judged on the basis of their depth of knowledge, level of confidence, relevance to the topic, time keeping and overall performance. At the end of this round two teams with least scores were eliminated. The final and the fourth round was a rapid fire round for the remaining two teams following which the winners and runners-up were announced.

Dr.Renuka M, Professor and head, Department of Community Medicine interacted with the students and cleared their doubts regarding breast feeding practices. This was followed by prize distribution ceremony. Dr.Renuka M, Dr. Narayan Murthy and Dr. Sunil Kumar NSS Officer gave away the prizes for winners, runners-up and other participants respectively. The winners are Mr VinayRavikumar, Miss ShubhashreeNandy, Mr Uday Kumar R and Miss Chaithanya VM.

Overall the quiz was successful in achieving its objective of creating awareness, interest and increasing students thirst for further gaining knowledge regarding breast feeding and its practices.

99TH JAYANTHI MAHOTSAVA

SWACCH BHARATH ABHIYAN

The NSS unit of JSS medical college has taken part in the 'Swacch Bharat Abhiyan' to fulfill Mahatma Gandhi's vision of Clean India. Gandhiji had two dreams – Quit India, and Clean India, the people had helped to ensure that the first became a reality. However, the second dream – Clean India – still remained unfulfilled.

In this view the NSS unit has done the clean-up drive at Bannimantap Grounds in Mysore. After the Dasara Torch light parade at Bannimantap grounds it was with full of plastic plates and cups and covers all over the ground. Around 40 NSS volunteers had started the cleaning from 7.00am up to 10.00am by cleaning all the plastics and covers. More than 50 bags of wastes were collected from the ground. Even the local people who came for morning walk also helped in cleaning surprising the kids. With the cooperation of local people and ground authorities the whole event went well. The ground became beautiful at the end and received appreciation by the people. Dr Sunil Kumar, Dr Hugar, Dr Praveen, Dr Kavitha, Dr Srinivasa, Dr Prashant, Dr Akila and others from JSS medical college were present.

The third cycle of the Raleigh wellbeing days (WBD) took place this August. It was established as a 'cyclical village festival' and empower the communities we work with knowledge to look after their own health allowing fewer sickness days by Raleigh India. JSS Medical College was approached by Raleigh to help run the camps as a partner. The days were well attended by over 1000 villagers that included a majority of children.

There were 12 WBD events carried out in the 10 communities in which we work. Two teams successfully held two events, the others hosted one each. The venues included the spaces outside the accommodation, the accommodation itself, primary schools and the local primary health centre. It attracted people from far and wide.

Activities were similar to those that have succeeded in the past and themes included anaemia, malnutrition, heavy lifting and women's health to mention but a few. Structurally, the set-up of the stalls was also similar to previous, thus, registration, information/education and doctor consultations. The 'assault course' for children

deserves a special mention. It was much enjoyed and incorporated elements that reinforced messages like hand washing and the importance of foot wear. Other elements included tippy tap building and identifying nutritious food. Data collection was difficult.

Over 1000 villagers attended the events. The majority of them lived in the village but some came from over 5km away. They ran for approximately 4-5 hours, from 10am to 2-4 pm.

All the adults bar those in one village received basic screening (blood pressure, height, weight). Some received prescriptions from the

doctors. Although this was not part of Raleigh's mandate (WBD are designed to be pill free), it does allow the patient to access medications without the need to see another healthcare professional, saving precious time.

WBD in numbers

Total number of villagers → 1012

Most number of visitors in any village → 165

Oldest villager → 86 years old

Youngest villager → 1 week old

Most children at any event → 90

Most common complaint → Back pain

Also, Raleigh have been invited to participate in JSS' health camps in the future. Department of Community

Medicine in collaboration with NSS Unit of JSS Medical College observed World Rabies Day -2014 at Central School of Tibetan Settlement, Bylakuppe. On this occasion, an awareness programme for school children on Rabies and its Prevention was organized. Dr Renuka, Professor and Head, Department of Community Medicine welcomed the gathering and described the importance of Rabies as a disease and essence of observing World Rabies Day.

**WORLD
RABIES
DAY-2013**

Dr. Hugara Siddalingappa delivered a talk on burden, modes of transmission and animals responsible for the spread of rabies. Dr. Praveen Kulkarni explained the methods of first aid, importance of post exposure prophylaxis

for rabies. A video film in English on rabies prevention was shown to the school children. This was followed by an interactive session where students asked their doubts in management of animal bites and rabies. A total of eighty school children, teachers and school authorities were present on the occasion. Mr. Sonam Phunstok, Monk from Sera Je Monastery of Tibetan settlement coordinated the event. Dr. Sunil Kumar D, NSS Officer of JSSMC, Dr. Prakash, Dr. Srinivas, Dr. Kavitha, Mr. Nagendra, post graduate students from the Department of Community Medicine participated in the event.

More than 2 million adolescents between 10 and 19 years old are living with HIV, and many do not receive the care and support that they need to stay in good health and prevent transmission. Millions more adolescents are also at risk of infection. From 2011-15 World AIDS Day has the theme: "Getting to zero: zero new HIV infections, Zero discrimination, Zero AIDS-related deaths".

World AIDS Day 2014, 1 December, is an opportunity to harness the power of social change to put people first and close the access gap. Ending the AIDS epidemic by 2030 is possible, but only by closing the gap between people who have access to HIV prevention, treatment, care and support services and people who are being left behind. Closing the gap means empowering and enabling all people, everywhere, to access the services they need. On this occasion, Department of Community Medicine and NSS unit of JSS Medical College

observed World AIDS Day 2014 at Suttur Village of Nanjangud taluk. A rally consisting of 160 NSS volunteers and School children was organised, which went through the village to create the awareness among the people about AIDS and its consequences. After the rally, a street play was enacted by MD & MPH post graduate students, with respect HIV affected mother feeding her baby, young adult who was drug addict contracting HIV and services offered by VCTC (Voluntary counselling and testing centre).

People gathered there asked doubts regarding the HIV and its spread. This was followed by a health education session for high school children regarding AIDS and its transmission and how to prevent it.

Dr. Shrinivasa B.M. Asst Prof, Dr. Sunil Kumar NSS Officer, Dr. Mahesh PHC Medical officer and Mr. Nagendra Social Worker were present on the occasion

JSSMC CAMPUS IS PLASTIC FREE ZONE

The students of JSS Medical College under the aegis of NSS, came up with the idea of making the campus a plastic free zone!! The initiative took off with the event first of making paper bags, leading to the creation of beautiful paper bags which are definitely kinder to the environment! The event turned-out to be a great success!!

Free health check up camp at Beechanahalli village of HD Kote

A free general health check up camp for the poor and the marginalized people was conducted at Beechanahalli village of H D Kote Taluk of Mysore district on Thursday, 19-02-2015. This camp was jointly organized by NSS unit of JSS Medical College, Samanvaya Charitable Trust Mysore (R) and vinayaka Swasahaya Sangha(R) of Beechanahalli village.

As a result of wide publicity before the camp, which was held at Govt. Hightschool premises of

Beechanalli, around 300 villagers participated and benefited. 20 doctors, five technicians, two educationists from Mysore served from 10-00am to 4-30 pm. Vision testing, blood sugar testing, spirometry testing were done and free drugs were distributed to the needy patients.

350 schoolchildren were examined by the Pediatricians and services from specialists in surgery, Medicine, Dermatology, Pulmonology, ENT, Dental, Orthopedics, OBG, Psychiatry and Community Medicine were provided to the villagers.

Health educational sessions to girls regarding Menstrual hygiene and for boys regarding life skills, nutritional problems and lifestyle disorders were given by the doctors. Cataract cases were Referred for free operation at JSS Hospital Mysore. With the full community participation the camp was successfully completed.

FUTURE PLAN OF COLLEGE/DEPARTMENT

Anatomy

- Centre of excellence in Plastination
- Health Museum, Mobile Museum
- Establishment genetics lab
- Establishment surgical skill lab

Physiology

- To upgrade exercise physiology laboratory
- To setup an obesity research laboratory
- Enrollment / registration for PhD fellows from in house faculty

Biochemistry

- To adapt to newer teaching learning methodologies and replace 50% of the didactic lectures by active learning strategies like Problem Based Learning (PBL), Case Based Learning (CBL), Small group learning, Structured Seminars, OSPE, etc.
- The clinical biochemistry laboratory shall be accredited by NABL or any other competent accreditation authority.
- By the year 2020, our department would be a sought after destination for pursuing Ph.D and fellowships in molecular medicine. The quantum of research publications and grants would reflect on the growth of the department.
- Organize a national seminar on “Cancer Genomics and Drug Targets” to update about the recent developments in cancer research.
- To conduct a workshop on “Anti-

cancer Agents Screening Methods” to demonstrate the capabilities of CEMR in conducting anti-cancer agents screening.

- Conduct quarterly meetings of Special Interest Group (SIG) in Cancer Biology.

Pharmacology

- Establishment of cell culture facility
- Strengthen the quality research at cellular level
- Strengthen the Clinical pharmacology
- To educate the students so that they become comprehensive at national & international level
- Industry & teaching placements for post graduates.
- Developing centre of excellence for preclinical studies.
- Up gradation of CAF, so that it can be registered under GCP recognized preclinical centre.
- Getting the recognition through Indian veterinary council- to improve the academic status & working quality.
- Developing Distance Education Centre for Preclinical Studies

Microbiology

- Introduction of Chemiluminescence Assay for the diagnosis of blood borne infections.
- Introduction of line probe assay for the diagnosis of MDR TB.
- NABL accreditation for SRL

- RNTCP accreditation (expanding to DOTS plus)
- Private- public partnership in TB with FIND/IPAQT.
- Conducting CME on 1. Viral hepatitis 2. ICU Infections & 3. Newer molecular diagnostic test in TB.
- Strengthening the hospital Infection control programme.

Comm. Medicine

- Workshop on Statistics - Two days for students of health and allied sciences
- To scale up activities under Non-communicable Disease prevention and Treatment Unit (NPTU)
- Design plan of action for rural water sanitation and health in the field practice area of the department.

Medicine

- Department intends to improvise on the method of teaching and academic evaluation.
- The existing PG MEDICON which is conducted at the state level to be extended to national level
- To conduct conferences at national level.
- To extend the research activities to community level (epidemiology) and in the field of genitics and molecular biology and also collaborate with other reputed institutions in India and abroad and conduct multicentric studies.
- To publish a book from the Department comprising of interesting cases treated and published from the department, Guest Lectures given by the staff of the

department and review articles

TB & Respiratory Medicine

- Establish a state of the art advanced pulmonary function laboratory, sleep laboratory, pulmonary rehabilitation and critical care units.
- Establish bio-specimen repository of well characterized samples from asthma, COPD and lung cancer patients.
- Continue building on collaborations and establish large global consortiums for focused research in asthma, COPD, TB and lung cancer patients and establish a new drug development center.
- COPD & Smoking cessation clinic.
- Pulmonary rehabilitation clinic.
- Sleep clinic
- Lung cancer clinic

Neurology

- To be a Center Of Excellence in Neurology catering to the needs of the population & be recognised as a centre for research.
- To be a part of Center Of Excellence in Cognitive Sciences.
- To be a Center Of Excellence in Neurology catering to the needs of the population & be recognised as a centre for research.
- To be a part of Center of Excellence in Cognitive Sciences.

Gastroenterology

- Endosono
- Capsule Endoscopy

- G I monitoring
- Double balloon endoscopy
- EVS

Cardiology

- Post MD 1 yr Fellowship in Non Invasive Cardiology
- BSc Cardiac Care Technology – 3 yrs degree course + 1 yr internship
- BSc Cardiopulmonary Perfusion Technology – 3 yrs degree course + 1 yr internship

Surgery

A. Patient Care

- Specialty clinics (Breast clinic, Thyroid clinic, Diabetic foot clinic)
- Day care surgery
- Trauma team

B. Teaching

- Fellowship in minimal access surgery
- Fellowship in endoscopy
- Skill Lab Establishment

C. Research

- Collaboration with other departments (Biochemistry, Microbiology)
- Collaboration with other institutions (University of Mysore, DFRL: Defence Food Research Laboratory)

D. Advanced Procedures

- Liver transplant surgery
- Advanced laparoscopic surgery
- Robotic surgery

E. Departmental Publications

- News letter in e-publication (“Go Green”)
- Publishing books & Informative material for education of general public regarding surgical problems.

Urology

- To start flexible ureteroscopy (RIRS) facility at the earliest
- To start andrology clinic / specialty in the department
- Planning for research activities in the field of pediatric urology, urolithiasis & renal transplantation
- Planning to start day care facility in the department of Urology
- Planning to open a minor OT facility in the OPD

O.B.G.

- To start
- Gynae Oncology division.
- ART Centre.
- Fetal Medicine Unit.
- Urogynaecology wing.

Paediatrics

- To enhance intensive care facilities in PICU & NICU.
- To start fellow ship programmes in Paediatric & Neonatal intensive care.
- To enhance critical care facilities
- to start super speciality courses
- to do more innovative research projects
- to publish articles in Journals with high impact factor

Orthopaedics

- Speciality Clinics in Oncology, Paediatric Orthopaedics, Arthroplasty, Arthroscopy and Spine surgery, Hand surgery.
- Cadaveric workshops.
- To start Geriatric day care centre in celebration with Medicine Department, JSS College of Physiotherapy and occupational therapy departments of JSS Hospital – under the grants from government of Karnataka.
- To become the center of excellence in arthroplasty.
- To start special paediatric clinic for spastic children's.
- To initiate establishment of comprehensive spinal injury centre.

Radio-Diagnosis

- Involvement in the field of research of all faculty.
- Frequent conduction of CMEs
- PACS and mammography functionality

E.N.T.

- To develop the department in a positive growth so that it will be awarded “centre for excellence” by starting,
- Cochlear Implant Programme.
- Laser Surgery.
- Robotic Surgery.

Anaesthesia

- Propose to initiate starting a simulation lab.

- Purchase of fiberscope and 10 more anaesthesia work stations.

Ophthalmology

- To start a vitreoretinal surgery
- Strengthen the medical retina with OCT
- To start DR screening camps
- To start a course in optometry and ophthalmic assistant
- Improve outreach programme
- To start oculoplasty department
- To start BSC optometry course

Dermatology

- To start dermatology surgery unit.
- To start dermatology pathology unit
- Initiate fellowship courses in dermatology
- Publishing book on Cutaneous manifestations of Internal disease
- Starting of cosmetology department

Emergency Medicine

- Hands on training for public and police in Basic Life Support and Trauma
- Hands on training for health care providers of Mysore District in Basic Life Support and Trauma
- To form a Code Blue team in JSS Hospital
- To develop Trauma & Acute Care Surgical Unit
- To develop as a Center of Excellence

HOSPITAL STATISTICS

Hospital statistics from April 1st 2014 to March 31st 2015 .

1.	No. of Out Patients	-	911110
2.	No. of In Patients	-	57853
3.	No. of surgeries performed	-	Major – 25573 Minor – 52812
4.	a. No. of Birth	-	5842
	b. No. of Deaths	-	1569
	c. No. of Medicolegal cases	-	3214
5.	Details of Advanced facilities/superspeciality services available in the hospital.		
	• Urology		
	• Nephrology		
	• Pulmonology		
	• Neurology

	• Plastic & Reconstructive Surgery		
	• Clinical Hematology		
	• Paediatric Surgery		
	• Cardio Thoracic Vascular Surger		

JSS Dental College and Hospital

JSS Dental College and Hospital is lead by its principal dr. Anil Kumar Gujjari, a Prosthodontist by profession. His vision towards the development of his college and the university is in...

- Supporting the efforts for academic advancement, global outreach, being a centre of lifelong learning and nurturing innovation.
- To realize this he believes that collaboration with national and international universities with exchange programmes would be the way forward.
- The significant contribution for bringing about the change will be by
 - A. Aiding the university in curriculum development by getting feedback from all the stake holders.
 - B. Encouraging students to take part in scientific and curricular activities will help evolve future generation of leaders is what he believes in.

“Leadership is the developed skill of an individual regarding the ability to lead the team of an organization. It is an art to be imbibed and the capacity to translate vision into reality.

-Dr. Anil Kumar Gujjari

Principal

JSS Dental College ,Mysuru

JSS DENTAL COLLEGE AND HOSPITAL

When the words 'leadership' and 'future' are mentioned. We tend to envision our careers and our education. We imagine a better life than the one that we are having, we paint a mental picture of a better tomorrow.

India is the first foreign country that I have ever visited. Across my journey at JSS Dental College since 2012, I have learnt that Leadership is proactive-problem solving looking ahead and not being satisfied with things as they are. They should be constantly motivating us to work hard to achieve better. One important concept I embrace is that leaders are not born they are made. Leader can be nurtured and the characteristics can be developed through training and experience. Leadership talent exists in most people and only one need to be exposed & developed. True leadership is the ability to see the entire landscape through which a team must navigate to progress towards achieving a goal.

As always said leadership can be displayed in two levels- a personal level & social level. Everyone should have a certain ability to manage one's personal need with expertise and at the second level. It is group management that requires willingness to engagement & self sacrifice. Leadership is shown in your capacity to bring out the best in yourself and others, combining personal strength, self awareness and courage. To be a strong & effective leader of others one must truly understand accept and appreciate one's own strengths weakness & purpose. True leadership comes from within.

Networking is an externally important element of being able to communicate. Having said this ability to communicate through writing skills and verbally is equally essential to share a vision. One must clarify one's own vision before you enlist others in a shared vision. An effective vision appeals to both intellect and emotions; the two combined can create strong positive motivation. As said "effective leaders help articulate a vision set standards for performance and create focus & direction- need of the hour.

Dr Raghunath N Professor, Dept. of Orthodontics & Dentofacial Orthopedics	2014	Member of Scientific Committee, Indian Dental Association, Karnataka State Branch.
Dr Nitin V Muralidhar Reader, Dept. of Orthodontics & Dentofacial Orthopedics	2014	Treasurer, Indian Dental Association, Mysore Branch.
Dr Shreeshyla H S Lecturer	13th to 15th February 2015	1st prize in scientific paper presentation at - 68th Indian Dental Conference, Manpho convention center, Bengaluru, titled Cells in liquid – An improved diagnostic tool and an assistant to microscopic eyes from 13th to 15th February 2015,

6. Text Books Authored or/And Chapters Contributed by Faculty

Name of the faculty	Department / Specialty	Title of the Book/ Chapter	Year of publishing
Sheela Kumar Gujjari	Periodontology	Nutrition in Periodontics	LAP Lambert Academic Publishing GmbH & Co., Germany, Year 2014.
Sowmya Srinivas, Dhakshaini Manjunath, Anil Kumar Gujjari	Prosthodontics	Palatal vault depth influence on acrylic denture base resins	LAP Lambert Academic Publishing GmbH & Co., Germany, Year 2014.
Prashanth Sadasiva Murthy, Seema Deshmukh	Paedodontics and Preventive Dentistry	Textbook titled Textbook of Paedodontics by Nikhil Marwah; 3rd edition.	Jaypee publishers, Chapter 49 "Indirect composite shell crown" ISBN 13:9788184485233 ISBN 10: 8184485239, Year 2014.

7. Academic Achievements of Students-UG, PG degree/Diploma, Ph.D., etc.

Name of the Awardee	Course	Name of the Achievements
Dr Bharathi Penumatsa	MDS Oral Medicine & Radiology	Consolation prize in the poster presentation at XXVI National Conference of Indian Academy of Oral Medicine & Radiology, Mangalore titled Gold Nano particles : "Magic bullet" against cancer 21st to 23rd November 2014,
Dr Srishti Tayal	MDS Oral Medicine & Radiology	Best paper award at XXVI National Conference of Indian Academy of Oral Medicine & Radiology, Mangalore, 21st to 23rd November 2014 titled Use of chitosan mouth wash in radio-chemotherapy induced oral mucositis – A case control study
Dr Bhuvan Nagpal	MDS Oral Pathology & Microbiology	2nd prize in scientific paper presentation at - 68th Indian Dental Conference, Manpho convention center, Bengaluru, titled Orofacial granulomatosis – A case report from 13th to 15th February 2015,
Dr Aastha Minocha	MDS Conservative Dentistry and Endodontics	1st prize in scientific paper presentation at - 68th Indian Dental Conference, Manpho convention Centre, Bengaluru, titled Micro leakage of composite restoration lined with resin luting cement and resin – modified glass ionomer luting cement – An in vitro study from 13th to 15th February 2015,
Dr Bhargavi M	MDS Pedodontics & Preventive Dentistry	1st prize in scientific paper presentation at - 68th Indian Dental Conference, Manpho convention center, Bengaluru, Genetic lineage and victim identification using pulp of deciduous teeth from 13th to 15th February 2015,
Dr Shruti Srinivasan	MDS Pedodontics & Preventive Dentistry	1st prize in scientific paper presentation at - 68th Indian Dental Conference, Manpho convention center, Bengaluru, Neonatal Line; A Line to tip the scales of justice from 13th to 15th February 2015,
Dr Sherin Sarah Stephen	Intern	Best paper award at National Undergraduate Convention in Oral Medicine & Radiology, Bengaluru, 20th September 2014
Mr. Jojo Joy K	3rd year BDS	Short Term Studentship (STS) award 2013 from ICMR for the project titled Evaluation of effect of chlorhexidine, Tulsi extract and probiotic mouth rinse on plaque and gingivitis among 12-15 year old school children of Mysore city, India: A randomized controlled trial, 22.12.2014

8.Details of Faculty attending conferences/workshops/seminars

International:

Name of the Faculty	Date	Conference Place	Topic
Dr.B.Nandlal, Principal and Prof. Dept. of Pedodontics	25th to 28th June 2014	92 nd IADR General Session & Exhibition at Cape town, South Africa	Malodor Reductions and Im- proved Oral Hygiene by Tooth brushing and Mouth rinsing
Dr Prashanth S Reader Dept. of Pedodontics	13th to 16th November 2014	BITS 1st Annual World congress of Oral and Dental Medicine, Haikou, China	Odontoma and impacted teeth – Interdisciplinary approach to restore functional aesthetics in pediatric dentistry

National:

Name of the Author	Details of Conference	Department
Dr Brinda S Godhi Dr Chanchala H P	CDE on Nitrous Oxide – Oxygen Inhala- tion Sedation in Pediatric Dentistry, Co- org Institute of Dental Sciences, Virajpet, 5 th & 6 th April 2014	Paedodontics and Preventive Dentistry
Dr Girish M S	CDE on “On going challenges in End- odontics”, RajaRajeswari Dental College & Hospital, Bangalore, 24 th April 2014	Paedodontics and Preventive Dentistry
Dr Vidya Priyadharshini D S Dr Aruna G	CDE on Perio Convergence, M S Ramaiah University of Applied Sciences, Banga- lore, 25 th & 26 th April 2014	Periodontology
Dr Prasanna S Deshpande	CDE on Anti-tobacco education cam- paign and dental health education camp, Indian Dental Association – Mysore Branch, 31 st May and 1 st June 2014.	Oral Medicine
Dr Anil Kumar G	CME on Dermabasics 2014, JSS Medical College & Hospital, Mysore, 29.6.2014	Prosthodontics
Dr Chandrashekar B R	CDE on Introducing to SPSS, delivered as Guest Speaker at People’s Dental Acade- my, Bhopal, 1 st July 2014	Public Health Dentistry
Dr Ravi S Dr Pradeep S	4 th IOS symposium on Practice manage- ment and ethical marketing, Bangalore, 19 th & 20 th July 2014	Orthodontics & Dentofacial Ortho- pedics
Dr Raghavendra Shan- bhog	CDE on Contemporary trends in mini screw supported anchorage and re- search, JSS Dental College & Hospital, Mysore, 17.8.2014	Paedodontics and Preventive Dentistry
Dr Raghunath N Dr Ravi S Dr Nitin V Muralidhar Dr Bhagyalakshmi A Dr Vishal S Kudagi Dr Suma S		Orthodontics
Dr H P Jaishankar	CDE workshop on Unveiling the shades of grey, Coorg Institute of Dental Scienc- es, Virajpet, 23 rd August 2014	Oral Medicine & Radiology

Name of the Author	Details of Conference	Department
Dr Sheela Kumar G Dr Deepika P C Dr Suman Basavaraj Dr Anitha S Dr Devishree Dr Ashwini M S	CDE on Patency, Assent & Consent (P.A.C.E), Ethical considerations in Research, Dept. of Public Health Dentistry, JSS Dental College & Hospital, Mysore. 25 th August 2014.	Periodontology
Dr Karthikeya Patil Dr Mahima V G Dr Mahesh K P Dr Jai Shankar H P Dr Nagabhushana D Dr Sanjay C J Dr Prasanna S Deshpande Dr Thejaswini Dr Sarah Haq		Oral Medicine & Radiology
Dr Prashanth S Dr Seema Deshmukh Dr Girish M S Dr Raghavendra Shanbhog Dr Brinda S Godhi Dr Indira M D Dr Sruthi S Dr Chanchala H P Dr Rashmi S		Pedodontics
Dr Raghunath N Dr Ravi S Dr Nitin V Muralidhar Dr Bhagyalakshmi A Dr Pradeep S Dr Vishal S Kudagi Dr Suma S		Orthodontics
Dr Chandrashkar B R Dr Maurya M Dr Sushma R		Public Health Dentistry
Dr Dhakshaini M R Dr K N Raghavendraswamy Dr Ganesh S Dr Ravi M B Dr Nanditha Kumar Dr Sowmya S Dr Meenakshi S Dr Gouri Vandana M K Dr Kathyayani C P Dr Mahadevaswamy S		Prosthodontics
Dr Parinitha M S Dr Sowmya H K Dr Jayashree D Dr Jyothi G		Conservative Dentistry and Endodontics
Dr Priyanka Nitin		Oral Pathology
Dr Nitin V Muralidhar		Orthodontics

Name of the Author	Details of Conference	Department
Dr Raghavendra Shanbog Dr Brinda S Godhi Dr Chanchala H P Dr Rashmi S	CDE program on Clinical excellence – VII, Sri Siddhartha Dental College, Tumkur, 10 th September 2014.	Pedodontics
Dr Ganesh S Dr Gourivandana M K Dr Kathyayani C P Dr Mahadevaswamy S	CDE program and Hands on training on Cone beam computed tomography-A novel paradigm in Dentomaxillofacial imaging, Dept. of Oral Medicine & Ra- diology, JSS Dental College & Hospital, Mysore. 27 th September 2014.	Prosthodontics
Dr Anitha S Dr Pratibha Shashikumar Dr Vidya Priyadarshini Dr Ashwini M S		Periodontology
Dr Annapoorna B M Dr Parinitha M S Dr Jyothi G Dr Harini M G Dr Jayashree D		Conservative Dentistry

Dr Usha Hegde Dr Priyanka Nitin	XXIII National Conference of Indian Association of Oral & Maxillofacial Pathologists, Chancery Pavilion, Bangalore, 28 th to 30 th November 2014	Oral Pathology & Microbiology
Dr Vinutha M	29 th IACDE & 22 nd IES National conference, Jaipur, 5 th to 7 th December 2014	Conservative Dentistry
Dr Ravi S Dr Jyothi Kiran H	17 th Kerala State Dental Conference, Kannur, 16 th to 18 th January 2015	Orthodontics
Dr Raghavendra Shanbhog	International Conference on Water: From Pollution to Purification, Jan 23-26 2015, Kottayam, Kerala	Paedodontics and Preventive Dentistry
Dr Raghavendra Shanbhog	Indo-Australian Conference on Biomaterials, tissue engineering, drug delivery system & regenerative Medicine (Biterm-2015) 5 th to 7 th Feb-2015	Paedodontics and Preventive Dentistry

Name of the Author	Details of Conference	Department
Dr M R Dhakshaini Dr Meenakshi S Dr Raghavendra swamy	68th Indian Dental Conference, Manpho convention centre, Bengaluru, 13th to 15th February 2015,	Prosthodontics and Crown & Bridge
Dr Shreeshyala H S Dr Priyanka Nitin Dr Usha Hegde		Oral Pathology & Microbiology
Dr Nagabhushana D Dr Mahesh K.P Dr Prasanna Srinivas Deshpande		Oral medicine and Radiology
Dr Chandrashekar B.R Dr Sunitha S Dr Sushma Rudra swamy		Public Health Dentistry
Dr Prashanth S Dr Seema Deshmukh Dr Indira M D Dr Shruthi S Kumar		Paedodontics and Preventive Dentistry
Dr Nitin V Muralidhar Dr Jyothi Kiran Dr Pradeep Dr S Ravi Dr Suma S Dr Raghunath N	National symposium on Microbes and Human Welfare, JSS College of Arts, Commerce and Science, Mysore, 23 rd & 24 th March 2015,	Orthodontics
Dr Nagabhushan D		Oral Medicine & Radiology
Dr Sreeshyala H S Dr Priyanka Nitin		Oral Pathology
Dr Maurya M Dr Sushma R		Public Health Dentistry
Dr Sheela Kumar G	Workshop on Questionnaire design and analysis, St. Philomena's College, Mysore, 29 th June 2014	Periodontology
Dr Anil Kumar G		Prosthodontics
Dr Prashanth S Dr Seema Deshmukh Dr Indira M D	Workshop on Statistical methods in medical research and introduction to SPSS, NIMHANS, Bangalore, 10 th – 12 th July 2014	Paedodontics and Preventive Dentistry
Dr M R Dhakshaini	Workshop on Latest regulatory environment – empowering ethics committees & sites, Hotel Royal Orchid Central, Bangalore, 12 th July 2014	Prosthodontics and Crown & Bridge
Dr Meenakshi S	Workshop on Office Ergonomics, RE-COUP Nuromusculoskeletal Rehabilitation Centre, Bangalore, 12 th to 13 th July 2014	Prosthodontics and Crown & Bridge

Name of the Author	Details of Conference	Department
Dr Brinda S Godhi	Workshop on Interpersonal skills & Conflict management, JSS Medical College, Mysore, 15 th July 2014	Paedodontics
Dr Ganesh S		Prosthodontics
Dr Maurya M		Public Health Dentistry
Dr Paras Mull J		Conservative Dentistry
Dr Anitha S Dr Vidya Priyadharshini		Periodontology
Dr Nitin V Muralidhar		Orthodontics
Dr Anitha S	Hands on workshop on Enzyme – linked immunosorbent assay, MRADC&H, Bangalore, 11 th August 2014	Periodontology
Dr Prasanna S Deshpande	Hands on workshop on Molecular Biology Techniques in Dentistry, MSRIT & Indian Dental Association, Bangalore, 13 th & 14 th August 2014	Oral Medicine & Radiology
Dr Prashanth S Dr Girish M S		Paedodontics and Preventive Dentistry
Dr Premalatha B R		Oral Pathology
Dr Maurya M	National level workshop, Govt. Dental College, Bangalore, 1 st and 2 nd September 2014	Public Health Dentistry
Dr Suman Basavaraj Dr Devishree	Workshop on basic epidemiology and statistical techniques for research, Dept. of Community Medicine, JSS Medical College, Mysore, 9 th & 10 th September 2014	Periodontology
Dr C P Kathyayani		Prosthodontics
Dr Priyanka Nitin Dr Vidya G D		Oral Pathology
Dr Karthikeya Patil Dr Mahima V G		Oral Medicine & Radiology
Dr Indira M D		Pedodontics
Dr Bhagyalakshmi A		Orthodontics
Dr Prasanna S Deshpande	Workshop on Evidence based Dentistry at National Conference of Dental Health Professions Education 2014, KLE Vishwanath Katti Institute of Dental Sciences, Belgaum, 19 th & 20 th September 2014	Oral Medicine & Radiology
Dr Prasanna S Deshpande	Workshop on Scholarship and portfolio at National Conference of Dental Health Professions Education 2014, KLE Vishwanath Katti Institute of Dental Sciences, Belgaum, 19 th & 20 th September 2014	Oral Medicine & Radiology
Dr Parinitha M S		Conservative Dentistry

Name of the Author	Details of Conference	Department
Dr Raghavendra Shanbhog	Workshop on Objective structured clinical examination at National Conference of Dental Health Professions Education 2014, KLE Vishwanath Katti Institute of Dental Sciences, Belgaum, 19 th & 20 th September 2014	Pedodontics
Dr Raghavendra Shanbhog	Workshop on Micro teaching at National Conference of Dental Health Professions Education 2014, KLE Vishwanath Katti Institute of Dental Sciences, Belgaum, 19 th & 20 th September 2014	Pedodontics
Dr Parinitha M S	Workshop on Micro teaching at National Conference of Dental Health Professions Education 2014, KLE Vishwanath Katti Institute of Dental Sciences, Belgaum, 19 th & 20 th September 2014	Conservative Dentistry
Dr Anil Kumar Dr Meenakshi S Dr Sowmya S	Scale the Sky Implant workshop, JSS Dental College & Hospital, Mysore, 30.9.2014 & 1.10.2014	Prosthodontics
Dr Sheela Kumar G Dr Deepika P C Dr Anitha S Dr Pratibha Shashikumar Dr Vidya Priyadharshini Dr Avinash B S Dr Devishree		Periodontology
Dr Prashanth S	Workshop and State level CDE program, Karnataka State Dental Council and IDA Karnataka State Branch, Indian Dental Association, Shimoga, 12 th October 2014	Pedodontics
Dr Raghunath N Dr Nitin V Muralidhar		Orthodontics
Dr S Sowmya	Workshop on Health Technology Assessment, Bengaluru, 8 th to 12 th December 2014	Prosthodontics
Dr N Raghunath	Workshop on Myofunctional appliance and nanoalveolar moulding (NAM) an update, Bangalore, 23 rd & 24 th January 2015	Orthodontics
Dr Sowmya S	Workshop on basic epidemiology and statistical techniques for research using SPSS, JSS Medical College, Mysore, 11 th & 12 th February 2015	Prosthodontics
Dr Nagabhushana D		Oral medicine
Dr Brinda S Godhi		Paedodontics
Dr Nitin V Muralidhar	Hands on Experience and Work shop on AutoCEPH on 26 th Feb to 1 st Mar 2015 Bengaluru	Orthodontics
Dr Dhakshaini M R	National Workshop on Rehabilitation of children with Cleft Lip and Palate, All India Institute of Speech and Hearing, Mysore, 30 th & 31 st March 2015	Prosthodontics

9.Details of Workshop/Seminar/conference conducted by the college

Topic	Date	Speakers / Guests	Participants	Department
2nd Karnataka Prosthodontic Society Conference	18th to 20th Sept. 2014	<p>Chief Guest: Dr Bharat Shetty Vice President, Dental Council of India</p> <p>Trade Fair Inauguration</p> <p>Dr B Suresh, Vice Chancellor, JSS University</p> <p>Guest of Honour: Dr Jayakar Shetty Member, Dental Council of India</p> <p>Dr C L Satish Babu President, KPS</p> <p>Dr Anil Kumar G Organizing Chairman</p> <p>Dr B Nandlal Principal JSS Dental College</p>	<p>Faculties, PG students (all over Karnataka) Total 80 delegates</p>	Prosthodontics and Crown & Bridge
Contemporary Trends in Mini Screw Supported Anchorage and Research in fixed Orthodontic treatment	17.8.2014	<p>Chief Guest:</p> <p>Dr Manjunatha B, Registrar JSS University</p> <p>Guest Speaker:</p> <p>senior professor Dr O P Kharbanda, HOD, Dept. of Orthodontics, Chief Centre for Dental Education & Research, All India Institute of Medical Science (AIMS), New Delhi.</p>	<p>From across the State Total: 70 Delegates</p>	Orthodontics & Dentofacial Orthopedics

Topic	Date	Speakers / Guests	Participants	Department
P.A.C.E – 2014 Patency, Assent & Consent, Ethical considerations in Research	25.8.2014	Chief Guest: Dr P A Kushalappa, Director (Academic), JSS University	From all the Constituent Colleges of JSS University and many other Medical and Dental Colleges across the State Total: 170 Delegates	Public Health Dentistry
Ethical considerations in research		Guest Speaker: Dr Manjunath Puranik Prof. & Head,		
Informed consent process		Dr Chandra Shekar Janakiram Prof. & Head		
Intellectual property rights – patency and patency procedures		Dr S V Joga Rao, National Law School of India University		
Critical issues in clinical trials		Dr Sabya Sachi Saha Vice President of IAPHD		
4th CBCT – A novel paradigm in dentoma xillofacial imaging	27.9.2014	Chief Guest: Dr B Manjunatha, Registrar, JSS University	From in and around Mysore city Total: 150 Delegates	Oral Medicine & Radiology
Cone beam computed tomography (CBCT) – An advanced Novel Dental Imaging Modality		Guest Speaker: Dr Hema H M M/s. Dentscan Bangalore		
Anatomical variation of the jaws and its implication in dental Implantology		Dr Prashant P Jaju Bhopal		

10.Details of Guest Lectures/Academic/Industrial Experts visited the College

Topic	Date	Speakers / Guests	Participants	Department
On the eve of Orthodontist Day: Scope of being an Orthodontist	11.10.2014	Chief Guest / Guest Speaker: Dr C S Ramachandra Principal AECS Maaruti College of Dental Sciences & Research Centre, Bengaluru	Faculty & PG students - 30	Orthodontics & Dentofacial Orthopedics
<ul style="list-style-type: none"> Situational analysis of Fluorosis endemic areas Updates on NRT services and addiction research Educational programme on Oral cancer Management of medically compromised dental cases 	25 th & 26 th Februry-2015	Dr Chitta R Chowdhury PhD (Japan), MPH (UK), FFDRCS (Ire), DND (DU), BDS (DU), A B Shetty Memorial Institute of Dental Sciences, Mangalore	Faculty & PG Students & Interns	All Dept.s

11. Thrust Areas of Research (Department/College)

- Diagnosis in oral cancer
- Development of nano materials
- Orofacial pain
- Dental cariology
- Quality and safe use of dental material
- Facial morphometric and soft tissue profile changes

12. Details of new facilities available in the department/college.

- Ultra low freezer – 80 degree

1. LIBRARY STATISTICS

Library Budget 2014-2015

Particulars	Total Budget Allotted in Lakhs	Expenditure In Lakhs
Books	72.00	72.00
Journals		
Online database		
News papers and Magazines	0.20	0.27
Any other (Xerox)	0.50	0.57

Details of Library Books

Sl. No.	Particulars	Number	Total No. of books as on 31.3.2015
1	Reference Books	4410	8264
2	Course Books	3854	
3	Book bank (SC/ST)	333	333
4	Journals (back volume)	2817	2817
	Total No. of current Journals	114	114
	International Journals	80	80
	Indian Journals	34	34
	e-Journals	68	68
5	CD's	735	735
6	Video Cassettes	34	34
7	Project Reports	529	529

2.DETAILS OF INFRASTRUCTURE UPGRADATION WORKS

Sl. No.	Name of the work	Estimated cost (Lakhs)	Name of the contractor	Expenditure so far (Lakhs)
1	Renovation and upgradation of Toilet Block in Boys and Girls common room	10.66	M/s Merino Industries Ltd.,	0.82 (advance payment)

3. DETAILS OF FINANCIAL EXPENDITURE INCURRED

Particulars	Amount in Lakhs
Salary	1382.00
Stipend	98.00
Books and Journals	72.25
Instruments and Equipments	74.75
Furnitures	10.50
Computers	2.15
University	62.00
Examination	12.50
Advertisement	0.00
Affiliation	7.00
Building maintenance	8.40
Gratuity	53.00
Others	92.45
Total	1875.00

RESEARCH ACTIVITIES

1. DETAILS OF RESEARCH PROJECTS

a) Projects Sanctioned:

Sl. No.	Title of the Project	Principal Investigator with Department name	Sanctioning Agency	Amount	Duration of the Project
1	Quantitative light - induced fluorescence; a novel technology for quantifying the highest & lowest area of hypo-mineralization of endemic fluorosed tooth severity with drinking water fluoride level	Principal Investigator: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry Co-Investigators: Dr Suriyanarayanan HOD, Department of Water & Health JSS University, Mysore & Dr Raghavendra Shanbhog Reader Dept. of Paedodontics and Preventive Dentistry JSS Dental College & Hospital, Mysore	DST	48.97	3 Years
2	A pilot study to evaluate relief from mouth ulcer pain CRO-0114-GEL-PS-JSS (Ulcer study)	Principal Investigator: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry Co-Investigators: Dr K P Mahesh Reader of Oral Medicine & Radiology & Dr Shivanand Gavimutt JSS Aayurvedic Medical College	M/s Colgate Palmolive India Ltd., Mumbai Colgate Project XI	7.50	May 2014 2 Months
3	A pilot study to evaluate microbial accumulation onto hydroxyapatite disks and natural teeth and the effects of treatments. CRO-0514-PILOT-HAP-PS-JSS	Principal Investigator: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry Co-Investigators: Dr Priyanka Nitin Lecturer	M/s Colgate Palmolive India Ltd., Mumbai Colgate Project XII	22.07	July 2014
4	Facial morphometric and soft tissue profile changes in children with eruption of first permanent molar – A longitudinal study	Principal Investigator: Dr Seema Deshmukh Reader Dept. of Paedodontics Co-Investigators: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry	Vision Group on Science and Technology (VGST) Govt. of Karnataka (Seed money to young scientists for research; SMYSR)	4.00	August 2014

b. Projects Completed:

Sl. No.	Title of the Project	Principal Investigator with Department name	Sanctioning Agency	Amount	Duration of the Project
1	A six month clinical study in determine the effects of oral hygiene with provided toothpaste on dental plaque and gingivitis CRO-0713-TOOTH PASTE-PI-GI-PS	Principal Investigator: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry Co-Investigators: Dr Pratibha Shashikumar Reader of Periodontology Dr Avinash B S Reader of Periodontology Dr Devishree Lecturer in Periodontology	M/s Colgate Palmolive India Ltd., Mumbai Colgate Project IX	9.8	Nov. 2013 6 Months
2	A pilot clinical study to evaluate the effects of oral hygiene with two dentifrices on dental plaque and gingivitis CRO-0213-TOOTH PASTE-PI-GI-PS	Principal Investigator: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry Co-Investigators: Dr Avinash B S Reader of Periodontology	M/s Colgate Palmolive India Ltd., Mumbai Colgate Project X	2.72	Jan. 2014 4 week

c. Projects Submitted:

Sl. No.	Title of the Project	Principal Investigator with Department name	Sanctioning Agency	Amount	Duration of the Project
1	Oral care everyday – A caregiver's guide	Dr Sunila B S Reader in Prosthodontics	ICMR	23.60	9.1.2014 36 Months
2	A clinical study to collect oral samples after the use of toothpaste (CRO-0813) CRO-0813-TOOTH PASTE-SAMPLING-PS (Zinc radiant)	Principal Investigator: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry Co-Investigators: Dr Avinash B S Reader of Periodontology	M/s Colgate Palmolive India Ltd., Mumbai Colgate Project VI	40.00	Jun 2014 2 Months
3	Effect of Periodontal Therapy on patients at High Risk for Gestational Diabetes Mellitus – A Randomized Control Study	Dr Sheela Kumar Gujjari Professor Dept. of Periodontology	ICMR	30.30	25.11.2013 24 Months
4	A pilot study to evaluate relief from mouth ulcer pain CRO-0114-GEL-PS-JSS (Ulcer study)	Principal Investigator: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry Co-Investigators: Dr K P Mahesh Reader of Oral Medicine & Radiology & Dr Shivanand Gavimutt JSS Aayurvedic Medical College	M/s Colgate Palmolive India Ltd., Mumbai Colgate Project XI	7.50	May 2014 2 Months
5	A pilot study to evaluate microbial accumulation onto hydroxyapatite disks and natural teeth and the effects of treatments. CRO-0514-PILOT-HAP-PS-JSS	Principal Investigator: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry Co-Investigators: Dr Priyanka Nitin Lecturer	M/s Colgate Palmolive India Ltd., Mumbai Colgate Project XII	22.07	July 2014
6	Histomorphometric changes in the Dental pulp of deciduous teeth during different stages of resorption	Principal Investigator: Dr Prashanth S Reader Dept. of Pedodontics Co-Investigators: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry	Vision Group on Science and Technology (VGST) Govt. of Karnataka (Seed money to young scientists for re-search;SMYSR	4.00	August 2014

Sl. No.	Title of the Project	Principal Investigator with Department name	Sanctioning Agency	Amount	Duration of the Project
7	Facial morphometric and soft tissue profile changes in children with eruption of first permanent molar – A longitudinal study	Principal Investigator: Dr Seema Deshmukh Reader Dept. of Pedodontics Co-Investigators: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry	Vision Group on Science and Technology (VGST) Govt. of Karnataka (Seed money to young scientists for research;SMYSR)	4.00	August 2014
8	Time and sequence of eruption of primary teeth in preterm and full-term children of Mysore city, South India – A Prospective cohort study	Principal Investigator: Dr Indira M D Lecturer Dept. of Pedodontics Co-Investigators: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry	Vision Group on Science and Technology (VGST) Govt. of Karnataka (Seed money to young scientists for research;SMYSR)	3.43	August 2014
9	Oral care every day – A caregiver's guide	Principal Investigator: Dr Sunila B S Reader Dept. of Prosthodontics Co-Investigators: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry	ICMR	19.58	Sept. 2014
10	Does fluoride content in drinking water affects the calcium and vitamin D status in pregnant women and newborn infants?	Principal Investigator: Dr Thippeswamy H M Reader of Public Health Dentistry	ICMR	7.60	24.10.2014
11	Disability and oral health among institutionalized elderly population of Mysore taluk, India – An application of Icf model	Principal Investigator: Dr Nanditha Kumar Reader of Prosthodontics	ICMR	6.35	28.11.2014
12	Root canal length determination by various electronic apex locators using NiTi hand files: an ex vivo study	Dr Paras Mull J Reader Dept. of Conservative Dentistry and Endodontics	JSSU	0.23	9.4.2014 3 Months

Sl. No.	Title of the Project	Principal Investigator with Department name	Sanctioning Agency	Amount	Duration of the Project
13	Diagnostic efficiency of liquid based cytology in oral PMD and cancer: A comparative evaluation with conventional cytology	Dr Sreeshyla H S Lecturer Dept. of Oral Pathology & Microbiology	JSSU	0.30	15.5.2014 1 Year
14	A study of dental measurements, dental indices, arch measurements and comparative analysis of lip print, finger print and rugae pattern in Kerala population in establish their role in human identification and gender determination	Dr Sreeshyla H S Lecturer Dept. of Oral Pathology & Microbiology	JSSU	0.08	15.5.2014 6 Months
15	Low level laser therapy for alleviation of pain from fixed orthodontic appliance therapy – A randomized control trial	Dr Karthikeya Patil Professor & Dr Mahima V G Professor Dept. of Oral Medicine & Radiology	JSSU	5.00	28.5.2014 1 Year
16	Comparative study to evaluate the salivary electrolyte concentration among diabetic and non-diabetic adults and its impact on prevalence of dental caries	Dr Ambikathanaya U K Lecturer Dept. of Conservative Dentistry	JSSU	0.43	25.9.2014 1 Year
17	Influence of domestic exposure to polycyclic aromatic hydrocarbons on women's preconception stage and risk of oral cleft in offspring – A questionnaire study	Dr Sowmya S Lecturer Dept. of Prosthodontics and Crown & Bridge	JSSU	0.04	11.11.2014
18	Correlation between maxillary anterior teeth and pterygomaxillary notch in Indian population – A cross sectional study	Dr Raghavendra Swamy KN Professor Dept. of Prosthodontics and Crown & Bridge	JSSU	0.25	11.11.2014
19	Efficacy of root canal filling removal using protaper next and protaper universal retreatment file – An in vitro study	Dr Vinutha M Reader Dept. of Conservative Dentistry and Endodontics	JSSU	0.32	29.12.2014

d.Details of Ongoing Research Projects

Sl. No.	Title of the Project	Principal Investigator with Department name	Sanctioning Agency	Amount	Duration of the Project
1	Early detection of potentially malignant and malignant oral mucosal lesions – Preventive, clinical and molecular approach	Principal Investigator: Dr Siti Mazlipah Ismail, Professor of Oral & Maxillo-facial Surgery, Faculty of Dentistry, University of Malaya, Malaysia Project Leader: Prof. Dr Mahima V G Dept. of Oral Medicine & Radiology JSS Dental College & Hospital	University of Malaya	11.43	3 Years (Jan. 2013 to Dec. 2015)
2	ONCOGRID – A mHealth (Mobile Health) approach to prevention and early diagnosis of oral cancer in rural south India	Institution A: Radhika Chigurupati, DMD, MS Asso. Professor Dept. of Oral & Maxillofacial Surgery Goldman School of Dental Medicine, Boston University Institution B: Moni A Kuriakose, MD, FRCS, FDSRCS Professor, Chief, Head and Neck Oncology Service, Mazumdar Shaw Cancer Center (MSCC), Bangalore. Institution C: Dr Usha Hegde, Coordinator, Dept. of Oral Pathology & Microbiology JSS Dental College & Hospital Dr Sujeeth Kumar Shetty, Dept. of Oral & Maxillofacial Surgery Dr Mahesh K P, Dept. of Oral Medicine & Radiology Dr Sushma, Dept. of Public Health Dentistry & Community Medicine	McKesson Foundation is the funder for this project and Boston University is the awardee of the grant	1.20	18 Months

Sl. No.	Title of the Project	Principal Investigator with Department name	Sanctioning Agency	Amount	Duration of the Project
3	A clinical study to collect oral samples after the use of toothpaste (CRO-0813) CRO-0813-TOOTH PASTE-SAMPLING-PS (Zinc radiant)	Principal Investigator: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry Co-Investigators: Dr Avinash B S Reader of Periodontology	M/s Colgate Palmolive India Ltd., Mumbai Colgate Project VI	40.00	Jun 2014 2 Months
4	A pilot study to evaluate relief from mouth ulcer pain CRO-0114-GEL-PS-JSS (Ulcer study)	Principal Investigator: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry Co-Investigators: Dr K P Mahesh Reader of Oral Medicine & Radiology & Dr Shivanand Gavimutt JSS Aayurvedic Medical College	M/s Colgate Palmolive India Ltd., Mumbai Colgate Project XI	7.50	May 2014 2 Months
5	A pilot study to evaluate microbial accumulation onto hydroxyapatite disks and natural teeth and the effects of treatments. CRO-0514-PILOT-HAP-PS-JSS	Principal Investigator: Dr B Nandlal Professor of Paedodontics and Preventive Dentistry Co-Investigators: Dr Priyanka Nitin Lecturer	M/s Colgate Palmolive India Ltd., Mumbai Colgate Project XII	22.07	July 2014
6	To compare reduction of dental plaque and gingivitis between herbal and non-herbal dentifrice and mouth wash in orthodontic cases – clinical study	Dr Bhagyalakshmi A Reader Dept. of Orthodontics & Dentofacial Orthopedics	JSSU	0.11	Sept 2013 (1 year)
7	Comparative evaluation of the effect of Hiora GA gel versus periodontal dressing on the post surgical healing in chronic periodontitis patients-a clinical and microbiological study	Dr Sheela Kumar G Professor & HOD Dept. of Periodontology	JSSU	0.40	Nov 2013 (1 year)

Sl. No.	Title of the Project	Principal Investigator with Department name	Sanctioning Agency	Amount	Duration of the Project
8	Communication skills for patient care by the undergraduate students	Dr Sunila B S Lecturer Dept. of Prosthodontics and Crown & Bridge	JSSU	0.06	Jan 2014 (1 year)
9	Posture evaluation and related musculoskeletal pain among dental students	Dr Nitin V Muralidhar Reader Dept. of Orthodontics & Dentofacial Orthopedics	JSSU	0.05+ 0.22	Sep 2013
10	Professional knowledge, attitude and practice towards Infant Oral Health care: A survey	Dr Indira M D Lecturer Dept. of Paedodontics and Preventive Dentistry	JSSU	0.05	Jun 2013 (3 Mon)
11	Preventive Programme by using pit and fissure sealant at JSS free residential school-A 3 year longitudinal evaluation	Dr Brinda S Godhi Lecturer Dept. of Paedodontics and Preventive Dentistry.	JSSU	0.50	Aug. 2013 (3 Years)

e. Research grants received

Sl. No.	Granting Agency	No. of Projects	Grants sanctioned (in lakhs)	Grants received (in lakhs)
1	DST	1	48.97	26.00
2	VGST, Karnataka	1	4.00	4.00
3	M/s Colgate Palmolive India Ltd., Mumbai (Colgate – VI)	1	40.00	40.00
4	M/s Colgate Palmolive India Ltd., Mumbai (Colgate – X)	1	2.72	2.72
5	M/s Colgate Palmolive India Ltd., Mumbai (Colgate – XI)	1	7.50	7.50
6	M/s Colgate Palmolive India Ltd., Mumbai (Colgate – XII)	1	22.07	22.07

f. Student Research Projects (Completed)

Sl. No.	Title of the Project	Name of the student	Name of the guide, department	Amount	Sanctioning agency
1	Evaluation of Moxifloxacin – Hydroxyapatite composite graft in regeneration of intra bony defects – A clinic radiographic – Microbiological study	Periodontology Dr Nagarjuna Reddy PG Student	Dr Deepika P C Dept. of Periodontology	0.25	ICMR
2	Assessment of pain and intra-operative anxiety by computerized and traditional local anesthetic methods in periodontal therapies	Dr Abhishek Haridas PG student	Dr Veerendra Kumar S C Dept. of Periodontology	0.22	JSSU
3	Comparison of efficacies of moxifloxacin & Doxycycline as local drug delivery agents in treatment of chronic periodontitis – A clinical & Microbiological study	Dr Venkata Nagarjuna Reddy PG student	Dr Deepika P C Dept. of Periodontology	0.25	JSSU

Student Research Projects (submitted)

Sl. No.	Title of the Project	Name of the student	Name of the guide, department	Amount	Sanctioning agency
1	Hepatitis B Seropositivity and immune status in Dental students	Dr Bhuvan Nagpal PG Student	Dr Usha Hegde Prof. of Oral Pathology & Microbiology	0.25	ICMR
2	Relationship of self perceived stress and halitosis among adult patients attending a Dental Institution in Mysore city, India – a cross sectional study	Dr Priyanka Sharma PG Student	Dr Thippeswamy H M Reader of Public Health Dentistry	0.25	ICMR
3	Oral health status and treatment needs among 6 to 15 years old orphans and children with parents in Mysore City, India: A comparative study	Dr Ravi Kumar Thetakala PG Student	Dr Sunitha S Reader of Public Health Dentistry	0.25	ICMR
4	Effect of 1% Metformin as a local drug delivery on levels of lipid peroxidation in smokers with chronic Periodontitis	Dr Divya Arora PG Student	Dr Sheela Kumar G Periodontology	0.25	ICMR

Sl. No.	Title of the Project	Name of the student	Name of the guide, department	Amount	Sanctioning agency
5	Reconstruction of supracrestal bone loss using crystalline fluorapatite coated hydroxyapatite and hydroxyapatite alone with barrier membrane – A comparative study	Dr Vikash Kumar PG Student	Dr Sheela Kumar G Periodontology	0.25	ICMR
6	Comparison of antimicrobial potential of 0.5% green tea extract and 0.2% chlorhexidine as mouthwash and gel against streptococcus mutans in caries active 6 to 10 year old children: A randomized clinical trial	Dr Bhargavi M PG Student	Dr Prashanth S Paedodontics and Preventive Dentistry	0.25	ICMR
7	A clinicopathologic of unicystic ameloblastoma	Ms. Akhila Gopal UG Student	Dr Vidya G D Oral Pathology & Microbiology	0.10	ICMR
8	Assessment of liquid based cytology in the diagnosis of oral cancer and its applicability to molecular diagnosis using immunocytochemical assay	Mr Syed Ghouse Ahmed UG Student	Dr Shreeshyala H S Oral Pathology & Microbiology	0.10	ICMR (STS)
9	Analysis of salivary pH, minerals, antioxidants in diabetic patients and cytological assessment of epithelial changes, glycogen and mucin content in oral epithelial smears	Ms Hrishida P UG Student	Dr Priyanka Nitin Oral Pathology & Microbiology	0.10	ICMR (STS)
10	Saliva and exfoliated oral cells as diagnostic biomarkers in assessing biofunctional changes in geriatric patients with oral prosthesis	Ms Aishwarya Ramesh UG Student	Dr Meenakshi S Prosthodontics and Crown & Bridge	0.10	ICMR (STS)
11	Comparative evaluation of remineralization potential of functionalized β -Tri calcium phosphate (β -TCP) containing dentifrice and fluoride dentifrice by quantitative light induced fluorescence – An in vivo study	Dr Ranjith M George PG Student	Dr Seema Deshmukh Dept. of Paedodontics and Preventive Dentistry	0.23	JSSU
12	Determination of efficacy of allicin oral adhesive films in the treatment of minor recurrent aphthous ulceration	Dr Ankita Sahani PG Student	Dr Mahima V G Dept. of Oral Medicine & Radiology	0.12	JSSU

Sl. No.	Title of the Project	Name of the student	Name of the guide, department	Amount	Sanctioning agency
13	Comparative evaluation of shear bond strength of Nano-Hydroxyapatite incorporated glass ionomer cement and Conventional glass ionomer cement on dense synthetic Hydroxyapatite disc – An in vitro study	Dr Kanupriya Choudhary PG Student	Dr B Nandlal Dept. of Paedodontics and Preventive Dentistry	0.23	JSSU
14	Comparative evaluation of effect of dietary solvents on the shear punch strength of nano hydroxyapatite incorporated glass ionomer cement, and conventional glass ionomer cement – An invitro study	Dr Ashwini PG Student	Dr B Nandlal Dept. of Paedodontics and Preventive Dentistry	0.15	JSSU
15	Genetic Lineage and victim identification using DNA from pulp of deciduous teeth	Dr Bhargavi M PG Student	Dr Prashanth S Dept. of Paedodontics and Preventive Dentistry	0.20	JSSU
16	Use of Chitosan Mouth wash in Radiochemotherapy induced Oral Mucositis patients	Dr Sristi Tayal PG Student	Dr Mahima VG Dept of Oral Medicine & Radiology	0.14	JSSU
17	Hepatitis B Seropositively and immune status in Dental students.	Dr Bhuvan Nagpal PG Student	Dr Usha Hedge Dept of Oral Pathology & Microbiology.	0.35	JSSU
18	Efficacy of Pre-procedural Boric acid mouth rinse in reducing viable bacteria in dental aerosols produced during ultrasonic scaling	Dr Swet Nisha PG Student	Dr Avinash B S Dept of Periodontology	0.26	JSSU
19	SMART Tooth brush (Silver Meticulous Antimicrobial Revolutionary Toothbrush) a randomized controlled double blind pilot study	Dr Chaurasia Priya Dayashankar PG Student	Dr Sheela Kumar Dept of Periodontology	0.20	JSSU

g.Student Research Projects (onging):

Sl. No.	Title of the Project	Name of the student	Name of the guide, department	Amount	Sanctioning agency
1	Study of permanent tooth eruption pattern in residential school children among vegetarian and mixed diet users with respect to their chronological age and gender.	Ms. Varsha Maria UG student	Dr B Nandlal Paedodontics and Preventive Dentistry	0.10	ICMR

2. Details of Research Publications by faculty

Title of the Research Paper	Name of the Author	Name of the Department	Name of the Journal with volume, date of publishing	Indexed/non-indexed with name of the indexing authority	ISSN No. and Impact factor
The unusual peg shaped mandibular central incisor – Report of two cases	Suchetha N Malleshi	Oral medicine	Journal of Research and Practice in Dentistry – Mar 2014; DOI:10.5171/2014.959636 (online),	Indexed	International
Implants not for all: Many can be sensitive!!!	Sheela Kumar Gujjari,	Periodontology	Journal of Dental Implants – Jan – Jun 2014;4(1):62-65.	Peer reviewed Indexed	ISSN: 0974-6781, International
Massive ossifying fibroma of mandible	D Saikrishna, Sujith Shetty, S Ramya	Oral & Maxillofacial Surgery	Annals of Maxillofacial Surgery – Jan-Jun 2014;4(1):81- 84.	Indexed	ISSN: 2231-0746, National.
An esthetic approach to retain fracture tooth fragment	Sowmya H K, Ashwini T S	Conservative Dentistry and Endodontics	Journal of the International Clinical Dental Research Organization – Jan – Jun 2014;6(1):46-49.	Indexed	ISSN: 2231-0754, International
Quantitative assessment of apical debris extrusion and intracanal debris in the apical third, using hand instrumentation and three rotary instrumentation systems	Sowmya H K	Conservative Dentistry and Endodontics	Journal of Clinical and Diagnostic Research – Feb 2014;8(2):206-210.	Pubmed Original research	ISSN:0973-709X, Impact factor: 0.14, National

Title of the Research Paper	Name of the Author	Name of the Department	Name of the Journal with volume, date of publishing	Indexed/non-indexed with name of the indexing authority	ISSN No. and Impact factor
Dermatofibrosarcoma protuberans – A recurrent lesion with unusual presentation in the parotid region	Usha Hegde, Sujeeth K Shetty, Huchannahalli Sheshanna Sreeshylla, Vidya Gowdappa Doddawada	Oral Pathology Oral Surgery	Journal of Clinical and Diagnostic Research – Mar 2014;8(3):130-131.	Indexed Pubmed	ISSN: 2249-782X, H Index: 3, Impact factor: 0.409, International
Vital tissue staining in the diagnosis of oral precancer and cancer: Stains, technique, utility, and reliability	H S Sreeshylla,	Oral Pathology & Microbiology	Clinical Cancer Investigation Journal – Mar-Apr 2014;3(2):141-145.	Pubmed	ISSN: 2278-1668, International
Diagnostic wax up – A valuable tool in aesthetic treatment planning	Aruna G	Periodontology	GDPF-Dentomed Journal – Apr 2014;1(1):27-29.	Non-indexed	National
Medicated Chewing Gum: An Overview	Mahesh K P	Oral Medicine & Radiology	Research and Reviews: Journal of Dental Sciences – Apr-Jun 2014;2(2):50-64.	Indexed	ISSN: 2322-0090, National
Estimation of Dental age by Nolla's method using orthopantomographs among rural free residential school children	Nandlal B, Karthikeya Patil, Ravi S	Pedodontics Oral Medicine Orthodontics	International Journal of Medical Research & Health Sciences – Apr – Jun 2014;3(2):273-277.	Pubmed Indexed	ISSN No.2319-5886, International
Cephalometric characteristics of patients with temporomandibular joint disorders: A radiographic cross-sectional study	Puttabuddi J H,	Oral Medicine & Radiology	Journal of Indian Academy of Oral Medicine & Radiology – Apr-Jun 2014;26(2):133-138.	Association Indexed	ISSN: 1972-1363, National

Title of the Research Paper	Name of the Author	Name of the Department	Name of the Journal with volume, date of publishing	Indexed/non-indexed with name of the indexing authority	ISSN No. and Impact factor
Contribution of a Prosthodontist in the Field of Forensic Odontology	MR Dhakshaini,	Prosthodontics	International Journal of Prosthodontics and Restorative Dentistry – Apr-Jun 2014;4(2):56-59.	Pubmed Indexed	ISSN:2231-6361, National
Panaromic radiological discoveries of zygomatic air cell defects; A cross-sectional study to aid in age determination and literature survey	Manjula S, Sahith Kumar Shetty, Chandan S N, Harsha Raj	Oral & Maxillofacial Surgery	Journal of Contemporary Dental Sciences – Apr-Jun 2014;3(4):7-21.	Indexed	ISSN: 2249-2917, National
Pomegranate supplementation (40% Ellagic acid) as an antioxidant in the treatment of smokers with chronic periodontitis	S, Sheela Kumar Gujjari,	Periodontology	International Journal of Current Research – May 2014;6(5):6825-6830.	Indexed	ISSN: 0975-833X, Impact factor: 1.125, International
Molariform Mesiodens in Primary Dentition: A Case Report	Indira M D,	Pedodontics	Journal of Clinical and Diagnostic Research - May 2014;8(5):ZD33-ZD35.	Pubmed indexed	ISSN: 2249-782X, H Index: 3, Impact factor: 0.409, International
Pre-surgical Alveolar molding in a newborn patient with complete unilateral cleft lip and palate – A report	B Nandlal,	Pedodontics	Journal of Clinical and Diagnostic Research - May 2014;8(5):ZD01-ZD03.	Pubmed indexed	ISSN: 2249-782X, H Index: 3, Impact factor: 0.409, International
Tips for maintaining sterilization in your orthodontic work station	H Jyothikiran	Orthodontics	International Journal of Orthodontics – Apr – Jun 2014;25(2):21-30.	Pubmed indexed	ISSN: 1539-1450, International
Intravascular papillary endothelial hyperplasia: Diagnostic sequence and literature review of an orofacial lesion	Mahima V Guledgud, Karthikeya Patil, Degala Saikrishna,	Oral Medicine Oral Surgery	Case Reports in Dentistry – May 2014; DOI 10.1155/2014/934593 (online),	Pubmed indexed	ISSN: 2090-6447, International

Title of the Research Paper	Name of the Author	Name of the Department	Name of the Journal with volume, date of publishing	Indexed/ non-indexed with name of the indexing authority	ISSN No. and Impact factor
Rare oral findings in Olmsted syndrome	Aruna G	Periodontology	International Journal of Research in Dentistry – May-Jun 2014;4(3):168-173.	Indexed	ISSN: 2249-488X, International
Endodontic Treatment in a patient with Hemophilia A : Case report with literature review	C J Sanjay	Oral Medicine	IJSS Case Reports & Reviews – May-Jun 2014;1(1):9-11.	Indexed	ISSN: 2349-6940, National
Complications of GTR	Deepika P C	Periodontology	International Journal of Basic and Applied Medical Sciences – May-Aug 2014;4(2):149-154.	Non-indexed	ISSN: 277-2103, National
Effect of dentifrice containing salt on salivary sodium and chloride ions in prehypertensive patients	Sheela Kumar Gujjari	Periodontology	International Journal of Current Research – June 2014;6(6):7173-7176.	Indexed	ISSN: 0975-833X, Impact factor: 1.125, International
Role of platelet rich fibrin and platelet rich plasma in wound healing of extracted third molar sockets: A comparative study -	D Saikrishna	Oral Surgery	Journal of Maxillofacial and Oral Surgery – Jun 2014; DOI 10.1007/s12663-014-0638-4 – (Online)	Pubmed indexed	ISSN: 0972-8279, National
Legislative and policy aspects of hospital waste – International	Sushma Rudraswamy, Nagabhushana Doggalli	Public Health Dentistry Oral Medicine	Journal of Development Research – Jun 2014;4(6):1197-1200.	Indexed	ISSN: 2230-9926, Impact factor: 0.471, International
Hazards and public health impacts of Hospital waste	Sushma Rudraswamy, Nagabhushana Doggalli	Public Health Dentistry Oral Medicine	Indian Journal of Applied Research – Jun 2014;4(6):384-386.	Indexed	ISSN: 2249-555X, Impact factor: 2.16, National

Title of the Research Paper	Name of the Author	Name of the Department	Name of the Journal with volume, date of publishing	Indexed/ non-indexed with name of the indexing authority	ISSN No. and Impact factor
The Karapandzic flap in lower lip reconstruction	Saikrishna Degala, Sujith Kumar Shetty	Oral & Maxillofacial Surgery	Journal of Maxillofacial and Oral Surgery – Jul 2014; DOI 10.1007/s12663-014-0655-3 – (Online)	Indexed	ISSN:0972-8279, National
Peripheral ossifying fibroma in pregnancy: A multifactorial consequence	Gujjari S K, Sreeshyla H S	Periodontology Oral Pathology	International Journal of Medical & Dental Science – July 2014;3(2):518-523.	Indexed Peer reviewed	ISSN: 2320-1118, International
A retrospective study of panoramic radiographs for zygomatic air cell defect in children	Suchetha N Malleshi, Karthikeya Patil, Mahima V Guledgud	Oral Medicine	Saudi Journal of Oral Sciences – Jul 2014;1(2):79-82.	indexed	ISSN: 1658-6816, International
Oral lymphangioma of the buccal mucosa a rare case report	Rame Gowda Rajendra Prasad,	Oral Surgery	Journal of Pharmacy and Bioallied Sciences – Jul 2014;6(1):S188-S191.	Pubmed Indexed	ISSN: 0975-7406, National
Adenomatoid odontogenic tumor in the maxillary antrum: A rare case entity	Rame Gowda Rajendra Prasad,	Oral Surgery	Journal of Pharmacy and Bioallied Sciences – Jul 2014;6(1):S196-S199	Pubmed Indexed	ISSN: 0975-7406, National
Conservative combined therapy for malignant tumors	Mahima V G, Karthikeya Patil	Oral Medicine	Dental Poster Journal – Jul-Aug 2014;4(3): poster No.4.	Indexed	ISSN: 2278-7372, National
Juvenile recurrent parotitis in children: diagnosis and treatment using sialography	Jai Shankar Homberhali Putta Buddi,	Oral Medicine	Journal of Indian Society of Pedodontics and Preventive Dentistry – Jul – Sept 2014;32(3):262-265.	Indexed	ISSN: 0970-4388, National
Intracanal antiseptic medications; A review	Ambikathanaya U K	Conservative Dentistry	Unique Journal of Medical and Dental Sciences – Jul-Sept 2014;2(3):136-142.	Indexed	ISSN: 2347-5579, Impact factor: 3.046, National

Title of the Research Paper	Name of the Author	Name of the Department	Name of the Journal with volume, date of publishing	Indexed/ non-indexed with name of the indexing authority	ISSN No. and Impact factor
Total recall: An update on Orthodontic wires	H Jyothikiran, Ravi Shantharaj, Pradeep S, Bhagya Lakshmi	Orthodontics	International Journal of Orthodontics – Jul-Sept 2014;25(3):39-48.	Pubmed Indexed	ISSN: 1539-1450, International
Photodynamic therapy – Novel therapeutic approach in management of oral diseases	Mahima V G, Karthikeya Patil	Oral Medicine	Dental Poster Journal – Jul-Aug 2014;4(3): poster No.5.	Indexed	ISSN: 2278-7372, National
Antimicrobial efficacy of aqueous and ethanolic extracts of Triphala on primary plaque colonizers: An in vitro study	B R Chandrashekar	Public Health Dentistry	Journal of Young Pharmacists – Jul-Sept 2014;6(3):7-13.	Indexed	ISSN: 0975-1483, National
Juvenile ossifying fibroma of the mandibular ramus in a five year old boy	Mahesh Kaggere Puttaraju, Karthikeya Patil, Saikrishna Degala	Oral Medicine & Radiology Oral & Maxillofacial Surgery	Journal of Indian Academy of Oral Medicine & Radiology – Jul-Sep 2014;26(3):133-138.	Pubmed Indexed	ISSN: 1972-1363, National
Antiplaque and anti-gingivitis efficacy of triphala and chlorhexidine mouthrinse among Schoolchildren – A cross-over, double-blind, randomized controlled trial	Sunitha S, C V K Reddy, Thippeswamy HM, M Maurya, Sushma R	Public Health Dentistry	Journal of Oral Health & Preventive Dentistry – Jul-Sep 2014;12(3):209-217.	Pubmed Indexed	ISSN: 1602-1622, Impact factor: 0.532, International

REPORT OF NSS SPECIAL CAMP HELD FROM 06.03.15 TO 12.03.15 AT GUNGRAL CHATRA, MYSURU

JSS Dental College & Hospital, a constituent college of JSS University conducted NSS camp from 6th to 12th of March 2015 in Gungral Chatra, near Ilwala, Mysuru.

Sri G T Devegowda, MLA, Chamundeshwari Constituency, Mysuru flagged off a week long service programme in which Dental, Medical checkup and treatment were conducted for about 500 people out of which 200 received various treatments including scaling, filling, extraction.

The NSS camp was lead by 50 volunteers and other doctors from JSS institution. This event lead a strong part to the volunteers for their “LEARNING THROUGH EXPERIENCE” and left a strong sense of

“NOT ME BUT YOU”- a notion that bears its significant through the NSS movements.

ALUMNI

Alumni meet once in two years scheduled for August 2015.

FUTURE PLANS OF COLLEGE/DEPARTMENTS

Enumerate the future plans of individual department or college.

- Establishment of VIP clinic
- Extending the services of Tobacco Intervention Initiative Center (TIIC) to Schools

JSS College of Pharmacy

Vision: To become a global leader in pharmacy education, research and service/ practice

Strategy:

- Ensure a transformative student experience with exemplary learning
- Support a community of thought leaders infused with a culture of excellence,
- Shape the future of health care delivery, discovery and policy.
- Build strong and enduring global partnerships.

Effective Leadership towards:

- Consolidating and improving teaching programs across the campuses –

Creative plan to support a new organizational initiative:

- Implementation of JSSUonline.com.
- Continuation of ISO 9001:2008 certification for the institution.
- NBA Accreditation for B.Pharm. program.
- NABL Accreditation for Drug Testing Laboratory.
- Constitution of Admission Cell to facilitate the potential students and parents with information
- to improve students' quality.
- Initiatives are supported by:
- Formulating and personally leading individual teams with defined tasks to accomplish.
- Be a 'role model' to the colleagues and students – Motivation by 'action' not by 'words'.

Leaders have found success in acting as facilitators rather than authoritarians. Including collective thoughts in vision development allows all individuals to be empowered, committed and imaginative.

-Dr. G Parthasarathi
Dean Faculty of Pharmacy

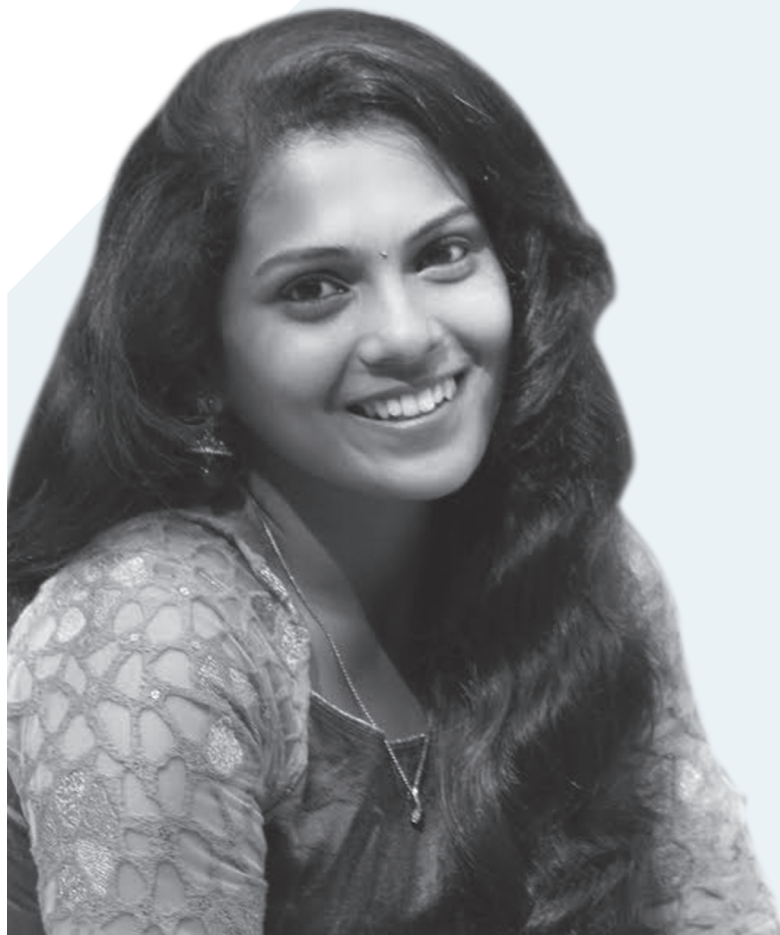

Message from the Young Leaders

At a much younger and more impressionable age, a teacher gave me a powerful piece of advice. 'It is within the capacity of every human being to focus on one thing alone and do it brilliantly. Be great and do more than one thing brilliantly.'

This thought has stuck with me and it reflects in all my endeavors. I believe that everybody has an artistic side, an athletic side, an intellectual side and a multitude of others. Every friend I have made in this very college is testimony to this. You must give your time and nurture every aspect of you so that you can be all of that which only you can be.

We all have 24 hours in our day. What changes from person to person, are our choices. The excuse of not having time is a mirage we create standing from where we are, in front of where we can be. Every single one of us prioritizes our 24 hours every day. Should we spend the morning sleeping in or should we go for a run. Should we spend the evening after school going for an art class or should we watch television. We all have time for the things that we set high on our list of priorities. I urge you all to take a look at whether your priorities are set so that your dreams can take flight.

I hope these thoughts, even in its brevity, will still be food for your thoughts. As we graduate, educated in the noble profession of mending the human body and prolonging the human life, I see us all as buds held tightly, growing and enduring till that one day they burst to blossom for the world. I wish you all the very best in your professional endeavors and the very best in life!

Ms.Chanchal.A.M.

Pharm.D Intern,

J.S.S.College of Pharmacy

Mysore.

Message from the Young Leaders

Learning is a lifelong process. College life is not just a place to acquire knowledge but to showcase your talent, improve your skills and prove yourself. Whatever work done with skill as well as passion will surely turn out to be a masterpiece. Don't forget to put your secret ingredient into recipe of life. After all, life is to enjoy but never escape from taking responsibilities. Taking responsibilities and every step to make it better will lead you to the best one. The difference in winning and losing is most often not quitting. So the message I would like to share to all my juniors is to keep pursuing your dreams even if the path is a difficult one and stride forward without quitting.

Colin Powell had said, "A dream doesn't become a reality through magic; it takes sweat, determination and hard work", If I achieved something it is purely due to the encouragement from the teachers and the constant support from my friends and family. Apart from all the knowledge I've gained, the important message I take away from my college life is that the passion and love you have for your profession will automatically lead your way to success. Heartfelt thanks to JSS University and JSS college of Pharmacy for providing this wonderful platform for me.

Ms. Elizabeth Jose

Pharm D Intern

JSS College of Pharmacy

Sl. No.	Name and details of the Expert	Date	Lecture Topic	No. of participants
1	Dr. Amarnath Chaterjee Associate Scientific Manager-II, Molecular characterisation laboratory, Biocon Research centre, Bangalore	26.05.2014	Structure function paradigm in biopharmaceutics: Biophysics to the rescue!	60
2	Dr. Umesh V. Banakar, Prof. of Pharmaceutics, University of Indianapolis, Consultant/ Advisor to Pharmaceutical Industry, USA	28.07.2014	1. Drug product development and evaluation (In Vitro & Clinical) 2. Technology Transfer 3. Interaction with staff, M.Pharm and research scholars	60
3	Dr. VV Pillay Head –Poison control centre, Amritha Institute of Medical Sciences, Kochin, Kerala	16.08.2014	Substances abuse: New drugs on the block	60
4	Mr. Mujeeb Ur Rahman Director – Quality, Ministry of Health, Kingdom of Saudi Arabia	22.08.2014	Introduction to Quality Management – Patient Safety and Risk Management	60
5	Dr. Pariti Sastry Regional Sales Manager – South Zone, LCMS Products, Chromatography & Mass Spectrometry Division, ThermoFisher Scientific India Pvt. Ltd., Hyderabad	23.08.2014	Mass Spectroscopy and its applications	60
6	Mr. S.N. Rao Managing Director, Supreme Pharma, Mysore	13.09.2014	Managing and launching your own SME (Small and Medium Enterprise)	60
7	Dr Wayne Hindmarsh Executive director, Canadian Council for Accreditation of Pharmacy Programs, Dean Emeritus, Leslie Dan Faculty, University of Toronto, Canada	15.09.2014	Toxicology	60

8	Dr. Shantanu Kale Professor in Drug Regulatory Affairs, Nasik	17.09.2014	122 DAB- Amendment – D & C act and its effect on clinical research in India	60
9	Dr B R Sainath Iyer Professor of Pharmacology, (Retd), KESAR SAL Medical College Ahmadabad	06.10.2014	Collecting Pebbles from the Shores of Pharmacology	60
10	Dr. Abhijit Ray Consultant, Drug discovery and development, New Delhi	20.11.2014	Discovery of a Novel Muscarinic Receptor Antagonist for Chronic Obstructive Airway Disease	60
11	Sri Ramana Scientist, Natco, Hydrabad	26.12.2014	Drug development for anticancer drugs	60
12	Dr. Hans-Joachim Huebschmann, PhD, Product Manager for high resolution GC-MS and GC-MS/MS, Thermo Fisher Scientific, Germany	05.02.2015	GC-MS/MS and its applications	60
13	Mr Sunil Kumar Sharma Senior Application Specialist- LCMS, Thermo Fisher Scientific, Mumbai	05.02.2015	LC-MS/MS and its applications	60
14	Shanthi Pal, Group Lead, Medicines Safety, Safety & Vigilance, WHO, Geneva	16.2.2015	Pharmacovigilance in Public Health Programmes	60
15	Sten Olsson, WHO Programme expert, UMC, Sweden	17.2.2015	Pharmacovigilance global perspective	60
16	Anna Hegerius, Senior Specialist, Education & Training, Global Services, AlemZekarias, Senior Specialist, Education & Training, Global Services, UMC, Sweden	17.2.2015	Spontaneous ADR reporting system, Developing a positive ADR reporting culture, How to collect ADR information	60
17	Therese Lundin Webinar UMC Sweden	18.2.2015	ICSR management tools	40
18		18.02.2015	Dictionaries, coding and terminologies used in Pharmacovigilance	40
19	Pia Caduff Medical Doctor UMC Sweden	19.02.2015	Clinical Diagnosis of ADRs	40

20	Pia Caduff Medical Doctor UMC Sweden	19.02.2015	Risk, risk perception and benefit-risk balance & Risk management	40
21	Moin Don CEO & Founder of PVCON Pharmacovigilance Auditing Consulting Services	19.02.2015	Pharmacovigilance & Pharma industries · Establishment of drug safety department in industries · SOPs · Regulatory Aspects - Communication with regulators	40
22	Sten Olsson, WHO Programme expert, UMC,Sweden	20.02.2015	Information resources in Pharmacovigilance	60
23	Sten Olsson, WHO Programme expert UMC,Sweden	20.02.2015	Identification of new adverse drug reactions	60
24	Dr. Sanjay Garg Director, Center for Pharmaceutical Innovation and Development, University of South Australia	20.02.2015	Drug development and Delivery & opportunities of collaborations	60
25	Paula Alvarado Global Communication Head UMC	23.02.2015	Communication in pharmacovigilance	60
26	Sten Olsson WHO Programme expert, UMC,Sweden	24.02.2015	PV capacity building and organization on the regional and national level	60
27	Sten Olsson WHO Programme expert UMC,Sweden	24.02.2015	Pharmacovigilance Indicators	
28	Sten Olsson WHO Programme expert UMC,Sweden	26.02.2015	Recent advances/ changes in Pharmacovigilance regulatory requirements	60
29	Sten Olsson WHO Programme expert UMC,Sweden	26. 02.2015	Recent advances/ changes in Pharmacovigilance regulatory requirements	40

Webinars

Regulatory affairs faculty and students participated in webinars of Knowledge, Education and Training in Regulatory/Compendial Science Advisory Group

DATE	UNIVERSITY	TOPIC
08/05/2014	Bruce D. White, Albany Medical College	Conflicts of Interest

14. Thrust Areas of Research (department/college)

- Synthesis and analytical method development of NCEs
- Screening for pharmacological activities of NCEs & phytopharmaceuticals
- Preformulation studies
- Formulation development of dosage forms and Novel DDS
- Medication Safety Monitoring, Comparative effectiveness Research, Medication Adherence

15.Details of new facilities available in the department/college.

Sl.No.	Particulars
1	Computer aided drug design laboratory in the department of pharmaceutical chemistry
2	Establishment & Provision of Drug & Poison Informing Centre
3	Establishment of Pharmacy Practice Laboratory in the college
4	Establishment Pharmaceutical Quality Laboratory in the college

INFRASTRUCTURE and FINANCIAL EXPENDITURE DETAILS

4.HOSTEL FACILITIES

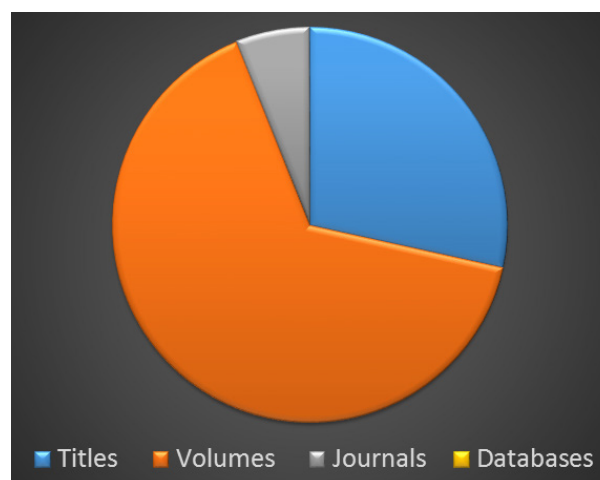

Sl. No.	Name of the Hostel (Boys/Girls)	Total No. of Rooms	Accommodation capacity	Total No. of inmates	
				Male	Female
1	Men's Hostel	88 -174		174	--
2	Women's Hostel	79+7 - 282		--	282

5. LIBRARY STATISTICS: Library Budget 2014-2015

Sl.No.	Particulars	Total Budget Allotted	Expenditure
1	Books	Rs. 30.00	16.97
2	Journals		
3	Online Database		
4	News Papers and Magazines		
5	CD-ROMs		
6	Any other		

Details of Library Books

Sl No.	Particulars	Total
	Titles	3911
	Volumes	9007
	Journals	
	International	
	Print	08
	Online	793
	National	21
	Databases	08

6. DETAILS OF INFRASTRUCTURE UPGRADATION WORKS:

Civil Works carried out from 01-04-2014 to 31-03-2015

Sl No.	Name of the work	Estimated cost	Name of the contractor	Expenditure so far
1	Renovation of toilet blocks of boys hostel	34.46 Lakhs	M/s Jagadeesh	34.46 Lakhs
2	Pharmacy Practice Dept. at JSS Hospital	50.00 Lakhs	iCAD Engineering Pvt Ltd.,	20.00 Lakhs (advance)
3	Pharmaceutical Quality Assurance	50.00 Lakhs	M/s Jagadeesh	40.00 Lakhs

7.DETAILS OF FINANCIAL EXPENDITURE INCURRED

Sl.No.	Particulars	Expenditure Rs. In lakhs
1	Establishment expenses	702.39
2	Administrative expenses	139.31
3	Academic activities	57.10
4	Students amenities	57.68
5	Examination fee	27.50
6	Payment to JSSMVP	5.36
7	JSSU Fee	87.49
8	Non-recurring expenditure	57.43
9	Grants	97.00
Total		1231.00

RESEARCH ACTIVITIES

5.DETAILS OF RESEARCH PROJECTS

h.Projects Sanctioned:

Sl No	Title of the Project	Principal Investigator	Agency & date	Amount sanctioned in lakhs	Sanctioned date & Duration
1	Establishment and provision of poison information management services to public and health care professionals	Dr. M. Ramesh	DST	26.25	Sept. 2014 3 Years
2	Training Program on drug chemistry	Dr BR Prashanth Kumar	ICMR	50.00	Sept. 2014 1 Year
3	Design, synthesis and Antidiabetic activity of novel Glitazones	Dr BR Prashanth Kumar,	UGC	11.55	Dec 2014 3 years
4	Synthesis, characterization and evaluation of 5-flurouracil nanospongesfor the treatment of basal cell carcinoma	Dr. Vishal Kumar Gupta N	UGC	14.80	Dec. 2014 3 Years
5	Chemoprotective effects of Noni (Morinda citrifolia) juice against anticancer drugs induced toxicity-A Preclinical and clinical study	Dr.S.N.Manjula	VGST-KFIST	20.00	Jan 2015 2 years
6	Identification of natural products for the treatment of thrombocytopenia associated hemorrhagic diseases	Student Project of SPICE Student: Basavaprabhu Guide: Dr S N Manjula	VGST	0.30	Jan 2015 5 months
		Total	122.90		

i. Projects Completed:

Sl No	Sanctioned Date & Duration	Title	Principal Investigator	Funding agency	Amount (Rs. in lakhs)
1	01.02.2011 03 years	Formulation and evaluation of pH sensitive drug delivery systems for anti-diabetic drugs	Dr H G Shivakumar	UGC-MRP	09.76
2	01.08.2013 1 year	Upgradation of laboratory in the Dept. of pharmacology	Dr S N Manjula	AICTE MODROBS	13.80
3	28.08.2013 1 year	Upgradation of laboratory in the Department of Pharmaceutics	Dr. T.M. Pramod Kumar	AICTE, MODROBS	14.00
Total					37.56

j. Projects Submitted:

Sl. No.	Title of the Project	Principal Investigator	Agency & date of submission	Amount in lakhs
1	Design, synthesis and evaluation of menaquinone biosynthetic enzyme inhibitors as antitubercular agents	Dr. G.V. Pujar	UGC August 2014	17.50
2	Bioanalytical method development and validation for simultaneous determination of drugs acting on cytochrome P450 enzyme: Drug interaction study	Dr. R S Chandan	UGC August 2014	20.00
3	Identification and development of natural products for the treatment of hemorrhagic diseases.	Dr Mruthunjaya K	UGC Aug 2014	20.00
4	Formulation & Evaluation of Anticancer activity of novel Ethyl esters of ferulic acid and Quercitin liposomes	Dr.S.N.Manjula	UGC, MRP Aug 2014	20.00
5	Solid self nano emulsifying systems with enhanced bioavailability for anti cancer drugs	Dr P K Kulkarni	UGC, MRP Aug. 2014	27.60
6	Structure based design, synthesis and anticancer evaluation of novel E3(Ub) ligases (Mdm2 and Pirh2)-p53 interactions inhibitors	Dr. M.N.Purohit	DST Sept 2014	31.00
7	Identification of bioactive molecules from herbal source for the treatment of hemorrhage associated thrombocytopenia	Dr S N Manjula	Lady Tata Jan 2015	20.00
8	Bioactivity guided fractionation & characterization of bio-molecules from fruit of Momordica dioica Roxb. and investigation into molecular mechanistic action.	Dr.J.Suresh,	ICMR Jan 2015	27.50
Total 183.60				

k. Research grants received:

Sl No	Title of the Project	Principal Investigator	Agency & date	Amount sanctioned in lakhs	Sanctioned date & Duration
1	Establishment and provision of poison information management services to public and health care professionals	Dr. M. Ramesh	DST	8.55	Sept. 2014 3 Years
2	Training Program on drug chemistry	Dr BR Prashanth Kumar	ICMR	24.20	Sept. 2014 1 Year
5	Chemoprotective effects of Noni (Morinda citrifolia) juice against anticancer drugs induced toxicity-A Preclinical and clinical study	Dr.S.N.Manjula	VGST-KFIST	10.00	Jan 2015 2 years
6	Identification of natural products for the treatment of thrombocytopenia associated hemorrhagic diseases	Student Project of SPICE Student: Basavaprabhu Guide: Dr S N Manjula	VGST	0.30	Jan 2015 5 months
		Total	43.05		

2.Details of Research Publications by faculty (please include the indexed/nonindexed status along with name of indexing authority like Scopus, WOS, PubMed, Google scholar, Embase, etc.

Research publications

Sl. No.	Department	International	National	Total
1	Pharmaceutics	78	04	82
2	Pharmaceutical Chemistry	28	-	28
3	Pharmacology	16	02	18
4	Pharmacy Practice	14	08	22
5	Pharmacognosy	03 - 03		
Total		139	14	153

Details of Publications

Sl. No	Title of the paper	Authors	Journal Name	Journal Publication details	IF
Department of Pharmaceutics					
1	Preparation and evaluation of co-grinding mixture and solid dispersion of propafenone hydrochloride using natural polymer	Gowda DV, Vishnu Datta M, Aravind Ram S	International Journal of Biopharmaceutics	2014; 5(2): 95-100	0.82
2	Development and characterization of co-ground mixtures and solid Dispersions of aripiprazole with hydrophilic carriers	Muneera Begam, D V Gowda, Vishnu Datta M, Aravindaram S, Siddaramiah H	International Journal of Pharmacy and Pharmaceutical Sciences	2014;6(2): 552-557	1.59
3	Regulations of Medical Devices in Regulated Countries: A Comparative Review	G.V.S.S.N. Jyothi, M.P. Venkatesh, T.M. Pramod Kumar	Therapeutic Innovation and Regulatory Science.	2013; 47(5): 581-592	--
4	ACTD: Bridge between regulatory requirements of developed and developing countries	Jain Achin, M.P. Venkatesh, Kumar Pramod T.M	International Journal of Drug Regulatory Affairs	2013; 1(4): 1-11	--
5	Design and Evaluation of a Lyophilized liposomal gel of an Antiviral drug for Intravaginal Delivery	Navya Manne, Hemanth K.S. Yadav, S.Hemanth Kumar, Tashi Chojjom Khom, N, Sankeerth Kumar	Journal of Applied Polymer Science	2014; 131(2): 39804	1.395
6	Formulation and evaluation of enteric coated nanoparticulate system for poorly absorbable drugs	A.Ahmed, H.K.S.Yadav, V.L.Sureddy, N.B.V.Namburi, H.G.Shivakumar	Journal of Drug Delivery Science and Technology.	2014; 24(1): 50-56	1.01

7	Effect of polymer diluent ratio on physicochemical properties of matrix tablets of aceclofenac sodium for oral controlled drug delivery	Manjanna KM, Rajesh KS, Pramod Kumar TM	Journal of Chemical and Pharmaceutical Research	2014; 6(2): 635-648	--
8	A review on latest guidelines on process validation of European Medicines Agency	Kotha Arun Kumar, N. Vishal Gupta, U Nitin Kashyap, Vemuri Pavan Kumar	International Journal of Pharmacy and Pharmaceutical Sciences	2014; 6(2): 16-18	1.59
9	A Comparison between old and latest systems in DPCO	Vemuri Pavan Kumar, N. Vishal Gupta, Kotha Arun Kumar	International Journal of Pharmacy and Pharmaceutical Sciences	2014; 6(2): 19-20	1.59
10	Formulation and evaluation of polymeric nanoparticulate gel for topical delivery	B. V. Nagavarma Namburi, Hemant K.S.Yadav, Hemanth S., Ayaz Ahmed, Vasudha Lakshmi Sureddy, And H. G. Shivakumar	International Journal of Polymeric Materials and Polymeric Biomaterials	2014: 63; 439-447	1.9
11	Prospects of conducting bioavailability/bioequivalence (BA/BE) studies and outsourcing in semi regulated countries	Parasiaya Sachin Kumar, Balamuralidhar V and TM Pramod Kumar	Journal of clinical studies	2014:6(2); 16-19	--
12	Para-tetra-butylcalix(4) arene as promising complexing agent for removal of the strontium from the aqueous medium	Navneet Sharma, Sudha Rana, H.G. Shivakumar, Rakesh Kumar Sharma	Radiation protection and environment	36(2);2014: 78-80	---
13	Solid nanoparticles as a carrier of metformin for transdermal delivery	Navneet Sharma, Sudha Rana, H.G. Shivakumar, Rakesh Kumar Sharma	International Journal of Drug Delivery	5; 2014: 137-145	1.02
14	Orphan regulations for orphan drug development in India	D Saikiran Reddy, TM Pramodkumar, Yugendar Reddy, K Sirisha	Asian Journal of Pharmaceutics	2014; 8(2) : 130-132	0.46

15	Modern FDA guidance and comparative overview of FDA and EMA on process Validation	Gipsa S. Padickakunnel, N. Vishal Gupta	International Journal of Pharmacy and Pharmaceutical Sciences	2014; 6(4), 14-17	1.59
16	Para- tetra- butylcalix(4) arenene emulsion: Preparation characterization and comparative evaluation of its decontamination efficacy against technetium-99, Iodine-131 and Thallium-201	Sudha Rana, Navneet Sharma, Himanshu ojha, H.G. Shivakumar, Sarwat Sultana, Rakesh Kumar Sharma	Colloids and surfaces B: Biointerfaces	117;2014: 114-121	3.554
17	Past and present trends of Dry powder inhaler devices: a review	Sharath Chandra Reddy, Kapileshwar Swain, H.G. Shivakumar, VNSK Varma, Mahesh G	Journal of Drug Delivery & Therapeutics	2014, 4(1): 97-103	--
18	Formulation design and evaluation of a novel vaginal delivery system of clotrimazole	Umme Hani, H.G. Shivakumar and M.P. Gowrav	International Journal of Pharmaceutical Sciences and Research	2014, 5 (1): 220 - 227	0.533
19	Pomegranate supplementation (40% ellagic acid) as an antioxidant in the treatment of smokers with chronic periodontitis	Gauresh Kumar Patel, Suramya S., Sheela Kumar Gujjari and Pramod T. M.	International Journal of Current Research	2014, 6(5), 6825-6830	--
20	Novel Interpenetrating Polymer Matrix Network Microparticles for Intestinal Drug Delivery	Jagadeeswara Reddy, B. Nagashubha, Mahesh Reddy, Afrasim Moin and H.G. Shivakumar	Current Drug Delivery	2014, 11(2), 191-199	--
21	Approaches for improvement of vesicular system-Pro-vesicular drug delivery	Gangadhar Veerapu, Gangadharappa.HV, B Nagashubha	American Journal of PharmTech Research	2014, 4(1), 17-57	0.983

22	Regulatory perspectives of pharmaceutical products in Ghana	Raja Mohan Reddy G, M.P. Venkatesh, Achin Jain, T.M. Pramod Kumar	International Journal of Drug Regulatory Affairs	2014;2(2): 7-15	--
23	Regulation for Paediatric Drug Development in India: Need of the Hour	Achin Jain, M.P. Venkatesh, T.M. Pramod Kumar, S. Naveen Kumar	Journal for Clinical Studies	2014; 6(1): 14-17	--
24	Regulatory for focus on nanomedicines in the US and Europe	Vidhya Sabbella, Vallur Ravi, TM Pramod Kumar and K. Sreekanth Reddy	International Pharmaceutical Industry	2014;6(2): 36-41	--
25	Merging and Acquisition perspective in the pharmaceutical industry	K. Sreekanth Reddy, Balmuralidhara V, Shilpi Khattri and TM Pramod Kumar	International Pharmaceutical Industry	2014;6(2): 10-11	--
26	Formulation and evaluation of mango gum microspheres as a targeted drug delivery to colon	Nawaz Mahammed and DV Gowda	International Journal of Pharma and Bio Sciences	2014;5(4): 126-137	--
27	Design and evaluation of carboxymethyl tamarind kernel polysaccharide (CMTKP) controlled release spheroids/pellets and investigating the influence of compression	DV Gowda, Nawaz Mohammed and Vishnu Dutta. M	International Journal of Pharmacy and Pharmaceutical Sciences	2014; 6(7): 1-7	1.59
28	Design and development of preservative free herbal dosage forms	HB Pushpalatha, TM Pramod Kumar, U. Arvind Padiyar and Sundaram	The Natural Products Journal	2014;4: 54-62	---
29	Development of Non-Effervescent Low Density Floating Tablets of Cefpodoxime Proxetil	Keerthy HS, Gowda DV, Deshpande RD, Siddaramaiah, Datta V	International Journal for Pharmaceutical Research Scholars (IJPRS)	2014;3(3): 69-77	--
30	Fabrication of Ultrafine Amorphous Atorvastatin Calcium Nanoparticles by Novel Bottom-up Technique	Gowda DV, Deshpande RD, Keerthy HS, Datta V, Siddaramaiah	International Journal for Pharmaceutical Research Scholars (IJPRS)	2014;3(3): 78-85	--

31	Complications and risk management of diabetic foot ulcer: A review	Vishnu Datta M, D.V Gowda, Karthik shanmukha, Raghunandan HV, Prashanth Reddy G	Journal of Scientific and Innovative Research	2014; 3(3): 363-371	---
32	Transdermal drug delivery of glibenclamide using binary polymeric combination: In Vitro and preclinical studies	Atul Srivatsava, DV Gowda, TM Pramod Kumar, PH Rajasree and Chetan G Shinde	Journal of Biomaterial Tissue Engineering	2014; 7: 1-7	1.16
33	A Review on Managing of Pharmaceutical Waste in Industry	K. Sreekanth, N Vishal Gupta, H V Raghunandan, U Nitin Kashyap,	International Journal of PharmTech Research	2014; 6(3): 899-907	--
34	Quality Risk Management in Pharmaceutical Industry: A Review	V Vijayakumar Reddy, N Vishal Gupta, H V Raghunandan, U Nitin Kashyap,	International Journal of PharmTech Research	2014; 6(3): 908-914	--
35	Quality Risk Management for Computerised Systems- A review	Sumanth T.N., M.N. Raviteja, N Vishal Gupta, H V Raghunandan	International Journal of PharmTech Research	2014; 6(3): 915-919	--
36	USFDA Guidelines on Process Validation - A Review	Shruthi .NK, N Vishal Gupta, H V Raghunandan, U Nitin Kashyap	International Journal of PharmTech Research	2014; 6(3): 920-923	--
37	Formulation and Evaluation of pH Sensitive Pellets for the Treatment of Type II Diabetes Mellitus	M.P. Gowrav, H.G. Shivakumar, N. Vishal Gupta,	Indian Journal of Advances in Chemical Science	2014, 2, 46-49	---
38	Preparation and statistical optimization of self nanoemulsifying tablets of Efavirenz using 23 factorial designs	Panner Selvam R, P.K.Kulkarni	International Journal of Drug Delivery	2014; 6: 50-57	1.29

39	Development and validation of tizanidine hydrochloride loaded gum microspheres	Keerthy HS, DV Gowda, Vishnu Priya and Nawaz Mahammad	Journal of Pharm Research	2014; 3(7): 116-121	--
40	Fast dissolving tablets – A Review	A. Kailash Kumar, Hemant K.S. Yadav	World Journal of Pharmacy and Pharmaceutical Sciences	2014;3(3): 678-701	--
41	Medicated Chewing Gum: An Overview	Vasudha Lakshmi S, Hemant K S Yadav, Mahesh KP, Abhay Raizaday, Navya Manne, Ayaz A, and BV Nagavarma N.	Research and Reviews: Journal of Dental Sciences	2014;2(2): 50-64	--
42	Development of Mucoadhesive Nanoparticulate System of Ebastine for Nasal Drug Delivery	Tashi Chhojom Khom, Hemant KS Yadav, Abhay Raizaday, Navya Manne, Hemant S Kumar and Sankeerth N Kumar	Tropical Journal of Pharmaceutical Research	2014; 13(7): 1013-1019	0.820
43	Development and characterization of porous tablets of metropolol succinate for controlled/modulated drug delivery	Atul Srivastava, D V Gowda, Ummehani and Chetan G Shinde	Journal of Biomaterials and Tissue Engineering	2014;4:1-7	1.16
44	Formulation and evaluation of medicated chewing gum as antiplaque and antibacterial agent	S Vasudha Lakshmi, Hemant KS Yadav, KP Mahesh, Swati Uniyal, A Ayaz1, BVN Nagavarma	Journal of Young Pharmacists	2014;6(4): 3-10	--
45	Methotrexate: A Gold Standard for Treatment of Rheum atoid Arthritis (Review article)	Chetan G. Shinde, M. P. Venkatesh, T. M. Pramod Kumar, and H. G. Shivakumar	Journal of Pain & Palliative Care Pharma cotherapy	2014;1-8 (DOI: 10.3109/15360288.2014.959238)	---
46	Design of a porous chitosan based matrix tablet as carrier for controlled delivery of diltiazem hydrochloride	Atul srivastava, DV Gowda, Umme hani and Chetan G Shinde	Journal of Biomaterials and Tissue Engineering	2014;4:1-7	1.16

47	Breast Cancer - Diagnosis and Treatment Prolonging Life: A Review	Susmitha Kasina, Hemant K.S. Yadav and H.G. Shivakumar	Journal of Cancer Research Updates	2014;3(4): 196-206	--
48	RP-HPLC method for determination of piperine, guggul usterone and embelin in ayurvedic formulation kaishoraguggulu	D.Vishakante Gowda, Ganesh Muguli, Atul N. Jadhav, Nagraja P, Sarathcha ndraprakas, Babu UV, Rangesh Paramesh, Rohan D. Deshpande.	Indo American Journal of Pharmaceutical Research	2014;4(10): 4042-4046	1.25
49	Nanosponges: The spanking accession in drug delivery- An updated comprehensive review	Riyaz Ali M. Osmani, Shailesh Thirumaleshwar, Rohit R. Bhosale and Parthasarathi K. Kulkarni	Der Pharmacia Sinica	2014; 5(6): 7-21	0.69
50	'Personal Pill' Regulations: Current Landscape and Future Scenario	Balamuralidhara V., Blessy A. Daniel, T. M. Pramod Kumar and Pratik Thakkar	International Pharmaceutical Industry	2014; 6(4): 12-18	--
51	Natural Gums and Mucilages: A Review on Multifaceted Excipients in Pharmaceutical Science and Research	Rohit RajendraBhosale, Riyaz Ali M. Osmani, Afrasim Moin	International Journal of Pharmacognosy and Phytochemical Research	2014; 6(4); 901-912.	1.341
52	Enhancing Solubility and Dissolution of fenofibrate by Freeze Drying Technique	Dixit M, Kulkarni PK, Charyulu N	International Journal of Pharmaceutical Research and Bio- Science	2014; 3(5): 298-308	--
53	Enhancing Solubility and Dissolution of Itraconazole by Spray Drying Using Pluronic F-68	Mudit Dixit, Parthasarathi Keshavarao Kulkarni and R Narayana Charyulu	World Journal of Pharmaceutical Research	2014;6(8): 941-953	1.8
54	Formulation and Evaluation of Transdermal Drug Delivery of Piroxicam	Mudit Dixit, P K Kulkarni, R Narayana Charyulu	Trends in Drug Delivery, STM Journals	2014; 1(2): 8-13	--

55	Characterization of Tableting Properties of Mango Gum	Dixit M, Selvam P R, Kulkarni P K, Charyulu	Research & Reviews: A Journal of Drug Formulation, Development and Production	2014;1(1): 25-33	--
56	Monophase Solution for Enhancing Solubility and Dissolution of Ezetimibe by Spray Dried Microparticle	Mudit Dixit, Parthasarathi Keshavarao Kulkarni, R Narayana Charyulu,	Trends in Drug Delivery	2014; 1(2): 1-7	--
57	Tablet Scoring and its Regulatory Perspective.	V. Yugender Reddy, M. P. Venkatesh, T. M. Pramod Kumar.	Applied Clinical Research, Clinical Trials & Regulatory Affairs.	2014;1(2): 1-4	--
58	Formulation and Evaluation of Injectable In-Situ Gelling Matrix System for Controlled Drug Release .	D.V.Gowda,S.K. Sindhu,Vishnu Datta, Siddaramaiah	Indian Journal of Advance in Chemical science Sci	2014:2: 89-92.	
59	Design of phosphate cross linked microspheres of Bael fruit gum as a biodegradable carrier.	D.V.Gowda Nawaz Mahammed, Rohan RDeshpande Shailesh Thirumaleshwar	Archive Pharma Research	2014:4; 76 -85	1.75
60	Encapsulation of lornoxicam into spermaceti microspheres and comparative bioavailability study	D.V Gowda, Atul Srivastava, AravindRam AS, Vishnudatta M, Siddaramaiah	International Journal of Drug Delivery	2014;6: 7 13	2.1
61	Development and evaluation of cross linked tamarind kernel polysaccharide microspheres as a colon specific drug delivery.	D.V Gowda, Nawaz Mohammed	International Journal of Pharmaceutical Science Research Review	2014;27: 358 -353	2.1
62	Study of locust bean gum as binder of immediate release atorvastatin calcium spheroids through extrusion and spheronization techniques	D.V Gowda. Rohan D Deshpande, Keerthy HS, Siddaramaiah	International Journal of Pharmaceutical Science Research Review -	2014;27: 396 - 402	2.1

63	Fabrication and evaluation of solid dispersion containing simvastatin	D.V Gowda Rohan D Deshpande, Keerthy HS, Vishnu Datta	International Journal of Pharmaceutical Science Research Review	2014;27: 403 – 407	2.1
64	Design and evaluation of pH sensitive multi-particulate systems for chrono therapeutic delivery of pioglitazone hydrochloride	Gowrav M. P, Shivakumar H. G, Vishal Gupta N	World Journal of Pharmaceutical Sciences	2014; 2(12): 1813-1821	--

83	Bio-analytical determination of clopidogrel and pantoprazole by RP-HPLC method in rat plasma: application to drug interaction study	B.M. Gurupadayya and Sindhura Sama	Asian Journal of Pharmaceutical and Clinical Research	2014; 7(1): 10-13	0.7
84	UPLCMS method development and validation of tablet dosage form containing glimepiride, metformin and pioglitazone using internal standard	Anandkumar R. Tengli, Shivakumar G & Gurupadayya B. M.	IOSR Journal of Pharmacy	2013; 4(1) : 06-14	1.448
85	LC-MS/MS method for the quantification of carbinoxamine in human plasma	B. Geeta Bhavani, B.M. Gurupadayya, S. Sharfuddin	IOSR Journal of Applied Chemistry	2014; 6(6): 46-51	1.327
86	Chiral AGP For the resolution of enantiomers - An overview	T. Sirisha, B.M. Gurupadayya	International Journal of Pharmacy	2014; 4(1): 330-334	0.854

87	QSAR studies of certain novel heterocycles derived from bis-1,2,4-triazoles as anti tumor agents	Madhusudan N Purohit, Stephen Philip and Bharat Kumar Inturi	International Journal of Medical, Pharmaceutical Science and Engineering	2013; 7(12): 716-720	---
88	Development and validation of RP-HPLC method for the estimation of vildagliptin in pharmaceutical dosage forms	Praveen kumar Ramachandra, Mahalingam Vasudevan, Deecaraman, Ravandur Shivanna Chandan	World Journal of Pharmacy and Pharmaceutical Sciences	2014; 3(2): 2125-2132	---
89	Stability indicating RP-HPLC method for the simultaneous estimation of metformin hydrochloride, pioglitazone hydrochloride and glibenclamide in bulk and pharmaceutical dosage forms	SaiThanuja V, Chandan R S, Anandkumar R Tengli, Gurupadayya B M, Prathyusha W	IOSR Journal of Pharmacy and Biological Sciences	2014; 9(1): 124-133	1.13
90	Development and validation of a stability indicating RP-HPLC method for simultaneous estimation of aliskiren hemifumarate, amlodipine besylate and hydrochlorothiazide in bulk and pharmaceutical dosage forms	Prathyusha W, Anandkumar R. Tengli, Chandan R S, Gurupadayya B M, Sai Thanuja V	IOSR Journal of Pharmacy and Biological Sciences	2014; 9(1): 114-123	1.13
91	Spectrophotometric determination of lamotrigine using BM reagent in pharmaceutical dosage form	Prathyusha W, R S Chandan, B M Gurupadayya, Sai Thanuja V, M Indupriya	Indo American Journal of Pharmaceutical Research	2014; 4(02): 820-824	0.97
92	Simultaneous determination of cefotaxime sodium and paracetamol by LC-MS	C H Latha Saranya, J C Thejaswini, B M Gurupadayya, B Y K Sruthi	IOSR Journal of Pharmacy	2013; 4(2) : 12-18	1.448

93	Spectrophotometric determination of levetiracetam using 2, 4-DNP in pharmaceutical dosage form	Sai Thanuja V, R S Chandan, B M Gurupadayya, Prathyusha W, M Indupriya	Indo American Journal of Pharmaceutical Research	2014; 4(02): 801-806	1.25
94	Stability indicating UFLC method for the simultaneous determination of cefpodoxime proxetil and diclofenac sodium in bulk and pharmaceutical formulation	Venkata Sairam K, J C Thejaswini, R S Chandan, B M Gurupadayya	Indo American Journal of Pharmaceutical Research	2014; 4(02): 982-991	1.25
95	Development and Validation of Stability Indicating UFLC Method for the Estimation of cefotaxime Sodium and diclofenac Sodium in Bulk and Pharmaceutical Dosage Forms	Venkata Sairam Koganti, J Channabassappa Thejaswini, Ravandur Shivanna Chandan, Bannimath Gurupadayya	International Journal of Pharmaceutical Sciences Review and Research	2014; 25(1): 310-314	2.191
96	Development and validation of GC method for the estimation of eugenol in clove extract	BYK Sruthi, BM Gurupadayya, Venkata Sairam K, T Narendra Kumar.	International Journal of Pharmacy and Pharmaceutical Sciences	2014; 6(2): 473-476	1.59
97	Design, synthesis and glucose uptake activity of some novel glitazones	Koyel Kar, Uma Krithika, Mithuna, Prabhuddha Basu, S. Santhosh Kumar, Anu Reji, B.R. Prashantha Kumar	Bioorganic Chemistry	2014; 56: 27-33	1.732
98	Simultaneous determination of ciprofloxacin and Tinidazole in tablet dosage form by reverse phase high Performance liquid chromatography	T Sirisha, BM Gurupadayya and S Sridhar	Tropical Journal of Pharmaceutical Research June	2014; 13 (6): 981-987	0.820
99	Interaction between clopidogrel and proton pump inhibitors: A clinical overview	Jinesh B. Nagavi, B.M. Gurupadayya	International Journal of Pharmacy	2014; 4(3): 141-143	0.854

100	Bio-analytical UFLC method development and validation for simultaneous estimation of clopidogrel and pantoprazole in human plasma	Jinesh Bahubali Nagavi, Bannimath Gurupadayya, Tadiboyina Sirisha, Rashmi Neligare Gopalakrishna	International Journal of Pharmaceutical Science Review and Research	2014; 27(1), 157-162	2.1
101	Design, synthesis and 3D-QSAR studies of new diphenylamine containing 1,2,4-triazoles as potential antitubercular agents	K. Mohan Krishna, Bharathkumar Inturi, Gurubasavaraj V. Pujar, Madhusudan N. Purohit, G.S. Vijaykumar	European Journal of Medicinal Chemistry	2014; 84: 516-529	3.847
102	Analytical method development and validation of triclosan in dental formulations	P.Mahitha, BM Gurupadayya and RS Chandan	International Journal of Pharmaceutical Sciences and Research	2014; 5(9): 3810-3816	0.533
103	Validated bio-analytical method development for Simultaneous estimation of clopidogrel and aspirin In human plasma by RP-Ultra fast liquid Chromatography	Jinesh Bahubali Nagavi, Bannimath Gurupadayya, Preethi G. A	World Journal of Pharmacy and Pharmaceutical Sciences	2014;3(9): 518-531	--
104	Synthesis and Characterization of Novel Oxadiazole Derivatives from Benzimidazole	Balasubramanaya Vishwanathan and Bannimath Gurupadayya	Journal of the Korean Chemical Society	2014; 58(5): 450-455	0.9
105	RP-UFLC method development and validation for simultaneous estimation of clopidogrel, pantoprazole and rosuvastatin in human plasma: drug Interaction studies	Jinesh B. Nagavi, Gurupadayya B. M	International Journal of Pharmacy and Pharmaceutical Science	2014; 58(5): 490-496	1.59

106	Design, synthesis, in vitro antioxidant and in vivo anti-inflammatory activities of novel oxadiazole derivatives	B. Vishwanathan, B. M. Gurupadayya, K. Venkata Sairam and Bharat Kumar Inturi	International Journal of Pharmacy and Pharmaceutical Science	2014;6(9): 514-520	1.59
107	Development and validation of an antidiabetic polyherbal Formulation containing curcumin using RPUFLC method	Rashmi N G, Gurupadayya B M, Sirisha Tadiboyina, Jinesh B Nagavi, Chetan G Shinde	Hygeia Journal for Drugs and Medicines	2014;6(2): 36-44	--
108	3D QSAR and Molecular docking studies on 1,2,4-triazoles as MetAP2 inhibitors	Stephen Philip, Bharatkumar Inturi, Bhavya K, Gurubasavaraj V Pujar, Madhusudan Purohit	International Journal of Pharmacy and Pharmaceutical Sciences	2014; 6(9): 205-212	1.59
109	Design, synthesis and in vitro anticancer activity of novel 1,2,4-triazole derivatives	Stephen Philip, Madhusudan Purohit, Krishna KL, Eswar MS, Tanuj Raizaday, Prudhvi S, Gurubasavaraj V Pujar	International Journal of Pharmacy and Pharmaceutical Sciences	2014;6(10): 185-189	1.59
110	Spectro photometric determination of p-phenyl enediamine in hair dye	Latha Saranya CH, Gurupadayya BM, Kinnera K and Thejaswini JC	Turkish Journal of Pharmaceutical Sciences	2014;11(3): 295-306	--

6.Details of Research Papers presented in conferences

13-16 April 2014	5th Pharmaceutical Sciences World Congress of FIP, Melbourne, Australia.
25 -26 April 2014	Polycon 2014 at 6th National conference on Advances in Polymeric materials, SJRC, Mysore.
5 -8 May 2014	Annual International Conference on Pharmaceutical Sciences, , Athens, Greece
16- 17 October 2014	National seminar on "Pharmacogenomics in drug discovery and its clinical applications" at JSS Medical College, Mysore
28th -30th November 2014	APTI Conference, Pune
15-17th December 2014	International conference-T-NANO-2014, Ahmadabad.
23rd to 25th Jan 2015	66th IPC, Hyderabad
30 and 31st March 2015	Joint International Training workshop on HERBAL MEDICINES JSS University, Mysuru

Dept of Pharmaceutics			
1	Gangadhar V., Gangadharappa H.V., Sarat Chandra M.	Preparation and evaluation of celecoxib nanosponge hydrogels as a novel drug delivery	KSTA Regional conference at JSS Arts and commerce college, Mysore
2	B. Nagashubha, AfrasimMoin, Gangadhar V.	cashew gum as a sustain release polymer	KSTA Regional conference at JSS Arts and commerce college, Mysore
3	Dr.Hemant K.S. Yadav	Natural polymers in pharmaceutical formulations	Polycon 2014 at 6th National conference on Advances in Polymeric materials at SJRC, Mysore on 25-26th April 2014.
4	Dr. T.M. PramodKumar	Perspective of Regulatory requirements in medical devices	Polycon 2014 at 6thNational conference on Advances in Polymeric materials at SJRC, Mysore on 25-26th April 2014.
5	Gangadharappa H.V.	Formulation and Evaluation of CelecoxibNanosponge Hydrogels for Topical Application	Annual International Conference on Pharmaceutical Sciences, 5-8 May 2014, Athens, Greece
6	Balamuralidhara V.	Formulation and Evaluation of Environmental Responsive Nanoparticles for Colon Targeted Drug Delivery System	Annual International Conference on Pharmaceutical Sciences, 5-8 May 2014, Athens, Greece

7	AfrasimMoin	Formulation and Evaluation of Dual Drug Conjugate Loaded Nanoparticles for the Treatment of Cancer	Annual International Conference on Pharmaceutical Sciences, 5-8 May 2014, Athens, Greece
8	T Shailesh, P.K. Kulkarni	Development and evaluation of mupirocin loaded liposomal hydrogels for diabetic wound healing properties.	POLYCON' 2014 6th National Conference on Advances in Polymeric Materials. (NCAPM) [Energy, Environment & Health] on16th& 17th April 2014 in SJCE, Mysore.
9	RudraVaghela, P.K. Kulkarni, Rohan Deshpande.	Characterization, solubility and dissolution behavior of ketoprofen co-crystals.	5th Pharmaceutical Sciences World Congress of FIP, during the 5th PSWC, held from 13th-16th April 2014 in Melbourne, Australia.
10	Gowrav.M.P*, Shivakumar H.G and N.Vishal Gupta	Formulation and evaluation of pH sensitive pellets for the treatment of type II Diabetes mellitus.	POLYCON' 2014 6th National Conference on Advances in Polymeric Materials. (NCAPM) [Energy, Environment & Health] on16th& 17th April 2014 in SJCE, Mysore.
11	V.NagaSravan Kumar Varma* and H.G. Shivakumar.	Develop and Optimize Poly (N-Isopropylacrylamide-Co-Acrylic Acid) Dual Responsive In-Situ Microgel Forming Implant Using Different Polymeric Blend	POLYCON' 2014 6th National Conference on Advances in Polymeric Materials. (NCAPM) [Energy, Environment & Health] on16th& 17th April 2014 in SJCE, Mysore.

CULTURAL ACTIVITIES

1. Cultural programmes conducted/organized in the college with details of date, venue, chief guest, etc.

Pharmafest : 2014-15

As a part of National Pharmacy Week Celebrations, various cultural and literary activities were organised at JSS College of Pharmacy, Mysore from 11th Nov 2014 to 22nd Nov 2014. The off stage events were between 11th Nov 2014 to 18th Nov 2014. There were 19 off stage events including two innovative programmes like pot painting and best clicks. 21 on stage events were conducted from 20th to 22nd Nov 2014. Onstage events were inaugurated by Dr.H.G.Shivakumar, Principal, Students actively participated in all events & were encouraged by fellow mates. Valedictory function was held on 22nd November 2014 after completion of all events and the winners were awarded certificates.

All the events were coordinated by staff cultural coordinators Dr.J.Suresh, Dr.K.Mruthunjaya, Mr. Ramesh B Nidavani and Mrs.Mahalakshmi A.M along with Cultural Secretary Mr. Suraj Singh. The Coordinators expressed their gratitude to JSS University, Principal, Administrative Officer, Teaching and Non teaching Staff of JSS College of Pharmacy, Mysore for their support and encouragement in successful completion of the Pharmafest 2014-15.

Report on participation in state level

Intercollegiate Fest (Sammscrithi'14) held at J.K. Ground, Mysore

- Mysore Medical College and Research Institute, Mysore organized a State Level Intercollegiate Fest (Sammscrithi'14) from 19th -21st September 2014. 47 students from our college were participated in different cultural events conducted as a part of sammscrithi'14. Our students got first prize in Hindi Anthakshari (Souvik Chakavarthi and Group -II B.Pharm) and Pair Dance (Sharanya and group-II B. Pharm) and second prize in Group Dance (Rechitha and group).

2. Awards received by students in cultural activities both internal as well as external programmes (kindly provide details of regional/ state level/national/international programmes)

- Our students got first prize in Hindi Anthakshari (Souvik Chakavarthi and Group -II B.Pharm) and Pair Dance (Sharanya and group-II B.Pharm) and second prize in Group Dance (Rechitha and group).

JSS Mahavidyapeetha, Mysore organised Intercollegiate Fest among the JSS Institutions from 17-21st January 2015. 18 students from our college participated in different cultural events conducted as a part of Jathra Mahotsava-2015. Our students got first prize in Group Dance (Chanchal A.M. and Group) and Group Classical Dance (Manju and group) Third prize in Solo Classical Dance (Manju) and Sixth place in Group Singing (Rasma and group). Our students also won the Overall Championship Rolling Trophy for the year 2015-16.

SPORTS ACTIVITIES

Four of our college students i.e. Mr. Mohammed Ramiz (Captain), Mr. Sree Sharan, Mr. Adarsh and Mr. Nithin were the part of JSS University Volley ball team and participated in the South zone inter University Volleyball (Men) Tournament held at Krishna University, Machilipatnam, Andra Pradesh on October 8th to 12th 2014.

Two of our teaching staff –Dr. M.P. Venkatesh and Dr. Vallur Ravi, were participated in the intercollegiate staff badminton tournament held at JSS College, Ooty Road and won first place.

Fourteen (nine boys and 5 girls) were participated in the Mysore city Inter collegiate Tournament held at Mysore University on 22nd Sep 2014 and won many prizes.

Annual Athletic meet of our college was held on 6th Dec 2014 at JSS Medical College ground. Various indoor and out door sports events were conducted on the eve of annual sports activities of our college. The students were participated enthusiastically in all the even and won many prizes.

The Sports events of JSS University 'SAMBRAMA' were held on 6-8th March 2015. Many of our students (28 boys and 30 girls) were participated in all athletic events, indoor and out door games. Our college students won many prizes- 3 gold medals, 3 silver medals and 4 bronze medals in the athletics. Our cricket team was the winner and our teams were runner in volley ball, Kabbaddi and table tennis.

Our college football team was participated in the intercollegiate football tournament organized by Mysore University on 23rd to 25th March 2015.

ALUMNI ASSOCIATION

Alumni Meet 2014

Alumni Association meeting was held on second Saturday i.e. 9th August 2014. In the college.

More than 100 Alumni from Pharmaceutical industries, hospitals, CROs and entrepreneurs had participated in the meet. Mr.H Vishvesh, Alumni of the college anchored the program. Mr.Sunil Chiplankar, Head, Sales and Marketing, Juggat Pharma, had sponsored ORS drinks.

The program started with the introduction of lighting the lamp, followed by introduction of the people who have excelled in their field. Dr.Doraiswamy, expressed that we need to voluntarily come out with contributing to create

corpus fund from the Alumni.

For the first time, an attempt was made for Live streaming of the Alumni meeting so that Alumni across the world would view it. It was not very successful. Many of them shared their nostalgic movements in the college. This discussion was followed by cultural activities by the students and also singing by Mr.Vishvesh.

Finally, it was concluded by panel discussion where Alumni from the regulatory office, Pharma industry representing production, sales and marketing, academia and entrepreneurs along with the Principal.

The Alumni had lunch along with the staff members and continued discussion during lunch

Achievements of Faculty/Honour Roll (include only at national/international level) Nominations

Sl. No.	Name of the Faculty	Recognitions
1	Dr BM Gurupadayya	Dr. PD Sethi Annual award for Best research paper on application of TLC/HPTLC
2	Dr. M. Ramesh	President, Indian Pharmaceutical Association, Mysore Branch Member of PharmD Committee of Pharmacy Council of India
3	Dr. G. Parthasarathi	Member of PharmD Committee of Pharmacy Council of India Member of the Drugs Survey – Core Expert Committee constituted by Ministry of Health President, ISPE Students Chapter
4	Mr. Krishna Undela	Secretary, ISPE Students Chapter
5	Dr. J Suresh	Member,UG Board of Studies, Faculty of Pharmacy, Jawaharlal Nehru Technological University Anantapur (Oct. 14 to Sept 2016)

Dr. HG Shivakumar

External member, Ph.D registration committee, RGUHS, Bangalore
Member, Recognition committee-Research, Goa university, Panaji
External member, Research recognition committee, NMIMS university, Mumbai

Dr PK Kulkarni

External member, BoS (UG&PG), Faculty of Pharmacy, Nitte University, Mangalore

Dr M Ramesh

External member, Ph.D registration committee, RGUHS, Bangalore

Scientific sessions chaired

Dr. HG Shivakumar

chaired a session on Symposium on international accreditation at Indian congress of Pharmacy Practice 2014, Bangalore, 21-22 February 2014

Dr. G Parthasarathi

chaired a session on Pharm.D education; global experiences and challenges at Indian congress of Pharmacy Practice 2014, Bangalore, 21-22 February 2014

Dr M Ramesh

co-chaired a session on Symposium on speciality practice at Indian congress of Pharmacy Practice 2014, Bangalore, 21-22 February 2014

Dr TM Pramod Kumar

chaired a session on drug delivery systems at 6th National conference on Advances in Polymeric materials- Polycon 2014, SJCE, Mysore on 25th April 2014

JSS College of Pharmacy- Ootacamund

The Vision of JSS College of Pharmacy, Ooty headed by Prof. S.P. Dhanabal is to become an eminent, research intensive university of national and international importance. Towards this he proposes the strategy of :

- Adopting the changing environment of educational, technical, scientific and cultural aspects in higher education and research
- Investing on continuous advancement of knowledge, skills of the existing human resources.

His Message as a leader is that, "LEADERS ARE MADE NOT BORN". Leaders are made by themselves than any other external means as it is a matter of skill that can be acquired only by practice and simply it cannot be taught but is learned by acknowledging the words of Vince Lombardi that "Leaders aren't born, they are made. And they are made just like anything else, through hard work. And that's the price we'll have to pay to achieve that goal, or any goal".

"Leadership of an organization is creating a vision, inspiring, motivating and mentoring the team members to realize the vision".

-Dr. S. P. Dhanabal

Principal
JSS College of Pharmacy,
Ooty

Message from the Young Leaders

“If your actions inspire others to dream more, learn more, do more and become more, you are a Leader” said John Quincy Adams.

I came as a curious boy to this college, but now, I stand as a confident leader in the midst of a prominent generation of Pharmacy Students. I still remember the first day of college, knowing not a single person, indifferent to an alien language, new culture and tradition. What I had for the next 4 fruitful years was “JSS”. This place not only transformed me with its energy, but also instilled within me a sense of ethics, honesty and discipline, all the while showing me how to take up any task or challenge with a positive outlook.

I believe that I have been blessed with an advanced right cerebral lobe, for it is only a creative child that survives the harsh realities of the world and succeeds in developing a new era. Due to the different cultural events organized by JSS, I was able to reap to the best of my imaginative side and implement it on my long and tedious path to excellence that I will keep walking upon for a very long time to come. The “Student Of The Year Award” serves as a very important and monumental milestone in my journey

I have strengthened my conceptual foundation during the span of my course buttressed by learning in the form of story-lines, solving complex cases with analytical thinking and adding every new piece of information I came across to my repertoire. All the submissions kept me punctual and taught me how to Manage time effectively.

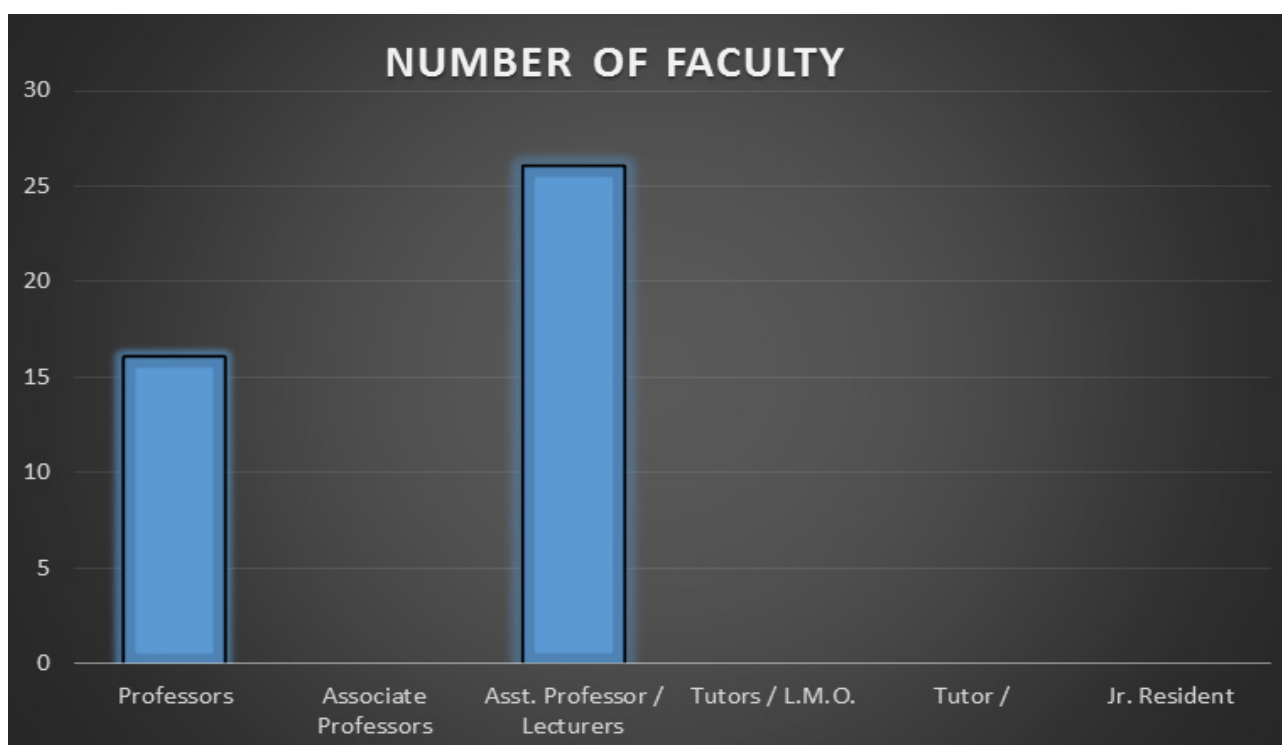

-Mr. Smit J Patel

Final year B.Pharm
JSS College of Pharmacy
Ooty

NEW APPOINTMENTS

Sl. No.	Name	Designation	Department	Date of Joining
1.	Mr. Jayakumar.C.	Assistant Professor	Pharmacy Practice	27.08.2014
2.	Dr. Ashish Wadhvani Devidas	Assistant Professor	Pharmaceutical Biotechnology	17.11.2014
3.	Mr. R. Yuvaraj	Junior Chemist	Drugs Testing Laboratory	01.10.2014

RESIGNED

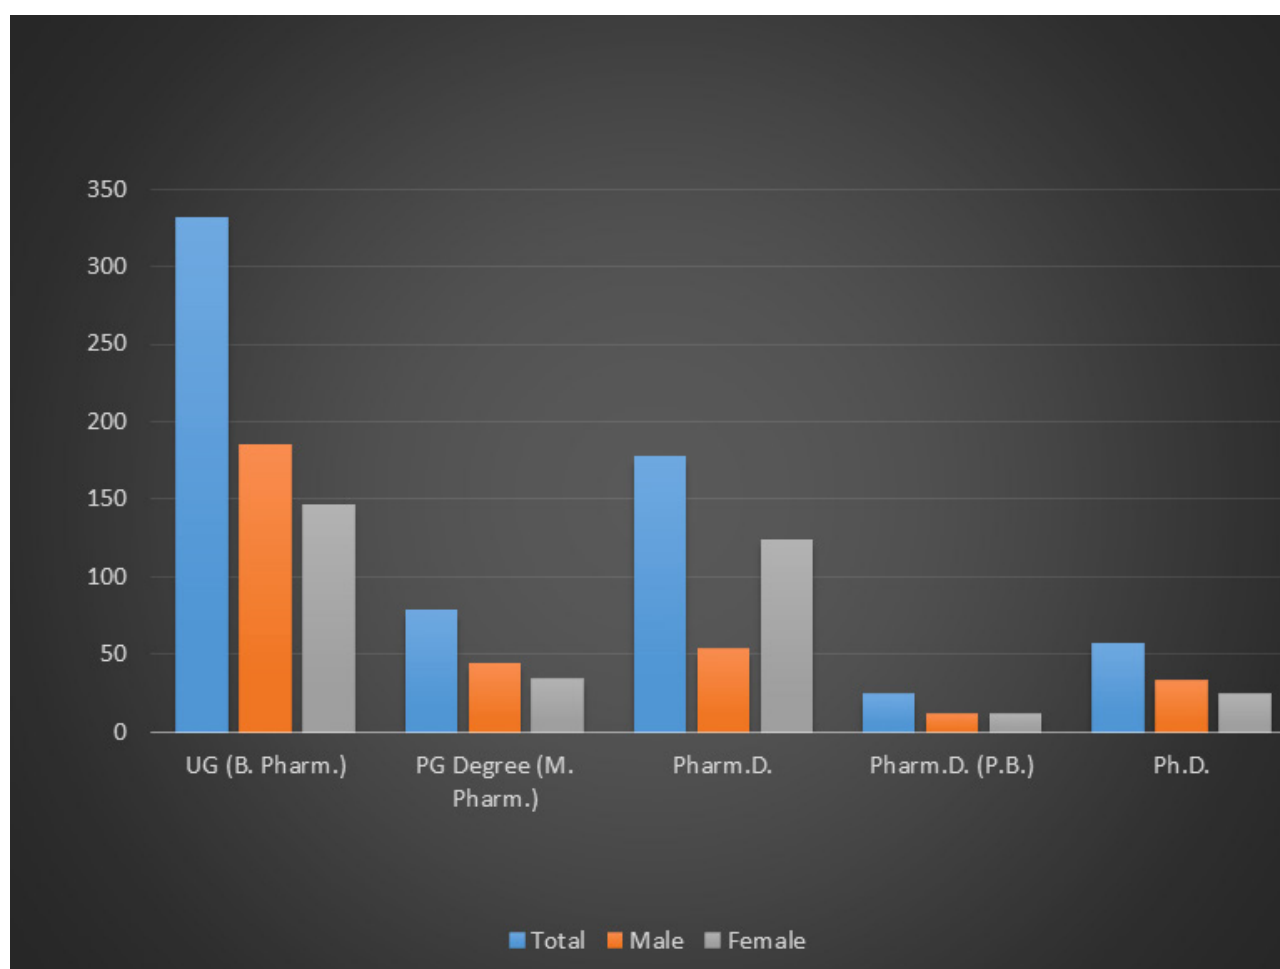

Sl. No.	Name	Designation	Department	Date of Relieved
1.	Mr. Rahul Chaudhary	Lecturer	Pharmacology	06.04.2014 F.N.
2.	Mr. M.M. Swamy	Lecturer	Pharmacognosy	31.12.2014 A.N.
3.	Mrs. R. Sudha	Steno Grade-II	Administrative Office	06.02.2015 A.N.
4.	Dr. A.R. Srividya	Assistant Professor	Pharmaceutical Biotechnology	18.02.2015 A.N.
5.	Dr. M.N. Satish Kumar	Professor	Pharmacology	Expired on 16.03.2015

Details of Student Admission (2014):

Course	Intake	No. of Students admitted	Vacancy
UG (B. Pharm.)	100	100	Nil
UG (Lateral Entry)	-	1	Nil
PG (M. Pharm.)	212	52	167
Pharm. D	30	30	Nil
Pharm. D (Post Baccalaureate)	10	8	2
Ph.D.	6 per Guide	12	69

Number of Students on Roll (first-final year) (as on 31.03.2015):

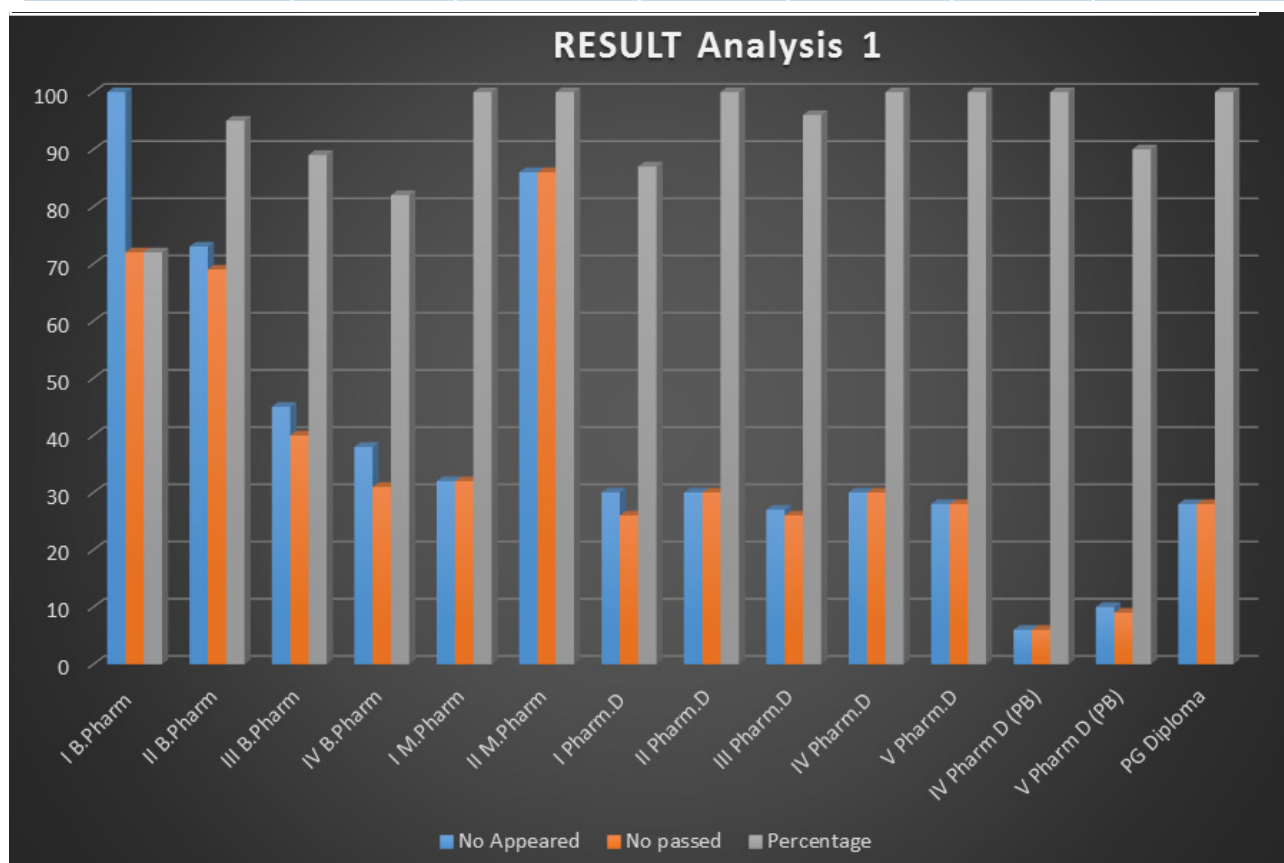

Sl. No.	Programme/Course	Total number of Students	Male	Female
	(Details according to course)			
1	UG (B. Pharm.)	331	185	146
2	PG Degree (M. Pharm.)	78	44	34
3	Pharm.D.	177	53	124
4	Pharm.D. (P.B.)	24	12	12
5	Ph.D.	57	33	24

1RESULT ANALYSIS:

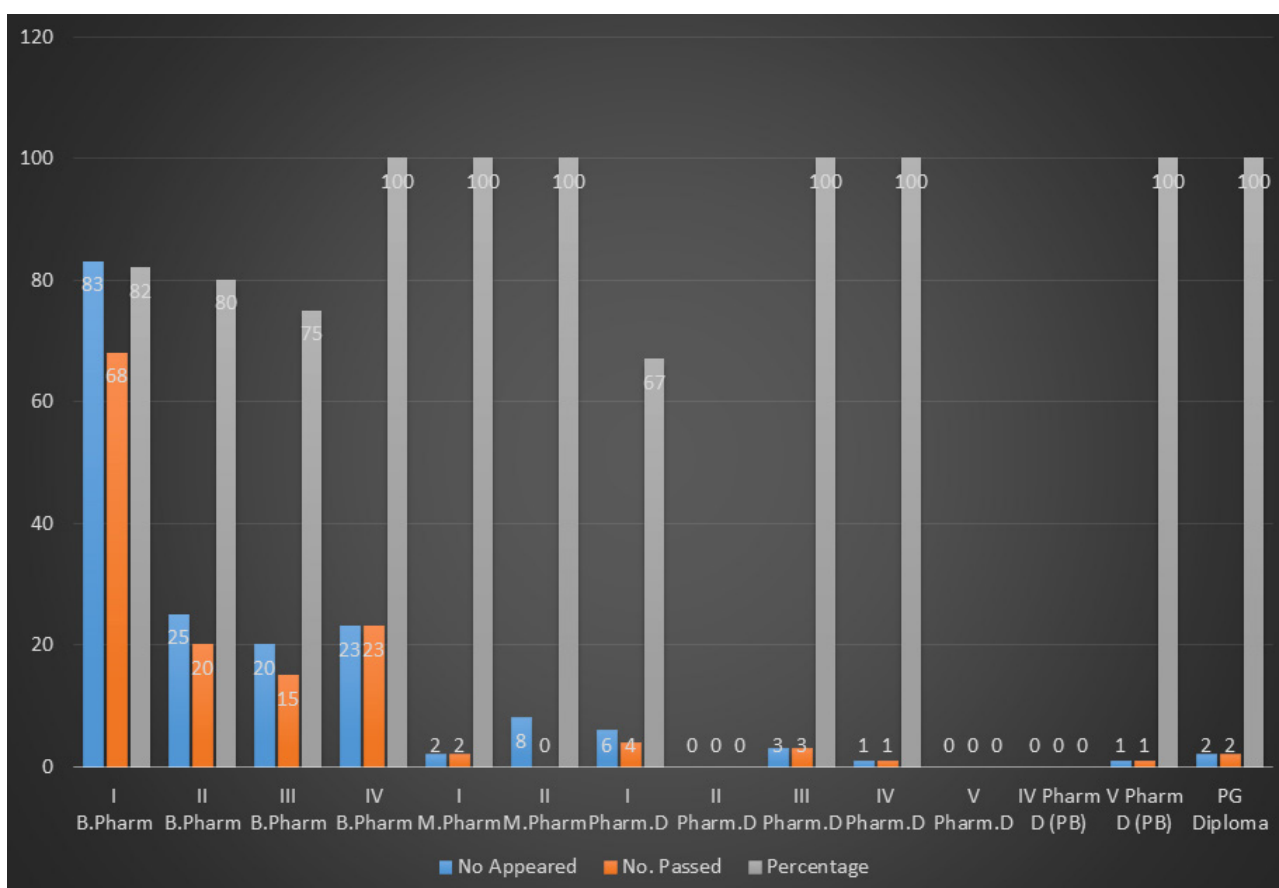

May – June 2014

Class	No. Appeared	Distinction	I Class	II Class	Total Pass	Percentage
I B.Pharm	100	21	51	--	72	72
II B.Pharm	73	35	34	--	69	95
III B.Pharm	45	13	26	1	40	89
IV B.Pharm	38	13	18	--	31	82
I M.Pharm	32	25	7	--	32	100
II M.Pharm	86	84	2	--	86	100
I Pharm.D	30	16	10	--	26	87
II Pharm.D	30	15	15	--	30	100
III Pharm.D	27	13	13	--	26	96
IV Pharm.D	30	21	9	--	30	100
V Pharm.D	28	6	21	1	28	100
IV Pharm D (PB)	6	6	--	--	6	100
V Pharm D (PB)	10	--	9	--	9	90
PG Diploma	28	11	16	1	28	100

September 2014

Class	No. Appeared	Distinction	I Class	II Class	Total Pass	Percentage
I B.Pharm	83	02	28	38	68	82
II B.Pharm	25	--	09	11	20	80
III B.Pharm	20	--	05	10	15	75
IV B.Pharm	23	01	11	11	23	100

V Pharm D (PB)	01	--	01	--	01	100
PG Diploma	02	02	--	--	02	100

7. Achievements of Faculty/Honor Roll (include only at national/ international level)

Sl. No.	Name of the Faculty	Achievement / Honor Roll
Department of Pharmaceutics		
1	Dr. V. Senthil	Recognized as Evaluator for the poster session in IPA Convention 2014, Bangalore held on 8th Aug 2014
2	Dr. K Gowthamarajan	Appointed as Reviewer for the Journal of Drug Development and Industrial Pharmacy, Journal of Drug Delivery and Journal of Biomaterials.
		appointed as Editor-in Chief for the Journal of New Trends in Pharmaceutical Sciences
3	Mr. R. Suresh Kumar	recognized by Young Researchers Forum, 3rd International Conference and Exhibition on Biowaivers, Biologics & Biosimilars in the OMICS Group Conference, Hyderabad International Convention Centre, Hyderabad, 27-29, Oct. 2014
Department of Pharmaceutical Chemistry		
4	Dr. B. Gowramma	Received PD Sethi Award 2013 for her publication.
5	Dr. Mohammed Afzal Azam	Reviewer for European Journal of Medicinal Chemistry
Department of Pharmacology		
6	Dr. M.N. SatishKumar	Reviewer for the Indian Journal of Physiology and Pharmacology, JIPMER, Pondicherry
	Dr. R. Vadivelan	Reviewer for New Trends in Pharmaceutical Sciences Journal, Fournira, Optime Publishers, New Delhi
7		Appointed as CPCSEA nominee for 03 years by The Ministry of Environment, Forest & Climate Change (Animal Welfare division) CPCSEA, New Delhi
		Chairperson for poster evaluator for International Conference on Physiology and Medicine at Periyar University, Salem 2014
8	Dr. T.K. Praveen	Received Summer Fellowship Programme for two months (Rs 12,000/month) from Indian Academia of Sciences, Bangalore under the guidance of Dr. Tusher Beuria, Institute of Life sciences, Bhubhaneswar

Department of Pharmacognosy and Phytopharmacy

9	Dr. S.P. Dhanabal	Nominated as a Member of the Scientific Committee of the Indian Pharmaceutical Congress, Hyderabad held from 23 – 25, January 2015
10	Dr. B. Duraiswamy	Nominated by the RGUHS, Bangalore, Karnataka as a Member of the Ph.D. Registration Committee

Department of Pharmaceutical Analysis

11	Dr. S.N. Meyyanathan	Selected as reviewer for the International Journal of Letters in Drug Design and Discovery; International Journal of Chemical Biology & Drug Design
		Nominated as poster evaluator at the Indian Pharmaceutical Congress, Hyderabad in Jan. 2015
12	Dr. N. Krishnaveni	Reviewer for the International Journal of food and nutrition sciences; International Journal of Scientia Pharmaceutica
13	Mr. M.R. Jeyaprakash	Biography has been included in International Biographical Center, Cambridge England and 2000 Outstanding Intellectuals of the 21st Century

Department of Pharmacy Practice

	Dr. Arun K P	Nominated for the Central Executive Council (Associate Secretary - Hospital Pharmacy Division) of Indian Pharmaceutical Association, Mumbai
14		Recognized as Evaluator for the Poster session in the IPA Convention 2014 held at Bangalore
		Organizing Committee Member in Pharmacy Practice Preceptor Development Program jointly organized by Indian Association of Colleges of Pharmacy and Pharmacy Council of India, New Delhi at JSS Hospital, Mysore in September, 2014
15	Dr. S. Ponnusankar	Recognized as Evaluator for the Poster session in the IPA Convention 2014 held at Bangalore
		Organizing Committee Member in Pharmacy Practice Preceptor Development Program jointly organized by Indian Association of Colleges of Pharmacy and Pharmacy Council of India, New Delhi at JSS Hospital, Mysore in September, 2014

9. Academic Achievements of Students-UG, PG degree/diploma, Ph.D, etc.

Sl. No.	Name of the Student	Achievement
Department of Pharmaceutics		
	Mr. R. Shanmugam	Best Paper award” for scientific paper “Preparation of Nano crystals containing Curcumin by solvent of anti-solvent precipitation techniques”, National Seminar on Recent Trends in Engineering & Technology P A Aziz College of Engineering and Technology, Trivandrum April 3-4 2014.
Department of Pharmacognosy and Phytopharmacy		
	Ms. Dithu Thekkekkara, Ph.D. Scholar	Presented a poster on “Evaluation of an Ayurvedic formulation for antiparkinson’s activity in 6 OHDA lesioned rat Parkinson’s model” in two day international conference organized by Nehru College of Pharmacy, Trissur and won the second prize
Department of Pharmaceutical Analysis		
	Mr. K R Senthil Kumar, Research Scholar	Received the ‘Best Poster Award’ in the IPA Convention 2014 held at Bangalore
Department of Biotechnology		
	Mr. Abhilash Thomas, Research Scholar	Received ‘Best Poster Award’ in OMICS 3rd International Conference on Pharmacovigilance and Clinical Trials, 27-29, Oct. 2014 at Hyderabad.
Department of Pharmacy Practice		
	Mr. Alex V Pharm.D.	Won ‘Best Poster Award’ for ‘Clinical Pharmacy’ section in IPA Convention 2014 held at Bangalore
	Mr. Gokul G VI Pharm.D.	Won ‘Best Poster Award’ for ‘Pharmacy Education’ section in 66th Indian Pharmaceutical Congress 2015 held at Hyderabad
	Ms. Christina Prasad VI Pharm.D.	Won ‘FIRST PLACE in the National Elocution Competition’ conducted by Education Division of Indian Pharmaceutical Association during 66th Indian Pharmaceutical Congress 2015 held at Hyderabad

10.Details of Faculty attending conferences/workshops/seminars

International conferences attended

Sl. No	Name of the faculty	Position	Details of conferences/ workshops/ seminars attend	Date & Place	As a Delegate / Chaired / Guest speaker etc.
1	Dr. N. Jawahar	Assistant Professor Department of Pharmaceutics	5th PSWCFIP Congress, International Pharmaceutical Federation (FIP)	Melbourne Convention Exhibition Center, Australia. 13.4.2014 to 16.4.2014	Oral Presentation
2	Dr. S. Jubie	Assistant Professor Department of Pharmaceutical Chemistry			
3	Dr. GNK. Ganesh	Assistant Professor Department of Pharmaceutics	74th World Congress of FIP Pharmacy & Pharmaceutical Sciences	International Pharmaceutical Federation, Bangkok, Thailand 31 Aug. – 4 Sep. 2014	Poster Presentation
4	Dr. R. Kalirajan	Assistant Professor Department of Pharmaceutical Chemistry			
5	Mr. M.R. Jeyaprakash	Lecturer Department of Pharmaceutical Analysis			
6	Ms. B.S. Roopa	Lecturer Department of Pharmacy Practice			
7	Mr. B. Babu	Lecturer Department of Pharmaceutical Analysis	25th FAPA Congress Expanding Pharmacists Roles in Wellness and Sustainable Health	Malaysia 9 – 12 Oct. 2014	Poster Presentation
8	Mr. D. Raja	Lecturer Department of Pharmacy Practice			
9	Dr. B. Gowramma	Assistant Professor Department of Pharmaceutical Chemistry			
10	Dr. V. Senthil	Professor Department of Pharmaceutics			

National /State / Regional Conferences / Seminar / Workshop / CME etc. Attended by the faculty – Details in respect of places and papers presented/ moderated/Chaired sessions etc.

Sl. No.	Name of the faculty	Department	Details of conferences / Workshops / seminars attended	Regional / State / National
1	Dr K Gowthamarajan	Pharmaceuticals	Soft Skill Session / Workshop on Inter skills & Conflict Management, JSS University, Mysore, 4 July, 2014	Regional
2	Dr Jawahar N		International Conference on Emerging Trends in Drug Discovery, Amrita Vishwa Vidyapeetham, Coimbatore, 23-25 July, 2014	National
3	Dr G N K			
4	Ganesh Ms. Asha Spandana			
5	Dr Jawahar N		IPA Convention 2014, Bangalore, 8, Aug. 2014	National
6	Dr V Senthil			
7	Dr K Gowthamarajan Dr N Jawahar Dr Nagasamy Venkatesh Dr V Senthil		One Day Seminar on Applications of Radiation and Radioisotopes in Pharmacy, JSS University, Mysore, 19 Nov. 2014	Regional
8	Dr G N K Ganesh Mr Suresh Kumar R Ms. Asha Spandana			
9	Dr N Jawahar		Three days National Workshop on Special Emphasis on Impurity Analysis in Essential Drugs, JSS College of Pharmacy, Ooty, 27-29 Nov. 2014	National
10	Dr Gowthamarajan		Two days practical training programme on Nano Lab, Bharathiar University, Coimbatore, 4-5 Dec. 2014	Regional
11	Dr V Senthil			
12	Mr Suresh Kumar R			
13	Mr R Suresh Kumar		OMICS Group Conferences, 3rd International Conference and Exhibition on Biowaivers, Biologics and Biosimilars, Hyderabad, 27-29 Oct. 2014	National

14	Dr S Sankar	Pharmaceutical Chemistry	1. European Biotechnology patent Law Update, D Young Associates (online), 16 July, 2014 2. Patent Litigation in Japan, Law.com, New York (online) 04 Dec. 2014	Web Seminars
15	Dr R Kalirajan	Pharmaceutical Chemistry	International Conference on Emerging Trends in Drug Discovery, Amrita Vishwa Vidyapeetham, Coimbatore, 23-25 July, 2014	National
16	Dr S Jubie			
17	Dr B Gowramma Ms. S Gomathy			
18	Dr R Vadivelan	Pharmacology	International Conference on Physiology and Medicine 2014, Periyar University, Salem, 15-17 Oct. 2014	National
19	Dr. TK Praveen	Pharmacognosy and Phytopharmacy	Summer Research Fellowship Training, Indian National Science Academy, Institute of Life Sciences, Bhubaneswar, May-June, 2014	National
20	Dr S P Dhanabal		National Conference on a prospective approach in Herbal Medicine and Microbiology, Sivaraj Siddha Medical College, Salem, 22-23 Nov. 2014	National
21			National Conference on Allopathy & Ayurveda, University of Mysore, Mysore, 13 Dec. 2014	National
22	Dr B Duraiswamy		Collaborative Seminar on Latest Trends in HPLC, Mass Spectrometry and Life Sciences, DRDO-BU, Centre for Life Sciences, Bharathiar University, Coimbatore, 30 Sep. 2014	National
23	Dr S N Meyyanathan	Pharmaceutical Analysis	Soft Skill session/ Workshop on interpersonal skills and conflict management, JSS University, Mysore, 04 July 2014	Regional
24	Mr M R Jeyaprakash	Pharmaceutical Analysis	International Conference on emerging trends in drug discovery, Amrita Vishwa Vidyapeetham University, Coimbatore. (23-27 July 2014)	National
25	Mr B Babu			
26	Mr. JSK Nagarajan		IPA Convention 2014, Bangalore, 8 Aug. 2014	National
27	Mr. MR Jeyaprakash		QIP in Recent Advances in Pharmaceutical Analysis, University College of Pharmaceutical Sciences, Kakatiya University, Warangal, 27 Oct. – 8 Nov. 2014	National
28	Dr. SN Meyyanathan		66th Indian Pharmaceutical Congress, Hyderabad, 23-25 Jan. 2015	National

29	Mr. R. Rajesh Kumar	Pharmaceutical Biotechnology	IPA Convention 2014, Bangalore, 8 Aug. 2014	National
30	Dr. S. Ponnusankar	Pharmacy Practice	Soft Skill session / Workshop on interpersonal skills and conflict management , JSS University, Mysore, 04 July 2014	Regional
31	Dr S Ponnusankar		IPA Convention 2014, Bangalore, 8 Aug. 2014	National
32	Dr K P Arun			
33	Ms. M Deepalakshmi			
34	Dr K P Arun		CME on Rational Use of Medicines, TNHSP, Govt. of Tamil Nadu, 20 & 27 Sep. 2014.	Regional
35	Mr D Raja			
36	Ms M Deepalakshmi			
37	Dr S Ponnusankar		Pharmacy Practice Preceptor Development Programme, JSS Hospital, Mysore, 15 – 17 Sep. 2014	National
38	Dr K P Arun,			
39	Dr G K			
40	Sadagopan, Mr D Raja			
41	Dr S Ponnusankar		One Day Leadership Seminar for officials, JSS University, Mysore, 6 Oct. 2014	Regional
42	Dr K P Arun		One Day Seminar on Quality in Research and Publications & Google Searching Strategies, JSS University, Mysore, 1 Oct. 2014	Regional
43	Mr D Raja			
44	Ms. M Deepalakshmi			
45	Dr. S. Ponnusankar		5th National Bioethics Conference, St. John's Medical College, Bangalore, 11-13, Dec, 2014.	National
46	Dr. Arun KP			
47	Dr. S. Ponnusankar Dr Arun K P Ms. M Deepalakshmi Ms. B S Roopa		ISO-P – UMC Training Course on Pharmacovigilance, UPSALA Monitoring Center JSS Hospital, Mysore 12-14, Jan, 2015	National

11.Details of Workshop/Seminar/conference conducted by the College

Sl. No	Date of conducting & Place	Name of the Scientific programme	Topic	Name of the external speaker with details	No. of Participants
1	15-21 Sep. 2014	Quality Improvement Program on Biopharmaceutical Approach Based Drug Delivery Systems and Regulatory challenges & Applications of Pharmacokinetics in Clinical Practice	ANDA application	Dr. Phani kumar from all-chem, banglore	80
			Industrial Career perspective.	Dr. S.N. Raju, Dr reddys Labs	
			Dosage adjustment in children	Dr. M. Surilivel rajan, Asst. Prof. Manipal	
			Impact of genetic polymorphism on antiepileptic drugs	Dr. Kesavan JIPMER Pondycherry	
2	24, Sept. 2014	One Day Workshop on Intellectual Property Rights and Patent Filing	Challenges and Opportunities generated by new global IPR regime	Dr. D. Prabakaran, Senior Scientist Ethics Bio Lab Chennai	80
			Trade related Intellectual Property Rights (TRIPS)	Dr. RB Uma maheshwari Associate Professor Chettinad Academy of Research and Education, Chennai	
3	17 Nov. 2014	One Day Symposium on "Drug regulatory Affairs: Current Scenario and Challenges"	Historical overview of pharmaceutical industry and drug regulatory affairs	Mr. Narendra kumar, senior manager & Head of QA, Orchid Health Care, Chennai.	100
			Current trend and challenges of drug regulatory affairs	Mr. Mahalingam, Head QA & QC, Gurucure Pharma, Pondicherry.	
			Function and role of drug regulatory affairs		
			Need and importance of regulatory affairs in the pharmacy curriculum	Mr.T.Sathish, General Manager, Corporate services, Tablets (India) Ltd, Chennai.	
			Regulatory affairs scenario in Indian industry for drug and food		

4	30 Aug. 2014	One day workshop on “Application of Statistical tools for successful Pharmaceutical development”	Significance of DoE on Pharmaceutical Development	Mr. Bimalkumar Kesh, Senior statistician and training manager Cubic Quality Bangalore	100
			Hands on Training in MiniTab Software	Mr. Sulochana Babu Engineer Cubic Quality Bangalore	
5	24 Sep. 2014	One Day workshop on “Intellectual Property Rights and Patent Filing”	Patents Designs, Practice & Procedure, Intellectual Property Rights and their Economic Importance- Academic & Industry Perspectives	Dr. R.B. Umamaheshwari, Chettinad Academy of Research and Education	55
6	8 Nov. 2014	One Day Workshop – Hands on training on DSC for material characterization	An overview of thermal analysis, Calorimetry & complimentary analytical techniques to Pharmaceuticals & Life Science Applications	Mr. Gopalakrishnan Asst. Manager, Sales TA Instruments Bangalore	60
7	4-5, Dec. 2014	Two Days Practical Training Program on Nano Lab	X-Ray Diffraction	Dr. N. Ponpandian Professor Department of Nano science and Technology	45
			Applications of Scanning Electron Microscopy in Research	Dr. RT Rajendra Kumar Professor Department of Nano science and Technology	
			Photoluminescence and UV-Visible Spectroscopy	Dr. D. Nataraj Professor Department of Nano science and Technology	
			Raman and FTIR spectroscopy	Dr. YL Jayachandran Professor Department of Nano science and Technology	

8	1- 15 Sept 2014	Quality Improvement Programme on emerging trends in pharmaceutical Chemistry and Pharmaceutical Analysis	Thermal Analytical methods for pharmaceutical analysis	Dr. R. Nageswara Rao Scientist F, Indian Institute of Chemical Technology, Hyderabad	30
			Pharmaceutical/Herbal patenting in India	Dr. S. P. Subramaniyan Assistant Controller of Patents and Design, Chennai	
			Forced Degradation Studies in Pharmaceutical Research	Dr. Valliyappan Professor Annamalai University, Chidambaram	
			Computational approaches in Hit identification	Dr. M. Ravikumar, Senior Applicant Scientist, Schrodinger Inc., Bangalore	
			Advances in Protein Modeling, simulation and design: structure prediction methodologies	Dr. Pritesh Bhat, Senior Applicant Scientist, Schrodinger Inc., Bangalore	
			Pharmacophore modeling, 2D and 3D QSAR for lead optimization, finger print based similarity searching and substructure matching	Dr. Sunilkumar, Application Scientist, Sai Life Sciences, Pune	
			Techniques involved in gene cloning and gene expression	Dr. Sharsmitha Banarjee Associate Professor, University of Hyderabad	
9	12 – 13 Sept 2014	Seminar on Development of drugs and vaccines against multi drug resistant tuberculosis	Discovery of novel InhA reductase inhibitors: application of Pharmacophore and shape based screening approach	Dr. Suneelkumar B Principal Scientist Albany Molecular Research Centre, Hyderabad	40

			Understanding TB-HIV synergy: the impact of mycobacteria –HIV co-infections on the host immune status and the cellular environment	Dr. Sharsmitha Banarjee Associate Professor, University of Hyderabad	
			Identification of potential inhibitors against Mycobacterium tuberculosis DprE1 using structure based virtual screening	Dr. M. Ravikumar, Senior Applicant Scientist, Schrodinger Inc., Bangalore	
			Implications in multidrug resistant tuberculosis and principles underlying the treatment adopted from WHO guidelines	Dr. P.J. Vasanthan, Deputy Director, Tuberculosis Department, The Nilgiris District, Tamil Nadu	
10	19 Nov 2014	One Day Seminar on Applications of Radiation and Radioisotopes in Pharmacy	Principles and concepts of Radiopharmaceuticals Radio-Immuno assay for drug development	Dr. N. Sivaprasad Senior Manager, Board of Radiation and Isotope Technology Department of Atomic Energy, New Delhi	200
11	27 Sept 2014	One Day Workshop on Simulated Experiments in Pharmacology	Training Demo on Software 'Animal Simulator'	Mr. Rostin Paul Product Analyst, Elsevier	150
12	27-29 Nov 2014	Three days national workshop on "A Special emphasis on impurity profiling in essential drugs"	Impurity Profiling in Development of Active Pharmaceutical Ingredients (APIs)	Dr. R. Nageswara Rao Scientist F, Indian Institute of Chemical Technology, Hyderabad	60
			Applications of LCMS in impurity profiling	Dr. Ajit Datar Chief Lab Manager Schimadzu Analytical (I) Pvt. Ltd.	
			Impurity profiling in generic drugs-Regulatory Requirements	Mr. Padmanaban Hospira Limited, Chennai	

			Genotoxicity Impurities- The current vistas and scopes	Dr. Gandhimathi, Associate Professor Sri Ramakrishna Institute of Paramedical Sciences, Coimbatore	
			Impurity Profiling – A Chiral perspective	Dr. K. Valliappan Professor Annamalai University Chidambaram	
13	13-14 Aug, 2014	National Seminar on Role of Biotechnology in the Development of Drugs, Therapy and Vaccines	Dr. USN Murty Chief Scientist Head in Biology division CSIR-Indian Institute of Chemical Technology, Ministry of science and Technology Government of India Hydrabad	A new technical addition of bio- data mining in drug discovery	50
14			Dr. B. Sekar Director, Pasteur Institute of India, Coonoor, Nilgiris	Biotechnological approaches in vaccine production against infectious diseases	
15			Dr. S.N.Madhusudana Professor of Neuro virology NIMHANS Bangalore	Rabies DNA vaccines: Current Status and Future	
16			Dr. P. Chellapandi Assistant professor Department of Bioinformatics Bharathidasan University Trichirapalli	Bioinformatics Approaches for Peptide Antigen Designing and Engineering	
17			Dr. Shanmugaapriya Assistant professor Department of Biomedical sciences Bharathidasan University Trichirapalli.	Understanding the Molecular basis of Osteoarthritis (OA)- an approach towards identifying a Molecular target for the therapy of "Osteoarthritis"	

18			Dr. M.V.S.S.T. Subba Rao Associate Professor Department of Biochemistry JSS Medical College, Mysore.	Moving From Pine Trees To Patient Care: Characterization Of A Multi-target Inhibitor Leelamine For The Treatment of Cancers	
19	17 -18 Oct 2014	Pharmacoinformatics – Insilico Tools for next generation biological and drug research	Proten structural consideration in the rational approach to drug design	Dr. H.A. Nagarajaram CDFD Hyderabad	30
			How to generate protein structure using homology modeling	Dr. Subash Mohan Agrawal, Scientics C Institute of Cytology and preventive onocology, Noida UP	
			Molecular dynamic stimulations Experimental design for implementation based on respective learning	Dr. Sanjib senapati Associate Prof. Bhupat and Jyoti Mehta School of Bio sciences Computational bio physics laboratory Chennai	
20	25th Sep. 2014	CPE program for Practicing Pharmacists on Wolrd Pharmacist Day	Pharma Regulatory Scenario and Career Perspective	Mr. Raghu	45
21	26 Sept 2014	One Day National Seminar on Individualized Drug Treatment: Concepts and applications	Impact of Pharmacogenetics on individualizing drug treatment	Dr. Kesavan Assistant Professor JIPMER, Pondicherry	30
			Population Pharmacokinetics – Application in pediatrics	Dr. Surulivel Rajan Associate Professor MCOPS, Manipal	

22	20 – 21, March, 2015	Current State-of-the Art Computational Methods in Accelerating the Discovery of Novel Biopharmaceuticals	Chemoinformatics in drug design: methods and advances; An in silico approach for the design of biologically active proteins	Dr. S.P. Muthukumar Principal Scientist Biochemistry and Nutrition Department CSIR – CFTRI, Mysore	31
			How Indian pharmaceuticals trying to characterize Biosimilars	Dr. P. Rajiv Bharadwaj Applications Scientist, Waters India (P) Ltd.	
			In silico database screening, binding free energy calculations, chemical libraries, virtual screening and in-silico ADMET prediction 3D Pharmacophore modeling	Dr. R. Raghu Vice President Schrodinger Inc, Bangalore	
			Structure based drug designing	Dr. Pritesh Bhat Senior Application Scientist Schrodinger Inc. Bangalore	
23	12-14, Feb. 2015	National Workshop on Applications of Molecular Techniques in Science and Research in Pharmaceutical Industries	Applications of bioinformatics in research and science in pharmaceutical industries	Dr. P. Chellapandi Assistant Professor Bharathidhasan University Trichy	65
			Genomic Approach of drug discovery and their applications in tapping marine therapeutic molecules	Dr. Robinson David Jebakumar Solomon Professor and Head Department of Molecular Microbiology Madurai Kamarajar University, Madurai	
24	21 February, 2015	one-day Workshop “Current Practices in Drug regulatory Affairs”	Requirements when Indian Drugs have to be exported to the USA, Japan and the European Union(EU) markets.	Dr.Amit Kumar Devagan of Nestor Pharmaceuticals, Goa Mr.Prabhakaran of Strides Arco Limited, Bangalore Dr.Satish Kumar Menon of Agappe Diagnostics Ltd.- Ernakulam	80

12.Details of Guest Lectures/Academic/Industrial Experts visited the College

Sl. No.	Name and details of the Expert	Date	Lecture Topic	No. of participants
1	Mr. Rajasekhara Reddy Research Scientist, Wockhardt Research center, Aurangabad	15-4-2014	Industry Perspective on BA and BE	28
2	Dr. Krishna P.L. Bhat , Department of Pathology, University of Texas, M.D. Anderson Cancer Center, Houston, TX., USA.	22-7- 2014	Individual Medication for glioplasma	45
3	DR Umesh Banakar Professor& President Banakar consultancy, USA	30-07-2014	BE Studies in Pharmaceutical Products for US and other market& Biosimilars and its Development and Pathway in USA for registration	106
4	Dr.G.K. Phani Kumar Kemwell Biopharma Pvt. Ltd. Bangalore	8-8-2014	Formulation Development of Solid Oral Forms for Regulatory	31
5	Dr. Murali Munisamy , Saudi Arabian University, Saudi	19-8-2014	Pharmacogenetics from DNA to Drugs Treatment in Epilepsi	100
6	Dr Jeyaganesh Moorthy, Senior Orthopaedic Surgeon, Government District Head Quarters Hospital, Ooty	30-08-2014	ECG and its basics	85
7	Mr. SVN Raju Senior Director Formulation Development Hyderabad	25-9-2014	Industry-Institution interaction carrier prospective	33
8	Dr Logharaj, Asst Surgeon, Government District Head Quarters Hospital, Ooty	29-09-2014	Cardiac Arrhythmias	78

9	Dr. Velmurugan Professor Madras University, Chennai	13-10-2014	Isolation of active ingredients from plants of north east India	38
10	Mr. T. Satish, Tablets India Ltd., Chennai	31-10- 2014.	Field of Indian Pharma - Opportunities	82
11	Dr Poonajit, Psychiatrist, Govrnment District Head Quarters Hospital, Ooty	03-11-2014	Psychosis and Schizophrenia	72
12	Mr. Badrinath Senthilkumar, Community Pharmacist, USA	28-01-2015	Community Pharmacy – As a Career in healthcare in Future	40

14. Thrust Areas of Research (department/college)

Department of Pharmaceutics:

- Utility of Biopolymers for drug delivery systems
- Enhancement of Bioavailability via Nanotechnology
- Effective therapeutic management for diabetic retinopathy, cervical cancer, Malaria
- Alzheimer's disease by lipid /polymeric/ metal based delivery systems
- Spheronization
- Applying BCS to herbal medicines

Department of Pharmaceutical Chemistry:

- Computer aided Drug design
- Synthesis of new chemical entities (NCEs)
- Polymeric drug delivery
- Isolation of bioactive molecules from natural sources

Department of Pharmacology:

- GIT Pharmacology, Herb-Drug Interactions, Immunopharmacology
- Neuropharmacology, Cancer Biology
- Natural Products Pharmacology, metabolic disorders, Cardiovascular Pharmacology
- Pharmacological and Toxicological evaluation of herbal drugs, Metabolic Disorders and CADD

Department of Pharmacognosy & Phytomedicine:

- Herbal drug research; Isolation and

purification of active moieties

- Drug discovery and development; Herbal formulation development and standardization; Documentation of potential medicinal plants of Nilgiris biosphere

Department of Pharmaceutical Analysis:

- Food Analysis
- Chiral method development and quantification of enantiomers
- Pharmacokinetic / Pharmacodynamic Studies
- Analytical/Bioanalytical method development and validation for pharmaceuticals

Department of Pharmaceutical Biotechnology:

- Virology and Cell biology

Department of Pharmacy Practice:

- Clinical pharmacy practice and research
- Community pharmacy practice and research
- Drug metabolism and pharmacokinetics
- Pharmacometrics
- Pharmacogenetics

15.Details of new facilities available in the department/ college.

- Schrodinger software for computer aided drug design funded by DST(SERB), NewDelhi-2104 -18.20 lakhs
- Accelrys Discovery Studio- 4 funded by DST(SERB), NewDelhi-2014- 20.55 Lakhs

INFRASTRUCTURE AND FINANCIAL EXPENDITURE DETAILS

8.HOSTEL FACILITIES

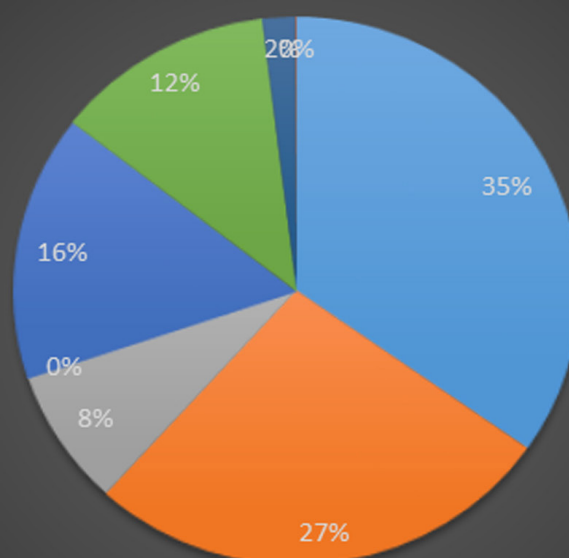

Sl. No.	Name of the Hostel (Boys/Girls)	Total No. of Rooms	Accommodation capacity	Total No. of inmates	
				Male	Female
1.	Boys	72	216	205	-
2	Girls	65	240	-	238

9.LIBRARY STATISTICS:

Library Budget 2014-2015

Sl. No.	Particulars	Total Budget Allotted	Expenditure (in Lakhs)
1	Books	Rs. 20 Lakhs	3.92
2	Journals		12.32
3	Online Database		3.2
4	News Papers and Magazines		0.58
5	CD-ROMs		-
6	Any other (Library Software)		0.18

LIBRARY BOOKS

■ Reference Books
 ■ Course Books
 ■ WHO Collection
 ■ Book bank
■ Journals
 ■ Project Reports
 ■ CD's
 ■ Video Cassettes

Details of Library Books

Sl. No.	Particulars	Numbers Added in the year 2014 – 15	Total No. of books as on 31.03.2015
1	Reference Books	95	5513
2	Course Books	178	4276
3	WHO Collection	10	1287
4	Book bank	0	0
5	Journals	700	2489
6	Project Reports	124	1985
7	CD's	05	295
8	Video Cassettes	0	10

10.DETAILS OF INFRASTRUCTURE UPGRADATION WORKS:

Civil Works carried out from 01-04-2014 to 31-03-2015

Sl No.	Name of the work	Estimated cost	Name of the contractor	Expenditure so far
1	Digging of Open Well	3.64 Lakhs	Mr. Ramachandran	1.82 Lakhs
2	Painting at Boys Hostel	7.00 Lakhs	Me. Eshwanth	4.5 Lakhs
3	Boiler for Both the Hostels	6.5 Lakhs	-	6.5 lakhs
4	Maintenance Work	-	Mr. Ashok	4.00 lakhs

11.DETAILS OF FINANCIAL EXPENDITURE INCURRED

Sl. No.	Particulars	Expenditure (Rs. In Lakhs)
1	Expenditure towards Organizing Workshops/Seminars/Conferences	4.9
2	Financial Assistance to Faculty for Attending Conferences / Workshops/Seminars	1.0
3	Purchase of Equipments	18.0
4	Any Others (Non - Recurring and Recurring)	-

RESEARCH ACTIVITIES

DETAILS OF RESEARCH PROJECTS

a) Projects Sanctioned:

Sl. No.	Title of the Project	Principal Investigator with Department name	Sanctioning Agency	Amount (Lakhs)	Duration of the Project
1	Pharmacological evaluation of medicinal plants from India and South Africa based on Indigenous knowledge for anticancer and antituberculosis potential.	Dr. S.P. Dhanabal & Dr. Namrita Lal, University of Pretoria, South Africa.	DST, New Delhi & National Research Foundation, Republic of South Africa.	29.49	3 Years
2	Development, Safety and Efficacy Evaluation of Smart Nano-Carriers for the Treatment of Breast Carcinomas	Dr K Gowthamarajan	JSS University, Mysore	0.50	1 year
3	Herb-drug Interaction of Trigonella foenum graecum on pharmacokinetics of anti-diabetic drugs in healthy subjects	Dr S Ponnusankar	JSS University, Mysore	0.50	1 year
4	Virtual high throughput screening (vHTS), design, synthesis in vitro / in vivo evaluation and 3D-QSAR investigations of some novel gamma – carboline and cabazole lead molecules as antineoplastic agents	Dr M J N Chandrasekar	DBT, New Delhi	47.62	3 Years
5	Fund for improvement of S & T infrastructure in Universities and Higher Educational Institutions (FIST) Program – 2013 in level 1 Life Sciences	Dr.M.N.Satish Kumar	DST, FIST Scheme, New Delhi	84.00	3 years
6	The mechanism of action of certain Ayurvedic Medicinal Plants on Alzheimer's by dipeptidyl peptidase – 4 inhibition using herbs	Dr B Duraiswamy	AYUSH, New Delhi	25.66	3 Years

7	Lead directed design, synthesis and evaluation of novel delta carboline and carbazole lead molecules as antineoplastic agents	Dr. MJN Chandrasekar	ICMR, New Delhi	33.50	3 Years
8	Development and validation of chiral separation of some enantiomeric drugs by HPLC and LC-MS methods	Dr S N Meyyanathan	UGC, New Delhi	12.50	3 Years

Projects Submitted:

Sl. No.	Title of the Project	Principal Investigator with department name	Agency	Amount (Lakhs)	Duration of the Project (Years)
1	Effective Management of Multifactorial Alzheimer's disease: An attempt of nanostructured Lipid Carriers Containing Donepezil and Curcumin Through Olfactory to Brain	Dr K Gowthamarajan	DST-SERB, New Delhi (Re-submitted through ON-LINE)	28.20	3 Years
2	Non-invasive nano drug carrier using plant based water soluble polysaccharides for diabetic retinopathy	Dr K Gowthamarajan	NRDC, New Delhi	7.00	3 Years
3	Formulation and evaluation of Acyclovir Loaded Nanostructured Lipids for the treatment of herpes simplex infection	Dr V Senthil	Tamilnadu State Council for Science & Technology, Chennai	4.65	3 Years
4	Formulation and Characterizations of Lipid Conjugated raloxifene hydrochloride carbon nanotubes for targeted drug delivery to human breast cancer cells	Dr N Jawahar	Tamilnadu State Council for Science & Technology, Chennai	5.00	3 Years
5	Virtual High through put screening (vHTS), design, synthesis, in vitro / in vivo evaluation and 3D-QSAR correlations of some novel Δ^1 -carbolines and carbazole lead molecules as antineoplastic agents	Dr M J N Chandrasekar	DST, Govt of India, New Delhi	59.40	3 Years

6	Applications from the institutions for participation in the training programme	Dr R Kalirajan	HRD, New Delhi	75.0	3 Years
7	Structure based in-silico docking and rational design of fatty acid synthase-thioesterase domain inhibitors as potential anti-cancer lead compounds	Dr S Jubie	Tamilnadu State Council for Science and Technology, Chennai	4.95	3 Years
8	Development and validation for separation of chiral drugs by HPLC and LCMS methods	Dr B Gowramma	Tamilnadu State Council for Science and Technology, Chennai	4.60	3 Years
9	Synthesis and anticancer activity of some novel 1,3,4-thiadiazole derivatives	Ms Gomathy	Tamilnadu State Council for Science and Technology, Chennai	4.65	3 Years
10	Assessment and prevalence of IDA, its pre-post natal complications in pregnancy in selected tribal hamlets of The Nilgiris District, Tamil Nadu	Dr. S. Ponnusankar	Department of Health Research, ICMR, New Delhi	45.00	3 Years
11	Characterization of Secondary metabolites from soil screened microorganisms for its antimicrobial, anti angiogenesis and genotoxicity activities from Nilgiris District	Dr A R Srividya	UGC Start up grant	37.23	3 Years
12	Tumour Antigen Nanoparticles Targeting to Mannose Receptor in Dendritic Cells to induce T-Cells Mediated Immunotherapy for cancer	Dr M K Samantha	DST- Nano Mission	98.00	3 Years
13	Receptor Based Nano-Antigen Delivery in Dendritic Cell for Effective colorectal and Breast Cancer Treatment	Dr M K Samantha	ICMR, New Delhi	60.92	3 Years
14	Analytical stress testing : An intrinsic tool for the stability studies of pharmaceuticals intended for human use	Dr N Krishnaveni	Tamilnadu State Council for Science and Technology, Chennai	4.60	3 Years

15	Stability indicating analytical method for the identification and quantification of dapagliflozin API from its degradation product by RP-HPLC	Dr B Babu	Tamilnadu State Council for Science & Technology, Chennai	4.60	3 Years
16	Chiral separation and bio-availability of some racemic drugs by UPLC	Dr S N Meyyanathan	ICMR, New Delhi	34.00	3 Years
17	Intracellular targeting transcription factor (NfκB) involved in signal transduction pathway and TNF-α using disease responsive nano carriers as drug delivery system for treating allergic asthma	Dr. K. Elango	DST (SERB), New Delhi	45.38	3 Years
18	Optimization of non contact sound energy for inhibiting topical pathogens in patients	Dr. Sankar S	ICMR, New Delhi	60.00	3 Years
19	Prospective Open Label Study to evaluate the effect of multi micronutrients on outcome of birth weight in tribal population in Nilgiris District	Dr. P R. Anad Vijaya Kumar	ICMR, New Delhi	42.00	3 Years
20	Neuro Protection by Nano Allosteric Muscarinic Acetylcholine receptor for reversal learning Management in Alzheimer's disease	Dr M K Samantha	DBT Nanobiotechnology (Re-submitted)		3 Years
21	Lipid Based Nano emulsion for artesunate and Pyronaridine combination therapy for the treatment and improved efficacy –An attempt to combat the resistance caused by MDR protein	Dr. R. Sureshkumar	ICMR New Delhi	22.5	3 Years
22	E-learning center for technical education	AICTE (RID) New Delhi	Dr.S.Sankar	13.4	3 Years

23	Structural characterization of degradation products in food dyes E102, E124, E127 and E143 by HPLC – DAD – MS/MS and evaluating their in vitro genotoxic potential by bacterial reverse mutation assay	DST- SERB New Delhi	Dr. S. N. Meyyanathan	30.70	3 Years
24	National Programme on Technology Enhanced Learning	MHRD New Delhi	Dr.S.Sankar	-	3 Years
25	Intracellular targeting of transcription factor (NFkB) involved in signal transduction pathway of TnF- α using disease responsive nano carriers as drug delivery system for treating allergic asthma.	DST- SERB New Delhi	Dr.M.N. Satish Kumar	45.69	3 Years

n) Research grants received:

Sl. No.	Granting Agency	No. of Projects	Grants sanctioned (in Lakhs)
1.	DST, New Delhi	2	113.49
2.	AYUSH, New Delhi	1	25.66
3.	DBT , New Delhi (Twinning Program)	1	37.65
4.	ICMR	1	33.5
5.	UGC	1	12.5
6.	JSS University	2	1.00

o) Student Research Projects:

Sl. No.	Title of the Project	Name of the student	Name of the guide, department	Amount (Rs.)	Sanctioning agency
1	Design, Virtual Screening, Synthesis and biological evaluation of carboline derivatives against anti-tumour targets	Mrs Gomathi Priya	Dr M J N Chandrasekar	15.35 Lakhs	DST – Women Scientist Scheme
2	Targeting poly (L-malic acid) – Doxorubicin nanoparticles to liver cancer	Ms Nivishna Venkatraj	Dr M J N Chandrasekar	18.60 Lakhs	DST – Women Scientist Scheme
3	Novel DNA (GYRB) and Topoisomerase IV (PARE) dual inhibitors possessing potent antibacterial activity: synthesis and 3D QSAR study	Mr T Janarthanan	Dr Md Afzal Azam	18000/- per month	ICMR, New Delhi
4	Amelioration of 6-OHDA and MPTP induced Parkinsonism using nanoparticles of H3 antagonist and c-JUN N terminal kinase (JNK) inhibitor.	Mr Nilesh Ambhore	Dr K Elango	18,000/- per month	ICMR, New Delhi
5	NFkB targeted molecular dynamics using diseases responsive nano carriers drug delivery systems for treating allergic asthma – a purpose of approach using salicylic acid derivatives	Mr Rama Sathyanarayana Raju K	M N Satish Kumar	18,000/- per month	ICMR, New Delhi
6	Synthesis and characterization of lipid conjugated raloxifene hydrochloride carbon nanotube of targeted drug delivery for human breast cancer cells	Mr E Surendra	Dr N Jawahar	10,000	The Tamilnadu Pharmaceutical Sciences Welfare Trust, Chennai
7	Formulation development of colchicines transdermal drug delivery system for limiting gastro intestinal tract (GIT) toxicities	Mr Sai Krishna Reddy	Dr K Gowthamarajan	8,000	The Tamilnadu Pharmaceutical Sciences Welfare Trust, Chennai

8	Impurity profiling of diacerein with genotoxicity approach by LCMS and AMES test	Mr Avnendra Yadav	Mr M R Jeya Prakash	10,000	The Tamil-nadu Pharmaceutical Sciences Welfare Trust, Chennai
9	Stability indicating analytical method for the identification and quantification of dapagliflozin API from its degradation product by RP-HPLC	Ms Manasi Patel	Mr B Babu	7,000	The Tamil-nadu Pharmaceutical Sciences Welfare Trust, Chennai
10	Optimization of insulin dose in patients with Type 2 diabetes mellitus using response surface methodology	Ms. Jemy Rajan Ms. Mahima Ms. Steffy	Mr. D. Raja	8,000	The Tamil-nadu Pharmaceutical Sciences Welfare Trust, Chennai

2. Details of Research Publications by faculty (please include the indexed/non indexed status along with name of indexing authority like Scopus, WOS, PubMed, Google scholar, Embase, etc.

Sl. No	Title of the Article	Name of Author/ Author's & Department	Details of Publication				Impact Factor
			Journal	National/ International	Year	Volume	
Department of Pharmaceutics							
1	Dissolution Behaviour of Diclofenac Potassium Using Dual Release Spheroids	G.N.K. Ganesh, Harikrishna Jilakara, Yadagiri Phalguna,	Journal of Drug Delivery & Therapeutics	National	2014	4	-
2	<u>Urmila Sri Syamala, Raman Suresh Kumar, Tambi Anuj Pushkarajan, Kuppuswamy Gowthamarajan</u>	Assessment of Formulation Factors on the Release on the Behaviour of BCS class II Drug from tablet Dosage form using DoE	Current Drug Delivery	International	2014	4	-

3	SureshKumar R, Urmilasri S, Dilip J &Gowthamarajan K	Clinical studies in Common Wealth Independent States: Critical Assessment of the Regulatory Requirements	International Journal of Pharmaceutical Research and Bio-Science	National	2014	3	-
5	D. Nagasamy Venkatesh, K. Kalyani, K. Tulasi, V. Swetha Priyanka, Shaik Abid Ali, S. Shashi Kumar,	Pharmacosomes: Potential Vesicular Drug Delivery System,	International Journal of Pharmaceutical Sciences and Drug Research,	National	2014	6	-
5	Ramaswamy Shanmugam, Gowthamarajan Kuppuswamy, Priyanka Dwarampudi, Madhuri Kadiyala, Lokesh Menta, and Elango Kannan.,	Development and validation of simultaneous estimation method for Curcumin and piperrine by RP-UFLC	Pakistan Journal of Pharmaceutical Sciences	International	2014	27	1.2

3. Details of Research Papers presented in conferences

Sl. No.	Title of the Research Paper (Poster / Oral)	Name of the Author, department	Name of the conference with details of date, venue	Regional / State / National / International
Department of Pharmaceutics				
	Improved Physi-co-Chemical and Bio-pharmaceutical Properties of Olanzapine through PLGA Nanoparticles	Dr. N. Jawahar	5 th PSWCFIP Congress, International Pharmaceutical Federation (FIP) Melbourne Convention Exhibition Center, Australia. April 13-16, 2014	International
	Effect of Lipid digestion media on the fate of drug in lipid based nanoemulsions	Dr R Suresh Kumar	OMICS Group Conferences, Hyderabad International Convention Centre, Hyderabad, 27-29 October, 2014.	National
	Docking studies on natural phytoconstituents targeting 14-gamma demethylase squalene epoxidase & β -tubulin activities for antifungal activity	Dr V Senthil	Sree Vidyanikethan College of Pharmacy, Tirupati, 20-21 September, 2014.	National
	Formulation characterization of acyclovir loaded nano structural lipids with polysorbate 80	Dr V Senthil	Federation of Asian Pharmaceutical Association, Kota Kinabalu, Sabah, Malaysia, 9 – 12 October, 2014.	International
	In vitro and In vivo behavior of terbinafine HCl loaded nano emulsion gel	Dr K Gowthamara-jan	Sree Vidyanikethan College of Pharmacy, Tirupati, 20 – 21 September 2014	National
	Formulation and Development of dual Release pellets for BCS Class II drugs (Aceclofenac)	Dr G N K Ganesh	74 th World Congress of FIP Pharmacy & Pharmaceutical Sciences, Bangkok 2014, FIP World Congress 31 August - 4 September 2014	International
	Effect of natural, synthetic polymers and fillers on sustained release matrix tablets of silymarin	Asha Span-dana K M	International Conference on Emerging Trends in Drug Discovery, Amrita Vishwa Vidyapeetham, Coimbatore, 23-25 July 2014.	National

Development of Dual Aceclofenac pellets – Assessment of in vitro and in vivo behavior	Dr G N K Ganesh	International Conference on Emerging Trends in Drug Discovery, Amrita Vishwa Vidyapeetham, Coimbatore, 23-25 July 2014.	National
Formulation and Pharmacokinetic Evaluation of Solid Lipid Nanoparticles containing an antipsychotic agent for improved Oral Delivery	Dr Jawahar N	International Conference on Emerging Trends in Drug Discovery, Amrita Vishwa Vidyapeetham, Coimbatore, 23-25 July 2014.	National
Feasibility of Natural polymer for CNS drug delivery system in National Conference on Drug Carriers in Medicine and biology	Dr K Gowthamara-jan	Bannari Amman Indistitute of Technology, Satyamangalam 7-8 January 2015.	National
Design, Development and evaluation of ranolazine loaded chitosan nanoparticles for better anti angina therapy	Dr. D. Nagasamy Venkatsh	2 nd International conference on PHARMA-, GSTF, Singapore, 27-28, October 2014	International
Fabrication of Nano-structured lipids carrier for acyclovir and enhancements of its oral bioavailability	Dr. V.Senthil	3 rd International Conference on Nanoscience and Nanotechnology (ICONN 2015) February, 2015	National
Tolnaftate Topical liposomal Gel for effective skin drug delivery to treat fungal diseases	Dr.GNK Ganesh	3 rd International Conference on Nanoscience and Nanotechnology (ICONN 2015) February, 2015	National
Nanoemulsion for lymphatic absorption: Investigation of Fenofibrate Nanoemulsion system for lymphatic uptake	Dr. R. Sureshkumar	3 rd International Conference on Nanoscience and Nanotechnology (ICONN 2015) February, 2015	National

Department of Pharmaceutical Chemistry

Development of some novel cytotoxic agents from Spirulina Platensis	Dr. S. Jubie	5 th PSWCIFIP Congress, International Pharmaceutical Federation (FIP) Melbourne Convention Exhibition Center, Australia. April 13-16, 2014.	International
---	--------------	--	---------------

Docking studies with topoisomerase II, synthesis of some novel 9-anilino-acridines and evaluation for antitumor activity and 3D QSAR studies	Dr R Kalirajan,	International Conference on Emerging Trends in Drug Discovery, Amrita Vishwa Vidyapeetham, Coimbatore, 23-25 July 2014.	National
Molecular docking and ADMET studies of 5-heptadeca 5, 8, 11 – trienyl – 1, 3, 4 – oxadiazole – 2- thiol and sulphaquinovosyldiacyl glycerol as topoisomerase inhibitors	Dr S Jubie	International Conference on Emerging Trends in Drug Discovery, Amrita Vishwa Vidyapeetham, Coimbatore, 23-25 July 2014.	National
Synthesis of 2-(Bis(2-chloroethyl) amino) 0 N'-(5-substituted phenyl)-1,3,4-thiadiazol-2-yl) acetohydrazide and evaluation of anticancer activity	Dr B Gowramma	International Conference on Emerging Trends in Drug Discovery, Amrita Vishwa Vidyapeetham, Coimbatore, 23-25 July 2014.	National
Synthesis and antimicrobial screening of some novel 2 azetidinones / 4-thiazolidinones bearing 1,3,4-thiadiazole nucleus	Mrs S Gomathy	International Conference on Emerging Trends in Drug Discovery, Amrita Vishwa Vidyapeetham, Coimbatore, 23-25 July 2014.	National
Docking studies, synthesis, characterization and evaluation of antitumor activity of some novel thiazine substituted 9 – aniline acridines and their 3D-ASAR studies	Dr R Kalirajan	74 th FIP Congress, International Pharmaceutical Federation, Bangkok, Thailand 31 August – 4 September, 2014	International
Chiral stability indicating HPLC method for the analysis of Zaltoprofen in Pharmaceutical formulation".	Dr. B. Gowramma	25 th FAPA Congress Malaysia, 9 – 12 October, 2014.	International
Synthesis and anti inflammatory activity of some novel 1,3,4-thiodiazole derivatives.	Dr. B. Gowramma	Recent trends of green and medicinal chemistry, Karpagam University, Coimbatore. 11 th March 2015.	National
Development and validation for simultaneous estimation of quercetin and rutin by HPLC method.	Dr. S. Gomathy	Recent trends of green and medicinal chemistry, Karpagam University, Coimbatore. 11 th March 2015.	National

Department of Pharmacology				
	Antidiabetic activity and potential mechanism of <i>Raphanus sativus</i> Linn in rats induced by high fat diet and low dose streptozotocin	Dr.R.Vadivelan	International conference on Physiology and Medicine-2014, Department of Physiology Periyar University, Salem Tamilnadu on 17.10.2014	National
Department of Pharmacognosy and Phytopharmacy				
	Bioprospecting of natural products on sources for drug discovery of new Antitubercular and anti cancer lead – A review	N. Pavithra (Ph.D Scholar)/ Pharmacognosy & Phytopharmacy	International training workshop on herbal medicine : Drug Discovery from herbs – Approaches Innovations and Applications JSS University Mysuru, Karnataka (30 th -31 st March 2015)	International
	In silico and In vitro anti-cancer studies of Methyl gamma linolenate isolated from spirulina plantensis	MVNL Chaitanya Pharmacognosy & Phytopharmacy	International training workshop on herbal medicine : Drug Discovery from herbs – Approaches Innovations and Applications JSS University Mysuru, Karnataka (30 th -31 st March 2015)	International
	Phytochemical and Pharmacological evaluation of <i>Kyllinga nemoralis</i> for its anti- oxidant and anti –diabetic activity.	K. Rajendran Ph.D Scholar	International training workshop on herbal medicine : Drug Discovery from herbs – Approaches Innovations and Applications JSS University Mysuru, Karnataka (30 th -31 st March 2015)	International
	Poly herbal formulation development and evaluation for Antiobesity activity	KSK Siva Nagini, II M.Pharmacy	International training workshop on herbal medicine : Drug Discovery from herbs – Approaches Innovations and Applications JSS University Mysuru, Karnataka (30 th -31 st March 2015)	International
Department of Pharmaceutical Analysis				
	Impurity profiling on Nicergoline: A stress degradation approach	Mari Raju Jeyaprakash	International Conference on Emerging Trends in Drug Discovery, Amrita Vishwa Vidyapeetham, Coimbatore, 23-25 July 2014.	National
	Development and Validation of Telmisartan in human plasma by RP – HPLC method	B.Babu	International Conference on Emerging Trends in Drug Discovery, Amrita Vishwa Vidyapeetham, Coimbatore, 23-25 July 2014.	National

Separation, Characterization and estimation of r & s Guaifenesin by liquid chromatography Mass Spectrometry and Circular Dichroism	Mr. M R Jeyaprakash	74 th International Congress of FIP, International Pharmaceutical Federation (FIP) 31 st Aug to 4 th September 2014.	International
Development and validation of a stability indicating RP HPLC method of pemetrexed API from its forced degradation products",	Mr. B Babu	25 th FAPA Congress on Expanding the Pharmacists Roles in wellness and sustainable health, Federation of Asian Pharmaceutical Associations, Malaysia, 9 – 12 October, 2014.	International
Atomic absorption spectroscopic estimation of major, trace minerals and heavy metals in chocolates	Dr. Submrana Nainar Meyyanathan,	Indian Pharmaceutical Congress, Hyderabad 23-25 January, 2015	National
Impurity profiling on Phenytoin: A special Approach with Genotoxicity	Mr. M. R. Jeyaprakash	Two days national conference on " Expectations of Pharmaceutical Industries on Quality of Education from academia" Arulmigu Kalasalingam College of Pharmacy, Krishnan koil, 27 th & 28 th March, 2015	National

Department of Pharmacy Practice

Stevens-Johnson Syndrome & Toxic epidermal Necrolysis – A case report	M Deepalakshmi,	IPA Convention 2014, Bangalore, 08 August, 2014.	National
A Cross Sectional observational study of prescription pattern on Gastro Protective drugs with NSAID in Nilgiris, India	B S Roopa,	74 th International Congress of FIP, Bangkok, 31 st Aug to 4 th September 2014.	International
Evaluation of beneficial effect in adding the Nilavembu Kudineer Chooram (Siddha formulation) to metformin in treatment of Type 2 Diabetes Mellitus	D Raja,	25 th FAPA Congress on Expanding the Pharmacists Roles in wellness and sustainable health, Federation of Asian Pharmaceutical Associations, Malaysia, 9 – 12 October, 2014.	International
Beers Criteria Based Review Of Medication Appropriateness In Geriatric Patients In Tamil Nadu – A Prospective Observational Study	Ms.M.Deepalakshmi	66 th Indian Pharmaceutical Congress,".23 – 25th January , 2015, Hyderabad, India.	National

4. Details of faculty registered for Ph.D

Sl. No.	Name of the Ph.D candidate	Department	Full time or part time	Date of Registration
1.	Ms. M. Deepalakshmi	Pharmacy Practice	Part Time	June 2014
2.	Ms. B.S. Roopa	Pharmacy Practice	Part Time	June 2014
3.	Mrs. Sreedevi	Pharmacy Practice	Full Time	July 2014
4.	Mr. Narayanan Kutty Nair	Pharmacy Practice	Full Time	October 2014
5.	Denis Minga Mingate	Pharmacy Practice	Full Time	Jan 2015
6.	Ms. Tresha vargese	Pharmacy Practice	Full Time	March 2015

U- Fest' 2015 (SAMBRAMA – 2015)

13th – 15th March, 2015

The college successfully conducted the university fest “SAMBRAMA-2015” on March 13-March 15th at its campus in ooty. The participants from all the four constituent colleges took part in the fest. There were about 395 participants from all the 4 constituent colleges and the 2 university departments.

The cultural events consisted of 7 solo and 12 group performances. Mr. HRM Bhojraj, Former Vice Chairman, Tea Board of India was the chief guest on the occasion. About 55 judges from in and around Ooty were invited to judge the performance of the participants.

The valedictory was held on 15th March 2015, Dr. B. Manjunatha, Registrar, JSS University Dr. P.A Kushalappa, Director, Academics, JSS University and Dr. Sudeendra Bhat, Deputy Controller of Examinations were the guest of honor. Padma Vibhushan Dr.M.R. Srinivasan, Former Chairman, Atomic energy Commission and Former Member of Planning commission, Government of India was the chief guest. Ms. Seema Suresh, Madam Vice Chancellor distributed the prizes and graced the occasion.

Report on 53rd National Pharmacy Week Celebrations, 3 – 6 Dec, 2014 (Theme: Responsible Use of Medicines: Role of Pharmacist)

IPA is celebrating National Pharmacy Week every year with the major focus of creating awareness amongst the public, other healthcare providers and authorities about the pharmacy profession in general and about the specific theme identified every year. The 53rd National Pharmacy Week was celebrated in 2014. The theme selected for the year 2014 was, “Responsible Use of Medicines: Role of Pharmacist”.

Mr. Srinivas R Reddy IFS, the project director of Hill Area Development Project, Ooty was the chief guest. Prof. K. Chinnaswamy, President of Tamil Nadu State Pharmacy Council was one of the guests of honor. Mr. Renny Mendonce, Principal of JSS International School and Mrs. Nalini Thimmaraj, Principal of Monarch International College of Hotel Management, Ooty were the other guests of honor. Dr. B. Sekar, Director, Pasteur Institute of India, Coonoor was the president of the function.

Mr. Vaibhav Jain, Manager and Subject Matter Expert, TATA Consultancy Services, Mumbai who is also our prestigious alumni gave the key note address on the theme: Responsible Use of Medicines: Role of Pharmacist.

About 15 solo and 20 groups, a total of 34 events were conducted to bring out the talents of the students. For many events topics of social and professional interest were given to the participants. I, II, III year B. Pharm and Pharm D, first year post graduate students with IV and V Pharm D students took active participation and showcased their talents in all these events.

About 70 judges from in and around Ooty who are all from different heights of society like, Medical professionals, Business people, Academicians, members of Rotary club, etc.

The valedictory function was held on 06th December, 2014. Dr. Afzal Azam, Vice-Principal of the college welcomed the gathering followed by the dignitaries were honored. Dr. S. Manivannan, Chief Guest highlighted about the various career opportunities available in CDSCO and state drug control departments.

Dr. BT Chidananda Murthy, Principal and Chief Medical Officer, JSS Institute of Naturopathy and Yogic Sciences, Coimbatore and Dr. Munish Mehta, Senior Bioinformatics Officer, Centre for Diabetic Research, Harry Perking Institute of Medical Research, Australia were the ‘Guests of Honor’ in the valedictory function. Prof. K. Chinnaswamy, President, Tamil Nadu State Pharmacy Council who is one of the senior most academicians in pharmacy was honored and felicitated in the function for his continuous contribution to the pharmacy profession and education. Ms. Neela Gubbi, Barrister & Solicitor, Holden Barlow, Perth, Western Australia had distributed the prizes to the winners of various cultural events.

JSSCP Sports Fest 2014-15 - Report

JSSCP Sports Fest was held from 21st to 23rd November 2014 at JSS International School. The Fest was started with the welcome address by Dr.N.Jawahar, Chairman Sport's committee and inaugurated by the Chief guest Dr.S.P.Dhanabal, Principal JSS College of Pharmacy, Ooty and the Guest of honor Mr. Renny Joseph Mentos, Principal of JSS international School, Ooty. Event Such as Football, Volleyball, Basketball, Throw ball and Shuttle was conducted for the Students from schools and colleges in and around Ooty.

- **The following Teams took active participation in this Fest:**
- **JSS College of Pharmacy, Ooty**
- **Monarch International College of Hotel management, Ooty**
- **Government Arts College, Ooty**
- **CSI College of Engineering, Kethi**
- **Bharathyar University, Gudalur**
- **JSS International School, Ooty**
- **Green Valley Matriculation Hr, sec School, Kotagiri**
- **Crescent Castle School, Ooty**
- **Good Shepherd International School, Ooty**
- **Santhi Vijay Girls Hr.Sec School, Coonoor**

Results

Other Outreach Programs conducted jointly by Indian Pharmaceutical Association, Nilgiris Local Branch and Department of Pharmacy Practice and IPA Nilgiris Local Branch

S. No.	Name of the Program	Date and Month	Outcome
1	National Doctor's Day	1 st July, 2014	Get-together and greeting the doctors, awareness program for the public.
2	National Nutrition Week - Program	1 - 7 September, 2014	The Program includes creating awareness among the school children, release of health eating pamphlets etc.
3	World Pharmacists Day 2013	25 th September, 2014	Rally organized to create an awareness about the pharmacy profession and continuing pharmacy education program for practicing pharmacists of The Nilgiris district
4	World Heart day Program	29 th September, 2014	The awareness program on heart diseases for the benefit of the employees of Tea Estates, Police Department Personnel and other Govt. Employees
5	World Mental Health Day	10 th October, 2014	This day is celebrated to create the awareness among the adults, children and women to take care of mental health for healthy living.
6	National Education Day	11 th November 2014	Inter-School Essay writing Competition Elocution competition for college students
7	World Diabetes Day	11 - 17, November 2014	Screening for diabetes and awareness programs for <ul style="list-style-type: none"> • Dunsandale Estate Employees • Collectorate Employees • BSNL Employees • General Public at Ooty
8	World AIDS Day	1 st December 2014	Human Chain was observed to create awareness and distribution of Pamphlets in Ooty.
9	World Cancer Day	4 th February 2015	Awareness Program and distribution of Pamphlets in and around Nilgiris
10	World Diabetes Alert Day	25 th March 2015	Screening for early stage of diabetes using a questionnaire Capillary measurement of blood glucose Counseling for potentially risk individuals (staff members of the college)

ALUMNI ASSOCIATION

Details of alumni association with list of activities related to the same during the academic year 2014-15. In this year three batch Alumni meet (1988-1992, 1989-93, and 1993-97) conducted in our college campus. About 25 alumni members are participated in each batch, The Executive Committee of the JSS College of Pharmacy, Ooty Alumni Association' Registration of this association under societies act was discussed and steps are being taken to get such registration. The register of this association is under progress.

PROGRAMMES ORGANIZED BY THE INSTITUTION

BLOOD DONATION CAMP

Report on the Blood Donation Club, JSS College of Pharmacy, Ooty

In the past few years the Blood Donors Club of J.S.S College of Pharmacy, Ooty has been actively participating in the voluntary blood donation in collaboration with the Blood Bank - Government District Headquarters Hospital, Ooty. Voluntary blood donation done for the period Government District Headquarters Hospital, Ooty is as follows. About 19 units of blood were donated.

A voluntary blood donation camp was conducted on 1 October 2014, the collector of Nilgiris district inaugurated the camp. About 50 units of blood were donated during the camp. The blood bank unit of Government Headquarters hospital, Dr. Amaravathy Rajan was monitoring the blood donors during the blood donation.

FUTURE PLAN OF COLLEGE/DEPARTMENT

- Establishing model Pharma industry for technology transfer.
- Establishing a center of traditional medicine knowledge for international scientists.
- Excelling in impurity profiling of drugs and drug intermediaries.
- Establishing a center for computer aided drug design and molecular modeling.
- Establishing drug metabolism and pharmacokinetics (DMPK) laboratory
- Getting NABL accreditation
- Establishing JSS Health center in the campus
- Getting BA/BE studies under CADRAT from CDSCO

Department of Health System Management Studies

JSS University, Mysuru.

Healthcare is an expanding and emerging sector. The Indian Government has accorded priority in its 2014-2015 budgets to the health care sector and several reforms to follow with. When compared to global standards India is facing shortage of skilled manpower in terms of healthcare delivery and also administrative personnel. With public organizations falling short in terms of facilities and man power, opportunities for many private players is wide open in healthcare system. Recognizing this need, starting courses which can provide employment opportunities for students and also train them to be job ready will contribute towards university growth and development. MBA in hospital administration is one such course. Healthcare is a more complex business now than ever before – and it's changing rapidly. Skilled hospital administrators are vital to ensuring that medical facilities run efficiently and deliver quality patient care. There are two more programmes in the anvil which also would be launched in the near future. These programmes are intended to cater to the need of working professionals to upgrade their skills as well as knowledge in terms of advancement in science and technology.

True leaders know that they are born for a purpose and do not wait for someone else to make them leaders.... they show their leadership qualities wherever they are and in whatever they do!

-Dr. H.K. Mamatha
Coordinator

Dr. H.K. Mamatha, Co -ordinator of the department has played several leadership coordinating the various academic as well as research activities, projects of the University especially in activities in terms of documentation, report generation, presentation of the same to the public as well as various stakeholders of the university.

Compilation and consolidation of data and timely release of information helps the university in terms of making the various development

activities known to the interested community and also meets the statutory requirement.

Initiated publication of University Journal-IJHAS and newsletter JSSUNI.

Played a key role in terms of establishing the Department of Health System Management Studies in curriculum designing, framing syllabus and other academic and administrative activities of the department including placement of students.

Even as I talk to my patients, I make it a point to look in to their eyes, touch them and in that gesture see amazing power of healing set in. Speech camics not just the power of the world; it touches the healer within.

-Dr. Devi Shetty

CULTURAL ACTIVITIES

Report on 2012-14 Batch Farewell Function

Organized on Friday, 27th June 2014

The first batch of MBA Hospital administration students are graduating in July 2014 for which the department had organized a farewell function on June 27th 2014. The function started at 10:30 am seeking the blessings of His Holiness Jagadguru Sri Sri Shivarathri Deshikendra MahaSwamiji, Chancellor, JSS University, Mysore. The chief guest of the day Dr. Manjunatha B, Registrar, JSS University and other guests Dr. P. A. Kushalappa, Director (Academics), Dr. R. Vijay Simha, Controller of Examination, Dr. Balasubramanian, Director Research, Mr. Hirematt, Finance Officer, Dr. Madhu Srinivas Rangan, Dean, Faculty of Management Studies, Dr. H. Basavana Gowdappa, Principal of Medical College, Dr. Aparna, Project Coordinator, Dr. Kiran Hegde, Dr. Shravan Kumar and Mrs. Priya Kushalappa were present. The program commenced with invocation song by Mrs. Kanakavalli, Ms. Maisara and Mr. Haneef were the compeer for the function.

Dr. B. Manjunatha in his speech quoted Lincoln's quote and said that hard work and perseverance can ultimately lead to success. He also advised the students to perform well in their academics as they are in their final semesters.

Dr. Kushalappa speaking on the occasion said that the university had started the department very recently and appreciated the first batch students for their patience and tolerance at times of establishment of the department. He also advised the students in their career prospects and asked them to take up jobs initially to gain experience which would help them to move to higher positions later on in their lives. Dr. Vijaysimha also congratulated the students for their performance and advised them to do well in the forthcoming examinations. Dr. Madhu Srinivasa Rangan also inspired students to perform well. Dr. Balasubramanian spoke regarding the various national agencies evaluating the universities based on the placement of students as one of the parameter for universities. He advised students to

keep in touch with the department after finishing their course and intimate about their career.

A brief report on departmental activities from 2012 till date was presented by Ms. Sheryl. The award and prizes for the winners of annual sports events were distributed by the dignitaries to the students on this occasion. Ms. Maisara proposed the vote of thanks. High tea was hosted for the authorities as well as students.

The event continued with a flow of exciting activities for the students. A fashion show was organized for the senior students, in which Mr. Arjun and Ms. Saima Khan stood as Mr. and Ms. MBA –HA. Mrs. Priya Kushalappa, Dr. Aparna and Mr. Roshan were the judges for the event. "Musical chair" game was also arranged for senior students in which Priyanka, Praveen, Rishit and Manoj stood first, second, third and fourth respectively.

Lunch was served at 1:30 pm. Post lunch activities started with the senior students sharing their experiences and memories during their stay in the college. "Funny awards", a fun packed show was organized to honor the senior students in various categories. The program ended with the faculty wishing the outgoing students best wishes for all their future endeavors.

The students had organized and coordinated the entire event which was appreciated by the authorities and the faculty.

Participation in JSSU Fest - Sambrama

The students of department of health system management studies had participated in cultural event of JSS university called Sambrama From 13th to 15th March 2015, under coordination of Mr. Roshan, lecturer, at JSS Pharmacy college, Ooty. The students participated in various cultural events like group dance, match making, adzap, solo dance, classical and non classical. The participated students won prizes in events like face painting and secured 3rd place and in quiz they secured 2nd place.

SPORTS ACTIVITIES

Sports organized in the college with details of the same.

The department of health system management studies had organized two-day sports event on June 24th and 25th 2014 at the JSS University sports ground for students of MBA Hospital administration.

The students took part enthusiastically along with faculty in various events such as Cricket, Sixer's trophy, tug-of-war, shuttle badminton, Kabaddi, throw ball and volley ball. Medals, Certificates and trophy were given to the winners on the occasion of Farewell function on June 27th 2014 by Dr. B. Manjunatha,

Registrar, JSS University, Dr. PA Kushalappa, Director Academic, Dr. R Vijaysimha, Controller of Examination, Mr. CC Hirematt, Finance Officer, Dr. S Balasubramanian, Director Research and Dr. H Basavanagowdappa, Principal, JSS Medical College and Dr. Madhusrinivasarangan, Dean, Faculty of Management Studies.

The event brought to light many talented students apart from their academic excellence who could represent university in their respective sports events.

Extracurricular and Co-curricular activities

BHARATH CANCER Hospital VISIT 15th MAY 2014

The students and faculty visited Bharath Cancer Hospital, Mysore on 15th May 2014 as part of Industrial Visit. The students had a glimpse of the various facilities available in the hospital. The hospital is fully equipped with three operation theaters, ultra modern Siemens Radiation Unit equipped with latest machine for IGRT, CT Scan, Laboratory, Chemotherapy, X-Ray and Mammography facility. They provide Radiation, Surgical and Medical facility under one roof. The spacious hospital complex is very well ventilated with modern infrastructure. The hospital faculty

also interacted with the students and explained the intricacies of hospital administration. The students were taken to the various departments and hospital faculty accompanied them explaining about each one of them which provided on-site learning for the students.

The students of MBAHA I sem were on a visit to Narayana Hrudayalaya, Mysuru on 7th October 2014 as part of their training.

They were accompanied by Mr. Roshan and Mr. Sujay and in the hospital Mrs. Nirmala Madappa, Head HR interacted with the

Visit to Narayana Hrudayalaya, Mysore

students. The students were also taken on a hospital tour showcasing the different departments and range of services by the hospital.

Study tour to Kasturba Medical College and Hospital, Manipal

The department of Health System Management Studies had organized a study tour and visit to Kasturba Hospital, Manipal from November 21st to 23rd 2014. Two faculty (Dr. Mamatha H.K. and Mr. Roshan K) and 34 students participated in the tour. The tour was well organized with the participation and involvement of student coordinators.

The JSS University team was received at Kasturba Medical Hospital by the Hospital faculty as well faculty from dept. of Hospital administration, KMC, Manipal under the leadership of Dr.

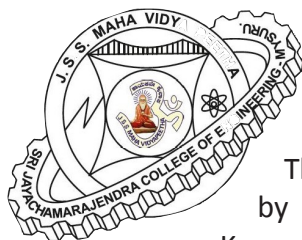

Dayanand, Medical Superintendent and COO, KMC, Manipal. Dr. Dayanand interacted with the students and oriented them to careers in Hospital administration. The team was taken on

a tour to visit various departments in the hospital under the guidance of postgraduate students from the department of Hospital Administration, KMC. The visit was very well organized and coordinated under the guidance of Dr. Somu, Head, Dept. of Hospital Administration and

Mr. Anil Jacob from Hospital administration. The hospital authorities had also hosted lunch, tea and snacks for the visiting team.

Visit to SJCE STEP and RUDSETTI, Mysore

The students of MBAHA visited the SJCE STEP, Mysuru and Rural and Urban Development on September 26th 2014 and November 11th 2014 respectively.

They were accompanied by Dr. Mamatha HK, Mrs. Karuna kaushik, Dr. Divya Rao, Mr. Roshan and Mr. Sujay. The group interacted with the faculty from SJCE STEP and Director of RUDSETTI and learnt about the activities of the institute and its community initiatives in training entrepreneurs. The

students were oriented on entrepreneurship and Start ups and their role in moulding aspiring entrepreneurs.

WORLD ENVIRONMENT DAY:

The students and faculty attended a seminar organized by the dept. of Water and Health, JSS University on 5th June 2014 on the occasion of World Environment Day. The 2014 theme for World Environment Day will focus on 'Small Islands and Climate Change'. The seminar highlighted the importance of conserving the Environment and Natural Resources for the future.

ORIENTATION PROGRAMME for the fresh admission students of 2014-15 batch:

The department organized Orientation Programme for the fresh admission batch of students on August 20th 2014 at 11.00 am. Dr. Manjunatha B., Registrar, JSSU, Dr. Kushalappa PA, Director Academics, Dr. Balasubramanian S., Director Research, Dr. Madhu Srinivasarangan, Dean, Faculty of Management Studies, Dr. Kiran Hegde, Deputy Medical superintendent, JSS Hospital, other officers from the University and faculty from the department were present during the function. The newly admitted students along with their parents attended the function.

Dignitaries and faculty spoke on the occasion and oriented the students about MBA Hospital Administration and career prospects of the same. They also spoke about the importance of hospital administrators in this changing scenario as well as booming of healthcare sector in the days to come. Dr. Mamatha H.K. Faculty and Coordinator made a presentation about the department and activities of the department. Dr Divya Rao Compered the programme. Mr. Sujay and Mr. Roshan were the other faculty from the department present during the programme.

Report on the interaction with Sysinformation Healthcare Company, Mysuru

The faculty (Dr. Mamatha and Mr. Roshan of department of Health System Management studies had had a preliminary talk with the company executives of Sysinformation Health care early this month and based on mutual interest had invited the company staff for interaction with students of MBAHA and Life sciences in the university. Accordingly, the visit was scheduled on February 27, 2015 at 10.00 am. The interaction was arranged in the Seminar Hall, JSS College of Pharmacy, Mysore in consultation with the Principal of the college.

Mr. Mohammad Iyaz, Senior Vice President and Ms. Poornima, HR Executive had come for the interaction. Dr. Kushalappa, Director Academics, Dr. Balasubramanian, Director Research, Dr. Dattatri Nagesh, Head, dept. of Life sciences, Dr. Mamatha H.K., Coordinator, DHSMS and other faculty and students of Management Studies, Life sciences and Pharmacy were present for the interaction.

Dr. Divya Rao welcomed the dignitaries and the students. Mr. Mohammad Iyaz spoke about the company, its activities and scope for the students

under different domains of the company.

The highlights of the presentation were:

Sysinformation Health care India is a rapidly growing company backed by a strong marketing team in the United States with experienced, qualified management teams, in India and in the United States, with their domain being in:

- Revenue Cycle Management
- Medical Coding
- Accounting Receivables
- Data Entry
- Accounting and Application Development and Maintenance.

The company is having plans for expansion by this year end and hence is organizing Campus visits to various colleges in and around Mysore for interaction with students. Mr. Mohamed Iyaz spoke about the opportunities for MBAHA as well as life sciences students in the company at various positions. He also told that training for 3-6 months will be provided by the company for deserving students with a salary of 8K to 10K per month. After the training the students would be absorbed

into the mainstream. After one to two years of working the salary packages may go upto 20-30k depending upon their performance. The various domains like Accountable Care Organization (ACO), Durable Medical Equipments (DME), Medical coding, Revenue Cycle management would require persons with life sciences and health sciences background and in that context the students of MBAHA and life sciences will have an advantage over others. On completion of training, they can be considered for supervisory role as team leads and team managers.

The students also interacted with queries regarding training, job terms and conditions, and career opportunities in the company. After the interaction, the team was taken on a visit to various departments in the Pharmacy College. Mr. Mohammad Iyaz expressed his willingness to explore further collaborations with the university departments which was duly reciprocated by the faculty. The department thanks the University authorities, faculty of Life Sciences and Pharmacy college for providing this opportunity as well as organizing the interaction.

PLACEMENT

The first batch of students who graduated from the department in August 2014 could successfully get placement in various hospitals as follows:

Sl.No.	Name of the student	Placement
1	Averil Rinita Rebello	JSS Hospital, Mysuru
2	Babitha	JSS Hospital, Mysuru
3	Krishna	JSS Hospital, Mysuru
4	Hemamalini J	JSS Hospital, Mysuru
5	Saima Fathima Khan	Dr BL Kapur Memorial Hospital, New Delhi
6	Divyashree TA	Narayana Hrudayalaya, Mysuru
7	Reeti Bhagat	HCG, Bengaluru
8	Manojkumar	Vasan Eye Care, Hyderabad
9	Srinivas	Vasan Eye Care, Hyderabad
10	Rishith	Manasa Orthopaedic Hospital
11	Praveen	Nephrology Urology hospital, Bengaluru
12	Priyanka	Pragathi Eye Superspecialty hospital, Mysuru
13	Sucheta palyam	Narayana Hrudayalaya, Mysuru

FUTURE PLAN OF COLLEGE/DEPARTMENT

The dept. of Health System Management Studies established in the year 2012 is offering MBA hospital administration programme. The course provides training to students in various areas of hospital administration and prepares them for the challenges of managing a hospital/healthcare organization with necessary skills and expertise. In the future the department intends to propose

certificate and PG diploma programme especially for the working professionals to facilitate continuous education and updation of skills to aid in their career growth. The department also strives towards establishing collaborations with reputed healthcare organizations to facilitate academic and research endeavours as well as help in placement of students.

Department of Life Sciences JSS University, Mysuru

The field of life sciences spans health care, agricultural, cosmetic, and pharmaceutical and food science and plans a major role in improving the quality of life. Some of the exciting research activities in this area include understanding biochemical pathways of disease, developing nanotechnology-based chemotherapeutic carriers with minimal side effects, understanding the role of genetics in cancer treatment, novel methods to minimize environmental pollution, development of stable food products and cosmetics with therapeutic benefits.

Vision:

The department has the vision to emerge as a most reputed postgraduate study and research center in the country.

Contribution to the institution's vision and values in the day-to-day activity:

The youngest University department and has very high aspirations.

The head, along with all the staff, are engaged in globalization of programs, incorporations innovative teaching practices and engaged in interdisciplinary research in line with the university's vision and mission.

"The good leader is the one who helps his people to do the best things."

“Leader lives with greater vision, with a finer spirit of hope and achievement to enrich the organization.

-Dr. Dattatri K. Nagesha
Head- Department
of Life Sciences

Message from the Young Leaders

A student leader is a link between the students and the university so to be a good leader one need to be a good listener, open-minded, analytic, communicator, have a problem solving skill. Some of the keys to succeed in any leadership position are humbleness, diligence, humility, ability to accept your mistakes and correct them without taking any offence. I personally believe in a combination of autocratic and participative leadership style depending on the situation at hand. Being in a leadership position have given me an opportunity to grow, and have connected me to different people both students or staff members.

My message goes to both current and future student leaders across all departments and constituent colleges of JSS University. John C. Maxwell said “a leader is one who knows the way, goes the way and shows the way”. We need to be exemplary and inspire others to work hard so that they look at us one day and say “you are the reason why they didn’t give up on their dreams”. You must sacrifice your time and get out of your comfort just to make sure that your peers are happy and comfortable. In the end whatever actions and decisions you take should be based on principles, truth and value and should always be in the interest of the students’ welfare and equally within the policy and regulations of the university.

Mr. Severeni Ashili

PG- Student

P)Projects Submitted

Sl. No.	Title of the Project	Principal Investigator with department name	Agency	Amount	Duration of the Project
1	"Design and Demonstration of Novel Nanomaterial Systems for Photocatalytic Reduction Photocatalytic an Efficient of CO ₂ "	Dr. Shvaraju H.P Dept. of Water and Health	DST-SERB	23,00,000	3 years
2	"Development and Demonstration of Photocatalytic Porous Materials for the Treatment of Industrial Volatile Organic Pollutants (VOPs)"	Dr. Shvaraju H.P Dept. of Water and Health	CSRI	22,90,050	3 years
3.	Research study on the status of health among the Kathodi katakari- A declining ST Population in Karnataka	Dr.Kanthesh M Basalingappa	ICMR –TRI	10,00,000	1 year

4.	Filamenting temperature sensitive mutant Z (Fts-Z) a novel target for anti-bacterial action of selected phytochemicals: - potential treatment for drug- resistant infections	Dr.Kanthesh M Basalingappa	ICMR	30,00,000	3 years
5	Dual Target for effective TB therapy: Potential for treating MDR and XDR-TB	Dr.Kanthesh M Basalingappa	Milanda Bill gates foundation	50,00,000	2 years
6	Genomic and proteomic analysis of outer membrane vesicles from clinical isolates of Leptospira and development of antileptospiral peptidomimetic	Dr. Chandan. S	DST-SERB	28,82,000	3 years
7	Prevalence of Tobacco Pollen Allergen Sensitization among farmers and non-farmers with Allergic Airway Diseases in Tobacco growing belt of Karnataka	Dr.Sumana K	ICMR-AD-HOC	36,91,776/-	3 years
8	Enhanced Bioavailability of iron by nano encapsulated ferrous fumarate (NEFF) – a preclinical study.	Dr.Vanitha Reddy P	DBT	47,00,000	3 years
9	Enhanced bioavailability of iron by nanoencapsulated ferrous fumarate (NEFF) a Preclinical study.	Dr.Asha Srinivasan	DBT	47,00,000	3 years
10	Polymeric nanoparticles for Treatment of breast Cancer	Dr.Asha Srinivasan	DBT	50,00,000	3 years

Details of Research Publications by faculty (please include the indexed/ non-indexed status along with name of indexing authority like Scopus, WOS, PubMed, Google scholar, Embase, etc.

Sl. No	Title of the Article	Name of Author/Author's & Department	Details of Publication				Impact Factor
			Journal	National/ International	Year	Volume	
1	"A Review on Helicobacter pylori : It's Biology, Complications and Management",.	Ashwini P, Sumana MN, Mamatha P, Manasa P, Dhananjaya B, Lm Faran Zameer and Nagendra Prasadm N	International Journal of Pharmacy and Pharmaceutical Sciences	International	2015		1.59
2	Assessment of Physico-Chemical and Microbiological Characteristics of Water Samples in Suttur Village, Nanjangud Taluk, Mysore, Karnataka,	Sravani M, Divya L, Jessen George and Suriyanarayanan S.	Int. Res. J. Environment Sci.,	International	2014	03	--
	Studies on pathogenic bacterial strains from selected sewage treatment plants of Mysore city, Karnataka, India during different seasons: A comparative appraisal.	Divya L, Jessen G, Karthikeyan K and Suriyanarayanan S.	J. Environ. Res. Develop.,	International	2014	09	1.6

Quantitative Microbial Risk assessment to estimate health risk in urban drinking water systems of Mysore, Karnataka, India.	Jessen George, Wei An, Dev Joshi, Dongqing Zhang, Min Yang, Suriyanarayanan S.	Water Qual Expo Health.,	International	2015	152	0.93
Heavy Metal Contamination of Some Common Tubers Sold In Local Markets of Ernakulam District, Kerala, India,	Divya L, Jessen George and Midhun G.	International Journal of Biological Research	International	2015	4	1.12
Determination of Gross alpha activity and physico-chemical parameters of borewell samples of Mysore district,	Suriyanarayanan S, Anil K M, Divya L and Jessen George, Magesh S.B, Rashmi R..	Int. Res. J. Environ-ment. Sci.,	International	2015	4	
An Assessment of removal efficiency for bacterial pathogens in Mysore urban water system, Karnataka, India - A case study.	Jessen George, Magesh S B, Divya L, Suriyanarayanan S.	Desalination & Water treatment.,	National	2015	1	1.17
The status of urban water treatment systems in Mysore, Karnataka, India: Is feasible and safe from a sustainable point of view?	Jessen George, Divya L, Karthikeyan K, Suriyanarayanan S.	International Journal of Applied Environmental Sciences.,	International	2015	10	

Quinazolinones linked amino acids derivatives as a new class of promising antimicrobial, antioxidant and anti-inflammatory agents.	Kadalipura Puttaswamy Rakesh, Suhas Ramesh, Honnayakanahalli Marichennegowda Manu Kumar, Shivamallu Chandan and Dase Channe Gowda.	European Journal of Chemistry.	International	2015	6	
Pseudo-peptides as novel antileptospiral agents: Synthesis and spectral characterization.	Chandan Shivamallu, Umesha Sharanaiah, Shiva Prasad Kollur, Naveen Kumar R Mallesh, Revanasiddappa D Hosakere, V Balamurugan.	Spectrochimica Acta Part A: Molecular and Biomolecular Spectroscopy	International	2015	118	
Synthesis and characterization of thiadiazole containing Schiff base: Antimicrobial activity.	Naveen Kumar R. M., Shiva Prasad K., Chandan S. and Prasad N.Der	Pharma Chemica,	International	2014	6	
Molecular Detection of Leptospira using polymerase chain reaction based on LipL32 and rpoB gene.	S Chandan and S Umesha.	Journal of Veterinary Science and Technology	National	2014	3	

	"Factor analysis and discriminant analysis of wastewater quality in Vidyaranyapuram sewage treatment plant, Mysore, India: a case study".	Ayesha Sulthana, K. C. Latha, Ramya Rathan, R. Sridhar and S. Balasubramanian	Journal of Science and Technology.	International	2014		1.102.
	"Non-linear modeling using fuzzy principal component regression for Vidyaranyapuram sewage treatment plant, Mysore – India".	Ayesha Sulthana, K. C. Latha, Mohammad Imran, Ramya Rathan, R. Sridhar and S. Balasubramanian	Water science and technology:	National	2014	70	1.212

3. Details of Research Papers presented in conferences

Sl. No.	Title of the Research Paper (Poster / Oral)	Name of the Author, department	Name of the conference with details of date, venue	Regional / State / National / International
1	"Safety evaluation of Morus indica in rats",	Vanitha Reddy P and Asna Urooj,	Phytochemicals and Functional Foods: Current Situation and Future Prospects (PFFCSFP' 2015)", 20th and 21st , February 2015, Mysore	National
2	"Antioxidant activity of medicinal plants in lipid dense biological substrates	Namritha Pai K. Vanitha Reddy P and Asna Urooj,	Phytochemicals and Functional Foods: Current Situation and Future Prospects (PFFCSFP' 2015)", 20th and 21st , February 2015, Mysore	National

3	In vitro bio-accessibility of polyphenols in selected medicinal plants,	Divya Rupini G, Asna Urooj, Sheeba Denita, Vanitha Reddy P, and Naveen YP	Phytochemicals and Functional Foods: Current Situation and Future Prospects (PFFCSFP' 2015)", 20th and 21st , February 2015, Mysore	National
4	Prefatory study of the antifungal effect of four essential oils on Fusarium sp."	Sumana, K., Rakesh, H. M., Vikram, G., Yathish, B., Manjula, N., Ranjitha, K.	2 day National Symposium held on 23rd and 24th , March 2015, with the theme, "Microbes and Human Welfare".	National
5	"Study on pathogenic bacteria of Tunga river water – A public health concern"	Prathibha, S., and Sumana, K.	2 day National Symposium held on 23rd and 24th , March 2015, with the theme, "Microbes and Human Welfare".	National
6	Photocatalytic Treatment of Oil and Grease spills in Wastewater by using the Sunlight Responsive Supported Nanomaterials	Pallavi N, Shivaraju H. P. Noor Muzakkira, Anil Kumar K.M, and Mithun G Dept. of Water & Health	National Seminar on "Water Resources Development & Sustainable Management" Department of Environmental Science, Bharathiyar University (March-2015, Coimbatore)	National
7	Synthesis of Mg doped TiO ₂ for the Photocatalytic Degradation of Industrial Dye Stuff in the Wastewater	Shivaraju H. P. Pallavi N, Anil Kumar K.M, and Mithun G Dept. of Water & Health	National Seminar on "Water Resources Development & Sustainable Management" Department of Environmental Science, Bharathiyar University (March-2015, Coimbatore)	National

8	A Survey on Traditional Knowledge and Medicinal Applications of Endemic Herbal Species and Their Vulnerability in the Western Ghats of Shimoga Region, India	Anil Kumar K.M and Shivaraju H.P Dept. of Water & Health	International Training workshop on “Hebal Medicine: Drug Discovery from Herbs-Approaches, Innovations and Applications” organized by JSS university and Centre for Science and Technology (30-31st March-2015).	International
---	--	---	---	---------------

4. Details of faculty registered for Ph.D

Sl. No.	Name of the Ph.D candidate	Department	Full time or part time	Date of Registration
1.	Ashwini P	Medical Microbiology	Part time	1-4-2014
2.	Pallani N	Environmental Sciences	Part time	

Students as Leaders

There are many opportunities for students to enhance their university experience and become leaders within the Institution / University and many activities in the Institution/University helps students in developing leadership skill.

Young leaders bring loyal to Institution & University

Preethi G.A., Research scholar, Dept. of Biochemistry-Maulana Azad National Fellowship for Minority Students” for the year 2014-2015, sponsored by the University Grants Commission (UGC) of India, for her research project leading to Ph.D (MANF-2014-2015-JAI-KAR-34099).

Dr.Shobha CR, Post graduate, Dept of Biochemistry- Best oral presentation at the “Samagama- converging paths” National Conference held on 12th& 13th December 2014 at University of Mysuru.

Ritu Sharma, I-MBBS Student sactioned with ICMR STS Project-Best poster presentation at Elixir 2015 organised by K.S. Hegde Medical Academy from 6th-7th March 2015

Dept. of Pathology

Dr.Rashmi C, PG Student, Won 1st prize for poster presentation titled “Neurocutaneous melanosis associated with Dandy Walker Melanosis – A rare Case Report” in international CME in Goa from 5th to 7th of February 2015

Dr.Banda Swetha, PG Student, Won 3rd prize in Quiz - 14th& 15th February 2015. At VIMS, Bellary, Indian academy of cytology-Karnataka chapter cytology conference -2015.

Dept. of Medicine

Dr.Nikhil Basavana Gowdappa, Best thesis award – 2015, Indian college of Physicians academic wing of the association of Physicians of India.

Dr.Surakshith L.Gowda , PG Student

a). First Prize for best paper presentation in the DIPSI conference march 2015, Ooty

b). Second Prize for best paper presentation in the YUVA FOGSI conference May 2015, Calicut

Dr.Priyankur Roy, PG Student

a). Acute on Chronic Inversion of Uterus, Ultimate Advances in Gynecology, Annual conference of IAGE, 2015 at Mumbai, 15th – 17th May, 2015

b). Primary Adenocarcinoma of Fallopian Tube, Ultimate Advances in Gynecology, Annual conference of IAGE, 2015 at Mumbai, 15th –

17th May, 2015

Rheumatology

Shivani R, 6th term received 2nd prize in Clinical Case Presentation by Academic Society SLE with intestinal Obstruction, Jun.2015, JSS Medical College, Mysuru

Anesthesia

Dr.Spurthy Gattu, PG Student-2nd prize in poster presentation on 'Thoracic paravertebral block in multiple fractured ribs' ISSPCON 6th to 8th Feb.2015, Chennai

Dermatology

Dr.Pihu Seth, PG Student-Nominated by IADVL to attend 24th Lanka Derma - Annual Academic Sessions & JT meeting with German dermatological society on February 2015 at Sri Lanka - Topic : A study of dermatoses in children Jenu Kuruba tribe and assessment of knowledge and attitude of their parents

Dr.Vinay Kumar, Dr.Mehak Nagpal, Dr.Soudamini Shastry, PG Students-Winners of the quiz with the organizers and Quiz Master

Kumari Salvya S Raj, I-MBBS Student received craft championship prize at International Children's Painting Competition on environment, 'Climate Change', conducted by the United Nations Environment Programme (UNEP)

Dr Bhuvan Nagpal, PG student, Dept. of Oral Pathology & Microbiology won 2nd prize in scientific paper presentation for the title Orofacial granulomatosis – A case report

Dr Aastha Minocha, PG student, Dept. of Conservative Dentistry and Endodontics won

1st prize in scientific paper presentation for the title Micro leakage of composite restoration lined with resin luting cement and resin – modified glass ionomer luting cement – An in vitro study.

Dr Bhargavi M, PG student, Dept. of Pedodontics & Preventive Dentistry won 1st prize in scientific paper presentation on the topic Genetic lineage and victim identification using pulp of deciduous teeth.

Dr Shruti Srinivasan, PG student, Dept. of Pedodontics & Preventive Dentistry won 1st prize in scientific paper presentation on the topic Neonatal Line; A Line to tip the scales of justice.

Dr.MehtaJay,Dr.Adish,MDS,haswonbestscientific paper award for the title Photo functionalization of Dental implants and Dr.Supriya Chauhan, MDS, Dept. of Prosthodontics for the title Photodynamic disinfection of dentures at 17th IPS PG Convention, VSPM Dental College and Research Centre, Nagpur, 10th to 12th July 2015.

Mr. Avnendra Yadav, II M. Pharm student Department of Pharmaceutical Analysis received the best poster award at Two days national conference on "Expectations of Pharmaceutical Industries on Quality of Education from academia" at Arulmigu Kalasilingam College of Pharmacy, Krishnankoil on 27th & 28th March, 2015

Dr. Bastin Cherian, MDS, Dept. of Conservative Dentistry has won 1st prize in original video of procedure session & Best of Best award in video procedures – 16th IACDE & IES PG convention, Muradhnagar, Ghaziabad, 4th to 6th June 2015.

Message from the Young Leaders

- A leader need not even be someone with rank, power or position. A leader is someone who someone else is following. This means that any of us can be a leader. If our words direct and our actions inspire, we are leading. If we cause another to follow our example, or to follow our direction we are leading. Most effective leaders are those who guide, steer and direct others without them necessarily being aware of it.
- Many of the great leaders in society recognise the humanity of everyone, even those who are different.
- We need leaders who believe in themselves, and who believe in others.
- Leaders need to let go of their power when they are no longer in formal positions of leadership.
- Leaders in both institutions and society need to be working to make themselves redundant - in that they should be raising up successors.
- Every great leader has a detailed approach and a style of leadership that is unique.
- Great leaders have an amazing foundation of qualities and can communicate, motivate and inspire individual team members to rise up to a higher level.
- An inspiring and great leader has the discipline, dedication and the ability to take decisive action while working towards the "team" goal.
