CELEBRATING PEOPLE IN HEALTHCARE

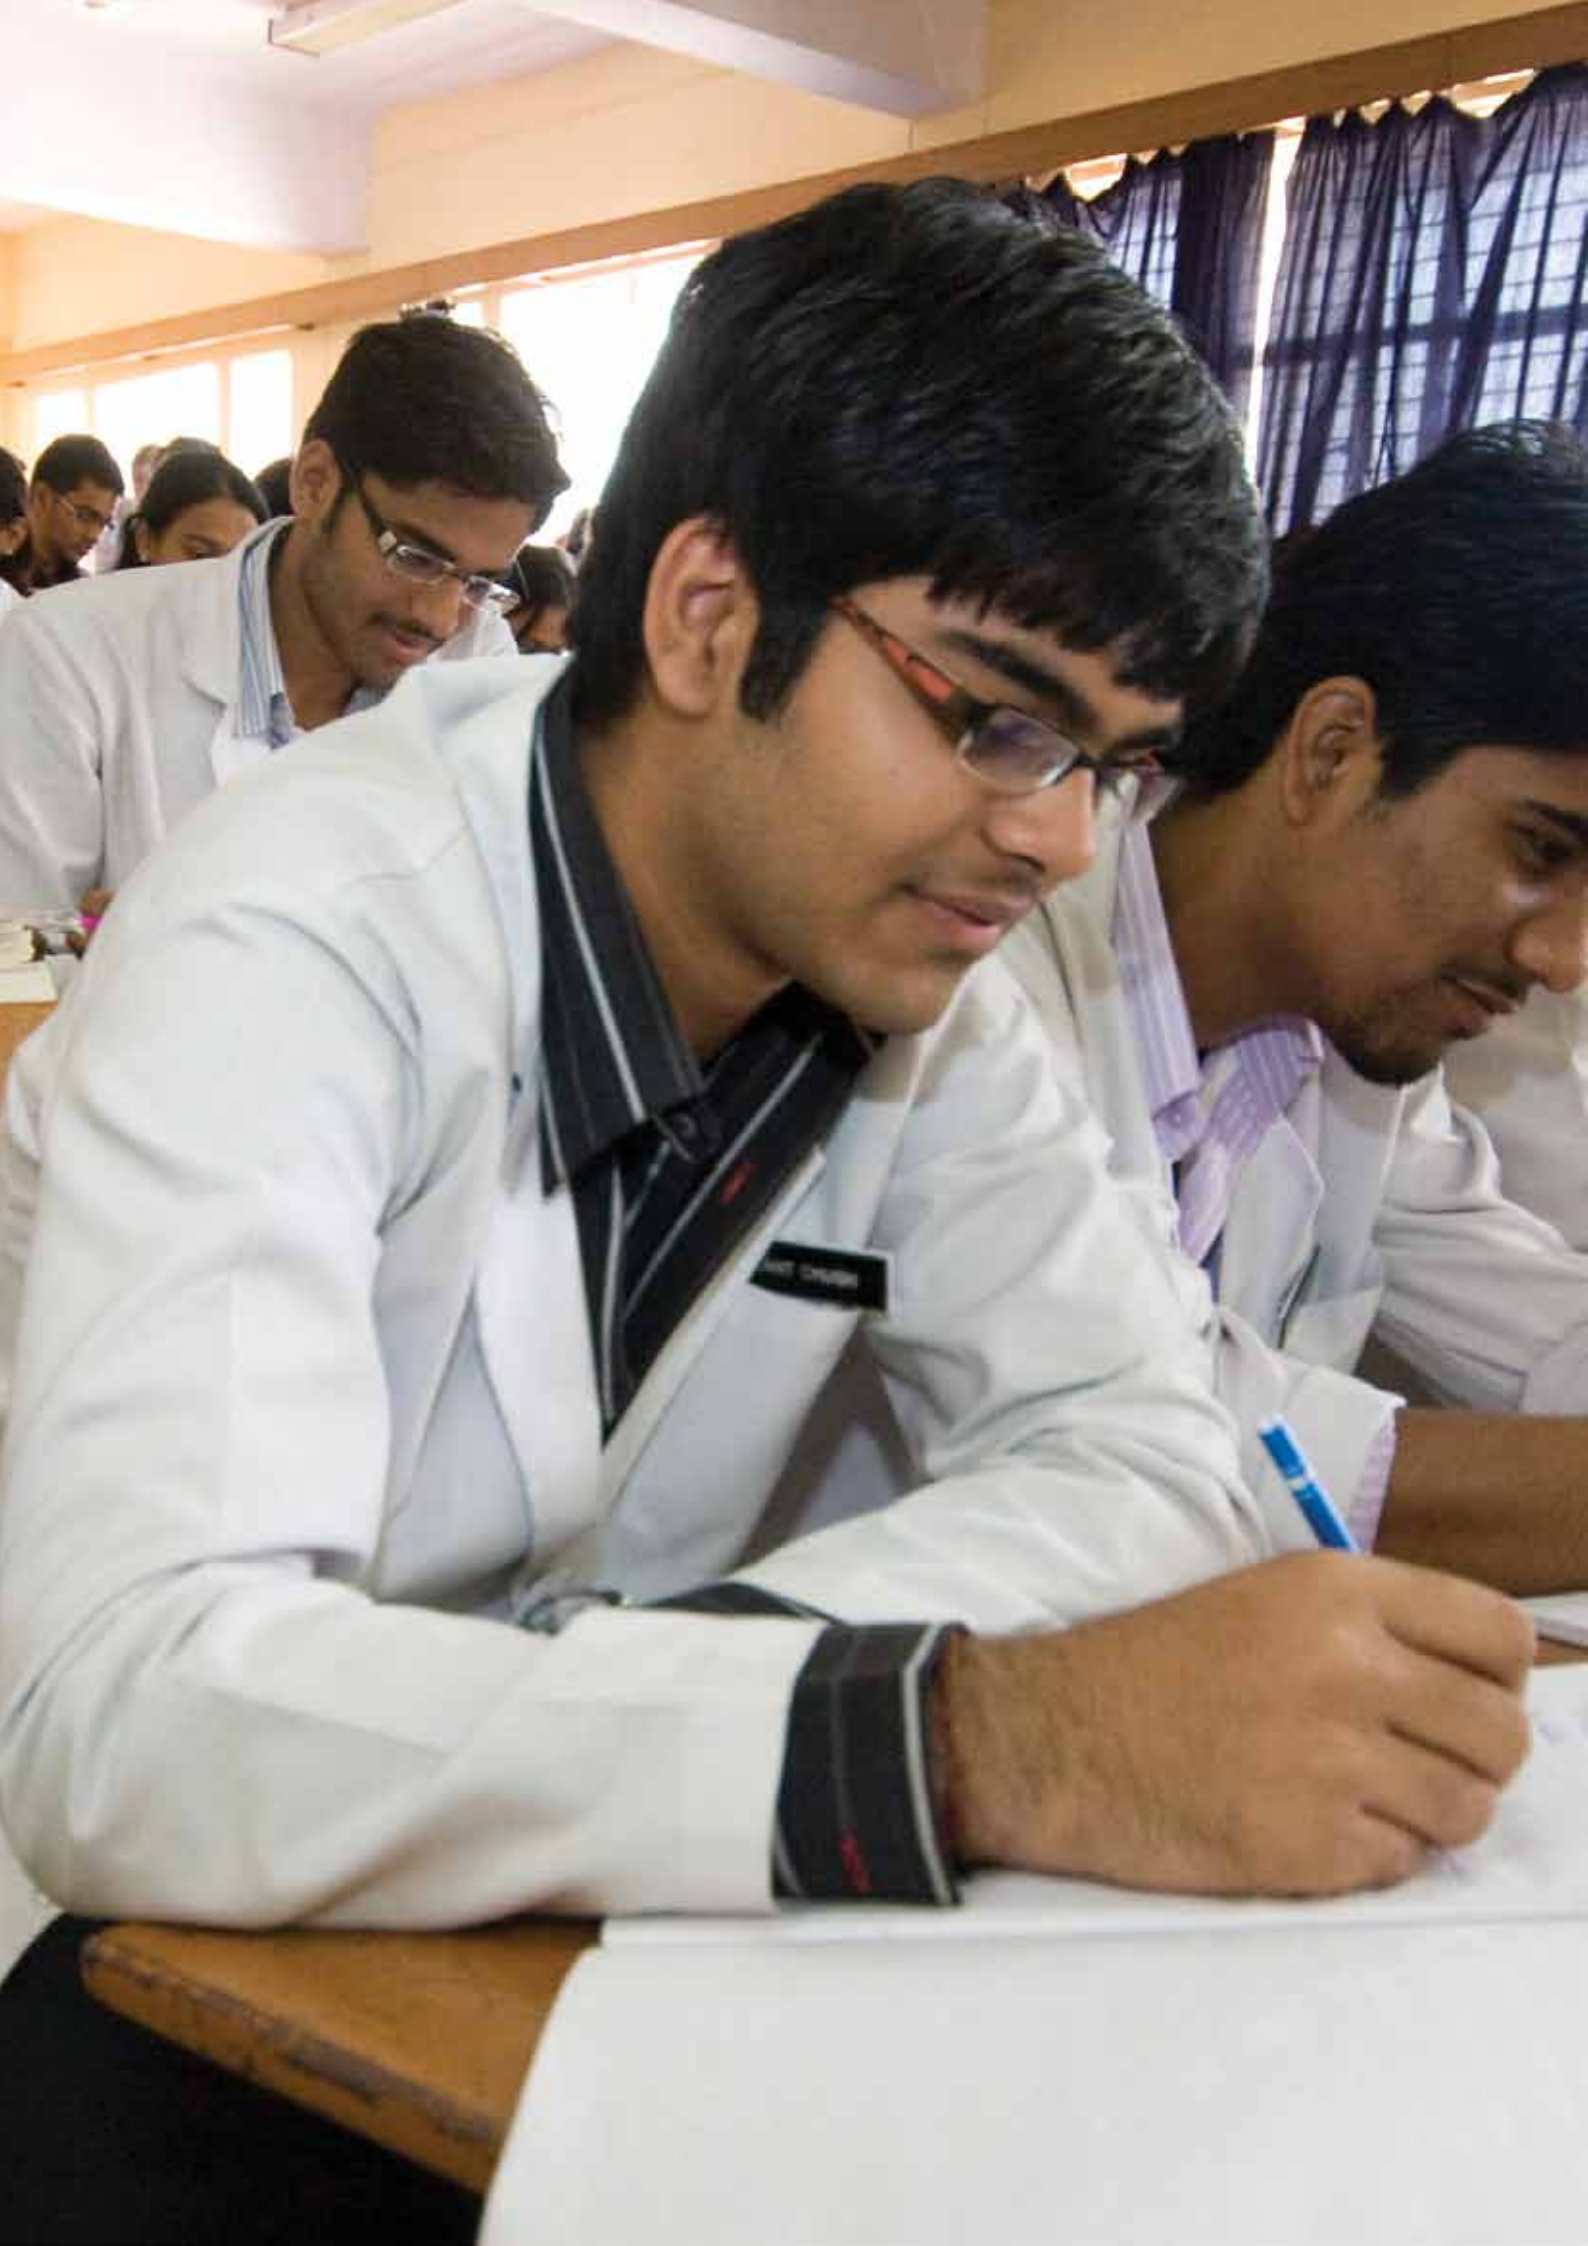

JSS University invests in preparing health professionals for leadership; enhancing the skills and careers of frontline health workers; training scholars to conduct health research; and encouraging youth to pursue health careers. The University aims to boost the diversity of people working in health and health care, to better serve the health needs of a demographically and culturally changing India.

Each year hundreds of students and post graduates are trained in the University's constituent colleges for a career in medicine, dentistry, pharmacy and allied health sciences. They are the flag bearers of a fine heritage that promotes a balance between professionalism and purpose. This Annual Report puts the spotlight on the passionate people who make the University a fertile environment for ideas and knowledge that can change the world.

MAKING EDUCATION COUNT

JSS University has created a fertile environment to provide new knowledge, improve skills and change attitudes towards healthcare. As an enabler in the healthcare and healthcare human resources scenario in India, JSS has helped encourage people to adopt and sustain health promoting life styles and practices – and has helped make healthcare services available, affordable to the masses; stimulated individual and community self-reliance and participation to achieve health development through individual and community involvement at every step, from identifying problems, to solving them.

RESEARCHING THE FUTURE

JSS University has been expanding the scope of medical sciences over the years with its focus on research. Research is one of the most important methods of improving the body of knowledge of medical science. There are many people – students, post grads, faculty - who are involved in the process of doing research in medical sciences at the University. Some of the research may seem very insignificant, but the truth is that none of the research that is being done is insignificant. Research does not always identify something new, it reinforces the existing knowledge that is present.

The University's vision of accessible health for all is reinforced with the work that it does in conducting research to reduce the burden of disease that people face. The need for knowledge about these diseases is that it will help in preventing the diseases. Other than the prevention, the treatment of those who are suffering from these diseases will also be possible with sound research to identify the best medicines and course of treatment.

ಜಗದ್ಗುರು ಶ್ರೀ ಶಿವನಾಥಶಿಖಾ ವಿಶ್ವವಿದ್ಯಾಲಯ
JAGADGURU SRI SHIVANATHARASHIKHA UNIVERSITY

ACKNOWLEDGEMENT

JSS University since its inception in 2008 is emerging as one of the pioneering research University in the Healthcare sector with the blessings of His Holiness Sri Shivarathri Deshikendra Mahaswamiji, Chancellor; visionary thinking of Sri. B.N. Betkerur, Pro-Chancellor; and innovative strategies of Dr. B. Suresh, Vice-Chancellor. We sincerely thank them for their valuable guidance and leadership in leading this University to scale such heights in such a short span of time.

We extend our heartfelt thanks to our Board of Management and other statutory bodies who continue to render valuable guidance and support in all our endeavors.

We acknowledge the efforts of our University administrators, officers and executors of daily affairs who have

made valuable contributions for the smooth functioning of the University's activities through their relentless efforts.

Our sincere thanks to the administrators, teaching and nonteaching faculty of the constituent colleges for their valuable service to the University.

Our heartfelt gratitude to the University Grants Commission and the Ministry of Human Resource Department for their guidance, support and mentoring in all our initiatives and endeavors.

Alone we can do so little; together we can do so much and our heartfelt thanks to one and all who have made their contributions in the functioning of this University with their knowledge and skills.

REGISTRAR

Dr.S.Vikram

MD, Vikram Hospital Group, JSS Medical College Alumni

I was fortunate to have had access to the most passionate teachers and thought leaders in medicine during my tenure as student - an era in my life that made a huge impact on my professional career. The essence of the University's success has been in attracting and retaining quality human resources. It is my firm belief that by consistently investing in training, the University will maintain its edge and emerge as one of India's preeminent institutions for health care education.

PREAMBLE

JSS University is a culmination of half a century of perseverance in the field of education steered by the philosophy of noble minds. The sponsoring society Sri Suttur Veerasimhasana Math has a glorious history of around 1000 years of service to mankind, and its offshoot JSS Mahavidyapeetha, which was established in 1954 with a high school to begin with, has now under the noble guidance, inspiration and leadership of Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, risen as an organization running more than 300 institutions from Nurseries, Schools, Polytechnics, Colleges offering Graduate, Post graduate, Post Doctoral courses in Arts, Commerce, Science, Law, Engineering, Medical Sciences and other faculties.

JSS University which was established in June 2008 with four constituent colleges-

JSS Medical College & Hospital,
Mysore

JSS Dental College & Hospital, Mysore

JSS College of Pharmacy, Mysore and

JSS College of Pharmacy, Ooty

Has completed three successful years with several accomplishments to its credit. The challenges which an emerging University faces were converted to successful milestones- thanks to the dedication and passion of its administrators, faculty and students.

Success is not final, failure is not fatal; it is the courage to continue that counts and this Annual report is a reflection of the saga which the University undertook in the present year to overcome the challenges, create an atmosphere of inspiration for the students to strive hard and create a niche in the field of health sciences not only in India but also across the globe.

CHANCELLOR'S MESSAGE

We are happy that JSS University is bringing out its 3rd Annual Report.

Annual Reports are not just a compilation of facts and figures. It is an index to show how far the journey is made in the process of reaching the goal. It is also an attempt to introspect and rededicate new promises to fulfill the vision and the mission, for which the organization stands.

JSS University is still in its infancy, but we are sure it has a good growth chart and promises a bright future. It should be the endeavour of all teachers, researchers, supporting staff to offer their best – in its true spirit – to make the dream come true.

It is our wish to see JSS University scale new heights in the years to come.

His Holiness Shri Shivarathri Deshikendra Mahaswamiji

PRO-CHANCELLOR

Sri B.N. Betkerur

Sri B.N. Betkerur as Pro-Chancellor of the University has had the academic as well as administrative experience while serving the Indian Administrative Service prior to his appointment as Executive Secretary, JSS Mahavidyapeetha. Being proactive and always encouraging the new initiatives by the young university, has ably guided the university in imparting quality education and training professional human resource in health care.

With his vast experience in the field of administration he has contributed immensely to build the university along its vision and mission and realize the strategic goal of emerging as one of the top ranked universities in India dedicated to research and quality education in Health sciences. Apart from the immense challenge of managing 300 plus institutions as Executive Secretary of JSS Mahavidyapeetha he has the additional responsibility of guiding the university as Pro-Chancellor and has always made sure that able administration is the key to the success of any organization.

FROM THE VICE-CHANCELLOR'S DESK

Dr. B. Suresh

JSS University though only three years old has a thousand year history of dedication and service to mankind in providing education and uplifting the lives of people in all walks of life. In today's scenario wherein healthcare profession is playing a vital role in providing society quality healthcare, our University, committed to train and provide quality human resource in health care, could meet its challenges and successfully overcome many of them supported by its able administrators and committed and dedicated faculty. The students who join JSS bring with them the passion and interest to serve humanity, ably cherished and nurtured by the spiritual environment and value based education provided in the university and constituent colleges.

This Annual report brings forth the credentials, merits, accomplishments and commitment by the management, faculty and students with the blessings and noble guidance of His Holiness Swamiji who is the inspiration and guiding force behind all our endeavors. The university and its constituent colleges have strived hard to impart a holistic approach to learning especially when there is dearth of values in the society. The various outreach programmes and community initiatives ensure that students understand the problems

and develop compassion to serve the society with a humane approach.

I am sure that with such a holistic and value based education JSS University will certainly emerge as one of the eminent universities not only in the country but also in the world and I would like to congratulate the efforts behind the preparation of this annual report which brings to light the noble deeds and accomplishments of the university and the colleges and instills the desire to strive for more in the future.

PROFILE

Dr. B. Suresh, the Vice Chancellor of the University has always been a committed professional contributing to the advancement of education, innovation and research throughout his career-as a pharmacy graduate, teacher, research scholar, guide, principal, administrator and member of several national and international bodies. The professional and academic career has been bejeweled with several awards, honorary posts in various statutory bodies of the Govt. of India, State of Tamil Nadu and the universities, besides being recognized by the pharmaceutical industry as an academican and research scientist of significance as evidenced by his membership in their scientific committees and Industrial consultancy

projects undertaken by him.

The gamut of awards and accomplishments by Dr. Suresh speak volumes of his immense dedication and passion for Pharmacy. Recipient of FAPA Ishidate award, Honoris Causa, and Chairman, Scientific Body of Indian Pharmacopoeia Commission, Ministry of Health & Family Welfare, Govt. of India, Ghaziabad, President Pharmacy Council of India, nominated as a Member, Executive Committee / Regional Representative (Central Asia), Commonwealth Pharmacists Association, London, United Kingdom, invited as visiting faculty to AIMST Univeristy, Malaysia are to name a few.

The unique experience and exposure of working with the University system and being the Syndicate Member and Board of Management Member of not one but three universities namely the Tamil Nadu Dr M.G.R. Medical University, Chennai; Bharathiar University, Coimbatore and Sri Ramachandra University, (Deemed University), Chennai has made Dr. Suresh excel as the dynamic Vice Chancellor of JSS University helping it reach several milestones since its establishment. The research and academic collaborations under his guidance have made JSS Univeristy excel as one of the prime Universities dedicated to research and excellence in the field of health education.

FROM THE REGISTRAR'S DESK

Dr. Mruthyunjaya P. Kulenur

It gives me immense pleasure in presenting this Annual report which showcases the activities and accomplishments of the University and constituent colleges during the academic year 2010-11. Our University has always stood for quality education promoting an overall development of students in a holistic environment guided by the spiritual values imbibed in the JSS culture.

The Annual report reflects the challenges, opportunities and innovations which the university and the colleges undertook during the year and accomplished much by turning them into milestones. The faculty and the students did give way for fresh perspectives in their teaching as well as learning by organizing numerous seminars, conferences, workshops as well as participating in the same held at external institutions and winning laurels as best paper and best poster awards. The huge number of publications in reputed national as

well as international journals reflect the academic and research talent available among our staff and research scholars. Sports, too, received a boost with colleges celebrating annual sports day and awarding prizes to the winners. The collaborations with many organizations showed a marked progress with joint publications, projects being submitted to funding agencies and few of them being implemented for the benefit of the community.

With such a plethora of activities I am sure our University would have much to present in the ensuing reports-all with the support and guidance of our Honorable Chancellor, Pro-Chancellor, dynamic Vice Chancellor, enterprising faculty and ever enthusiastic students.

PROFILE

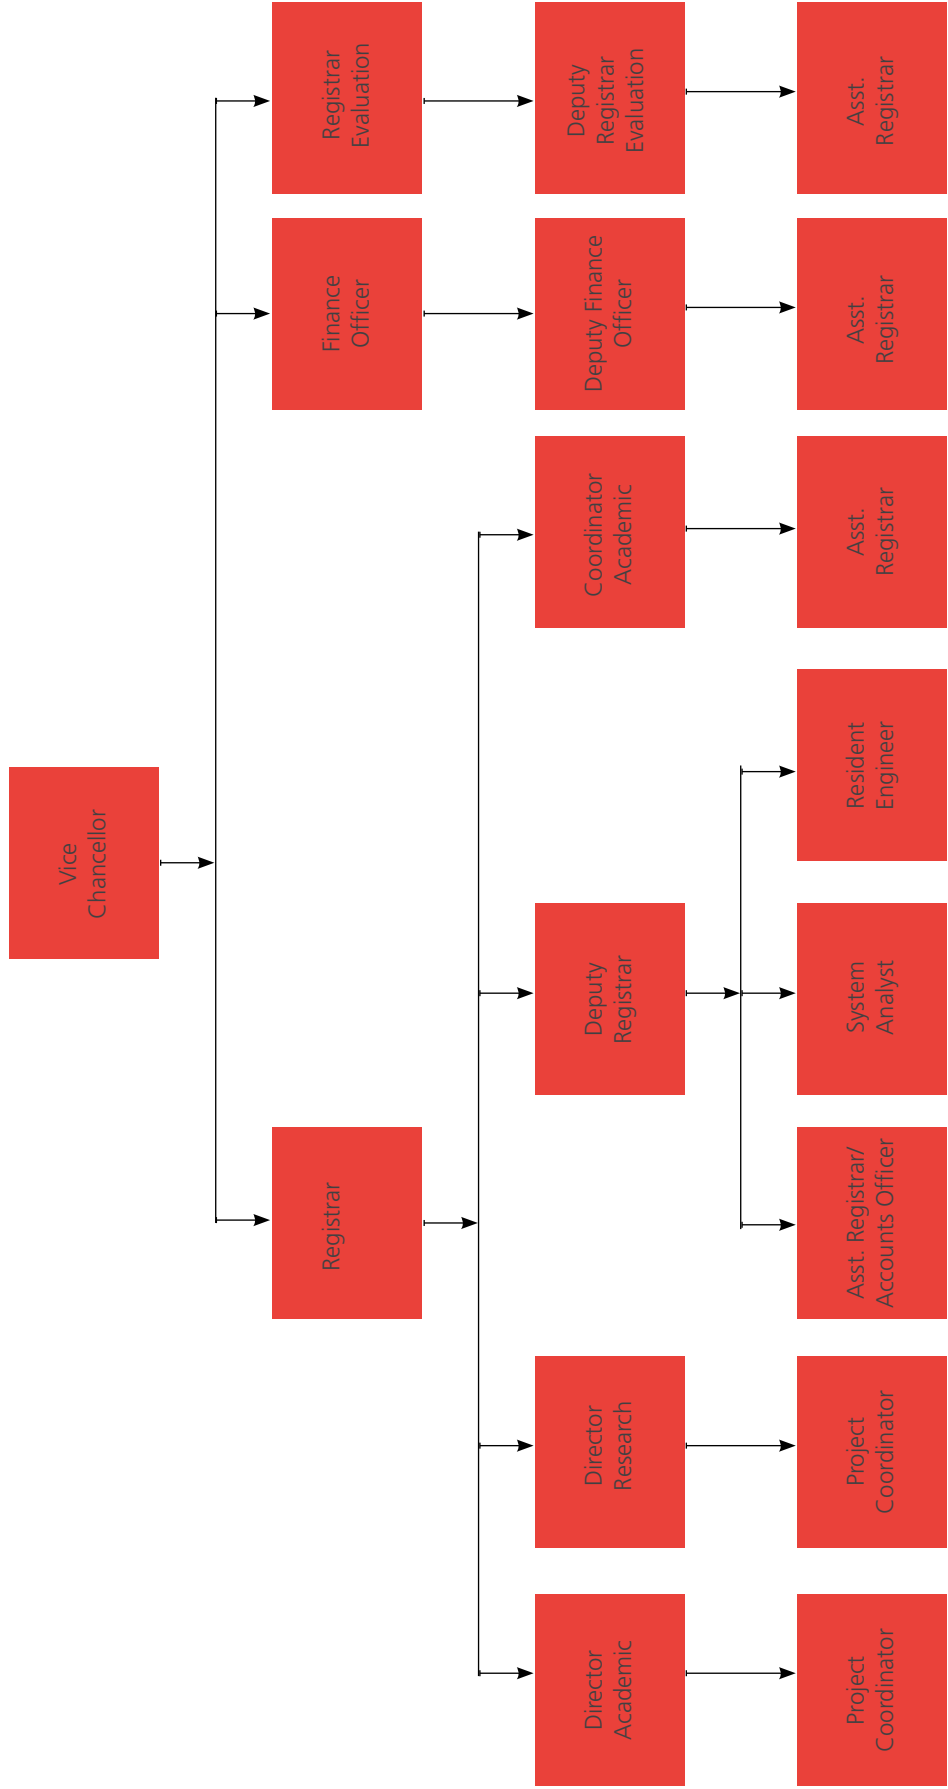

Dr. Mruthyunjaya P. Kulenur, a gold medal recipient in his undergraduate as well as a rank

holder in postgraduate studies has always been in the forefront for advancing education for excellence. His administrative experience as the Academic Administrator, Deputy Director and Director at various levels of Mysore University and a member of Senate and the Academic Council of the University of Mysore have made him successfully guide this university as the Registrar. Apart from these he is also the Life Member of All India Political Science Association, Life member of the KLE Society, Belgaum and Life Member and Executive committee Member of Grama Seva Mantap, Hanumanahatti, Haveri District, Karnataka.

Dr. Mruthyunjaya P. Kulenur has also served as a member of the Peer Committee of National Assessment and accreditation Council, Bangalore and worked as a convener of the committee constituted by UGC for Grant of Autonomy to Colleges.

JSS UNIVERSITY ORGANIZATION STRUCTURE

Dr. Kratish Bopanna

President and Executive Director, Contract Development Organisation. 1994 - JSSCP Mysore

“JSSCP was the springboard from where I leapt deep into the world. But I was ready to take on the challenges that it offered as I was well prepared – thanks to my University. By 2020 we are going to witness dynamic change to the healthcare industry in our country.

JSS University has already shifted gears to make sure that the finest professionals will walk out through its doors – year after year. When you internalise the mantra – Do what you are doing well, you will do well, and there are far lesser chances of error.”

AUTHORITIES OF THE UNIVERSITY

Board of Management

The Board of Management is the principal organ of management in the University. It administers, supervises and implements various functions to achieve the objectives of the University abiding by our values. The principal authority of the University was constituted under sec. 4(2) and notified vide notification No: JSSU/AUTH(BOM)/2008-09 dated 21st July 2008. The board of management is the principal executive body of the University.

Chief Warden
JSS Medical College, Mysore

Meeting Highlights:

4th Meeting

Date: 11.10.2010

Approval for appointing a Member secretary to the Hostel Review Committee on rotation basis.

Approved the purchase of gym equipments for the Hostel.

Proposal for preparing a compendium of University Hostels.

Approved the provision of multigym at the hostel of JSS College of Pharmacy, Ooty and also purchase of computer with internet connection for boy's and girl's hostel.

Considered the budget provisions and financial status of the hostels of the constituent colleges for the financial year 2010-11.

Decided to have a common fee structure to all the hostels of the constituent colleges.

LIBRARY COMMITTEE

The library committee is established under Section 3 of the UGC Act 5 1956 by MHRD vide their notification No. F.9-9/2003-U.3 dated 28.05.2008. This committee was constituted under Section 4(7) and 5(a) (xiv) of JSSU notification No. REG/LIC/2008-09 dated 23.04.2009.

Members:

Dr. B. Suresh
Vice-Chancellor
JSS University, Mysore

Dr. Mruthyunjaya P. Kulenur
Registrar
JSS University, Mysore
Non-Member Secretary

Sri G Shanmukha
Finance Officer
JSS University, Mysore

Dr. M.S. Vishweswara
Bharath Diagnostic Centre Mysore

Dr. P. Shambulingappa
Primary Health Centre
Mysore.

Dr. H Basavana Gowdappa
Principal
JSS Medical College, Mysore

Dr. B. Nandlal
Principal
JSS Dental College, Mysore

Dr. H. G. Shivakumar
Principal
JSS College of Pharmacy, Mysore

Dr. K. Elango
Principal
JSS College of Pharmacy, Ooty

Dr. Jayadeva Betkerur
Prof. & Head, Dept. of Skin & STD
JSS Medical College, Mysore

Dr. Karthikeya Patil
Professor & Head
Dept. Of Oral Medicine & Radiology
JSS Dental College, Mysore

Dr. Pramod Kumar T.M.
Dept. Of Pharmaceutics
JSS College of Pharmacy, Mysore

Dr. M.J.N. Chandrashekar
Dept. of Pharmaceutical Chemistry
JSS College of Pharmacy, Ooty

The Librarian,
JSS Medical College, Mysore

The Librarian
JSS Dental College, Mysore

The Librarian
JSS College of Pharmacy
Mysore

The Librarian
JSS College of Pharmacy, Ooty

Meeting Highlights:

4th Meeting

Date: 6.10.2010

Considered the proposal for the purchase of books (print & electronic versions) for the year 2010-11 to the constituent colleges.

Considered the proposals for the subscription/renewal of journals to the constituent colleges.

Considered the proposal received from the constituent colleges for upgradation of library infrastructure.

ANTI-RAGGING COMMITTEE

The Anti-Ragging Committee shall ensure that vigilant measures are taken to curb the menace of ragging within or outside of campus premises. Their main objective is to root out ragging in all its forms from its educational system. This Anti-Ragging Committee is constituted vide University Grants Commission Circular No: D.O.No.F.1-16/2007 (CPP-II) dated 1st May 2009.

Members:

Dr. B. Suresh
Vice-Chancellor
JSS University, Mysore
Chairman

Dr. H. Basavanagowdappa
Principal
JSS Medical College, Mysore

Dr. B. Nandlal
Principal

JSS Dental College, Mysore
Dr. Ramakrishna Sharma
Principal
JSS Ayurveda College, Mysore

Dr. P. A. Kushalappa
Director, Academics
JSS University, Mysore

Dr. M. D. Ravi
Professor, Dept. of Paediatrics and
Vice-Principal
JSS Medical College, Mysore

Dr. B. Manjunatha
Professor, Dept. of Forensic Medicine
and Vice-Principal
JSS Medical College, Mysore
Dr. C. Venkata Konda Reddy

Vice-Principal
JSS Dental College, Mysore

Dr. N. M. Shamasundar
Professor and Head, Dept. of Anatomy
JSS Medical College, Mysore

Dr. Nanjaiah
Professor, Dept. of Anatomy
Chief of Warden at JSS Medical
College, Mysore

Dr. M. N. Sumana
Professor of Microbiology
JSS Medical College, Mysore

Dr. G. Anilkumar
Professor and Head, Department of
Prosthodontics
JSS Dental College, Mysore

Dr. V. G. Mahima
Professor, Dept. of Oral Medicine &
Radiology
JSS Dental College, Mysore

Dr. Nagaraj
JSS Ayurveda College, Mysore

Sri Satish Chandra
Administrative Officer, JSS Medical
College, Mysore
Member Secretary

Ms. Parjanya

Post graduate student, Department of Industrial Pharmacy, JSS College of Pharmacy

“My area of specialisation is Drug Delivery Systems. The research is skewed in formulating drug delivery systems that are cost effective and patient friendly. JSS always believes in being the best and giving the best. Proof of this is the ISO 9001:2008 certificate which the college received for its quality of education. The faculty is highly motivated, and guides and grooms the students to become the finest Medicare professionals.

JSSCP follows what is called the ABCD methodology in education – A is for Awareness, B is for Belonging, C is for Commitment and D is for Discipline. These are incorporated into our daily lives so that we shine professionally as well.”

BOARDS OF STUDIES

Board of Studies in Basic Medical Sciences (Post Graduate)

The PG Board of Studies in Basic Medical Sciences was constituted and notified vide notification No: JSSU/AUTH (BOS)/2008-09, dated 21st July 2008. The Committee was constituted under section 13 of the rules of JSS University.

Members:

Dr. H. Basavana Gowdappa
Professor, Department of Medicine
Principal of JSS Medical College,
Mysore

Dr. H. S. Virupaksha
Professor and Head, Department of
Biochemistry
JSS Medical College, Mysore

Dr. G. V. Manjunath
Professor and Head, Department of
Pathology
JSS Medical College, Mysore

Dr. B. M. Balaraj
Professor and Head, Department of
Forensic Medicine
JSS Medical College, Mysore

Dr. V. Vedagiri
Associate Professor and Vice-Principal
Sri Ramachandra University, Chennai

Dr. C. M. Nanjaiah
Professor, Department of Anatomy
JSS Medical College, Mysore

Dr. B. M. Prakash
Professor and Head, Department of
Pharmacology
JSS Medical College, Mysore

Dr. G. S. Vijayakumar
Professor and Head, Department of
Microbiology
JSS Medical College, Mysore

Dr. M. R. Narayana Murthy
Associate Professor, Department of
Community Medicine
JSS Medical College, Mysore

Board of Studies in Medicine & Allied Subjects (Post Graduate)

The PG Board of Studies was constituted and notified vide notification No: JSSU/AUTH/ (BOS)/2008-09 dated 21st July 2008. It was constituted Under Section 13 of the rules of JSS University.

Members:

Dr. H. Basavana Gowdappa
Professor, Department of Medicine
Principal, JSS Medical College, Mysore
Chairman

Dr. S. M. Chandrashekara Shetty
Professor and Head, Department of
Radiology
JSS Medical College, Mysore

Dr. Jayadev Betkerur
Professor and Head, Department of
Skin & STD
JSS Medical College, Mysore

Dr. B. S. Jayaraj
Professor, Department of Pulmonology
JSS Medical College, Mysore

Dr. Manjunath S. Shetty
Associate Professor, Department of
Nephrology
JSS Medical College, Mysore
Dr. C. Munichudappa
Professor, Bangalore

Dr. D. Narayanappa
Professor and Head, Department of
Paediatrics
JSS Medical College, Mysore

Dr. P. N. Viswanathan
Professor and Head, Department of
Anaesthesia
JSS Medical College, Mysore

Dr. T. S. Sathyanarayana Rao
Professor and Head, Department of
Psychiatry
JSS Medical College, Mysore

Dr. S. Hemalatha
Associate Professor, Department of
Anaesthesia
JSS Medical College, Mysore

Dr. B. G. Benakappa
Professor and Head, Department of
Paediatrics
JSS Medical College, Mysore

Board of Studies in Surgery & Allied Subjects (Post Graduate)

The PG Board of Studies in Surgery and Allied Subjects was constituted and notified vide notification No: JSSU/AUTH (BOS)/2008-09 dated 21st July 2008. It was constituted under section 13 of the rules of JSS University.

Members:

Dr. G. Siddesh
Professor, Department of Surgery
JSS Medical College, Mysore
Chairman

Dr. R. Ravishankar
Professor and Head, Department of
Orthopaedics
JSS Medical College, Mysore

Dr. B. S. Mahesh
Professor and Head, Department of
Ophthalmology
JSS Medical College, Mysore

Dr. Amruth Raj G. Gowda
Associate Professor, Department of
Surgery
JSS Medical College, Mysore

Dr. A. P. Chandrashekar
Professor and Head, Department of
OBG
JSS Medical College, Mysore

Dr. T. Shivarama Shetty
Professor and Head, Department of
ENT
JSS Medical College, Mysore

Dr. M. Guruswamy
Professor, Department of ENT
JSS Medical College, Mysore

Dr. Alka Kriplani
Professor, Department of Obstetrics &
Gynaecology
All India Institute of Medical Sciences,
New Delhi

Pre & Para-clinical Board of Studies in the Faculty of Medicine (Under Graduate)

The Pre and Para-Clinical Board of Studies in Faculty of Medicine was constituted and notified vide notification No: JSSU/AUTH (BOS)/2008-09, dated 21st July, 2008. It was constituted under section 13 of the rules of JSS University.

Members:

Dr. N. M. Shamsundar
Professor and Head, Department of Anatomy
JSS Medical College, Mysore
Chairman

Dr. N. C. Ashok
Professor and Head, Department of Community Medicine
JSS Medical College, Mysore

Dr. Sunila
Professor, Department of Pathology
JSS Medical College, Mysore

Dr. M. N. Suma
Professor and Head, Department of Biochemistry
JSS Medical College, Mysore

Dr. R. P. Pai
Professor, Department of Community Medicine
Kasturba Medical College, Manipal

Dr. S. M. Nataraj
Professor and Head, Department of Physiology
JSS Medical College, Mysore

Dr. R. N. Suresha
Professor, Department of Pharmacology
JSS Medical College, Mysore

Dr. M. N. Sumana
Professor, Department of Microbiology
JSS Medical College, Mysore

Dr. B. Manjunatha
Professor, Department of Forensic Medicine
JSS Medical College, Mysore

Clinical Board of Studies in Faculty of Medicine (Under Graduate)

The Clinical Board of Studies in Medicine was constituted and notified vide notification No: JSSU/AUTH (BOS)/2008-09, dated 21st July, 2008. The Committee was constituted under section 13 of the JSS University rules.

Members:

Dr. M. D. Ravi
Professor, Department of Paediatrics
Vice-Principal, JSS Medical College, Mysore

Dr. K. M. Madappa
Professor, Department of Surgery
JSS Medical College, Mysore

Dr. H. S. Devaraj
Professor, Department of Medicine
JSS Medical College, Mysore

Dr. Anjali N. Kore
Professor, Department of OBG
JSS Medical College, Mysore

Dr. M. B. Bharathi
Professor, Department of ENT
JSS Medical College, Mysore

Dr. Premnath Raman
Professor, Department of Ophthalmology
JSS Medical College, Mysore

Dr. K. N. Mahesh
Associate Professor, Department of Orthopaedics, JSS Medical College, Mysore

Dr. Sudharshana Murthy
Professor and Head, Department of Medicine, JSS Medical College, Mysore

Dr. Ambarish Bhandiwad
Professor and Head, Department of OBG, JSS Medical College, Mysore

Dr. P. Akkamahadevi
Professor, Department of Anaesthesia
JSS Medical College, Mysore

Dr. Nalini Kotekar
Professor, Department of Anaesthesia

JSS Medical College, Mysore

Dr. K. H. Basavaraj
Professor, Department of Skin & STD
JSS Medical College, Mysore

Dr. A. Rajesh Raman
Associate Professor, Department of Psychiatry
JSS Medical College, Mysore

Board of Studies in Dentistry (Post Graduate)

The PG Board of Studies was constituted and notified vide notification No: JSSU/AUTH (BOS)/2008-09 dated 21st July 2008. It was constituted under section 13 of the rules of JSS University.

Members:

Dr. B. Nandlal
Professor and Head, Department of Pedodontics Principal
JSS Dental College, Mysore

Dr. M. K. Manjunath
Professor and Head, Department of Conservative Dentistry
JSS Dental College, Mysore

Dr. D. Saikrishna
Professor and Head, Department of Oral & Maxillofacial Surgery
JSS Dental College, Mysore

Dr. Karthikeya Patil
Professor and Head, Department of Oral Medicine & Oral Radiology, JSS Dental College, Mysore

Dr. G Anil Kumar
Professor and Head, Department of Prosthodontics
JSS Dental College, Mysore

Dr. B. M. Shivalinga
Professor and Head, Department of Orthodontia
JSS Dental College, Mysore

Dr. Veerendra Kumar S C
Professor and Head, Department of Periodontia
JSS Dental College, Mysore

Dr. C. Bhaskar Rao
Principal
SDM Dental College, Dharwad

Board of Studies in Dentistry (Under Graduate)

The Board of Studies in Dentistry was constituted and notified vide notification No. JSSU/AUTH (BOS)/2008-09 dated 21st July 2008. It was constituted under section 13 of the rules of JSS University.

Members:

Dr. C. V. K. Reddy
Professor and Head, Department of Community Dentistry,
Vice-Principal, JSS Dental College,
Mysore
Chairman

Dr. Dhakashaini M. R.
Professor, Department of Prosthodontics
JSS Dental College, Mysore

Dr. Mahima V. Gulegud
Professor, Department of Oral Medicine & Radiology
JSS Dental College, Mysore

Dr. S. M. Balaji
Professor, Department of Maxillofacial Surgery
JSS Dental College, Mysore

Dr. Sujith Kumar Shetty
Professor, Department of Oral & Maxillofacial Surgery
JSS Dental College, Mysore

Dr. B. M. Annapoorna
Professor, Department of Conservative Dentistry
JSS Dental College, Mysore

Dr. Paranjyothi
Professor, Department of Oral Pathology, Oral & Dental Anatomy and Physiology & Histology
JSS Dental College, Mysore

Dr. G. Sheela Kumar
Professor, Department of Periodontia
JSS Dental College, Mysore

Dr. N. Raghunath
Associate Professor, Department of

Orthodontia
JSS Dental College, Mysore

Dr. Mahesh Verma
Principal
Maulana Azad Dental College,
New Delhi

Dr. S. Venkat Iyer
President of Technical Services
Strides Arcolab Limited, Bangalore

Dr. T. K. Ravi
Sri Ramakrishna Institute of Paramedical Sciences, Coimbatore

Board of Studies in Pharmacy (Post Graduate)

The Post Graduate Board of Studies was constituted and notified vide notification No. JSSU/AUTH (BOS)/2008-09-09 dated 21st July, 2008. It was constituted under section 13 of the rules of JSS University.

Members:

Prof. H. G. Shivakumar
Professor and Head, Department of Pharmaceutics Principal, JSS College of Pharmacy, Mysore, Chairman

Dr. G. Parthasarathy
Professor and Head, Department of Pharmacy Practice
JSS College of Pharmacy, Mysore

Dr. M. K. Samantha
Professor and Head, Department of Pharmaceutics
JSS College of Pharmacy, Ooty

Dr. B. Duraiswamy
Professor and Head, Department of Pharmacognosy
JSS College of Pharmacy, Ooty

Dr. P. Vijayan
Professor Emeritus, Pharmaceutical Biotechnology
JSS College of Pharmacy, Ooty

Dr. B. M. Gurupadayya
Professor, Department of Pharmaceutical Chemistry
JSS College of Pharmacy, Mysore

Dr. M. N. Sathish Kumar
Professor, Department of Pharmacology
JSS College of Pharmacy, Ooty

Dr. S. Venkat Iyer
President Technical Services
Strides Arcolab Limited, Bangalore

Dr. T.K. Ravi
Principal, College of Pharmacy
Sri Ramakrishna Institute of Paramedical Sciences, Coimbatore

Dr. T. M. Pramod Kumar
Professor, Department of Pharmaceutics
JSS College of Pharmacy, Mysore

Dr. S. N. Meyannathan
Professor and Head, Department of Pharmaceutical Analysis
JSS College of Pharmacy, Ooty

Board of Studies in Pharmacy (Under Graduate)

The Board of Studies in Pharmacy was constituted and notified vide notification No: JSSU/AUTH (BOS)/2008-09 dated 21st July 2008. It was constituted under section 13 of JSS University. The first meeting was held on 8th August 2008.

Members:

Dr. K. Elango
Principal I/C
JSS College of Pharmacy, Ooty
Chairman

Dr. M. Ramesh
Professor, Department of Pharmacy Practice
JSS College of Pharmacy, Mysore

Dr. P. K. Kulkarni
Professor, Department of Pharmaceutics
JSS College of Pharmacy, Mysore

Dr. K. Shankar
Professor and Head, Department of Pharmaceutical Chemistry
JSS College of Pharmacy, Ooty

Dr. S. P. Dhanapal
Professor and Head, Department of Phytopharmacy & Phytomedicine
JSS College of Pharmacy, Ooty

Dr. Anand Vijayakumar
Professor and Head, Department of Pharmacy Practice
JSS College of Pharmacy, Ooty

Dr. D. Vishakantegowda
Professor, Department of
Pharmaceutics
JSS College of Pharmacy, Mysore

Dr. N. M. Mahesh
Assistant Professor, Head of
Department of Pharmacology,
JSS College of Pharmacy, Mysore

Prof. Dr. Gurubasavaraj V Pujar
Professor and Head, Department of
Pharmaceutical Chemistry
JSS College of Pharmacy, Mysore

Dr. N. Udupa
Principal
Manipal College of Pharmaceutical
Sciences, Manipal

Mr. R. Thiruvengadam
Tablets India Limited,
Chennai

Board of Studies in Research

The Board of Studies in Research
was constituted and notified vide
notification No: REG/BOS/RES/2008-
09/494, dated 29th September 2008.
It was constituted under section 13 of
JSS University.

Members:

Dr. M. J. Nanjan
Co-ordinator for TIFAC-CORE-HD
JSS College of Pharmacy, Ooty
Chairman

Dr. H Basavana Gowdappa
Principal
JSS Medical College, Mysore

Dr. K. H. Basavaraj
Professor, Department of Skin & STD
JSS Medical College, Mysore

Dr. P. A. Mahesh
Associate Professor, Department of
Pulmonology
JSS Medical College, Mysore

Dr. H. G. Shivakumar
Principal & Professor and Head
Department of Pharmaceutics
JSS College of Pharmacy, Mysore

Dr. G. Parthasarathy
Professor and Head of Department of
Pharmacy Practice

JSS College of Pharmacy, Mysore

Dr. C. P. Madhu
Professor, Department of Surgery
JSS Medical College, Mysore

Dr. M. K. Samantha
Professor and Head, Department of
Pharmaceutics
JSS College of Pharmacy, Ooty

Jawaharlal Institute of Post-graduate
Medical Education & Research
JIPMER, Dhanvanthri Nagar

Board of Studies in Management Studies

The Board of Studies in Management
Studies was constituted and notified
vide notification No: REG/BOS/
MGMT/2010-11/146, dated 2nd June
2010. It was constituted under section
13 of JSS University.

Members:

Dr. P.A. Kushalappa
Director, (Academic)
JSSU, Mysore

Prof. J.S. Kiran,
Professor of MBA, JSS Center for
Management Studies, SJCE, Mysore

Dr. H Basavana Gowdappa
Principal,
JSS Medical College, Mysore

Dr. B. Nandlal,
Principal,
JSS Dental College, Mysore

Dr. C.S. Thammaiah,

Prof. & HOD, Dept. of MBA, JSS
Center for Management Studies, SJCE,
Mysore

Mr. Praveen Kumar,
Asst. Professor, Dept. of Marketing,
JSS Center for Management Studies,
SJCE, Mysore

Dr. Veerabhadrapa M S
Superintendent,
JSS Hospital, Ramanuja Road, Mysore

Mr. A Selvam,
Associate Professor,
Sri Ramachandra College of
Management, Chennai

Board of Studies in Biomedical Sciences

The Board of Studies in Biomedical
Sciences was constituted and notified
vide notification No: REG/BOS/
BMSc/2010-11/, dated 9th February
2010. It was constituted under section
13 of JSS University.

Members:

Dr. P.A. Kushalappa
Director (Academic), JSSU, Mysore

Dr. P Vijayan
Professor, Dept. of Pharmaceutical
Biotechnology, JSS College of
Pharmacy, Ooty

Dr. M V Usha Rani
Professor, Department of
Environmental Sciences, Bharathiar
University, Coimbatore.

Dr. Balasubramanian S,
Director (Research)
JSS University, Mysore

Dr. K S Jagannatha Rao,
Deputy Director, Dept. of Biochemistry
and Nutrition,
Central Food Technological Research
Institute, Mysore

Dr. S N Nataraj,
Professor and Head, Dept. of
Physiology,
JSS Medical College, Mysore

Dr. M N Suma,
Associate Professor, Dept. of
Biochemistry,

Research Scholar, JSS College of
Pharmacy, Ooty

Meeting Highlights:

2nd meeting

Date: 11.02.2011

Approved the formation of Special
Interest Group (SIG) in the research
initiatives of the University.

Discussed on short-term and long-
term approaches for realizing the
vision and mission of the University
which is proposed in the JSS University
strategic plan and also discussed JSSU
and DRDO strategic partnership for

research collaboration in niche areas.

On behalf of DRDO,
Dr G Ilavazhagan, DLS, DRDO
Head Quarters, Delhi gave a brief
presentation on various activities
of DRDO and possible areas of
collaborations and financial assistance
by the DRDO to research proposals
submitted by the institutions.

Dr. Balasubramanian, Director
(Research), JSS University, Mysore also
presented in brief about the various
research activities conducted by the
University and its constituent colleges
and also research proposals submitted
to various funding agencies.

The council discussed on
establishment of Centers of Excellence
in the following fields-

- Center for Molecular Biology and
Regenerative medicine- JSSMC,
Mysore
- Center for Nano Medicine and Nano
Technology-JSSCP, Mysore/Ooty
- Center for Drug Discovery and
Development-JSSCP, Mysore/Ooty
- Center for Cognitive Sciences-
JSSDC/JSSMC/JSSCP (interdisciplinary)
- Center for Water and Health, JSSU,
Mysore

Discussed the organization of the
Symposium "Indo-US Frontiers
in Medicinal Chemistry and Drug
Discovery" jointly by JSS University and
National Cancer Institute, Frederic MD.

Mr. Ashish Wadhvani

Research Scholar, Department of Pharmaceutical Biotechnology, JSS College of Pharmacy, Ooty

If I were to talk about my college, the faculty form the backbone of this great institution. The entire environment is friendly and co operative and works on the simple principle of give and take, in that the students learn from the teachers and vice versa. This is the only college where I have seen 75 year old faculty coming into the labs to teach with the same enthusiasm and patience that they have put into their long years of working life. They share their extensive experience with students.

JSS according to me is a Brand. . One of the things that JSS imbibes in you is to be participative especially when it comes to extracurricular activities. This always results in the development of our overall personalities. What I have internalised at JSS are PASSION, COMPASSION, PATIENCE, FOCUS, DEDICATION – not just in my research work which will benefit the society but also as a human being.”

THE YEAR IN REVIEW 2010-2011

The future illiterate man will not be one who cannot read or write but one who cannot organize knowledge and discover a new pattern.

-Alvin Toffler.

How true!

The future of any individual or organization depends on how well they adapt to the changing world and as a growing University, JSS University in the year 2010-11 could actively adapt to these changes through myriads of means. Be it academic, research, cultural or sports the University faculty and students accomplished several awards and merits which truly reflect the potential talent and skill imbibed in the JSS culture.

JSS University in the year 2010-11 established several milestones heralding the dawn of future educational supremacy in the field of Health sciences. Academic and research collaborations with several renowned national and International institutes/organizations, introduction of new regulations and courses, submission of research projects, implementation of community health programmes and joining hands with government and other nongovernmental organizations for community causes, organization of international and national conferences and workshops, research publication by faculty in international and national journals, students achievements in state, national and international cultural and sports events, infrastructure upgradation to meet the ever increasing demand, and last but not the least the visionary thinking of its administrators which made all these possible.

The ensuing report reflects the means by which these were accomplished with a challenge for achieving more in the years to come.

JSS UNIVERSITY ADMINISTRATION

JSS University administrative office is headed by the Chancellor, Pro-Chancellor and the Vice-Chancellor and the following sections support the various functions of the University under their respective heads.

JSS University Administrative Divisions

ACADEMIC	EXAMINATION	GENERAL	FINANCE	ESTABLISHMENT	RESEARCH

ACADEMIC SECTION

Functions: The academic section is in-charge of the admission policies, procedures, and criterion for UG, PG and Ph.D courses, eligibility criterion, academic fee structure, counseling and admission process and enrolment, collaborations and signing of MoU, arrangement of various meetings of authorities and Boards of Study of JSSU, appointment of adjunct/visiting faculty and preparation/submission of half-yearly and annual report of the University.

Director-Academic:
Prof. Dr. P.A. Kushalappa, MBBS, MD

Project coordinator:
Dr. Mamatha H.K., BDS, MBA

ADMISSION

JSS University for the year 2010-11 conducted the entrance test (JSS UGET/PGET) for admission to BDS, B.Pharm, M.Pharm, Pharm D and Pharm D (PB) programmes. For MBBS, MD/MS, MDS the selection was based on COMED-K ranking list. For B.Sc and M.Sc (Allied Health Sciences) courses the selection was through direct counseling based on merit.

The JSSU PGET for Medical and Dental seats for the year 2011-12 was conducted during February 2011 and results were announced as per schedule and counseling commenced from 25th March onwards for both the faculty.

Dr. Sheila Kumar Gujjari
Professor, JSS Dental College and Hospital

“JSS has always been very supportive and the teamwork which is the core of how the university works has helped me a great deal professionally. The exposure which we get to external forums and conferences keep us constantly updated with the latest across the world. Most of my students come back to say that JSS is as good as any of the universities that they have been to abroad, if not better.”

CALENDAR OF EVENTS FOR UG/PG ADMISSIONS 2010-II

Sl. No.	Course	Date of Notification	Last date for submission of application	Date of entrance exam	Announcement of merit list	Date of Counseling	Date of announcement of selected candidate list	Date of Commencement of Academic session
1	PG Medical MD/MS/PG Diploma	14.12.2009	10.03.2010	31.01.2010 (COMED -K PGET)	22.03.2010	31.03.2010 And 01.04.2010	31.03.2010 And 01.04.2010	03.05.2010

Fee Policy (For the Year 2010-11)

COURSE DETAILS	FEES PER ANNUM	
	INDIAN RESIDENT	NON-INDIAN RESIDENT (NRI)
MBBS	Rs.3,25,000	US\$ 1,25,000
PG DEGREE-		
a)Pre-Clinical	Rs. 1,00,000	US\$ 18,000
b)Para-Clinical	Rs. 1,50,000	US\$ 18,000
c)Clinical	Rs. 5,00,000	US\$ 20,000
PG DIPLOMA-		
a)Para-Clinical	Rs.1,50,000	US\$ 16,000
b)Clinical	Rs.4,00,000	
BDS	Rs.1,50,000	US\$ 35,000
MDS	Rs.4,00,000	US\$ 15,000
B.Pharm	Rs. 65,000	US\$ 10,000
Pharm. D & Pharm. D (PB)	Rs. 1,25,000	US\$ 20,000
M.Pharm	Rs. 2,00,000	US\$ 20,000
B.Sc	Rs. 25,000	US\$ 1000
M.Sc	Rs. 60,000	US\$ 3000

Eligibility Criteria:

The eligibility criteria for admissions to various courses are based on the norms prescribed by the Medical Council of India, Dental Council of India, Pharmacy Council of India, UGC and JSS University regulations.

New Programmes:

JSS University in line with changing needs of the society especially in

training manpower for the healthcare delivery, introduced the following new programmes during the year 2010-11 in its constituent colleges:

1. MBA-Hospital Administration
2. MBA-Pharmacy Administration
3. Master of Pharmacy (M.Pharmacy) in three more specializations-
 - Pharmaceutical Regulatory Affairs
 - Pharmaceutical Quality Assurance

- Pharmacognosy
- 4. Postgraduate Diploma in Pharmacovigilance
- 5. B.Sc. in Allied Health Sciences with following specializations-
 - Laboratory Technology
 - Perfusion Technology
 - X-ray Technology
 - Operation Theatre Technology

6. M.Sc. Programme in

- Anatomy
- Physiology
- Biochemistry
- Microbiology

7. M.Sc. in Environmental Science

8. Master of Public Health (MPH)

9. M.Phil in Clinical Psychology.

10. Certificate course on "Clinical Pharmacology" in joint collaboration with National Institute of Health, USA

Calendar of Events of Authorities

The authorities of the university convened the following meetings during the academic year 2010-11 as per the byelaws of the university.

1. Board of Management: 28.05.2010, 29.06.2010, 27.08.2010, 18.11.2010, 26.11.2010, 22.02.2011
2. Academic Council: 09.10.2010
3. Planning & Monitoring Board: 29.05.2010, 21.02.2011
4. Finance Committee: 21.11.2010
5. Library Committee: 6.10.2010
6. Advisory Committee: 29.05.2010, 22.02.2011
7. Hostel Review Committee: 11.10.2010
8. Anti Ragging Committee:
9. Research coordination: 16.11.2010, 11.02.2011
10. Journal Committee: 23.12.2010

Calendar of Events of Boards of Studies

The Boards of Studies in various faculties of the university scheduled their meetings to discuss the issues concerning the academic functioning, course, curriculum, syllabus, examination, etc..

1. Basic Medical Sciences (PG): 02.07.2010
2. Medicine & Allied Subjects (PG): 27.01.2011
3. Surgery & Allied Subjects(PG): 27.01.2011
4. Pre & Para Clinical in the Faculty of Medicine (UG)
5. Clinical BOS in Faculty of Medicine (UG): 07.02.2011
6. BOS in Dentistry (PG): 20.12.2010
7. BOS in Dentistry (UG): 05.08.2010
8. BOS in Pharmacy (PG): 10.02.2011
9. BOS in Pharmacy (UG)
10. BOS in Research: 26.08.2010, 24.01.2011
11. BOS in Management Studies: 15.06.2010
12. BOS in Biomedical Sciences: 16.09.2010, 13.01.2011

Dr. Afrasim Moin

Lecturer, Department of Pharmaceutics
1997. JSS College of Pharmacy, Mysore

"I have been mentoring under graduate and post graduate students over the last five years. This college provides the environment to excel not only in academics but in extracurricular activities as well. I am proud to belong to a visionary institution, which believes that its students should be ready to meet the global demand for good medical professionals. JSS is recognised as the pioneer in setting up a specialised course for Pharmacy practice and Pharma Regulatory Affairs, both in India and across the world as well. In fact the other colleges have used our model to structure their pharmacy programs.

I am able to transfer much of this industry knowledge to the students I mentor, making them the best employable pharmacists in the society. Almost all students are picked up at campus interviews and this benchmarks the quality of students at JSS. I owe JSS College all that I have achieved as a student and a lecturer as it has given me everything I need as an individual and a professional."

APPOINTMENT OF DISTINGUISHED, ADJUNCT AND VISITING FACULTY

To ensure knowledge dissemination from various personalities in various sectors JSS University has appointed several distinguished persons from India and abroad to deliver lectures as visiting faculty for the benefit of the students. The following are the distinguished visiting faculty of our University:

Dr. S.N. Mothi, Chairman
Asha Kiran Charitable Trust
CA1, Ring Road, Hebbal Industrial Housing Area
Mysore – 570 016, Karnataka.

Dr. P.D. Guptha
833, Churunkon Rassta
Jaipur, Rajasthan – 302 003

Dr. Derek Mahony
Specialist Orthodontist
49 Botany Street, Randwick NSW
2031, Australia.

Dr. Krishna Kumar
School of Pharmacy, Howard
University, 2300, 4th Street
N.W. Washington DC, 20059, USA

Dr. Kumar Sambamurti
Professor
Dept. of Neuroscience
Medical University of South Carolina,
Charleston, South Carolina, USA.

Dr. M. Chandra Sekar
Associate Professor
College of Pharmacy
1000 N, Main Street, Findlay
Ohio – 45840, USA

Dr. Vinod P. Shah
Scientific Secretary, FIP (2003-2011)
Pharmaceutical Consultant, North
Potomac, MD, 20878, USA.

Dr. Krishna Moorthi Bhat
Professor Department of Neuroscience
and Cell Biology
301 University BLVD, Glaveston
Texas – 77555, USA

Mr. Mukund S. Chorghade
President, Chorghade Enterprises
14 Carlson Circle, Natick,
Massachusetts 01760-4205, USA.

Dr. Pradeep V Desai
Principal Consultant
Tata Consultancy Services
L-Center, plot No. 78,79,83
EPIP Industrial Area
Whitefield, Bangalore – 560 066

Dr. T Veerabasappa Gowda
Professor and Head
Post Graduate Dept. of Biochemistry
and Biotechnology
JSS College of Arts, Commerce and
Science, Ooty Road, Mysore-570 025

Dr. Sundeep Santosh Salvi
Director-Chest Research Foundation
Marigold, Survey No. 15,
Vadgaonsheri
Kalyaninagar, Pune-411 014

Dr. Vaya Shivarathna Lalit
Director
Institute of Behavioral Science &
Additional Director, Directorate
of Forensic Sciences, Sector 18/A,
Gandhinagar, Gujarat

Dr. Anurag Agrawal
Senior Scientist
Institute of Genomics and Integrative
Biology, Mall Road, Delhi-110007

Dr. Rajasekara Chakravarthi Madarasu
Flat No. 2, "Meghana Edifice"
8-2-350/5/A/A, Road No. 3
Banjara Hills, Hyderabad-500034

COLLABORATIONS

Joining hands with renowned Universities/institutes/organizations both in India and abroad has broadened our vision of knowledge empowerment and provided a new impetus to the research initiatives. The various organizations or Universities with whom JSSU has collaborated are as follows-

- Long Island University, New York, USA
- LaTrobe University, Australia
- JSS College of Arts, Commerce & Science, Ooty Road, Mysore
- Khon Kaen University, Thailand
- National Cancer Institute, USA
- Himalaya Drug Company Pvt. Ltd., Bangalore
- Gujarat Forensic Sciences University, Gujarat
- Philips Electronic India Pvt. Ltd., Bangalore

Sl.I No.	Organization/Institute/ University	Scope of Collaboration	Date of signing MoU	Activities initiated
1	Long Island University	Exchange of faculty, students, joint research projects, conferences, cultural programmes	26.04.2010	Certificate course in Clinical Pharmacology by JSSU. Proposal for commencement of Diploma in Drug Information from Sept. 2011
2	JSS College of Arts, Commerce & Science, Ooty Road, Mysore	Collaborative training and PG research, Ph.D	18.06.2010	JSSU recognized One Ph.D guide from JSS college, registered 2 research scholars from JSS college for Ph.D at JSSU
3	La Trobe University, Australia	Exchange and cooperation on academic areas, research, teaching faculty, publication, student funding, etc	27.07.2010	Proposal for visit of three students from Latrobe University to JSSU in the month of July 2011 is scheduled.
4	Khon Kaen University, Thailand	Exchange of faculty/students, research projects, publication	05.08.2010	Proposal for Dr. Suriyanarayanan, faculty, dept. of Water and Health, JSSU to visit KKU in July 2011 to interact and undertake joint research projects is on the anvil
5	National Cancer Institute, USA	Cancer research, state-of-the art and research training programme in Drug Discovery and development at JSSCP, Ooty	MTA signed on 27.08.2010	Proposal for organizing joint symposium, "Indo-US Symposium" in the month of April 2011 at JSSU, Mysore
6	Himalaya Drug Company Pvt. Ltd., Bangalore	Research collaboration in Herbal research and development, Clinical studies, R&D, Ph.D	21.10.2010	Four research scholars from HDC registered for Ph.D at JSSU
7	Gujarat Forensic Sciences University, Gujarat	Commencing of PG diploma, M.Sc., M.Phil in Forensic Psychology, MS in forensic Pharmacy and nanotechnology, online courses, short-term certificate courses, Ph.D, research projects	06.12.2010	Proposal for organizing a joint symposium on Forensic sciences in 2011
8	Philips Electronic India, Pvt. Ltd., Bangalore	Establish Centre of Relevance & Excellence (CORE)-healthcare	10.02.2011	Joint research project submitted to DST and CSIR. Medical Imaging technology and oral cancer research projects have been initiated.

EXAMINATION SECTION

The examination section functions under the direction of Registrar Evaluation and is responsible for conduction of JSSU examinations, appointment of examiners, valuation and announcement of results, conduct of university convocation and award of degrees, Endowment management.

This year the university examination section conducted the examinations for BDS I and II year, MBBS I & II year, B. Pharm, Pharm D, Pharm D-PB, M.Pharm, PG diploma in medical with a total of 131 subjects. The examinations were conducted during March-July and results were announced during April and August. A total of 757 students took the examination out of which 632 passed; pass percentage being 85.62%.

During December 2010 examinations 280 students took examinations and

220 of them passed; pass percentage of 78.57%.

The total number of examiners appointed during both the examination sessions included 131 external examiners and 160 internal examiners in 131 subjects.

Registrar (Evaluation):
Prof. Lt. Col Dr. R. Vijaysimha, MBBS,
MD

Deputy Registrar (Evaluation):
Mr. Sudheendra Bhat, B.Pharm,
M.Pharm, (Ph.D)

March - July 2010

Sl. No.	Course/Degree	Subjects	External Examiners	Internal Examiners	Total
1	M.Pharm-First Year	28	18	38	56

Dr. Subhashini.
Asst. Professor of Pharmacology
JSS College of Pharmacy, Ooty

"Our primary responsibility is to nurture our students so that they become good health care professionals. I am a product of this institution and am proud to be an alumna who has been given the opportunity to work here as well. Nationally and internationally with the growth of healthcare, there is a boom in the pharma industry. We have an ongoing student exchange program with many international universities as well. If we are one of the finest colleges for pharmacy in the country today it is because of the bonding which exists between the students and the faculty, where knowledge sharing and skill development play a crucial role. It is the students who give us the impetus to upgrade technologically and academically all the time."

JSS UNIVERISTY PGET 2011-12:

The PGET for Medical and Dental seats for the year 2011-12 was conducted during February 2011 and results were announced as per schedule and counseling commenced from 25th March onwards for both Medical and Dental PG admissions.

The following is the schedule of events for JSSU PGET:

Date: 05.02.2011

Test Centres:

1. Bangalore: 3 centres - JSS Composite PU College, JSS Academy of Technical Education (Medical), JSS Public School (Dental)
2. Chennai: 1 centre - Chellammal Women's Arts College-Medical and Dental
3. Noida: 1 centre - JSS Academy of Technical Education-Medical and Dental
4. Mysore: 1 centre - JSS Medical College-Medical and Dental

Medical:

Place	Centre	No. of candidates allotted	No. of candidates present	No. of candidates absent	% of attendance
Mysore	JSS Medical College	200	190	10	95.00
Bangalore	JSSATE	534	488	46	91.38

**JSS University's
First
Convocation**

FIRST CONVOCATION

The year 2010-11 marks a milestone in the history of JSS University as the University conducted the First Convocation for its students. The First Convocation was held on 29th June, 2010 at Sri Rajendra Auditorium, JSS Medical College, Mysore. His Excellency Dr. APJ Abdul Kalam was the Chief Guest and delivered the convocation address. His Holiness Sri Shivarathri Deshikendra Mahaswamiji, Chancellor presided over the function. Sri B N Betkerur, Pro Chancellor, Dr. B Suresh, Vice Chancellor, Dr. Mruthyunjaya P. Kulenur, Registrar, Principals of constituent colleges, officers of the University, other dignitaries, invitees, staff and students were present on the occasion. A total of 119 students who successfully passed M.Pharm Course (10 specialties) received their post-graduate degrees.

The following students were awarded the Gold Medals in the various specializations:

Sl No	Name	Branch	Medal / Certificate
1	Sumeet Sood	Pharmaceutics	His Holiness Jagadguru Sri Shivarathri Rajendra Swamiji Gold Medal for obtaining highest marks in M.Pharm degree and EDICT Pharma Gold Medal for obtaining highest marks in Pharmaceutics branch in M.Pharm degree.
2	Ummehani	Industrial Pharmacy	Sri KVP Amar Kumar Gold Medal for obtaining highest marks in Industrial Pharmacy branch in M.Pharm degree.
3	Sathish Vimal C	Pharmaceutical Analysis	Rajanikant B Raja Gold Medal for obtaining highest marks in Pharmaceutical Analysis branch in M.Pharm degree.
4	Gayathri R	Pharmaceutical Chemistry	St. Peter's Institute of Pharmaceutical Sciences Gold Medal for obtaining highest marks in Pharmaceutical Chemistry branch in M.Pharm degree.
5	Sowmiya Sree R S	Pharmacognosy	Dr. K Chinnaswamy Gold Medal for obtaining highest marks in Pharmacognosy branch in M.Pharm degree.
6	Vemuleti Radhika Reddy	Pharmacology	Sri Hiralal Sadhwani Gold Medal for obtaining highest marks in Pharmacology branch in M.Pharm degree.
7	Nithya K	Phytopharmacy & Phytomedicine	Dr. K Chinnaswamy Gold Medal for obtaining highest marks in Phytopharmacy & Phytomedicine branch in M.Pharm degree.
8	Christy Mary Sam	Pharmacy Practice	Mr. Frank May Gold Medal for obtaining highest marks in Pharmacy Practice branch in M.Pharm degree.
9	Sonia Tom	Pharmacy Practice	Mr. Frank May Gold Medal for obtaining highest marks in Pharmacy Practice branch in M.Pharm degree.
10	Priya P C	Pharmaceutical Biotechnology	Sri Bhojaraj Panjoomal Gold Medal for obtaining highest marks in Pharmaceutical Biotechnology branch in M.Pharm degree.

FIRST CONVOCATION ADDRESS

Pharma Vision 2020

“Let my brain, remove the pain”

I am delighted to participate in the first convocation of JSS University here in this beautiful city of Mysore. I would like to congratulate the Director, the faculty members and staff for shaping the young minds into pharmaceutical specialists and leaders. I am happy that this college is preparing students for Post Graduate in Pharmacy covering multiple dimensions including quality assurance, industrial pharmacy, biotechnology, chemistry, phyto-pharmacy, regulatory and pharmaceuticals. My greetings and best wishes for all those who are graduating today. What will be the single mission that all the Pharma Graduating students today should have? Dear friends, can all of you repeat with me now?

“Let my brain remove the pain. Let me take oath today to remove the spurious medicine from the market”.

Dear young friends, who are graduating today in the Pharma profession, I was thinking for some time, what type of thoughts, I can share with you. While I am here with all of you, I would like to share my views on the topic “Pharma Vision 2020” and I would be discussing about the Spirit of giving in Healthcare Service with some examples. My theme of today's lecture is as follows:

- The effect of Inner voice calling in medicine
- How to reach the unreachable
- Research in Thrombosis and Innovative Cancer Vaccine.
- Six virtues of a healthcare giver
- Pharma Visions and its missions
- Moral Leadership in eliminating Spurious medicine
- And finally, I would be asking all of you young graduating students a question which you will have to answer.
- The spirit of a Healthcare Giver: What

can I give?

Hence dear friends, Let me focus first about my experience with four medical professionals who are unique in my view, in their area of work and their choice of life. One of the doctors who loves the medical profession selected this line as a way of life that has transformed into generation of medical institutions, teaching, promoting innovation and above all, he has committed his life to the profession by working over 18 hours a day including Saturdays, Sundays and Holidays. Another doctor whom I know very well faced a tragedy early in his life when he was a young boy. His father passed away in his lap because medical help could not be reached in time. In a hard way, he became a MBBS doctor and selected a tribal area for transformation and became successful in his mission uplifting the poor and improving their quality of life. The third medical professional is a researcher in Thrombosis. He has started a research institute in UK and later established a Thrombosis Research Institute in Bangalore which I inaugurated. Learning about these great individuals will help all of you chalk out the unique path of your life time mission based on the vision that every one of you have in your life. Let me start with how inner voice calling helped a professional to shape his life.

Inner Voice Calling

Dr Soma Raju was born on 25th September 1946 in Bhimavaram; West Godavari District of Andhra Pradesh in an agriculturist family of small land holding, Soma Raju walked 8 k.m. to his school and could buy his first shoes when he was 12 years old. Realizing education as his ticket to the better world, Soma Raju educated himself with zeal. He took his MBBS and MD (Internal Medicine) from Guntur Medical College and moved to Post Graduate Institute (PGI), Chandigarh from where he obtained his DM in Cardiology in 1977. At Chandigarh he would pay 20 rupees to a patient to allow him to listen to the patient's heart beats for an hour so that he can appreciate the nature and rhythm of heart beats.

Dr. Soma Raju played a key role in setting up the Cardiac Facility in Nizam Institute of Medical Sciences and had the historical distinction of performing the first balloon angioplasty procedure in India in 1985. His work with Wayne State University, USA on repairing heart valves with balloon (Percutaneous Balloon Mitral Valvuloplasty; PBMV) not only benefited hundreds of poor children suffering from rheumatic heart disease but also got him International acclaim.

Dr. Soma Raju is one of the founding members of society for biomedical technology (SBMT), an inter-ministerial initiative of the Government of India to develop affordable medical devices and technology. Since then he has been instrumental in shaping the development of cardiology and cardiac surgery in Andhra Pradesh in the private sector. Dr. Soma Raju founded Care Hospital and setup a bench mark in providing affordable cardiac interventions and cardiac surgery. The care hospital has grown into 12 centers across the nation. We made a coronary stent together. The KR stent, as it was called, resulted in the availability of all international brands of coronary stents in India at the most nominal prices. Now I would like to talk about the work culture of Dr. Soma Raju.

Dr. Soma Raju reports to the intensive cardiac care unit every morning at 6 o'clock after his morning chores. He is on the job from then. At 7 o'clock, he takes a class which is free in the hospital where medical students from any college can attend. Normally, 50 to 100 students attend his class everyday. From 8 o'clock to 9 o'clock, he is in a network with 12 CARE Hospitals (Hyderabad, Visakhapatnam, Vijayawada, Nagpur, Pune, Bhuvaneswar, Raipur and Surat) located in different parts of the country. There he discusses all the critical patients on a conference mode and provides line of treatment based on expert advice. From 9 to 11 o'clock, he goes round the wards and examines each patient who is under his care. From 11 o'clock onwards, Dr. Soma Raju attends to his out patients. Simultaneously, he performs procedures in the Cath Lab.

This goes on till 6 p.m. everyday. After finishing the out patients, he meets the administrators after 6 o'clock. If there are waiting patients even after 6, he completes all of them and the administrators have to wait.

Dr. Soma Raju has initiated innovative schemes to channelise the goodwill of people to help poor patients getting expensive medical treatment. In one such scheme namely Little Heart Project, free corrective surgery were performed on 1080 children born with congenital heart defects. The unrelenting work of Dr. Soma Raju has won him many accolades and awards. He is currently Chairman and Managing Director, CARE Group of Hospitals, Hyderabad having 2000 beds at 12 centres. As per Dr. Soma Raju, the driving force behind his continuous contribution to treatment of patients, medical education and institution building is the inner voice which keeps on calling him to remove the disease and the pain of the people.

Next subject, all of you should know how to reach the unreached with a mission.

Reaching the Unreached

In the present circumstances and environment, it was inspiring to see, how a MBBS doctor has put all his dreams in mainstreaming the tribal citizens of Karnataka for the last 25 years through Vivekananda Girijana Kalyan Kendra (VGKK), at BR Hills. When I visited BR Hills in 1998 and subsequently in 2006, I could see substantial new developments in that area. I could see that "New Tribal Hospital", Roads and education environment and above all the earning capacity of the tribal citizens have been increased with the technology resource centre as a base. Dr. H. Sudarshan, is the inspiring architect of this societal transformation. The mission which he has started has spread to many parts of the country including the Andaman and Nicobar Islands and Arunachal Pradesh. Dr. Sudarshan and his team have been selecting difficult regions and making a difference to the people of that region by their own way of life which

was started in a small hut. The country needs thousands of Dr. Sudarshans for providing healthcare to our rural citizens. I am sure some of you may emulate Dr. Sudarshan in this noble mission.

Let me now discuss the research contribution of Dr. V.V. Kakkar of Thrombosis Research Institute which has resulted into newer drugs which helped to solve the problems in cardiovascular, neuro and other disorders.

Thrombosis Research in India

I inaugurated THROMBOSIS RESEARCH INSTITUTE, Bangalore on 18 Dec 2006, pioneered by the founder Director Dr. V.V. Kakker based on the institution he established in UK.

Treatment of Thrombosis: The knowledge obtained through the new research is likely to impact positively specialties like Cardiology, Neurology, Peripheral Vascular Disease, Open-Heart Surgery, Coronary Vascular Interventions and Artificial Heart Valves. Congenital gene-linked disorders like Hemophilia may be benefited by new genomic medical technology. Availability of drugs like Heparin opened the door for treatment such as open-heart surgery, cardiac catheterization and angiography. Thrombolytic drugs like Strepto-kinase have reduced ICU mortality of acute heart attacks from 15% to 5%. Appropriate and timely use of these drugs is saving lakhs of lives all over the world. Heparin and clot-buster drugs have contributed tremendously in saving patients with deep venous thrombosis and clot embolism to lungs. Recent contributions in the management of acute brain stroke are of great clinical significance. We need newer Thrombolytic drugs more ideally suited for safe and effective use in acute heart attacks and brain strokes. They should not only be more effective, but they should have, no systemic side effects and not have rebound thrombosis. One of the nano-technology applications ideally suited for this purpose is drug mailing, where the injected drug will go to the site of

the clot and be effective locally at that required site.

Let me now discuss my recent experience of innovative vaccine development for cervical cancer based on my recent experience.

Innovative Cancer Vaccine Development

In April 2010, while in Louisville in USA, I met researchers from Brown Cancer Research Center who are developing a vaccine for cervical cancer which affects many women in the nation. A World Health Organisation study reveals that every year 132,000 women are diagnosed with this particular kind of cancer and nearly 75,000 die from the disease. The proposed vaccine would be developed on protein drawn out of tobacco leaves and would cost nearly \$2 for every individual. I am sure, the healthcare community assembled here would like to take up development in such areas of societal importance. Since all of you are now going to engage in your mission to be the future leaders of the pharmaceutical sciences, let me now discuss with you the Pharmacy visions and the missions ahead.

Six Virtues of a Healthcare Giver

When I am with the medical and pharma community, I would like to share an experience with Choakyi Nyima Rinpoche, the Chief Monk in Kathmandu and a medical researcher. After nearly a kilometer of walk, I reached the white Kumbha where the chief Monk and his disciples were waiting to receive me. After reception the Chief Monk said, let us go to our study room and I followed him. He climbed the first floor, the second floor, the third floor, the fourth floor and the fifth floor, just like a young boy. Probably the life style has a positive impact on the mind and body. All along I was following and following. When I reached his chamber, I saw a laboratory and a spiritual environment overlooking the Himalayas. What surprised me was, his research

students come from different part of the country. Particularly he introduced me to his co-author David R Shlim, MD who is working on a research area, Medicine and Compassion. The Chief Monk Choakyi Nyima Rinpoche and myself exchanged few books. The Monk has written with Dr. David R. Shlim a book titled "Medicine and Compassion". I liked this book and read it during my journey from Kathmandu to Delhi. This book gives six important virtues which a medical practitioner has to possess towards their patients.

First virtue is generosity; the second virtue is pure ethics; third is tolerance, fourth is perseverance, fifth is cultivating pure concentration and the sixth virtue is to be intelligent. These virtues will empower the care givers with a humane heart. I am sure, all the young pharmacy students graduating today from JSS University will inculcate these values.

Pharma Vision

The global production of pharmaceuticals, branded and generics put together is of the order of \$ 773 billion. The Indian pharma industry at present has a turnover of \$ 17 billion of generics for domestic and export markets and the overall turnover of the Indian Pharma Industry is expected to reach US\$ 25 billion by the end of 2010 of which 60% would be exports. As much as 40% of all generic drugs used in USA are sourced from India. By 2020, we should target at increasing the turnover of our Pharma Industry to over \$100 Billion. I would like to suggest that we should identify all such missions which will make India the leader in drug production. We should set a target of producing 20% of world generics production. India has got a core competence of producing cost effective Pharma products. The pharmacists assembled here and the students studying in various disciplines must keep these targets in mind and contribute adequately for the realization of Indian Pharma Vision 2020.

Let me now discuss some of the possible missions which may help

achieve the Pharmacy Vision 2020:

a) India has to emerge as the leader of low cost quality vaccines for HIV, Cancer and Malaria.

b) About 50 popular drugs worth \$47 Billion are getting off-patent in the 3-5 years. This would present an opportunity for the Indian Pharmaceutical Industry to enter into newer drug markets.

c) However, over long run, we have to graduate into knowledge and research leadership. This will help India to emerge as leader in terms of value. Today, while we are 3rd largest in terms of volume of product at 10%, in terms of value we represent only 2% of the overall market share. By 2020, the pharmaceutical industry has to evolve amongst the world leaders in the research from molecule to drug and through original research leadership.

d) Our nation has richness of bio-diversity which can be of immense application in the drug evolution. The Pharma industry and pharmacists should research and evolve drugs based on traditional Indian plants and herbs to combat many of the prevalent diseases around the world.

e) For enabling pharmacists in India to offer world class professional service, we must create continuing education as a pre-requisite for all pharmacists. First we need to synchronize our curriculum dynamically with the changing global scenario and new inventions and discoveries being made. Second, every effort should be made to upgrade the existing persons to the level required for the degree program proposed by the World Health Organization (WHO) in their report entitled "The Role of Pharmacists in the Healthcare System". Institutions should prepare a time bound program for this transition and aim to complete the implementation.

Moral Leadership in Pharma

Friends, all of you, young pharmacy specialist will be engaging in work which involved care giving and

treatment. Many people will trust their lives on the drugs which you will make. With such trust behind you, you will be required to uphold the highest sense of value and integrity with moral leadership in the entire pharmaceutical industry.

Moral leadership involves two aspects. First, it requires the ability to have compelling and powerful dreams or vision of human betterment. Moral leadership requires a disposition to do the right thing and influence others also to do the right things. There is a perception that a number of pharmaceutical products sold in India are counterfeit or of substandard quality. These drugs are generally made by unscrupulous elements and supplied surreptitiously to chemist shops through illegal channels. The pharmacy education has an important role to play in equipping the students with the knowledge and ability to detect the entry of unauthorized drugs into circulation. Also, every effort should be made to check the manufacture, sale and distribution of spurious drugs. The Central and State governments have to ensure that the Drugs and Cosmetics Act is properly enforced to check this nefarious practice. Pharmacists must ensure that their sources of supply of drugs are reliable to check the menace of spurious drugs. The pharmaceutical curriculum must include subjects which will enable detection of spurious pharmaceutical products by all pharmacists.

On the other hand, moral leadership will also require you to be dedicated to the welfare of the most important element of healthcare the patient. You must constantly keep his or her benefit in the mind as removing the pain is your ultimate aim. For that, you will have to take a holistic outlook at pharmacy services you will provide keeping in mind the side effects of the drugs which are made in the long run.

Last week, I came across an article about how Anti-cholesterol drugs can cause depression. The article mentions about the research by Indian scientists from the Center for Cellular and Molecular Biology which found that "statins" class of drugs, used

to lower cholesterol, by inhibiting a key enzyme responsible for its biosynthesis in the body can also cause the side effect of depression and anxiety. The scientists have shown that chronic cholesterol depletion by statins impairs the function of the receptors for serotonin, a neurotransmitter in the brain that controls mood and behavior. Maintaining normal cholesterol levels is important for the function of cell membrane receptors for serotonin. The latest study shows that cholesterol depletion in the brain affects the function of serotonin receptors leading to depression and anxiety. So my dear young friends, as healthcare missionaries, you will have to deal and evolve yourself to handle such complex interlinking of the human body and drug effect.

Conclusion

Dear friends, I have presented to you some of the medical professionals with a mission in their lives, and the way they work and are continuing the work. Some of the unique qualities which emerge from these healthcare givers which I have cherished are the following:

- a) A vision energizes their lives.
- b) All of them have a passion for their profession.
- c) They have an innate desire to make a change to the life of the people.
- d) Their Kindness to patients brings their best.
- e) They have a continuous desire to learn.
- f) They have a very effective time management system.
- g) Above all they love their profession.

Pioneering Missions: Dear friends, some days ago, I asked your Vice Chancellor, Dr Suresh to give me some great names who were the pioneers of the Pharma product research and development. It was a pleasant surprise when I heard my guru, Prof Vikram Sarabhai's name! Professor Sarabhai, as you all know, is the father of the Indian space mission and also founded the Indian Institute

of Management Ahmedabad. When I look at all the three pioneering actions, I thought of conveying to all of you what was the uniqueness of him? Dr. Sarabhai was a visionary who always had a question in mind "what can I give to the nation?" And of course, he gave a lot.

Finally, since I am in the midst of young pharmacists and healthcare givers, let me ask you all a question - what would you like to be remembered for? You have to evolve yourself and shape your life. You should write it on a page. That page may be a very important page in the book of human history. And you will be remembered for creating that one page in the history of the nation whether that page is the page of invention, the page of innovation or the page of discovery or the page of fighting disease or the page of contributing towards inclusive growth of the nation in a time bound manner. I am sure, you would like to do something out of the box, what are they? I would like to put-forth a thought:

1. Will you be remembered for creating a company which finds a place in the top 5 Pharma companies of the world and delivers new drugs for combating human diseases?
2. Will you be remembered for revitalizing or revolutionizing the integrated Primary Healthcare Centre in a Public-private-participation model?
3. Will you be remembered for creating an affordable vaccine against HIV, cancer and malaria?
4. Will you be remembered as a great educationist in Pharmacy sciences who educated some of the best pharmacist for the nation and the world?
5. Will you be remembered for establishing the nation as a leader in the field of molecule to drug research?
6. Will you be remembered for creating low cost, drug supplement solutions which can help overcome malnutrition in the millions of children in the nation?
7. Will you be remembered for integrating multiple disciplines of

sciences for patient care?

8. Will you be remembered for combining nano and bio technologies, and create bio-digestible nano robots which can deliver targeted drug delivery and be digested later?

I would suggest you that all of you decide on "what you will be remembered for" as quickly as possible, since that statement will act as a goal post for you and facilitate your systematic work for the realization of the goal.

I congratulate the graduating students for their excellence in academic performance. My greetings to all the members of JSS University and best wishes for success in their mission of developing quality medical professionals who will have the motto, "let my brain remove the pain".

May God Bless you.

By,

Dr. APJ Abdulkalam

GENERAL ADMINISTRATION

The Registrar is the custodian of all records and funds of the University and responsible for the general administration of the University and its constituent colleges. The Human resource management as well as the coordination with various statutory bodies and authorities and the government and the implementation of their recommendations is also the responsibility of the Registrar. Policies, rules and statutes as well as establishment, infrastructure, planning and development activities of the

university are the responsibilities of the Registrar.

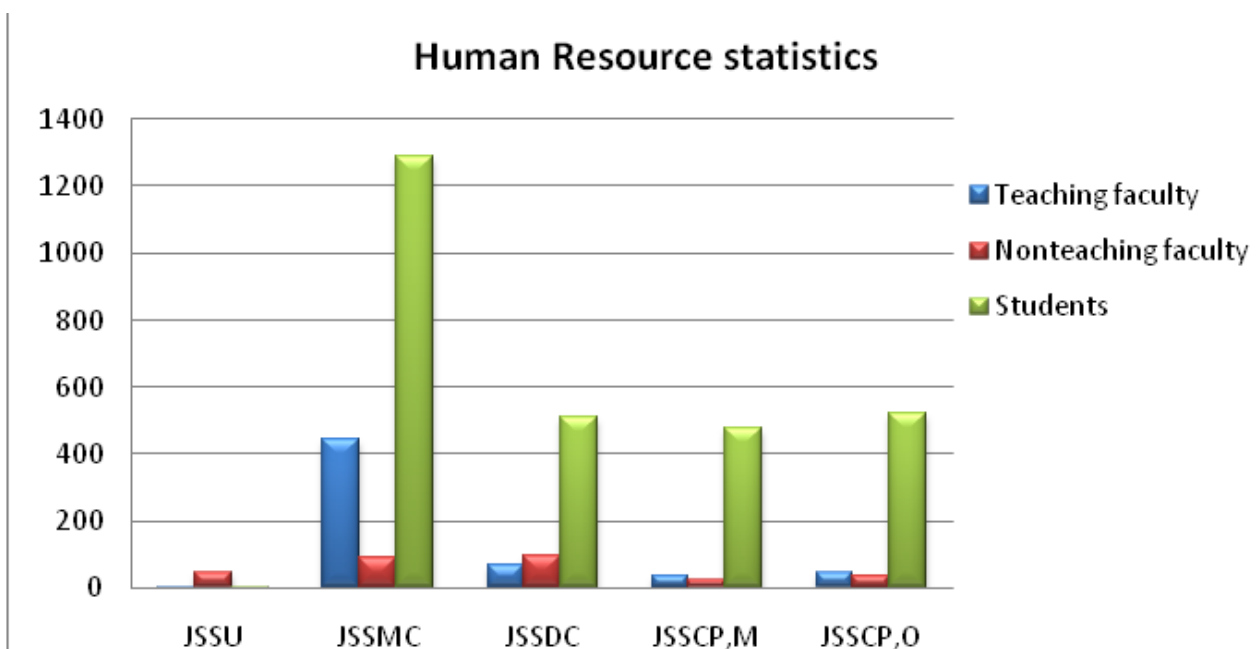

JSS University in the year 2010-11 to keep pace with the growing needs of a developing university undertook several measures to meet the demands, undertook infrastructure upgradation, construction of new hostels, appointing of teaching and supportive staff to the University as well as the constituent colleges, purchase of equipments, etc. to name a few.

Registrar: Dr. Mruthyunjaya P. Kulenur, MA, LLB, Ph.D.

HUMAN RESOURCE

Sl.No.	Particulars	Teaching	Non-Teaching	Students
1	JSS University	1	44	
2	JSS Medical College	446	90	1287
3	JSS Dental College & Hospital	68	98	509
4	JSS College of Pharmacy, Mysore	38	22	479
5	JSS College of Pharmacy, Ooty	45	38	520
	TOTAL	598	292	2795

Dr. Asha S

Group B Officer, Karnataka Administrative Service
1994. JSSDC , Mysore

"I cherish my student days at JSS Dental College. The mentors, the environment, the skills which we internalised have all gone to making my personal and professional life holistic. I feel I am equipped to take on any assignment and excel in it without too much stress. JSS University without a doubt will make a significant contribution to developing top class health care human capital for the world."

FINANCE SECTION

The finance section under the Finance Officer manages the operation of various accounts of the University & constituent colleges, managing the finance, accounts, investment of the University & constituent colleges, implementing Finance Committee recommendations, Budget planning, Annual accounts and audit, Financial planning and Maintaining the fiscal viability.

Finance Officer: Mr. G. Shanmukha

Deputy Finance Officer: Mr. Hiremath

The annual budget of the University and its constituent colleges is prepared and submitted for approval in the finance committee and Board of Management meeting. The budget of the University and constituent colleges for the year 2010-11 is as follows:

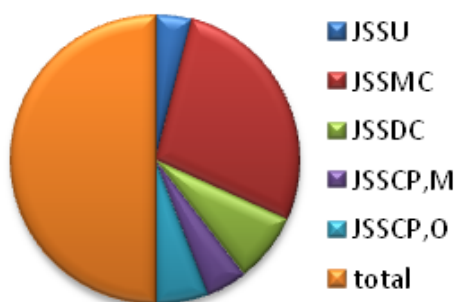

JSS University Budget 2010-11 (Original): (In Lakhs of Rupees)

Sl. No.	Name Of The University/College	Receipts	Expenditure	Surplus
1	JSS University	536.50	360.10	176.40
2	JSS Medical College	3299.55	3286.35	13.20
3	JSS Dental College & Hospital	997.77	917.14	80.63
4	JSS College of Pharmacy, Mysore	603.80	503.80	100.00
5	JSS College of Pharmacy, Ooty	736.85	728.25	8.60
6	TOTAL	6174.47	5795.64	378.83

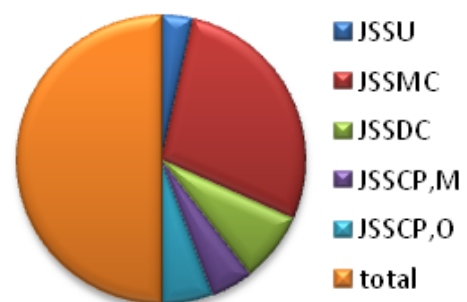

JSS University Budget 2010-11 (Revised): (In Lakhs of Rupees)

Sl. No.	Name Of The University/College	Receipts	Expenditure	Surplus
1	JSS University	530.83	452.81	78.02
2	JSS Medical College	3613.75	3601.85	11.90
3	JSS Dental College & Hospital	1010.77	1004.10	6.67
4	JSS College of Pharmacy, Mysore	605.10	599.80	5.30

ESTABLISHMENT SECTION

The establishment section under the deputy registrar is responsible for Administration of Constituent colleges & maintenance of Urban and Rural Health Centres of JSS Medical College, framing of University guidelines, general circulars, staff welfare measures, purchases, AMC's, Civil works, general contracts and agencies, Construction & development projects and Estate management.

During the year 2010-11, the

University undertook several measures to improve the infrastructure both in terms of human resources and building construction. Recruitment of new staff in teaching and nonteaching category to support the growing needs as well as expansion of infrastructure facilities such as library upgradation, construction of new hostel, upgradation of laboratories, purchase of new equipment, implementation of new technology wherever necessary.

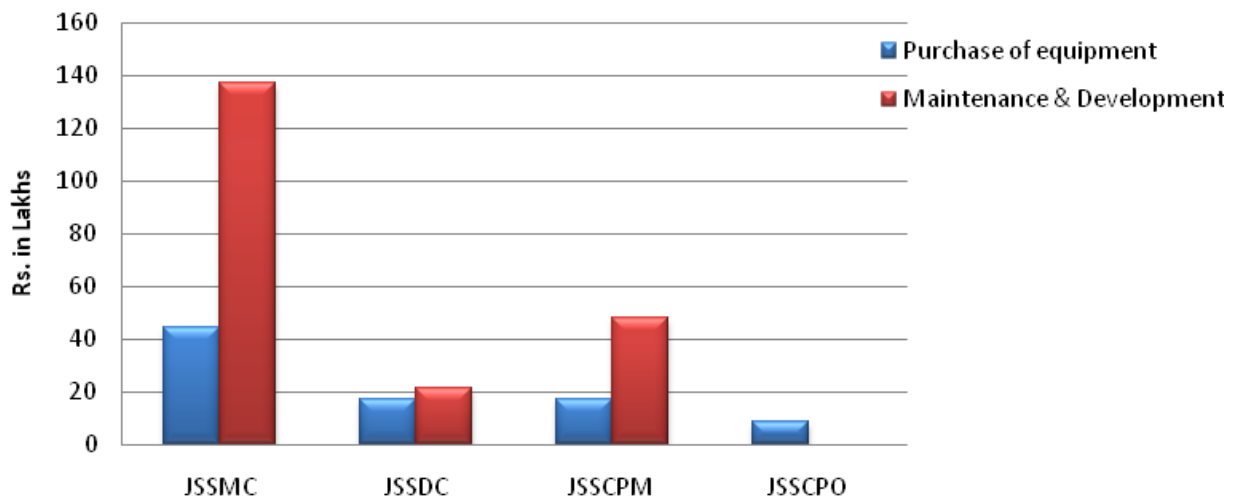

Deputy Registrar: Smt. M.S. Kokila, MA

Expenditure towards Purchase of Equipment:

Sl. No.	Name of the College	Purchase of equipment Rs. In Lakhs	Maintenance & Development Expenditure Rs. In Lakhs
1	JSS Medical College	44.45	136.82
2	JSS Dental College & Hospital	17.42	21.25
3	JSS College of Pharmacy, Mysore	17.31	47.90
4	JSS College of Pharmacy, Ooty	8.61	---

Financial Expenditure

RESEARCH SECTION

The University research section under the Director-Research is responsible for nurturing research in the University & constituent colleges, research coordination & management, publication of University Journal & Newsletter. They also help in preparation and submission of research projects for the various funding agencies, encouraging students to undertake research work, etc.

During the year 2010-11 the University and its constituent colleges submitted research projects to a tune of Rs. 2238.66+US\$74700 to various funding agencies and obtained research grants worth Rs. 276.62 lakhs for 32 research projects sanctioned from the funding agencies.

The faculty of constituent colleges published a total of 315 research papers in various journals and presented 271 research papers in various national and international conferences and seminars. Students undertook several research projects funded by JSS University and other funding agencies.

Director-Research:
Dr. S. Balasubramanian. M.Sc., M.Phil., Ph.D

Project coordinator:
Dr.Suriyanarayanan, M.Sc., Ph.D

Funds Received for Research Activities from Various Funding Agencies:

Sl. No.	Name of the College	No. Of Projects	Grants Sanctioned Rs. In Lakhs
1	JSS Medical College	19	140.39
2	JSS Dental College & Hospital	2	0.10
3	JSS College of Pharmacy, Mysore	2	30.36
4	JSS College of Pharmacy, Ooty	9	105.77
5	Total	32	276.62

Research Projects Proposal Sent to Various Funding Agencies:

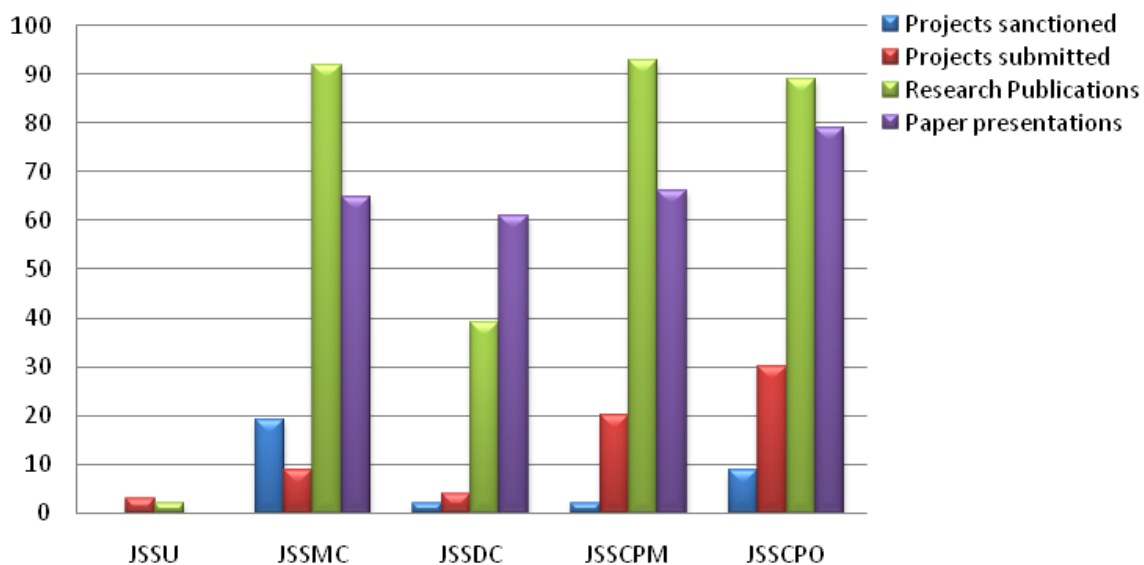

Sl. No.	University/College	No. Of Projects	Value of the Projects Rs. in Lakhs
1	JSS University-Dept. of Water & Health	3	47.00
2	JSS Medical College	9	242.48
3	JSS Dental College & Hospital	4	618.60+US\$74700
4	JSS College of Pharmacy, Mysore	20	497.86
5	JSS College of Pharmacy, Ooty	30	879.72

Research Publications by Faculty in International and National Journals:

Research activities

MAJOR ACHIEVEMENTS OF JSS UNIVERSITY DURING THE YEAR 2010-11

- Dr. B. Suresh nominated as Chairman, Scientific Body of Indian Pharmacopoeia Commission, Ministry of Health & Family Welfare, Govt. of India, Ghaziabad.
- JSS University successfully released the Strategic Plan 2010 clearly stating the short-term and long-term goals to be realized with definite objectives.
- JSS University under its Medical and Dental College established a Hospital at Suttur to realize the dream of making Suttur a Model Health Village which is the brainchild of His Holiness Sri Shivarathri Deshikendra Mahaswamiji. The hospital will offer comprehensive healthcare services on a subsidized or free basis and provide referral services for advanced care.
- JSS University successfully conducted the First Convocation for its students-119 M.Pharm students were awarded their degree after successful completion of their course. 10 students received Gold Medal awards for outstanding performance in their respective specializations.
- JSS College of Pharmacy, Mysore and Ooty granted permission for increased intake for Pharmacy Postgraduate programmes.
- JSS University obtained the approval of UGC for the establishment of Department of Water & Health and to conduct M.Sc programmes in Environmental Sciences.
- JSS University obtained the approval from UGC for the establishment of Department of Health System Management Studies and starting of MBA programmes in Hospital Administration and Pharmacy Administration.
- JSS University got the approval for increase in the intake of Postgraduate students in Medical as well as Dental Colleges.
- JSS University successfully conducted the Entrance test-2011 for students seeking admission to Postgraduate Medical and Dental courses.
- JSS University has been recognized by National Institute of Health, USA as remote site to offer a certificate course in "Principles of Clinical Pharmacology" programme.
- JSS College of Pharmacy, Mysore has undergone ISO 9001:2008 Audit by Tuv Rheinland (India) Pvt. Ltd. for its Quality Management System and Tuv Rheinland was pleased to certify the college with ISO 9001:2008 certificate.
- MoU signed with several national and international organizations and universities-University of Illinois, Chicago, USA, Long Island University, USA, National Cancer Institute, Frederick, USA, Strides Arcolab, Bangalore, Latrobe University, Australia, Khon Kaen University, Thailand, Philips Electronic India Pvt. Ltd., Bangalore, Gujarat Forensic Sciences University, Gujarat, Sristek Company Pvt. Ltd., Hyderabad, etc.

Dr. Vijay Kulkarni

Lecturer
JSS College of Pharmacy, Ooty

“ My time here as a student was fabulous. Today it stays the same, but with greater responsibility to learn and mentor a whole bunch of young minds. Being involved in continuous education programs, JSS as a pioneer offers phenomenal exposure to its students through participation in national and international conferences.

The role of JSS in human capital in health care is expanding. Students are being absorbed into colleges as faculty, some into research and others into pharmacists who play a vital role in drug development, drug safety and chemical research. I have personally resolved to mentor students so that they become first class health care professionals, anywhere in the world.”

DISTINGUISHED VISITORS OF JSS UNIVERSITY

1. Dr. APJ Abdul Kalam, Former President of India.
2. Dr. S.K. Guptha, Managing Director, Guptha Pharmaceuticals, Jabalpur, Madhya Pradesh.
3. Dr. M. Chandrashekar, Associate Professor, University of Finlay.
4. Dr. Krishna Kumar, Howard University, USA.
5. Mr. S. Dhanasekaran, Medical Research Specialist-1, United Arab Emirates University, UAE.
6. Dr. Sanjay Malhotra, National Cancer Institute, USA.
7. Dr. J.S. Yadav, Director, IICT, Hyderabad
8. Dr. P.D. Guptha, Adjunct Professor, Manipal University, Manipal.
9. Dr. Sridhar Shetty, Ex-President, DCI, Director, Sr. Professor, AB Shetty Dental College, Mangalore.
10. Professor S.N. Hegde, Former Vice Chancellor, University of Mysore.
11. Dr. A.S. Bawa, Director, Defence Food Research Laboratory, Mysore.
12. Dr. Vijayalakshmi Basavaraj, Director, All India Institute of Speech & Hearing, Mysore.
13. Prof. Narayan Shastry, Consultant, SIUD, Administrative Training Institute, Mysore.
14. Dr. Shyam Biswal, Professor, School of Public Health, Johns Hopkins University, USA
15. Dr. Sakda Daduang, Associate Dean for Research and International Relations, Khon Kaen University, Thailand
16. Dr. Saowanit Thongpim, Head of the Department, Microbiology, Khon Kaen University, Thailand
17. Dr. Pisit Charoensudjai, Head of the Department, Environmental Sciences, Khon Kaen University, Thailand
18. Dr. Wirongrong Mongkonthum, Faculty, Department of Environmental Sciences, Khon Kaen University, Thailand.
19. Dr. Lokendra Singh, Director, DRL, Tezpur.
20. Dr. Chatterjee, DRL, Tezpur.
21. Dr. K.S. Manja, Visiting Professor, University of Mysore.
22. Dr. S.L. Vaya, Director, Institute of Behavioral Sciences, GFSU, Gujarat.
23. Mr. Ramesh Meesala-President & MD, Sristek Company, Hyderabad
24. Mr. Arul Prakash, Assoc. Director-Clinical Operations, Sristek Company, Hyderabad.
25. Prof. Jos Smits, Professor of Pharmacology, Maastricht University, Netherlands
26. Dr. Doreen Colliyn, Maastricht University, Netherlands
27. Dr. Shyam Vasudeva Rao, Phillips Electronic India Pvt. Ltd.

Details of the Various Projects Initiated:

Sl. No	Name of the Project/work	Details of entrustment	Date of commencement	Project estimated duration	Project estimated cost
1	Construction of Girl's Hostel (D-Block) at JSS Medical institution campus, Mysore	M/s Lakshmi Narasimha Enterprises, Bangalore	13.02.2011	18 months	Rs. 578 lakhs
2	Construction of Girl's Hostel at JSS College of Pharmacy campus, Mysore	Sr. A.C. Jagadish	25. 01.2011	18 months	Rs. 345 lakhs
3	Construction of canteen building at JSS Medical institution campus, Mysore	M/s SNR Associates, Mysore	16.01.2011	9 months	Rs. 97.80 lakhs
4	Construction of Board Room at JSSMC, Mysore (Civil works)	M/s SNR Associates, Mysore	03.01.2011	9 months	Rs. 16.67 lakhs

DEVELOPMENTS

1. Initiated

JSS University initiated the procedure to submit Self Evaluative Report for obtaining the NAAC accreditation.

The University has initiated the process of upgradation of infrastructure at its constituent colleges to a tune of Rs. 10 crores.

The laboratories of Medical college and Pharmacy colleges are undergoing complete facelift to meet international standards.

2. Proposed

The construction of a new girl's hostel at the Medical College and Pharmacy College at Mysore is to be taken up shortly.

The University is in the process of submitting a proposal to the Department of Science and Technology for the establishment of Centre of Excellence in Nanomedicine.

The University is working with the National Cancer Institute, USA to set up a centre for drug discovery at Mysore. A comprehensive proposal for international funding is being planned for the same. JSSU has signed an MOU with NCI as an initial step.

The University is working with School of Public Health, Bloomberg, Johns Hopkins University for the establishment of a School of Public Health at JSSMC.

The University will be organizing a seminar cum workshop in April 2011 with the cooperation of NCI, USA on Drug discovery and development where about 25 scientists from USA are expected to participate.

JSS University and Johns Hopkins University will be organizing a workshop on Non-communicable diseases in January 2011 as a prelude to signing of MoU with Johns Hopkins University.

NEW COURSES

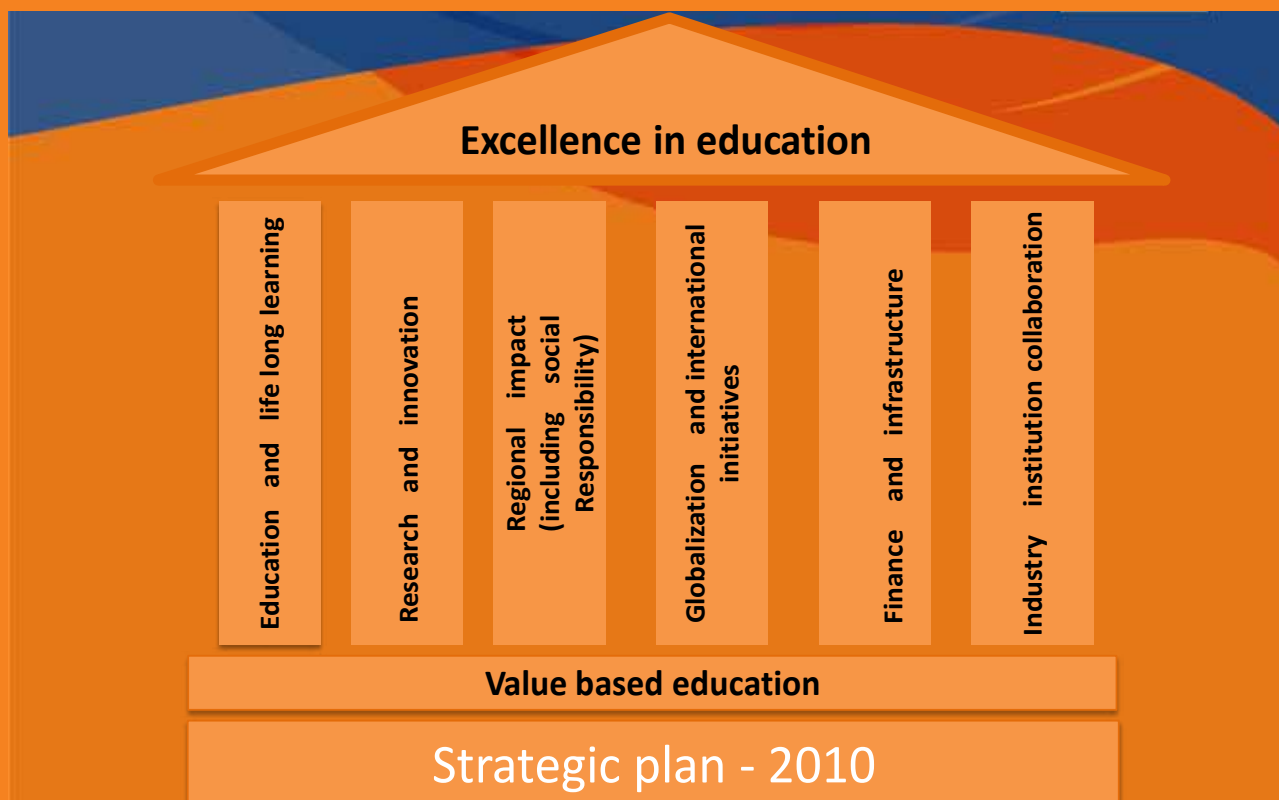

- PG diploma courses at JSS Dental College,
- MD Radiology and DMRD at JSS Medical College,
- M.Pharm in Clinical Practice and Research at JSS College of Pharmacy at Ooty and Mysore,
- Ph.D in Water and Health and M.Sc

in Environmental Sciences.

JSS University in the last two years has progressed significantly in several of the areas that needed attention including the introduction of new and innovative programmes, capacity building, international collaborations, nurture research culture, infrastructural upgradation, and financial sustainability; promote continuing education and faculty development programmes.

JSS University's Strategic Plan

The Planning and Monitoring Board of the University recommended that the University prepare a Strategic plan and give certain guidelines for the development of the same, which was duly considered by the Board of Management. After incorporating the considered views of the Board of Management, the strategic plan of the university is developed with focus on the following thrust areas:

- a) Education and lifelong learning
- b) Research and Innovation
- c) Regional impact-including societal responsibility
- d) Globalization and international initiatives
- e) Finance and infrastructure
- f) Industry institution collaboration.

These are the thrust areas that provide guidance to the university in enhancing excellence in education, research, international activities, organizational administration, finance, campus environment, information

dissemination and linkage with society.

Future Plans

JSS University was successful in UGC and MHRD audit held in the year 2010. To further enhance its growth and for sustainable development JSS University has outlined short-term as well as long-term goals so as to ensure that the growth and development of the University is towards realizing its vision and mission.

Short-term goal (2011-2015): To emerge as the most respected educational and research institution in the country.

- 2011-complete accreditation processes by NAAC; initiate steps for establishing off campus and off-shore campuses.
- 2012-Initiate and obtain international accreditations; automation of processes to be completed.
- 2013-Integration of various

institutes on the common processes.

- 2014-Show 90% completion of all tasks planned under short-term initiatives and be a viable university valued for its education and research.
- 2015-Review.

Long-term goal (2016-2020): To be listed among the top universities in the world by 2020. The vision 2020 of the university is that by the year 2020 will:

- Have an enrolment of 100,000 students
- Maintain fiscal stability
- Be a multi-campus University
- Achieve significant growth in graduate programmes and research
- Provide curricular innovation and issue based education reflective of state, regional and national needs
- Have sustainable practices throughout the organization
- Be listed amongst the top universities of the world.

JSS Medical College

Dr. Venkatesh

Post graduate Resident in Internal Medicine
JSSMCH, Mysore

"As a postgraduate student, I get a lot of exposure to a kaleidoscope of clinical material and an impetus for research. I am proud that I work with stalwarts of medicine in this area of specialisation, like Dr. Basant Gowdappa, Dr. Sudarshanamoorthy, Dr. Harsha, Dr. Manjunath Shetty to name a few. I am sure that the exposure I get here is at par with my peers in premier institutions across the country. JSS offers a friendly environment for learning. The rapport between the faculty and students is incomparable. Regular teaching programs and bedside teaching is an integral part of the JSS methodology and which cannot be found elsewhere.

JSS University and the Mutt have provided employment opportunities and pathways for growth to thousands of students and their families. Our medical college and hospital have nurtured and given back to the world over 3500 medical graduates who in turn have been providing Medicare to the poor and underprivileged sections of society. Our individuality and aspirations are respected and nurtured here at JSS."

Dr. H. Basavanagowdappa Principal

Dr. H. Basavanagowdappa, a cardiologist by profession since assuming charge as the Principal of the Medical College has ensured that the institution emerges as one of the prime institutes imparting quality education based on values by his stringent measures and able administration.

JSS Medical College established in the year 1984 has successfully completed twenty five years of yeomen service to mankind in training qualified doctors and health care personnel and offering quality health care to the people at affordable cost. The college which offers undergraduate, postgraduate and diploma courses in various specialties of medical faculty, paramedical courses and post doctoral programmes has the best human resources to guide and support in all its endeavours. The increasing number of applications every year for its admission stands a testimony to the quality of education imparted in theoretical knowledge and providing practical/clinical expertise. The dedication and noble deeds of teaching and nonteaching faculty, state of the art infrastructure, ancient values imbibed in education have made this institution a much sought after institution by students from India and across the globe.

The College since 2008 has been a constituent college of the JSS University and has been provided with the necessary support and facilities to emerge as one of the premier institutes dedicated to research in the field of medical faculty. Research projects undertaken in the institute have much to offer not only for the benefit of the urban areas but

also the remote rural tribes who are deprived of even the basic health care facility. The community programmes conducted to commemorate various celebrations as declared by World Health Organization have been oriented mostly to the benefit of the rural population making it one of the most significant organization dedicated to serve mankind; a true value imbibed by the rich cultural heritage of the erstwhile pontiffs of the Math which is the parent organization guiding all its 300 plus institutions in various fields.

The college since its establishment has so far trained 3513 undergraduate students and 934 post graduate students.

The 400 plus faculty under the able guidance of Dr. Basavanagowdappa have made this institution gear up for yet another noble task by establishing a super specialty state of the art hospital with 1500 beds in the near future to cater to the ever increasing demand and never ending inventions and discoveries of new technology in medical fraternity.

The various degrees offered by the college are duly recognized by the Medical Council of India, General Medical Council of the United Kingdom, Sri Lanka Medical Council, Malaysian Medical Council and World Health Council (WHO), the Royal College of Obstetrics and Gynaecology, United Kingdom for the award of Membership Exam of Royal College of Obstetricians and Gynaecologists (MRCOG).

The College has a 1200 bedded hospital attached to it located in the heart of Mysore as well as one urban and three rural primary health centres to cater to the remote rural population.

The College comprises of 7 basic medical sciences departments, 12 clinical departments and 9 super specialty departments and has an intake of 150 for undergraduate course, 85 for postgraduate degree and diploma programmes and 50 for paramedical courses. The college also offers DNB programmes and Ph.D programmes for the students.

Details of New Courses Commenced in the Department/College.

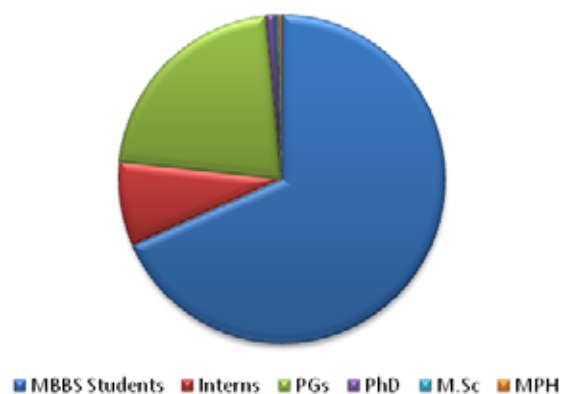

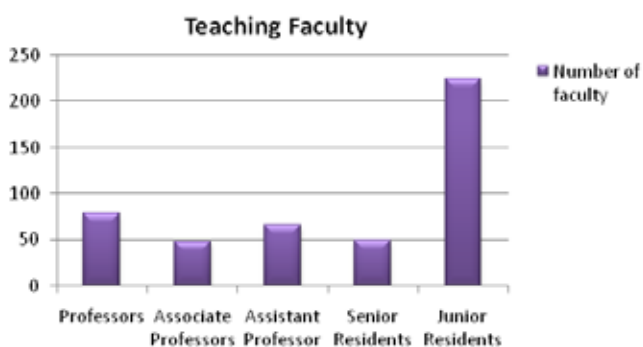

Course	Total intake	Duration of the Course
B.Sc Medical Laboratory Technology	10	3 ½ Yr

9	Study of caesarean deliveries, indications, complications and outcome	Sandhya B.K.	Dr. Manjula A.Patil Asst.Prof. of O.B.G.	5000.00	ICMR

Student Achievement

Sl. No.	Name of the Student	Achievement
1	Dr. Ganashree C.P. PG student Dept. of Physiology	Awarded prestigious Indian Association of Biomedical Scientists – PGIBMS Award at 31st Annual National Conference at Tiruchengode on 29th to 31st Oct. 2010 for the paper "Heart Rate Reserve – A useful tool for evaluation of chest pain in middle aged". Awarded 1st prize in poster presentation in National level, 31st Annual Conference of IABMS at Tiruchengode on 30th October 2010
2	Dr. Srinath C.G. P.G. Student Dept of Physiology	Awarded 2nd prize in poster presentation in Nutrition – APTCON-2010 at Coimbatore on 8th & 9th October 2010
3	Dr. Hemanth Kumar PG Student Dept of Forensic Medicine	Awarded third prize in the quiz competition for the Post Graduates.
4	Dr. Nataraj P.G. Student Dept of Biochemistry	Awarded third prize in quiz competition held in 18th National Conference of Association of Medical Biochemists of India, Hyderabad from 12-14th November 2010.
5	Dr. Karthik P.G. Student Dept of Biochemistry	Awarded third prize in quiz competition held in 18th National Conference of Association of Medical Biochemists of India, Hyderabad from 12-14th November 2010.
6	Dr. Ujwal P.G. Student Dept of Biochemistry	Awarded third prize in quiz competition held in 18th National Conference of Association of Medical Biochemists of India, Hyderabad from 12-14th November 2010.
7	Dr. Gargi Sen P.G. Student Dept of Biochemistry	Awarded third prize in quiz competition held in 18th National Conference of Association of Medical Biochemists of India, Hyderabad from 12-14th November 2010.
8	Dr. Nagalakshmi P.G. Student Dept of Biochemistry,	Awarded best poster award among 136 posters presentation held in 18th National Conference of Association of Medical Biochemists of India, Hyderabad from 12-14th November 2010.
9	Dr. Pawan P.G. Student Dept of Paediatrics	Awarded 2nd prize for poster presentation at South Zone PEDICON 2010 Conference held at Hassan.
10	Dr. Puja Jain P.G. Student Dept of Paediatrics	Awarded 1st prize for poster presentation at South Zone PEDICON 2010 Conference held at Hassan.
11	Dr. Sandhya Ravindra P.G. Student Dept of Dermatology	Awarded 1st prize for case report and 3rd Prize in quiz competition held at CUTICON Karnataka 2010, State level Conference of IADVL, Raichur on 23rd & 24th Oct 2010.
12	Dr. Abinetha Hosathota P.G. Student Dept of Dermatology	Awarded 1st prize for case report and 3rd Prize in quiz competition held at CUTICON Karnataka 2010, State level Conference of IADVL, Raichur on 23rd & 24th Oct 2010.
13	Dr. K.Subramanya PG in Medicine	Best Award Paper – KAPICON – 2011, JSS Medical College, Mysore
14	Dr. Mihir B Shah PG in Medicine	Best Free Paper Award – KAPICON – 2011, JSS Medical College, Mysore

CULTURAL ACTIVITIES

The Cultural Committee with its zest and commitment towards holistic development of students organized various events within the college and encouraged avid student participation in the various Inter College Fests. Our students as always have done us proud by bringing home the accolades.

The Cultural Scene- within College Walls

The local cultural scene witnessed an exciting transformation; Our Annual College Fest matured to new heights, taking steps towards our ambitious vision of hosting an Inter Collegiate Fest.

- The Birth and Genesis of TATVAM 2010-Realise that thou Art.

The annual JSSMC Fest was held between October 2006 and October 2010; a span of 5 days which witnessed the unraveling of various

talents among the undergraduate and postgraduate student fraternity. Over 50 competitions were conducted under broad categories namely.

- Cognito – I think therefore I am (Literary Events)
- Arterial Regurgitation-Plethora of colours (Fine Arts)
- Medusa- A thousand eyes won't suffice (Cultural Arts)
- Odyssey-The synosure of all senses

The response of the students was overwhelming, encouraging and heartening.

The success of the event most certainly pointed towards the possibility of Tatvam transcending boundaries to become an intercollegiate fest in the near future and evolving to be the permanent cultural identity of JSSMC.

Individual Literary Champion :
Dr. Nirmal S.

Individual Cultural Champion :
Dr. Anitha V.

Individual fine Arts Champion :
Dr. Preetham Rahul T.

The Fresher's Day-October 2010

In sync with the University's vision of offering the best to its students, the new comers to the JSS family had the opportunity to break the ice with seniors and staff during the Fresher's Day. It also offered them a platform to showcase their talents. It was no surprise that the newcomers made the best of the opportunity given to them.

Intra City Quiz Competition-September 2010

The college hosted an Intra City Quiz Competition, the first of its kind. Organised by Dr.Namratha R, Dr. Suhas S. and Mr. Vivekanand C.; the competition was done with magnanimous intentions, as the proceeds collected from the competition was contributed towards charity.

Graduates Day 2010

One of the most anticipated days in a student's life. The day that officially marks his/her debut to the working life; the endless efforts finally sees light. The cultural committee came together to ensure that the day will be memorable for the students and proud parents alike, by putting together a cultural show; the highlight of which was the Staff Fashion Show. The staff – like never seen before, boldly lit the ramp on fire with their style, attitude and class. It transformed into an evening that was etched into the hearts and minds of the Graduates.

The Cultural Scene- beyond College Walls

As our students ventured beyond our college, they soak in the culture of the new environment and embrace the challenges thrown at them. More often than not they return with accolades and fond memories. The following comprises of a sneak peak into our student ventures beyond college.

Inter College Competitions:

Autumn Muse – St. John's Fest 2010 – 12th – 14th August 2010

Regional Extempore and Creative Writing: Shasthara-7th term student – 1st Prize

English Creative Writing: Aishwarya 7th term student – 3rd Prize

Antakshari: Ankit 5th term,

Vivekanand C. 7th term- 3rd Place

MMC Fest – Parivartan – October 2010

Quiz Competition: Vivekanand C&M Sibgatullah – 3rd Place

Namratha R. & S Suhas – 1st Place.

Our students also represented our colleges at Bhagavadam singing competition organized by the Rotary Club, Mysore and "Spandan", JIPMER Fest between 30 August and 4th September

ALUMNI ASSOCIATION

JSS MEDICAL COLLEGE ALUMNI ASSOCIATION, MYSORE

(Website: www.jssmcalumni.com;
Email: info@jssmcalumni.com)

Till date 4523 graduates and post graduates have passed out of our college. 3513 graduates, out of which 2079 have graduated from Mysore University and 1434 from RGUHS, Bangalore (Gender wise breakup 2128 male and 1385 female graduates).

A total of 1010 post graduates have passed out of our institution, out of which 81 from Mysore University, 902 from RGUHS and 27 from JSS University Mysore. (Gender wise breakup: 627 male and 383 female graduates).

JSS Medical College Alumni Global Reunion

Grant reunion is planned on 16th, 17th & 18th December 2011 for all the undergraduate and postgraduate alumni of our college. There will be exciting events in the form of meeting your teachers and fellow colleagues, batch mate, seniors and juniors of various batches. There will be a cultural extravaganza with

the renowned performers in various fields. All the old students who have not visited the institution will have an opportunity to tour the campus and rejuvenate their past memories.

On 17th December 2011, H.H. Swamiji will bless the alumni & also perform Bhoomi Pooja for the proposed Student's Amenity Centre in the sports ground.

FUTURE PLANS OF COLLEGE/ DEPARTMENTS

- Developing state of the art infrastructure by modifying and upgrading teaching facilities.
- Upgrading practical hall to International standard.
- Suttur Model Health Village Programme to provide compressive health care to all residents of Suttur.
- Students centre
- A new student's centre with gymnasium and pavilion is planned to be constructed near the sports ground to cater to needs of all the

extracurricular activities of students.

- Enhancement of faculty development programme.

- Implementation of digital learning for students in collaboration with MedRC, Hyderabad.

- New (1600 bedded) hospital block will be inaugurated in the middle of 2012. It is built at a cost of 350 crores and will serve to the needs of all the specialities and will have state the art laboratory services.

Cardio thoracic & Vascular Surgery block will also be started in the New Block which will have the latest infrastructure. This hospital will cater to the needs of all the sections of the society.

Commencing Super Speciality courses in the following disciplines:

- DM Cardiology
- DM Gastroenterology
- M.Ch. in Paediatric Surgery
- M.Ch. in Urology
- M.Ch. in Neurology
- MD- Tuberculosis and Respiratory Medicine /Pulmonary Medicine

JSS Hospital

Dr. Shastara

MBBS, JSS Medical College and Hospital

"As a student who is moving into internship I have been inspired by a singular philosophy which I see in action every day. From the omnibus crew to the vice chancellor, at JSS, dedication, determination and service are the chief goals. A sprawling campus and salubrious climate are the chief assets. Unpretentious working environment is yet another feather in JSS's cap.

This institution has made a great impact on me – personally and professionally. Personally I have become extremely disciplined. Professionally, dignity and decorum in my profession are the priorities. In this hospital, the poorest of the poor get adequate care at a reasonable price. Where have you seen an outpatient card which costs just Rs.10? From the grassroots levels through BHCs, Urban Health Centres, Mobile Clinics and dedicated auxiliary and chief medical staff, great healthcare is provided. JSS believes that a doctor's job does not end when the temperature becomes normal or when stitches are removed, but when humanity is benefitted at large!"

JSS Hospital, one of the renowned hospitals in South India is known for its quality service especially to the rural poor at affordable cost. The hospital which was ISO certified has professionals from all Medical specialties catering to the ever increasing demands of patients not only from Mysore but also from surrounding districts and states. The facilities available in the hospital for training undergraduate as well as postgraduate students along with the guidance of well qualified faculty have made JSS Medical College & Hospital one of the sought after institutions in the country by the students. The clinical departments are well equipped with modern instruments, diagnostic facilities and treatment modalities.

The hospital also has 24x7 blood bank and drugs centre. The clinical departments in Medicine, Surgery, Paediatrics, Orthopedics, Radiodiagnosis, Ophthalmology, Anaesthesia, OBG, ENT, Dermatology and Psychiatry are functioning round the clock throughout the year. The superspecialty departments have well qualified specialists for consultation and treatment of patients.

The Hospital has the following Superspecialty Service-

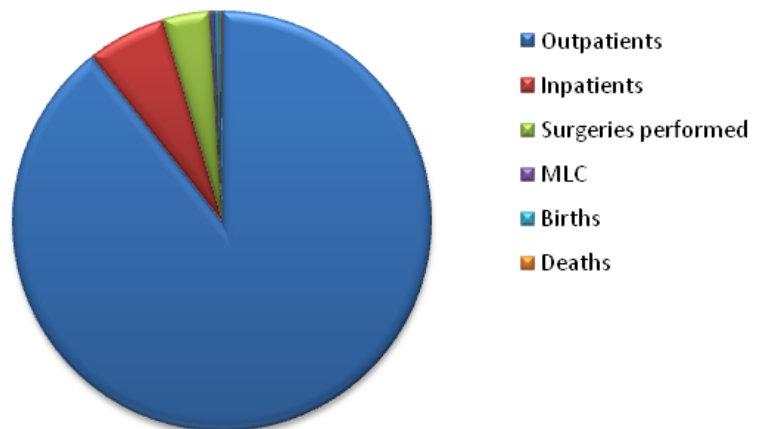

- Urology
- Nephrology
- Pulmonology
- Neurology
- Medical Gastroenterology
- Surgical Gastroenterology
- Plastic Surgery
- Clinical Hematology
- Paediatric Surgery

The Hospital is also coming up with a superspecialty state-of-the-art hospital with 1500 bed capacity to meet the demands of increasing number of patients as well as availability of superspecialty services to the patients.

Hospital Statistics

Number of Patients

SUTTUR MODEL HEALTH VILLAGE CONCEPT

In order to cater to the health needs of rural people the Sustainable Rural Health Model concept was implemented at Suttur which is the brain child of His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji wherein about 12,000 residents of Suttur are provided quality healthcare at no cost or at subsidized rates. This involves screening of all

the residents, issue of identity cards, distribution of antihelminthic drugs and referral of patients with health issues especially cardiac to JSS Hospital at Mysore and treated free of cost.

Towards achieving this, a Hospital was established at Suttur which was inaugurated on January 31st 2011 by Sri S.A. Ramdas, Honorable Minister for Health, Govt. of Karnataka. The hospital at Suttur has facilities for Medical Minor OT, labour room, ECG and cardiac care, general consultancy services, diagnostic lab., provision for drug centre and dental clinic including

surgical and restorative treatments.

JSS Hospital has pledged to ensure that the residents of Suttur have access to healthcare at all times by declaring:

- All residents would be free of communicable diseases
- All students of Suttur School would be free of dental caries.
- All residents will have access to quality medicine at affordable rates.

JSS Dental College

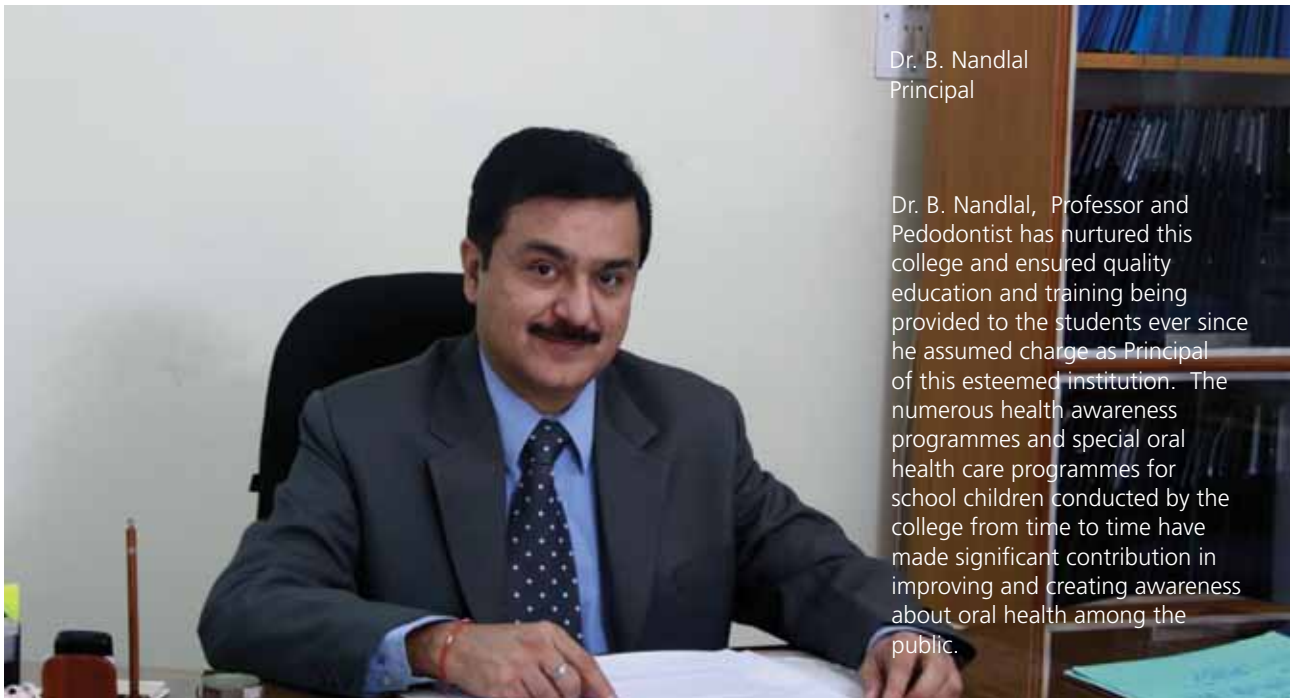

Dr. C P Kathyayini

Lecturer, Department of Prosthodontics Crown and Bridge, 1986. JSS Dental College and Hospital, Mysore

“In the 25th year of inception of our college, I take great pride in teaching students and house surgeons in patient care especially geriatric patients. JSSDCH provides high class treatment which is affordable to the privileged and the under privileged as well. Over the last nineteen years that I have been involved with JSS, I have seen patients who come here for treatment and care from far flung destinations.

As I specialise in care of the elderly, we ensure that every student looks after aged patients with consideration and understanding. We make sure that the students follow proper treatment procedures and also treat them as Human Beings, as the spiritual quotient is very important for every medical professional.”

Dr. B. Nandlal
Principal

Dr. B. Nandlal, Professor and Pedodontist has nurtured this college and ensured quality education and training being provided to the students ever since he assumed charge as Principal of this esteemed institution. The numerous health awareness programmes and special oral health care programmes for school children conducted by the college from time to time have made significant contribution in improving and creating awareness about oral health among the public.

JSS Dental College established in the year 1986 is celebrating its silver jubilee this year - a true reflection of the contribution of the college in delivering quality oral health care to the community and training outstanding professionals in their respective fields. The college has all the specialities of dentistry with facilities catering to the varied needs of treatment for the patients. The dedicated staff and ever enthusiastic students have made this college much sought after in south India for learning dentistry. The college is ranked 13th among the 240 dental colleges in India in the survey conducted by Mr. Har Kaur and Mr. B.M. Guptha based on the Research output, Impact, International collaborative papers and H-Index of the top 25 institutions in Dental Sciences during 1999-2008.

The college conducts courses for undergraduate, postgraduate as well as post doctoral programmes. It has commenced postgraduate diploma programmes in various specialties of dentistry. All the departments are well equipped with sophisticated instruments and technology ably supported by qualified and dedicated staff. The students are provided with separate laboratories for

undergraduate and postgraduate levels. The college library has subscription for renowned journals and online books and every year new books are added to the existing enormous volume of books to cater to the knowledge needs of the students. The sports, recreation and residential facilities are key reasons why the college is popular among dental students.

The college since its establishment has so far trained 1228 undergraduates and 248 post graduate students.

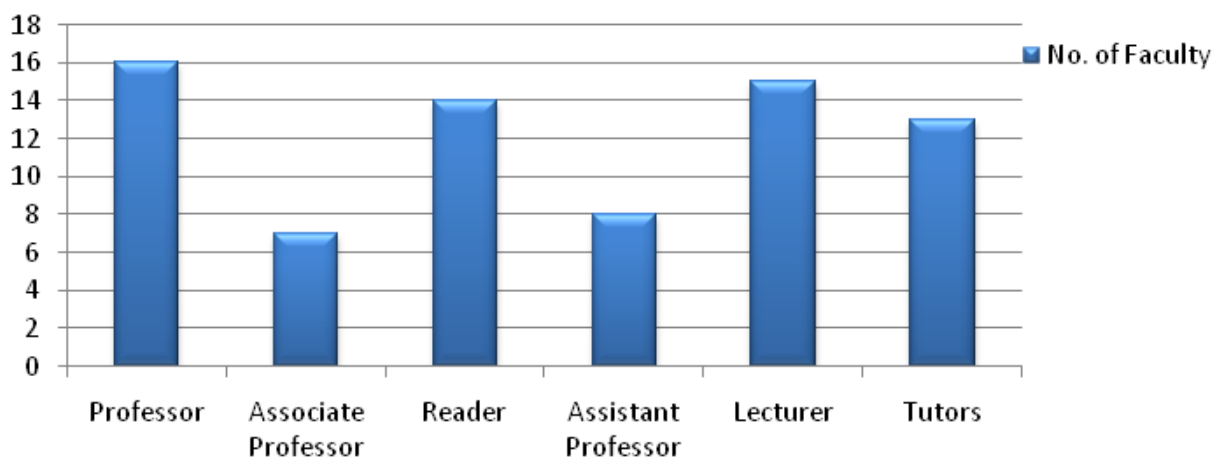

FACULTY

The College has highly qualified, dedicated faculty as per the UGC and DCI norm to cater to the educational needs of the student. Among the faculty, 59 are postgraduates.

CULTURAL ACTIVITIES

JSS Dental College organized several cultural events both internal as well as intercollegiate. The students enthusiastically participated in all these and won several prizes. The details of these are as follows:

- PINNACLE-2010 conducted on March-2010 as a part of Silver Jubilee celebrations being organized at Sri Gowrishankara Auditorium, JSS Dental College and Hospital.
- The College had organized cultural events for its students and the students were grouped into four groups named as Andes, Pamirs, Alps, Himalayas and Rockies. Competitions were held in the field of Rangoli, Kannada singing, Air Crash, vegetable carving, mask designing, quiz, mehendi, collage, antakshari, cooking, art of dental materials, classical singing, flower arrangement, face painting, twist the tale and JSS DC idol.
- The JSS Dental College & Hospital celebrated its Annual College Day based on the theme PINNACLE on 31st August-2010. Dr H Basavana Gowdappa, Principal, JSS Medical College was the Chief Guest and Dr P A Kushalappa, Director (Academic), JSS University was the guest of honour.

During the College Day celebrations there was active participation from about 45 staff. The programme was attended by the Principal and staff of the JSS Medical Institutions and students of JSS Dental College.

The college students also participated in external events such as-

- AISH Awaaz-February-2011-Mysore - The dental college students bagged First place.
- Sri Jayachamarajendra College of Engineering (Jayciana-April 2011), Mysore - Group dance first place.

SPORTS ACTIVITIES

To commemorate the silver jubilee celebrations of its establishment organized sports events which witnessed participation from several colleges.

Inter college cricket and throw ball tournament was conducted as part of silver jubilee celebration, BLITZ-2011 from 17-20th March-2011.

- JSS Dental College & Hospital cricket team were "RUNNER UP" in the cricket tournament in BLITZ-2011.
- JSS Dental College & Hospital throwball teams were "RUNNER UP" in the throw ball tournament in BLITZ-2011. Intra college cricket, throw ball, volleyball, football tournament conducted between 22nd Feb to 10th March-2011.
- The dental college students also took part in several sports events organized at various colleges and won several accolades.
- Dr Kaushik Pai participated in the Mysore District level chess tournament from 11th to 13th October-2010.
- JSS Dental College & Hospital cricket team participated in the all India Dental Cricket tournament in Dharwad from 26th to 30th January-2011.
- JSS Dental College & Hospital cricket team participated in the RGUHS intercollege cricket tournament in Mandya from 25th to 29th October-2010.
- JSS Dental College & Hospital participated in Suttur Jatra Inter College throwball tournament from 31st Jan to 3rd Feb 2011.

COMMUNITY SERVICES/INITIATIVES

JSS Dental College & Hospital as part of community service organized several camps both for screening as well as treatment in rural and urban areas. The School dental health programmes are conducted every year not only for schools in Mysore but also of surrounding districts with free treatment and distribution of oral cleansing aids to the students. Oral health awareness and educating the children with modern technology such as documentaries and enacting plays are a part of educating them.

The screening and treatment camps at Old Age homes in various parts of Mysore and Suttur are a regular feature of the College community initiatives. The NSS Wing also actively participates in these community causes and help create awareness among public about oral health. In addition to catering to the needs of normal human beings, JSS Dental College has undertaken the noble task of caring for the differently abled by adopting the several special schools and conducting screening as well as treatment camps for the needy.

The details of the programmes organized in various agencies are as follows:

Venue	Nature of camp	No. of beneficiaries
Old age homes-Suttur, Mysore	Screening camp	153
	Treatment camp	54
NSS -Sindhuvalli	Screening camp	80
Harividyalaya, Bhumanahalli, Shambhoganahalli, etc	Screening camp	997
Akilabharata mahila sangha abbinidhi, kuvempunagar	Screening camp	36
Suttur School	Screening camp	1035
Om Sai cultural and sports children	Screening camp	38
Vimala terminal care centre	Screening camp	15

Sri Bharathi Sevashram Vidyaranyapuram, Mysore	Screening camp	21
Nagarahole, Hunsur Tq.	Treatment Camp	61
Infosys	Screening camp	61
Siddalingapura	Treatment camp	115
Bannur	Screening camp	18
Rangarao Blind School for girls, Metagalli, Mysore	Screening camp	60
Ooty	Treatment Camp	100
MES College, Udayagiri	Screening camp	120
Central Jail, Mandya	Screening camp	98
CPC Polytechnic	Screening camp	200
JSS Sahana School, Saraswathipuram	Screening camp with paste distribution	200
Screening camp at Nazarbad by Builders Association, Mysore	Screening camp	85
Camp by Vivekananda trust at Kumbarakoppal	Treatment Camp	36

ALUMNI ASSOCIATION

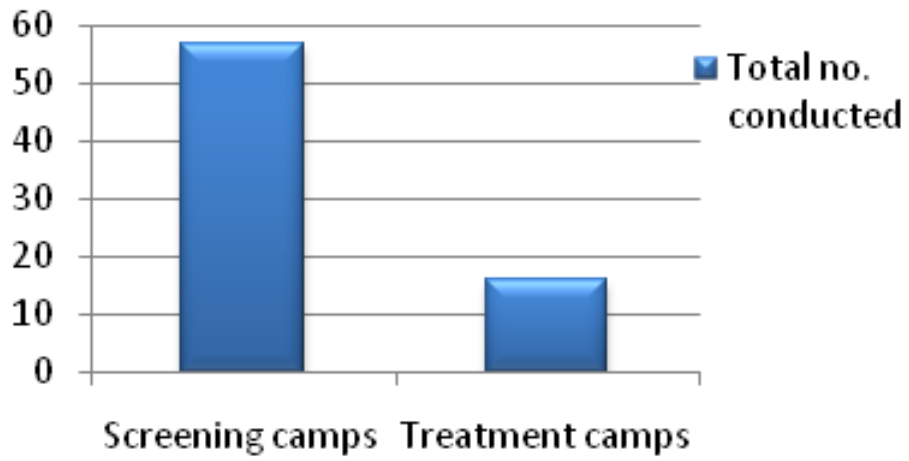

“Sammilana” the alumni association of JSS Dental College & Hospital has more than 1200 members which meet every year in the month of August. The association organizes several programmes such as hosting CDE programme and cultural events. The

alumni also interact with faculty and students and are involved in academic and research activities. The community dental health programmes are also benefitted by the alumni participation.

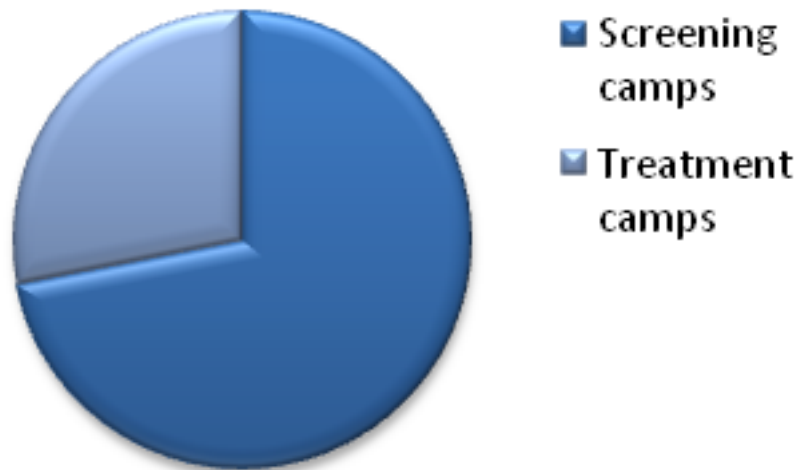

On 2010 August Sammilana conducted a CDE programme where

a guest lecture was delivered by Dr Vinay, Endodontist on “Rotary Endodontic” and by Dr Bennet, Periodontist. The students as well as private practitioners attended the guest lectures with a total of 800 delegates participating in the programme.

Community camps

No. of Beneficiaries

JSS Dental Hospital

Dr. Lakshmi M S, Post graduate student
Department of Paediatric and Preventive Dentistry, JSS
Dental College and Hospital, Mysore

“JSS, being an institutional hospital where we study and treat patients simultaneously, aims at nurturing students who are equipped with applicable knowledge to serve the society. This is our motto as well – to be of service to mankind by providing good health services.

As I am dealing with children it gives me great pleasure in bringing back the smiles on their faces through proper care. JSS has made sure that my academic knowledge is top class while making me a complete service oriented professional. Great care is taken to hone our social skills for after all we are treating people.”

JSS Dental Hospital is attached to JSS Dental College and has full fledged clinical facilities in all specialties of dentistry-oral medicine & radiology, oral & maxillofacial surgery, Paedodontics & Preventive dentistry, Prosthodontics, crown & bridge, Periodontology, Orthodontics, endodontics & conservative dentistry, community dentistry and oral pathology. The well qualified, experienced staff, train and guide the students in all modalities of treating patients with dental requirements. The oral and maxillofacial surgery department has an attached operation theatre with facilities for conducting both minor and major surgeries.

The wards cater to the inpatient requirement. The emergency service is operating round the clock.

All the departments have well furnished clinics with fully functional dental operating chairs, equipments and instruments. New equipments and technologies are added as when necessity arises. The economic treatment costs and the quality dental health care delivered in the hospital makes this one of the most popular dental hospitals in the region-as evidenced by the increasing number of dental outpatients year after year.

The hospital also has a mobile van which is fully functional and fitted

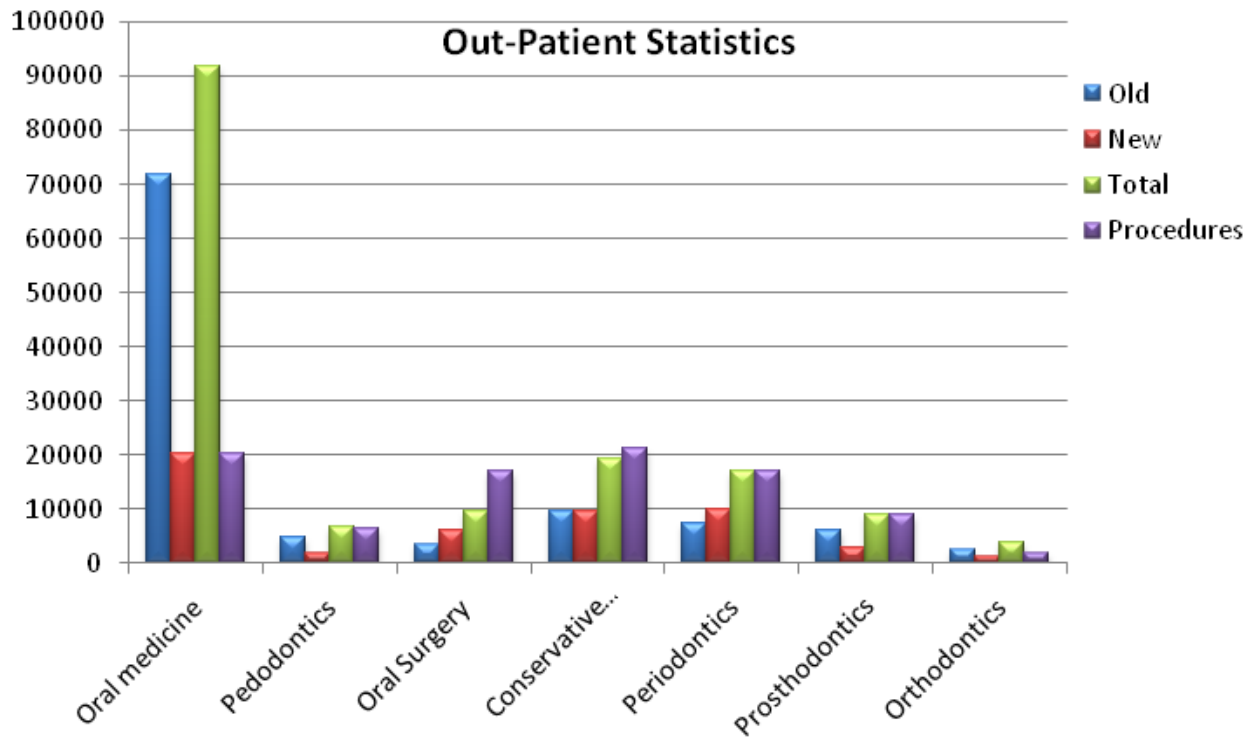

with modern dental chairs and necessary treatment equipment caters to the dental health care needs of rural and semiurban regions. Camps are organized in and around Mysore and surrounding districts and trained staff are deputed to deliver quality oral health care. The Suttur Hospital has a fully operational dental wing with permanent staff deputed and house surgeons on rotation. Dental treatment is given to patients at affordable cost. The hospital is dedicated and serves as a means of realizing the vision of His Holiness Swamiji in making Suttur a Model Health Village.

JSS College of Pharmacy, Mysore

Mr. Mohammad Saifullah

Research Scholar, JSS College of Pharmacy, Mysore

"This is one of the finest institutions for Pharmacy in the country. From the time I joined B Pharm nine years ago, I have only seen the University grow by leaps and bounds. The knowledge imparted to students is such that it comes with industry orientation. Every student is given the opportunity to improve his personality. Not only that the research work which is undertaken here ensures that the cost of medicines is kept low.

We get substantial exposure to forums, conferences and medical literature and are encouraged to participate in them as well. We also get to interact with eminent industry experts and scholars from other institutions. I think it is this overall development which sets JSS apart from any other college anywhere in the country."

Dr. H.G. Shivakumar
Principal

Dr. H.G. Shivakumar is the Principal of this college and as a strong academician always encouraged faculty and students to emphasize on research activities. The numerous publications by faculty in renowned journals nationally and internationally stand testimony to the research temperament of the faculty.

JSS COLLEGE OF PHARMACY, MYSORE

JSS College of Pharmacy, Mysore is one of the oldest institutions in the state of Karnataka training pharmacy professionals since 1973.

The College is ranked 13th amongst all the pharmacy colleges in India in Careers 360 survey by India Today.

Many alumni of this college have made their mark globally -such is the quality of education imparted to them at this renowned institute.

The college since its establishment has so far trained 1147 undergraduates and 353 post graduate students and 17 postdoctoral research scholars in various field of pharmacy.

The Pharmacy College has achieved a milestone by undergoing ISO 9000:2008 certification by TUV Rheinland, Germany to add feathers to the many accolades it holds.

Students are encouraged to visit industries during their course of study and also lectures are organized by eminent experts who have made their mark in the industrial sector.

New Facilities Available in the Department/College:

The Quality Management System of the college is certified ISO 9001: 2008 for providing Bachelor of Pharmacy (B.Pharm), Master of Pharmacy (M Pharm), Doctor of Pharmacy (Pharm D), Doctor of Philosophy in Pharmaceutical Sciences (Ph.D)

- Well equipped Modern PG Pharma Chemistry laboratory to carryout versatile synthetic reaction with basic instrumentation facilities to monitor and assess the progress of the reaction.
- Well equipped modern Pharma analysis laboratory with basic instrumentation facilities like Spectro Photometer, Flourimeter, electrophoresis, IR Spectrophotometry, HPLC and Gas chromatography

to carryout analytical method development and validation of pure drugs and pharmaceutical dosage forms.

- Well equipped Modern PG Pharmaceutics laboratory with sophisticated machines & instruments for formulation, development and evaluation of pharmaceutical dosage forms.
- Air conditioned Seminar Hall (60 capacity)
- Up gradation College Guest rooms
- Canteen Facility in college campus

New Courses Commenced in the College:

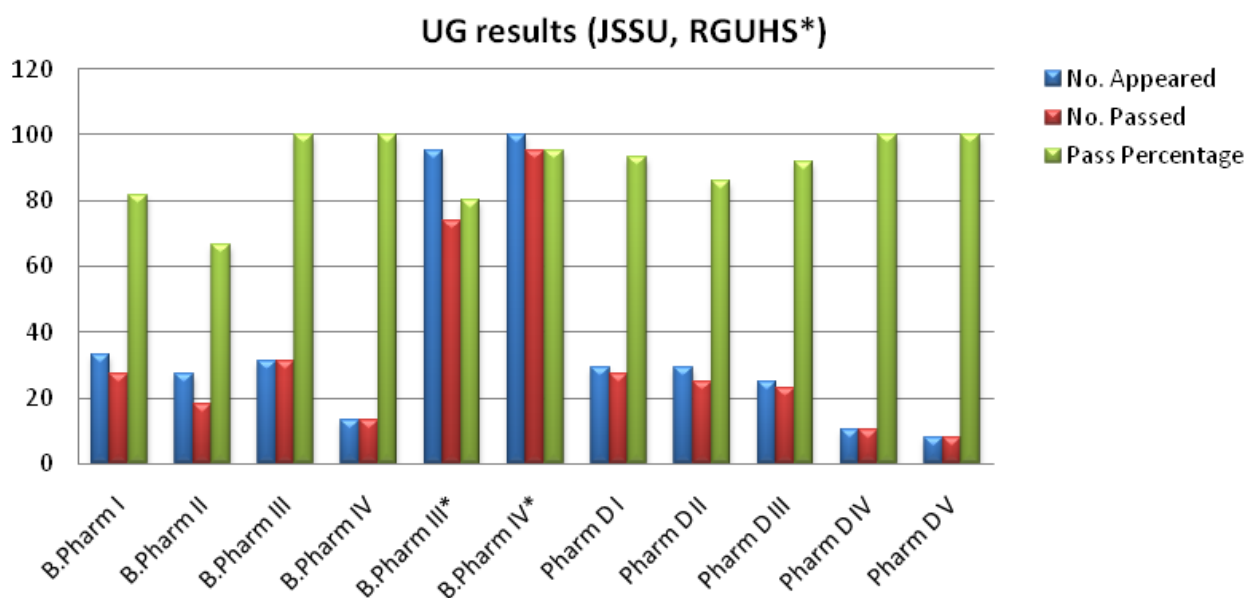

- M Pharm courses in Pharmaceutical Regulatory Affairs, Pharmacognosy and Pharmaceutics from the academic year 2010-11
- B.Sc. Applied Science in collaboration with Strides Arco Lab. Bangalore.
- Principles of Clinical Pharmacology course of NIH, USA started from 2nd September 2010. 58 candidates from Mysore and 52 candidates from Ooty have registered for the program. The program is conducted every Thursday between 5.30 to 6.30 pm and has 31 lectures.

Details of Research Projects

Projects Sanctioned:

Sl.No.	Title of the Project	Principal Investigator with Department name	Sanctioning Agency	Amount Rs. In lakhs	Duration of the Project
1	Preparation and evaluation of Ph-dependent drug Delivery system	Dr. T M Pramod Kumar	AICTE-RPS	10.00	2 yrs
2	Formulation and evaluation of environmental response nanoparticles for developing colon drug delivery systems	Dr. T M Pramod Kumar	UGC - MRP	10.60	2 yrs
3	Formulation and evaluation of Ph- sensitive drug delivery systems for Anti diabetic drugs	Dr. H G Shivakumar	UGC	9.76	2 yrs
4	Teaching learning methodologies in pharmacy practice programme	Dr. G. Parthasarathi	AICTE-SDP	7.00	3 yrs

Projects Completed:

Sl.No.	Title of the Project	Principal Investigator with department name	Sanctioning Agency	Amount	Duration of the Project
1	To develop suitable oral dosage from containing TGREWIA TENAX (FO RSSK)	Dr. P K Kulkarni	AICTE	12.00 Lakhs	2 yrs

Projects Submitted:

Sl. No.	Title of the Project	Principal Investigator with department name	Amount Rs. In lakhs	Duration of the Project
1	Use of tree Gums in Pharmaceutical dosage forms (Ministry of Env. and Forests)	Dr. H. G. Shivakumar	19.24	Yrs
2	Anti diabetic drugs (UGC-MRP)	Dr. H G Shivakumar	15.62	Yrs
3	Centre of excellence in nanomedicine (DST-CESEM)	Dr. H. G. Shivakumar	47.00	Yrs
4	Upgradation of Laboratories for PG teaching and Research	Dr. T M Pramod Kumar Pharmaceutics	40.00	2 yrs
5	Colon Drug Delivery Systems (UGC)	Dr. T. M. Pramod Kumar	15.62	3 yrs
6	Treatment of H. pylori (AICTE-RPS)	Dr. T. M. Pramod Kumar	23.10	2 yrs
7	Centre of excellence in novel drug delivery system (DST-GOK)	Dr. T. M. Pramod Kumar	59.61	3 yrs
9	Drugs acting on central nervous system(AICTE)	Dr.B. M.Gurupadayya Pharmaceutical Chemistry	17.16	3 yrs
10	Modernization of laboratories (DST-K FIST)	Dr. B M Gurupadayya	40.00	3 yrs
11	Treatment of enterotoxigenic E. coli Infection (CSIR)	Dr. D. V. Gowda	18.61	3 yrs
12	Treatment of enterotoxigenic Escherichia coli Infection (DST-SERC)	Dr. D. V. Gowda	16.76	3 yrs
13	Mycobacterium tuberculosis (AICTE-RPS)	Dr. G. V. Pujar	12.42	3 yrs
14	Pharmacognosy Lab (AICTE-MODROBS)	Dr. J. Suresh	13.29	1 yr
15	Evaluation of Artemisa available in Nilgiri district (AICTE-RPS)	Dr. J Suresh	19.76	1 yr
16	Ayurvedic anti-diabetic formulations (AICTE-RPS)	Dr. K Mruthunjaya	9.78	3 yrs
17	Lawsonia inermis	Dr. K . Mruthunjaya	23.00	3 yrs
18	Pharmacognosy Lab (AICTE-MODROBS)	Dr. N. M. Mahesh	14.65	1 Yr
19	Lawsonia inermis roots (AICTE-RPS)	Dr. S. N. Manjula	17.64	3 Yrs
20	Teachers Training Programme for Pharm D teachers	Dr. G. Parthasarathi	75.00	1Yr

Research Grants Received:

Sl. No.	Granting Agency	No. of Projects	Grants Received (Rs. In lakhs)
1	AICTE	1	10.00
2	UGC	2	20.36

Student Research Projects:

Sl.No.	Title of the Project	Name of the student	Name of the guide, department	Amount Rs. In lakhs	Sanctioning agency
1	Hybrid Drug Delivery Systems- A Novel Approach	Mohammed Saifulla Pharmaceutics	Pharmaceutics Dr.T M Pramomod Kumar	12.97	DST
2	Development and evaluation of oral vaccine for the treatment of enterotoxigenic Escherichia coli Infection	Mohammed Shuaib Khan	Pharmaceutics Dr. D Vishakante Gowda	12.92	DST

Details of Infrastructure Upgradation Works:

Sl.No.	Details of new construction / Upgradation work	Expenditure (Rs. in Lakhs)
1	Up gradation of Pharmaceutics, Pharma Analysis & Pharmaceutical Chemistry Laboratories.	47.90

Details of Financial Expenditure Incurred

Sl.No.	Particulars	Expenditure (Rs. in lakhs)
1	Expenditure towards organizing workshops/seminars/conferences	--
2	Financial assistance to faculty for attending conferences	3.93
3	Purchase of Equipment	17.31
4	Any other (specify)	--

CULTURAL ACTIVITIES

The Pharmacy College organized the annual cultural fest PHARMA FEST from 6th to 8th December 2010.

Events were organized in various sections such as Rangoli, Flower arrangement, Collage making, On spot poster drawing, Essay English, Mehendi, Essay hindi, Clay modeling, Essay kannada, Novel exhibit, Poster presentation, Solo song (Filmy), English debate, Extempore hindi, Extempore Kannada, Extempore English, Dum charades, Street play, Skit, Mimes, Solo dance (western), Group song, Face painting, Solo instrumental, Solo dance (folk), Debate hindi, Debate kannada, Solo song (non filmy), Best kannada speaking non kannadiga, Clicks best moments of JSSCP, Quiz, Antakshri hindi, Group dance (folk), Group dance (western).

Students from all years of the course participated enthusiastically in all of these events and won prizes.

The students also participated in external events organized by other institutes and colleges and the details are as follows:

a. Students participated in National level competition 'Aspiration 2010' organized by PES College of Pharmacy, Bangalore, 10th & 11th April 2010. They won 7 prizes out of 11 events participated and also won overall Championship Trophy for the second successive year

b. Students also participated in the inter college competition organized by JSS College of Pharmacy Ooty on 16th Nov 2010.

c. Students participated in "AIISH GYMKHANA" organized by All India Institute of Speech and Hearing Mysore, 11th to 13th Mar 2011. One student got first prize in Mock press event out of 8 events participated.

SPORTS ACTIVITIES

Apart from giving importance to education the college also conducts annual sports meet wherein students are given a chance to exhibit their athletic side and sportsmanship. This year the sports competitions were conducted in the month of November 2010 and the athletic meet was conducted on 11th February 2011.

The students took part both in indoor as well as outdoor sports in all the events and won prizes.

The students also participated in events organized in other colleges and the college Kabaddi team won a prize in the event organized at JSS Law College, Mysore.

COMMUNITY SERVICES/INITIATIVES

Clinical Pharmacy and Community Pharmacy Services: Clinical pharmacy services are offered in JSS Hospital, Vikram Hospital (Jeshta), Asha Kirana Hospital, Mysore and Vivekananda Memorial Hospital, Sargur. Services offered includes ward round participation, treatment chart review and patient counseling. Establishment of a drug information and consultancy service for all prescribers, development of parenteral drug administration guidelines, the introduction of an adverse drug reaction reporting system, development of antibiotic guidelines, preparation and distribution of educational publications and newsletters of drug and prescribing information are some of the significant achievements till date. Pharmacy practice postgraduate

students participate in all activities including ward rounds, treatment chart.

Community services include medication dispensing, patient counseling and free health camp checkups (3 camps in the last academic year) for general public and university staff.

Poison Information Service to the healthcare practitioners of other hospitals and general public was initiated in this academic year. Objectives of this service is to provide information regarding management of poisoning cases to healthcare practitioners and first aid measures in case of poisoning to general public. Provision of hospital admission criteria in case of poisoning will also be useful in preventing unnecessary visits to hospital and thereby reducing the healthcare costs.

Department is identified as Adverse Drug Reaction Monitoring Center and also as Southern Regional Training and Technical Support Center for Pharmacovigilance Program of India. Through this the department is contributing to the development of national database of drug safety and assisting in capacity building and skill development of staff of other teaching hospitals in the southern region in the area of drug safety.

ALUMNI ASSOCIATION

Established in 1973, JSS College of Pharmacy-Mysore grew by leaps and bounds to evolve into a premier institute with remarkable service and commitment to the cause of pharmacy education. There are more than 500 alumni members. The alumni of the college have maintained a constant rapport and coordination with the college in various aspects such as career counseling for the students, placement details, lectures, organizing industrial tours, etc.

Alumni Association: It was established in 1997. Mr.RS Bhat was the first staff coordinator of the association. Now it is coordinated by Mr.Valluru Ravi and Dr.T.M.Pramod Kumar.

The regular activities of the Alumni

association are:

- Career guidance
- Placement assistance
- Conducting guest lectures
- Prizes to the meritorious students
- Organizing Industrial visit and training
- Bringing out News letter of Alumni Association
- Honoring Alumni by inviting him/her during Annual Day of the college.
- Maintaining the online Alumni Directory

Directory: The Alumni Directory is online source to get updated information of the whereabouts of other JSSCPM alumni. The online directory is a convenient source to update alumni's personal and professional contact information at your fingertips. By keeping the information up-to-date in the directory, all the members can receive the latest news, events, and happenings.

Alumni meetings: The alumni keep meeting the faculty whenever the faculty visits their place of stay and interact with them and few such meetings are as follows:

1. Dr.H.G.Shivakumar, Principal informally met the Alumni members during his London visit on 28th April 2010.
2. ALUMNI MEET was organized in Hyderabad for the first time on 20th February 2011 by the alumni of JSS College of Pharmacy, Mysore and JSS College of Pharmacy, Ooty present at Hyderabad. A total of 54 alumni attended the meet.
3. Alumnus residing outside India (05 Nos.) formally met in the college on 30th March 2011.

FUTURE PLANS OF COLLEGE/ DEPARTMENTS

Infrastructure Developments:

- Pharmaceutical regulatory affairs and Quality assurance laboratories
- Pharmacy Practice laboratory
- Establishment of Drug testing laboratory
- Renovation of Gallery lecture hall and Auditorium
- Revamping Front Elevation of the College building
- Installation of Elevator in the College

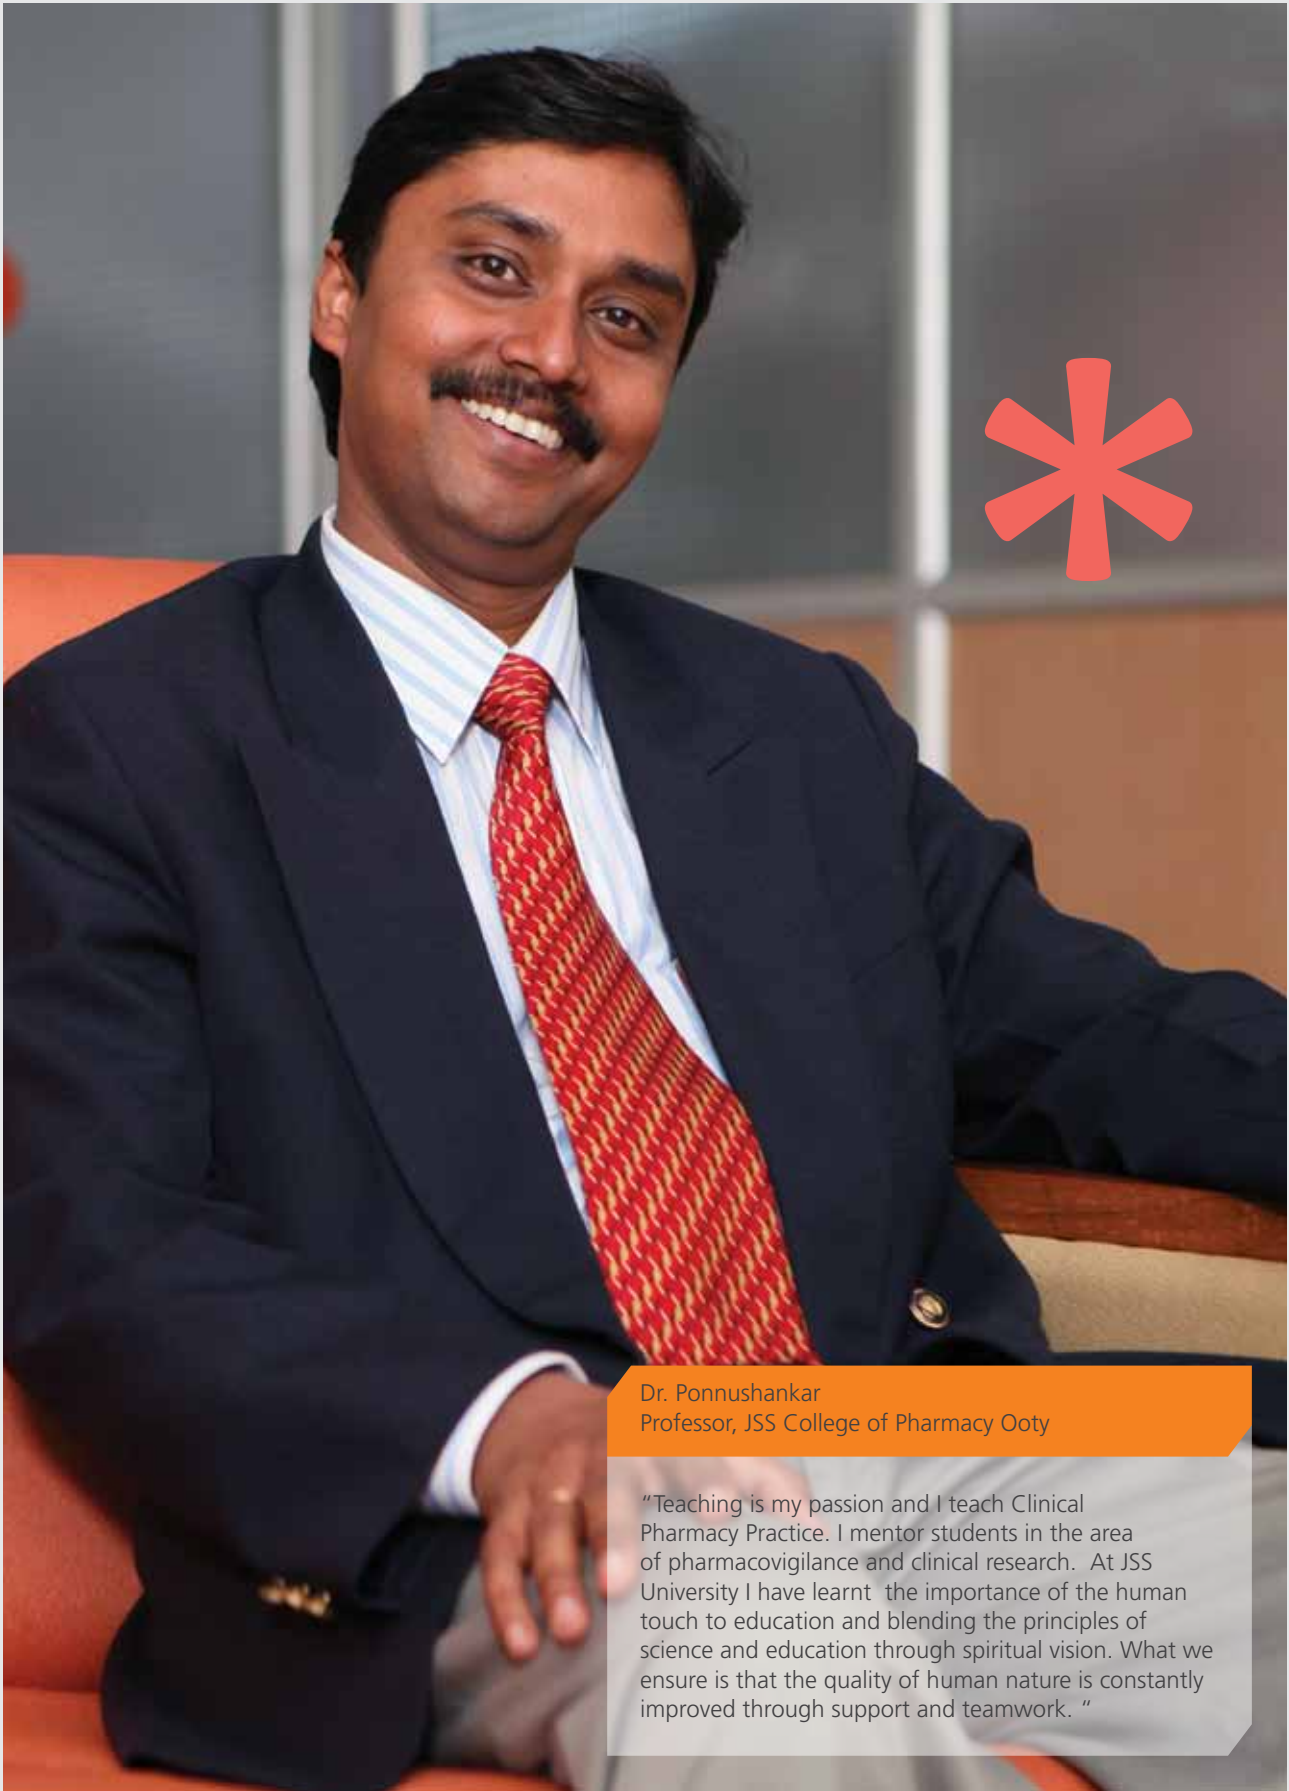

Academic Activities: To Start

- PG Diploma course in Pharmacovigilance.
- Short-term certificate courses
- M Pharm Clinical Practice and Research in Association with Pennsylvania state University
- MBA Pharmacy administration
- New courses in association with foreign Universities with which JSSU has signed MOU
- To organize seminars/workshop.

JSS College of Pharmacy, Ooty

Dr. Ponnushankar
Professor, JSS College of Pharmacy Ooty

“Teaching is my passion and I teach Clinical Pharmacy Practice. I mentor students in the area of pharmacovigilance and clinical research. At JSS University I have learnt the importance of the human touch to education and blending the principles of science and education through spiritual vision. What we ensure is that the quality of human nature is constantly improved through support and teamwork. ”

Dr. K. Elango
Principal Incharge

Dr. K. Elango, Principal Incharge of the Pharmacy College is an ardent research scholar with many publications in renowned national and international journals to his credit. He is actively engaged in research and encourages faculty and students to undertake research as the prime objective.

JSS College of Pharmacy established way back in 1980 has contributed immensely to the pharmacy field not only by training professional pharmacists but also by intensifying the research activities in Pharma sector by establishing TIFAC CORE and CADRAT. The ISO certified Drugs Testing Laboratory and Drugs Controller General of India and Govt. of India approved bioavailability and bioequivalence centres are the feathers in the cap of the institution.

The College ranked 5th amongst all the Pharmacy colleges in India for its quality education and research impact has several other accomplishments to its credit.

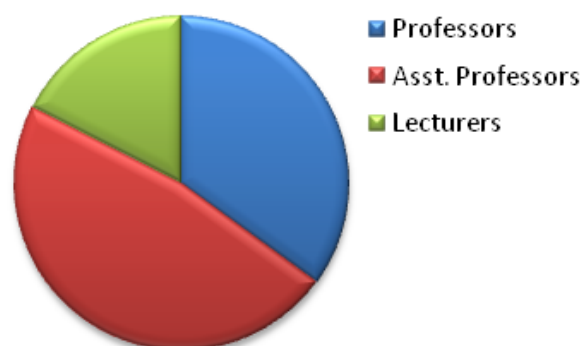

The Pharmacy College has so far trained 1932 undergraduates, 1196 postgraduate students and 68 research scholars since its establishment.

FACULTY

Number of teaching faculty: Among the faculty 26 are postgraduate qualified and 14 have completed their postdoctoral studies.

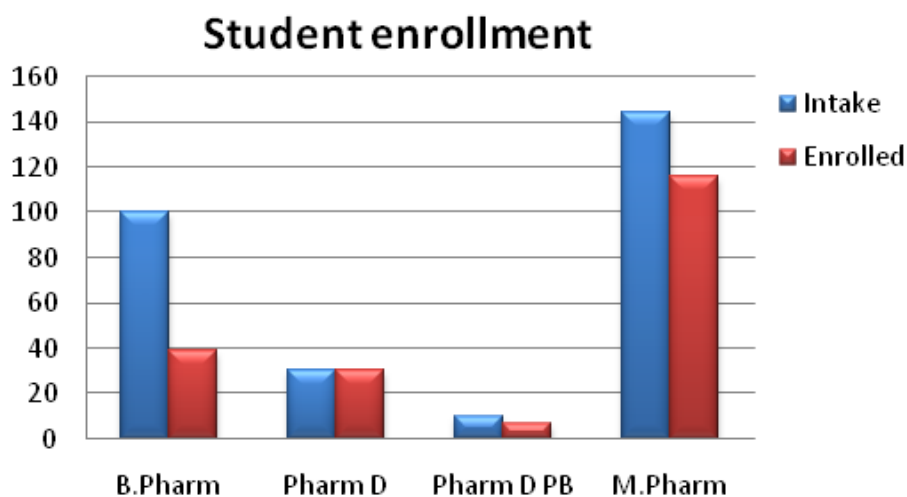

Professors	Assistant Professors	Lecturers	Tutors
14	19	07	--
Number of Nonteaching staff:			
Laboratory Assistants	Hygienists	Technicians	Attenders
30	--	06	02

NEW FACILITIES AVAILABLE IN THE DEPARTMENT/COLLEGE

Department of Pharmaceutical Analysis

Name of the instrument/equipment purchased	Cost in Lakhs of Rs.	Funding agency
Optimum performance laminar chromatography (OPLC)	21	AICTE – 20 Lakhs
Flame Photometer – 120	0.47	--

Department of Pharmaceutical Biotechnology

Animal Tissue Culture Lab, Gel Electrophoresis, PCR.

Department of Pharmaceutical Chemistry

Schrödinger Software for Drug Design

Computer System

LCD Projector

Veego Melting Point Apparatus

Department of Pharmaceutics

DSC – Compatibility studies

TIFAC / Dept. of Phytopharmacy & Phytomedicine

Freeze Dryer, HPTLC Photodocumentation System, Centrifugal Chromatography (Cyclograph)

New Courses Commenced in the Department/College.

Department of Pharmaceutical Analysis

- M.Pharm in Pharmaceutical Quality Assurance.

Department of Pharmaceutics

- M.Pharm in Industrial Pharmacy and Pharmaceutical Regulatory Affairs

Department of Pharmacognosy

- PG Diploma Course in Herbal Products and their standardization.

Department of Pharmacy Practice

- Certificate Course on Principles of Clinical Pharmacology (PCP).

Achievements of Faculty/Honour Roll

Name of the Faculty	Achievement / Honour Roll
Department of Pharmaceutical Analysis	
Dr.S.N.Meyyanathan	<ul style="list-style-type: none"> Selected as paper reviewer for "Rajiv Gandhi University of Health Sciences, Journal of Pharmaceutical Sciences (RJPS)" Paper reviewer for the "International Journal of Monatshefte fur chemie – Chemical Monthly" Associate Editor for the "International Journal of Drug Discovery" Paper Reviewer for the International Journal of "Medicinal Chemistry Research" Paper Reviewer for "Chemical Industry and Chemical Engineering Quarterly (CI & CEO)" Belgrade, Serbia. Nominated to the Editorial Board of "International Journal of Genomics and Proteomics"
Department of Pharmaceutical Biotechnology	
Mrs.A.R.Srividya	Honored for outstanding achievement from Marquis Who's Who in Science and Engineering, New Providence, USA
Department of Pharmaceutical Chemistry	
Dr.S.Sankar	<ul style="list-style-type: none"> Co-chaired one scientific session in 62nd IPC, Manipal. Peer Patent Expert Reviewer in Pharmaceutical Sciences for the United Kingdom Patent Office Consultant in the DSIR-Consultant Development Corporation of India.
Dr.B.R.Prashantha Kumar	Has been granted a patent for the invention entitled "Thiazoldine -2,4 diones and processes thereof" for the term of 20 years from April 2006.
Mrs.B.Gowramma	Awarded Best Poster presentation in Indo-US Symposium on Medicinal Chemistry and Drug Discovery held at JSS University, Mysore on 21st-23rd April 2011.
Department of Pharmaceutics	
Dr.K.Gowthamarajan Professor & Head	<ul style="list-style-type: none"> Elected as a Joint Secretary IPA, Nilgiris Branch, Ooty Assistant Editor in Journal, The Age of Biotechnology Editorial Board Member in Journal of Chronotherapy and Drug Delivery. Advisory Editorial Board Member (National) in Journal of Pharmaceutical Research and Pharmacy practice. Reviewer for Science Direct, Carbohydrate Polymer (Elsevier), World Applied Sciences Journal (WASJ), etc
Mr.N.Jawahar, Assistant Professor	Best Industrial Pharmacy Poster Prize 2010 at 70th International Congress of FIP in Portugal, from 28 August -2 September 2010.
Mr.D.Nagasamy Venkatesh, Assistant Professor	<ul style="list-style-type: none"> Received the prestigious author for the Journal of Bioanalysis & Biomedicine, for his paper titled "Bioavailability studies on developed prochlorperazine Maleate Sustained Release Tablets by HPLC. Paper reviewer for AAPS Pharm Scitech, USA and Micro and Nanoletters, UK.
Department of Pharmacology	
Dr.M.N.Satish Kumar, Professor & Head	<ul style="list-style-type: none"> EC Member, Community Pharmacy Division Indian Pharmaceutical Association, Mumbai, Chairman Registration Committee Indian Pharmaceutical Association Convention 2010, Chennai.

TIFAC CORE HD / Department of Phytopharmacy & Phytomedicine	
Dr.M.J.Nanjan	<ul style="list-style-type: none"> • Member of the Editorial Board of the Journal of Chinese Integrative Medicine • Reviewer for scientific papers for the following journals: <ul style="list-style-type: none"> • Toxicological and Environmental Chemistry • Natural products research • A patent entitled "Thiazolidine-2,4 Diones and Processes Thereof" was awarded to TIFAC CORE.
Dr.S.P.Dhanabal	<ul style="list-style-type: none"> • Member of Scientific Committee at the Indian Pharmaceutical Congress at Manipal University, Manipal during 17th to 19th December 2010; • Dr.Khin Phyu Phyu, Director of Medical Research, Upper Myanmar and WHO Fellowship recipient carried out research work under the supervision of Dr.S.P.Dhanabal on the topic "Drug development of Swertia purpurescens (Pan Kha) of Myanmar Origin as a potential antimalarial drug" from 21st March to 29th April 2011. • EC Member and State Coordinator for Tamilnadu and Kerala of Indian Society of Pharmacognosy.
Department of Pharmacy Practice	
Mr.K.P.Arun	<p>Selected as an 'International Pharmacist' to undergo training at Children Hospital of Eastern Ontario (CHEO), Ottawa, Canada through 'Pharmabridge Scholarship Program' of International Pharmaceutical Federation (FIP)</p> <p>'Best Poster Award' was obtained in the 'Workshop and National Symposium on Therapeutic Drug Monitoring' Organized by Department of Clinical Pharmacology, Christian Medical College and Hospital, Vellore in association with the 'International Association of Therapeutic Drug Monitoring and Clinical Toxicology.</p>

Text Books Authored and/or Chapters Contributed by Faculty

Sl. No.	Title of the Book/Chapter	Name of the Author/Editor	Details of Publisher	Department
Department of Pharmaceutical Analysis				
1	A Liquid Chromatography - Atmospheric Pressure Chemical Ionisation-Mass Spectrometry Method for the Simultaneous Determination of Curcumin and Piperine in Food Products (Book Chapter)	Krishnaveni Nagappan, Meyyanathan.S.N, Rajan.S and Elango.K		Pharmaceutical Analysis
Department of Pharmaceutical Chemistry				
1	"Novel Indane 1,3-dione analogues and their biological evaluation"	Mrs. Jubie.S	Lambert Academic Publishers, Germany	Pharmaceutical Chemistry
Department of Pharmacognosy				
1	Practical Pharmacognosy	Dr.B.Duraiswamy Dr.Jayaveera	S.Chand, Hydrabad	Pharmacognosy
TIFAC CORE HD / Department of Phytopharmacy & Phytomedicine				
1	"Ayurveda in transition" (Chapter : Modern approaches to Herbal Drug Standardization from a global perspective).	Dr.M.J.Nanjan	Arya Vaidya Sala, Kottakkal	TIFAC CORE in Herbal Drugs
Department of Pharmacy Practice				
1	Comprehensive bioactive natural products / Exploring Pharmaco-vigilance for traditional herbal medicines	Pulok K Mukherjee, S.Ponnusankar / V.K.Gupta	M/s.Studium Press LLC, USA	Pharmacy Practice
2	Ethnomedicine: A source of complementary therapeutics / Ethnomedicine in Complementary Therapeutics	Pulok K.Mukherjee S.Ponnusankar, M.Venkatesh / D.Chattopadhyay	Research Signpost, Trivandrum, Kerala	Pharmacy Practice

Details of Financial Expenditure Incurred

Sl.No.	Particulars	Expenditure Rs. in lakhs
1.	Expenditure towards organizing workshops/seminars/ conferences	6.15
2.	Financial assistance to faculty for attending conferences	2.04
3.	Purchase of Equipment	8.61
4.	Any other (specify)	--

THRUST AREAS OF RESEARCH

Department of Pharmaceutical Analysis

- Development and validation of In vitro - In vivo correlation for the developed modified release formulations of selected drug candidates
- Development and validation of HPLC and Spectrophotometric Methods for selected multi component drugs in their formulations
- Development and validation of Pharmacokinetic (PK) and Pharmacodynamic (PD) models of certain new formulations
- Development and validation of analytical methods for the estimation of constituents and contaminants in food products
- Development and validation of chiral separation of some enantiomeric drugs by HPLC and LC-MS

Department of Pharmaceutical Biotechnology

- Molecular Biology, Tissue Culture Technology and Virology

Department of Pharmaceutical Chemistry

- Lead molecules generation using synthetic / natural products chemistry
- Adverse drug reaction palliation using the prodrug approach

Department of Pharmaceutics

- Novel plant based biopolymers in drug delivery
- Enhancement of Bioavailability via Nanotechnology
- Meaningful dissolution method development
- Effective therapeutic management for diabetic retinopathy, cervical cancer, Malaria.
- Alzheimer's disease etc
- Spheronization
- Applying BCS to Herbal Medicines

Department of Pharmacognosy

- Phytochemical Research
- Standardization and formulation development for the herbal drugs
- Isolation, characterization and screening of isolated phytoconstituents for their effect on asthma, diabetic and cancer

Department of Pharmacology

- Inflammatory and Gastro Intestinal Pharmacology
- Neuropharmacology, Cancer Biology, (Matrix Metalloproteases Angiogenesis)
- Antidiabetic Research
- Immuno Pharmacology
- Neuro Degenerative Disorders, Respiratory Pharmacology

TIFAC / Dept. of Phytopharmacy & Phytomedicine

- Herbal Drug Research
- Isolation and purification of active moieties
- Drug Discovery and Development
- Herbal Formulation Development and Standardization
- Documentation of potential medicinal plants of Nilgiris Biosphere

Department of Pharmacy Practice

- Cognitive Neuroscience Quality of Life
- Pharmaceutical Care/Herbal Pharmacovigilance
- Pharmacokinetic / Drug Interactions
- Pharmacovigilance, Therapeutic Drug Monitoring
- Diabetes Pharmaceutical Care

Details of Research Projects

Sl.No.	Title of the Project	Principal Investigator with Department name	Sanctioning Agency	Amount (Rs. In lakhs)	Duration of the Project
1	Isolation, screening & characterization of the Fertility Regulating phyto-constituents present in the traditional plants of the Nilgiris, <i>Derris brevipes</i> , <i>Durio zibenthinus</i> .	Dr.S.Sankar Pharmaceutical Chemistry	CSIR, Govt. of India, New Delhi.	15.92	3 Years
2	Targeted anticancer macromolecular pro drugs.	Dr.MJN.Chandrasekar Pharmaceutical Chemistry	DST, Govt. of India, New Delhi	6.8	3 Years
3	Computer aided design, synthesis and anti hyperglycemic activity of some novel selective glitazones as possible insulin sensitizers.	Dr.B.R.Prashantha Kumar, Pharmaceutical Chemistry	RPS,AICTE Govt. of India, New Delhi.	7.5	3 Years
4	Design, synthesis and evaluation of some novel dipeptidyl peptidase IV inhibitors as antidiabetic agents.	Dr.MJN.Chandrasekar Pharmaceutical Chemistry	UGC, Govt. of India, New Delhi.	10.17	3 Years
5	Synthesis characterization and evaluation of their cytotoxic and antimicrobial activities of some novel hetero-cyclic compounds.	Dr.S.Sankar Pharmaceutical Chemistry	RPS, AICTE Govt. of India, New Delhi.	14.00	3 Years
6	Isolation of bioactive principles from <i>Mucuna pruriens</i> , <i>Tinospora cordofolia</i> , and their pharmacological activities in experimental Parkinsonism models	Dr.K.Elango Pharmacology	AICTE, New Delhi under Research Promotion Scheme	18.5	3 Years
7	Phytochemical & Pharmacological evaluation of some indigenous plants for psoriasis control.	Dr.S.P.Dhanabal Phytopharmacy & Phytomedicine	AICTE (RPS), New Delhi	18.00	2 Years
8	Development of novel antinour agents from <i>Spirulina platensis</i> : A semisynthetic approach.	Dr.S.P.Dhanabal Phytopharmacy & Phytomedicine	DST (SERC), New Delhi	10.87	1 Year
9	Herbal Medicines: Emerging challenges and opportunities.	Dr.S.P.Dhanabal Phytopharmacy & Phytomedicine	AICTE (SDP)	5.00	15 Days
10	A thermally responsive elastin like polypeptide-drug conjugate for targeted delivery of anticancer drugs.	DST, (WOS-A, Ms. Rubha Saxena, (PI), Dr.M.J.Nanjan (Scientist mentor).	DST, (WOS-A,)	22.00	3 Years
11	Evaluation of Resvatol as dietary supplement in type 2 diabetes mellitus	Mr.Jayesh Bhat (PI), Dr.M.J.Nanjan (Scientist Mentor)	ICMR (SRF)	18,000/- per month	3 Years

Projects Completed:

Sl. No.	Title of the Project	Principal Investigator with Department name	Sanctioning Agency	Amount Rs. In lakhs	Duration of the Project
1	Development and validation of Chiral separation of some enantiomeric drugs by OPLC, HPLC and LC-MS methods.	Dr.S.N.Meyyanathan, Pharmaceutical Analysis	AICTE, New Delhi	20.00	3 Years 2009-11
2	Entrepreneurial Development Scheme via Medical Transcription Trg.	Dr.S.Sankar Pharmaceutical Chemistry	AICTE, New Delhi	8.00	3 Years
3	Modernization and up gradation of pharmacology laboratory for research excellence in anti inflammatory and osteoarthritis area	Dr.K.Elango	AICTE, MODROBS	15.00	2 Years

Projects Submitted:

Sl.No.	Title of the Project	Principal Investigator with Department name	Amount Rs. In lakhs	Duration of the Project
1	Water soluble drugs	Dr.S.N.Meyyanathan Pharmaceutical Analysis	182.40 DST New Delhi	2010-12
2	Modified release formulation of selected drug candidates	Dr.S.N.Meyyanathan Pharmaceutical Analysis	5.7 ICMR, New Delhi	2010-12
3	Antitumour drugs	Mr.D.Nagasamy Venkatesh, Pharmaceutical Analysis	19.98 AICTE-RPS, New Delhi	2010-12
4	Staff Development Programme on "Emerging trends in Pharmaceutical Analysis"	Mrs.N.Krishnaveni Pharmaceutical Analysis	7.00 AICTE, New Delhi	2011-12
5	Treatment of Breast Cancer	Dr.M.K.Samanta, Pharmaceutical Biotechnology	22.56	3 Years submitted to AICTE on 04.02.2011
6	Modernization of Animal Tissue Culture Laboratory Operations	Dr.M.K.Samanta, Pharmaceutical Biotechnology	16.18	3 Years submitted to AICTE on 04.02.11
7	Alzheimer's Disease	Dr.M.K.Samanta, Pharmaceutical Biotechnology	65.38	3 Years submitted to DST on 21.12.2010
8	Type-1 Diabetes	Dr.M.K.Samanta, Pharmaceutical Biotechnology	65.58	3 Years submitted to DST on 08.03.2011
9	Dietary supplements	Dr.MJN.Chandrasekar Pharmaceutical Chemistry	37.52	3 Years
10	Diabetes syndrome	Dr.MJN.Chandrasekar Pharmaceutical Chemistry	21.86	3 Years
11	Theophylline Mucoadhesive drug delivery	Dr.V.Senthil, Pharmaceuticals	27.37	SERC-DST, New Delhi
12	Cerebral malaria	Dr.K.Gowthamarajan Pharmaceuticals	33.35	DBT, New Delhi

13	Migraine	Dr.K.Gowthamarajan Pharmaceutics	12.34	DRDO New Delhi
14	National R & D facility for establishment of plant Derived Biopolymers as excipients	Dr.K.Gowthamarajan Pharmaceutics		DST, New Delhi
15	Ayurvedic Bhasmas	Dr.K.Gowthamarajan Pharmaceutics		DBT, New Delhi

Student Research Projects:

Sl.No	Title of the Project	Name of the Student	Name of the Guide, Department	Amount Rs. In lakhs	Sanctioning Agency
1.	Development and Validation of oral sustained release dosage form of Diacerein and its pharmacokinetic Evaluation in Rabbit Plasma	Ms.HarshaManjusha. II M.Pharm.	Dr.S.N.Meyyanathan Pharmaceutical Analysis	0.08	Tamilnadu Pharmaceutical Welfare Trust, Chennai.
2.	In vitro-in vivo evaluation of Anticancer properties of select medicinal plants	Mr.Mahesh.T	Dr.P.Vijayan, Pharmaceutical Biotechnology	0.05	Tamilnadu Pharmaceutical Welfare Trust, Chennai.
3.	Investigation of the Biological Properties of selected Medicinal Plants	Mr.Ashish	Dr.P.Vijayan, Pharmaceutical Biotechnology	0.18 per month	CSIR, New Delhi
4.	Design synthesis and anti-hyperglycemic evaluation of some novel peroxisome proliferation activated receptor (PPAR-Y) agonist (Mr.Pankaj Masih Fellowship)	Mr.Pankaj Masih	Dr.MJN Chandrasekar Pharmaceutical Chemistry	1.28 (For 6 months)	ICMR, Government of India, New Delhi
5.	Design, synthesis, evaluation and QSAR studies of novel carbazole /carbolin derivatives as antineoplastic agents. Mr.Ankur Gupta. (Fellowship)	Mr.Ankur Gupta	Dr.MJN Chandrasekar Pharmaceutical Chemistry	1.44	AICTE, Government of India, New Delhi.

6.	Ruboxitaurin embedded polymeric nano-particulate system for diabetic retinopathy	Ms.Deepa Pathak	Dr.K.Gowthamarajan, Pharmaceutics	21.36 Dr.K. Gowthamarajan, Pharmaceutics	DST, New Delhi, under Women Scientist A (WOS-A)
7.	Attenuation of allergy induced asthma in Murine models by Yucca gloriosa and Pothos scandens: A molecular and biochemical perspective	Mr.Saurabh Gupta	Dr.B.Duraiswamy, Pharmacognosy	SRF	ICMR, New Delhi
8.	Dipeptidyl peptidase IV inhibitors : Herbal based novel therapeutic approach for the treatment of Alzheimers	Mr.Jayasankar Kosaraju	Dr.B.Duraiswamy Pharmacognosy	SRF	CSIR, New Delhi
9.	Isolation and characterization of antiproliferative lead molecules from Cardio-spermum helicacabum and combretum albidum and their role in apoptosis.	Mr.Ashish Zalke	Dr.B.Duraiswamy Pharmacognosy	SRF	CSIR, New Delhi
10.	Development , evaluation of nanoparticles and herb drug interaction study of Gymnema sylvestre extract on the perspective of pharmacokinetics	Ms.Bhagya shree	Dr.B.Duraiswamy Pharmacognosy	SRF	CSIR, New Delhi
11.	Screening of selected Siddha herbals for Acetyl Cholinesterase and Butyryl Cholinesterase inhibitory activity	Ms.Madhuri Kadiyala	Dr.K.Elango Pharmacology	50.00	DBT Biocare Programme, New Delhi
12.	Lead finding of acetyl cholinesterase and butyryl cholinesterase inhibitors from siddha medicinal plants	Ms.Madhuri Kadiyala	Dr.K.Elango Pharmacology	29.99	Central council for research in ayurveda and siddha from Dept of Ayush, New Delhi

CULTURAL ACTIVITIES

JSS College of Pharmacy, Ooty conducts cultural programmes for the students and on account of which organized several events for the students. The details are as follows:

1. JSS University level intercollege cultural programme.

2. The students also participated in events hosted by other institutes and organizations won prizes.

3. Wildlife week celebrations 2010 conducted by the Tamilnadu Forest Department, Govt. Arts College, Ooty on 27th September 2010.

The following students won prizes in respective categories-

Elocution: Priyamvada and Lisha Joshi- 2nd and 3rd prize respectively

Quiz: Niraj Shristha and Rajan S. Battarai-3rd prize

Painting: Anusha Karthiyayeni and Divya-participated

4. Symphony 2010 conducted by Rotary club, Anna Stadium, Ooty. The following students won prizes-

Quiz: Piyamvada and Priyadarshini won 2nd prize

Elocution: Anusha won 1st prize

Dumbcharades: Patel Zeel, Mihir Trivedi and Rajiv Reddy won 2nd prize

Group singing: Ayush Shrestha, Avneesh Dhar, Ankith Sen, Swagat Mukherjee won 1st prize

Group dance: Mihir Trivedi, Anjali Gureja, Diney Mohan Sam, Rajiv Reddy, Ribrahim Mwandu, Ishan won 3rd Prize

Miss Symphony: Pravarna K won 1st prize.

SPORTS ACTIVITIES

The students have been participating in various sports activities conducted at the District, Zonal and State Levels in Tamil Nadu and other States, during the year 2010-11.

- The Abdulla Sports T20 Cricket Tournament was conducted during 5th to 11th April 2010 and College Cricket Team emerged as the WINNERS in the tournament.
- The First State Level Youth Carnival 2010 was conducted at HADP grounds, Udahgamandalam from 23rd to 26th July 2010. College Basketball, Volleyball and Football teams participated in the tournament. Basketball team emerged as the WINNER and was selected to participate in the State Level tournament at Chennai.
- Mr.R.Lokesh of II B.Pharm. participated in the Boys Singles and Doubles events of Shuttle Badminton matches, which was conducted by the Nilgiris District Badminton (Shuttle) Association, Ooty, during 11th to 13th of August 2010 and he secured FIRST in the Doubles event and secured SECOND place in Singles. He was selected to represent the Nilgiris in the Inter District Tournament to be held in the last week of September 2010.
- College Chess Team participated in the District Level First Open Chess Tournament 2010 during 23rd and 24th October 2010, held at Bharathiar University Arts & Science College, Gudalur.
- College Boys and Girls Teams participated in the Tamil Nadu State Level Inter Pharmacy Colleges Badminton Tournaments held at Arulmigu Kalasalingam College of Pharmacy premises, Krishnankoil, during 25th and 26th February 2011. In the Boy's Singles, Mr.R.Lokesh, II B.Pharm. secured the FIRST place. In the Boys Doubles, the Team consisting of Mr.R.Lokesh, II B.Pharm., Mr.Nishit Srivastave, IV B.Pharm., and Mr.Avneesh Dhar Dubey secured the FIRST place. In the Girls tournament, the team consisting Ms.Priya, IV B.Pharm., Ms.Saranya, IV B.Pharm., Ms.Divyasree, IV B.Pharm and Ms.Geethanjali, Pharm.D secured the THIRD Place.

- College Boys Cricket Team participated in the T20 Cricket Tournament conducted at JSS Dental College, Mysore, from 17th to 20th March 2011, as part of its Silver Jubilee Celebrations. In all 8 teams participated and our team secured the III place.

COMMUNITY SERVICES/INITIATIVES

The College actively conducts several community initiative programmes for the benefits of the localities as well as help students become involved in the upliftment of the society. The various initiatives in this regard include the NSS unit and the tribal women empowerment programmes.

NSS report for the academic year 2010-11

The aim of the Regular and special Camping Programme is to bring youth face to face with the community and make efforts to improve their life. The NSS volunteers are to devote about 80 hours in Regular Activities for the development of the adopted village. Special Camping has been conceived as an opportunity to live with that community for 10 days, and experience the conditions and problems of the people. Although the focus of the Special Camps change periodically and regular programmes are organized in response to the community needs at the micro-level, some broad areas of activities are Environment Enrichment and Conservation, Programme of mass immunization, Programmes aimed at creating an awareness for improvement of the status of women, Social Service Programmes, Production Oriented Programmes, Relief & Rehabilitation work during Natural Calamities and Education and Recreations.

Following programmes were conducted during the period March 2010 to April 2011.

1. Enrollment of NSS volunteers-From both 1st Pharm D and 1st B. Pharm
2. Preparation of calendar of events / Action plan for implementation

3. June- Awareness and motivation programme for the newly enrolled volunteers

4. July 25th - Celebrated world blood donors day in coordination with District Aids prevention & control unit, Collectorate, Ooty -The theme for the day was "more blood more life" – 20 NSS volunteers donated 20 units of blood.

5. November 4th: Conducted Medical and Dental camp at Ellithorai village. A team of 14 members from JSS Dental College Mysore along with NSS volunteers participated in the programme. Tooth canaling and tooth cleaning Blood glucose monitoring and blood pressure monitoring were the events of the day. More than 300 people got benefited from the camp.

6. January 2011: Inaugurated the first NSS unit of JSS University, Mysore at JSS College of Pharmacy, Ootacamund.

7. January: NSS Programme officer and one student volunteer have been appointed as Special invitee member for University level Advisory committee 2010-11 and 2011-12.

8. January 26th –Celebrated Republic Day. Honorable Vice Chancellor Dr.B.Suresh was the chief guest. Talk by NSS volunteer and sweet distribution were the events of the day.

9. January 30th to February 4th : Student volunteers from 1st B. Pharm and 1st Phar D attended the Jhatra festival at Suttur

Apart from above mentioned events NSS unit of JSSCP OOTY regularly involved in the blood donation in case of any emergency and other social services and awareness programmes.

Department of Pharmacology

Under the able leadership of Dr.M.N.Satish Kumar as President Y's Men Club of Ootacamund established various welfare schemes for Poor School Children's in Nilgiri District were organized as well as district level social awareness and environments hazards, etc. for club members.

As President, Indian Pharmaceutical Association, Nilgiris Branch Following activities are organized.

- Patient counseling camp for diabetes patients at Government Head Quarters Hospital, Ootacamund and Distributed Patient Information Leaf let on safe foods to diabetic patients.
- Rally was conducted to bring awareness on Self Medication of Drugs to the Public.
- Rally was conducted to Bring Awareness on right use of medicines to the public.
- Rally was conducted to bring Awareness on safe use of prescription medicines to the public.
- Rally and mini marathon was conducted to bring awareness to public on tobacco use and HIV

Department of Pharmacognosy

Tribal Women Empowerment programme, Health Care through Herbal Remedies.

A two-day workshop/Seminar in four divided phases were conducted jointly by the Department of Pharmacognosy, JSS College of Pharmacy, Ooty and Horticultural Department, Ootacamund for the benefit of the Tribal Women of Nilgiris. The programmes were held in the month of March 2011. 150 tribal women from the tribal hamlets viz. Kollimalai, Trichikadi, Upasi Coonoor, Athigaratty and T. Manihatty participated in this programme.

In the programme, basic attention and training was given in the field of medicinal herbs useful to cure the household remedies and development of simple formulation to cure the common disorders. Intensive training has been given for the tribal women group to develop formulations containing herbs which will help them to become entrepreneurs. The department faculty members namely Dr.B.Duraiswamy, Mr.P.Dhamodaran, and Mrs.Nilani Packianathan were involved in educating the tribals.

The programme was appreciated by all the delegates attended and was of great news to them. Most of the delegates were interested in starting small scale herbal cottage industries to become entrepreneurs. Dr.K.Elango, Principal, JSS College of Pharmacy and the Horticulture department appreciated the team.

ALUMNI ASSOCIATION

The College alumni association forms a part of active development of the college activities. The alumni actively collaborate with the faculty and students and support the various academic as well as research activities. They also offer counseling to students on career advancement, job opportunities, research methodology and job placements. The following is the list of alumni who have rendered their valuable service to the institution through myriads of means.

Name of the alumni	Present designation with official address	Course studied (D/B/M. Pharmacy)	Academic Year Studied	Contribution to institution	E. Mail. Id
Dr.S.Rajan	Scientist, Anthem Bioscience, Bangalore	M.Pharm. Ph.D.	2001-2003 2010	Sending reference standards for Analysis	rajan_mpharm@yahoo.co.in
Gopinath	Senior Scientist, Orchid Pharmaceuticals, Chennai.	M.Pharm.,	2002-2004	Sending commercial samples for Analysis	ramgopi79@rediffmail.com
Senthil Kumar.K.R	Research Analyst, Glenmark, Mumbai.	B.Pharm. M. Pharm.	2000-2004 2004-2006	Arranging Industrial Visit for PG students	senalysis005@gmail.com
Gopal.K	Research Executive, Orchid Pharma-ceuticals, Chennai.	M. Pharm.	2006-2008	Arranging Seminars	gopalk@orchidpharma.com
Sridharan. D	Lecturer, Arulmigu Kalasalingam College of Pharmacy, Srivilliputhur.	M. Pharm.	2006-2008	Sending Participants for QIP Programme	srimozhi2005@yahoo.co.in
Bhaskar Raju.V	Lecturer, Vasavi College of Pharmacy, Tadepalli-gudem, A.P	M. Pharm.	2006-2008	Sending Participants for QIP Programme	--

FUTURE PLANS OF COLLEGE/ DEPARTMENTS

- To conduct, an integrated programme M.Pharmacy / Ph.D., Drug Discovery.
- To develop a "Centre for Natural Products" and to create a Library on Natural Products both extracts as well as isolated compounds.
- Proposed to start new course in MS Molecular Biotechnology (2 Years) any Science degree.
- To obtain NABL Accreditation.
- To apply for US patent for product design.
- To collaborate with-
 - USP-India
 - Indian Pharmacopoeia Commission, Ghaziabad
 - National Research Development Council, New Delhi
- To tie up with Military Hospital, Wellington, extension of clinical services.
- NABL Accreditation of the Department.
- Obtain ISO Certification.

Department of Pharmaceutical Analysis

- Collaboration with USP India, Hyderabad.
- Collaboration with IPC Gaziabad.

Department of Pharmaceutical Biotechnology

- To start PG Diploma in Bioinformatics - Initiation and syllabus framed and submitted to JSS University, Mysore.

Department of Pharmaceutical Chemistry

- In conjunction with our sister departments it is proposed to develop potent lead molecules for the treatment of disease conditions

Department of Pharmaceutics

- The department plans for collaboration with National Cancer Institute / Nanotechnology Characterization Laboratory (NCI/NCL), U.S.A., for regulatory aspects of nanotechnology based products and their characterization as per guidelines. Commercialization of patented and developed products through National Research Development

Council (NRDC), an enterprise of Department of Scientific and Industrial Research Govt. of India initiation of US Patents and filing PCT Applications and to establish centre of excellence in nanotechnology.

Department of Pharmacognosy

- Establishing a Plant Tissue Culture Laboratory.
- Establishing a library for the extracts, isolated compounds from natural source.

Department of Pharmacology

- To establish state of art Molecular Pharmacology Laboratory.

TIFAC CORE HD / Department of Phytopharmacy & Phytomedicine

- TIFAC CORE is making detailed plans to set up a "Centre for Natural Products" in collaboration with the Department of Pharmacognosy.
- TIFAC CORE is in the process of preparing a detailed programme for conducting an integrated M.Pharmacy/Ph.D., programme in Drug discovery in collaboration with the Department of Pharmacognosy.

Research
Paper
Presentations
in Conferences

JSS Medical College

Sl. No.	Title of the Research paper	Name of the Author	Name of the conference with details of date, venue	Regional / State / National / International
	Physiology			
1	Pulmonary function tests in secondary school boys with different sports activities status	Dr. M.S.Sunitha	Fourth annual conference of Association of Physiologists of Tamilnadu " Nutrition – APTCON-2010 8 th & 9 th October Coimbatore	State
2	B P response to isometric handgrip exercise test in obese and normal young adults"	Dr Srinath C G	National conference on basic medical sciences. 09 th & 10 th April 2010, Vinayaka Mission medical college, Salem	National
3	Intra ocular pressure changes to different grades of isometric exercise	Dr. Sudha Srinivas	Nutrition – APTCON-2010 at Coimbatore on 8 th & 9 th October 2010	State
4	Heart rate reserve-a useful tool for evaluation in the middle aged.	Dr Ganashree C P	31 st Annual Conference of IABMS at Tiruchengode on 31 st October 2010	International
5	A correlative study of IOP, obesity and BP in young healthy adults	Dr Gowd Aruna R	31 st Annual Conference of IABMS at Tiruchengode on 31 st October 2010	International
6	A comparative study of effect of isometric exercise on IOP in obese and non obese young adults	Dr Gowd Aruna R	22 nd Annual Conference of PSI & 2 nd Biennial International Conference of SAAP 15 th to 17 th December-2010 St Johns Medical College, Bangalore	International
7	Rate Pressure Product – A useful tool for evaluation of chest pain in the middle aged.	Dr Ganashree C P	22 nd Annual Conference of PSI & 2 nd Biennial International Conference of SAAP 15 th to 17 th December-2010 St Johns Medical College, Bangalore	International
8	Time domain indices of heart rate variability in obese young adults	Dr. Rajalakshmi R	22 nd Annual Conference of PSI & 2 nd Biennial International Conference of SAAP 15 th to 17 th December-2010 St Johns Medical College, Bangalore	International
9	Assessment of Sympatho-vagal Imbalance by a simple test of one minute heart rate variability in patient	Dr Fareeda Banu	22 nd Annual Conference of PSI & 2 nd Biennial International Conference of SAAP 15 th to 17 th Dec-2010 St Johns Medical College, Bangalore	International

10	Assessment of the Left ventricular activity in young obese adults by Electrocardiographic changes of QT,QT _c intervals and QT dispersion	Dr.Ganashree C.P	56 th Annual National Conference of APPI APPICON-2010 22 nd - 24 th Dec 2010 Jawaharlal Nehru Medical College, Sawangi (M), Wardha	National
	Biochemistry			
1	Poster presentation	Dr M N Suma	18 th National Conference of Association of Medical Biochemists of India, Hyderabad from 12 th to 14 th November, 2010	National
2	Paper presentation Study of C Reactive Protein, Troponin I and lipid metabolism and its relationship with myocardial Infarction.	Dr R N Devaki	1.37 th ACBICON annual national conference at Mumbai, 11 th -15 th Dec 2010	National
3	Poster presentation Oxidant-antioxidant status and lipid profile In the hypertensive patients.	Dr Prashanth V	1.18 th National Conference of Association of Medical Biochemists of India, Hyderabad from 12 th to 14 th November, 2010	
4	Poster presentation Study of lipid profile in association with anthropometric indices in adult healthy individuals in local population.	Dr Prashanth V	2. 37 th ACBICON annual national conference at Mumbai, 11 th -15 th Dec 2010	
5	Poster presentation Cigarette smoke induced oxidative stress in local population of Pokhara	Dr Akila P	1.18 th National Conference of Association of Medical Biochemists of India, Hyderabad from 12 th to 14 th November, 2010	
6	Oral presentation Oxidative stress and Calcium levels in senile and Diabetic Cataract Patients.	Dr Deepa K	1.18 th National Conference of Association of Medical Biochemists of India, Hyderabad from 12 th to 14 th November, 2010	National
	Forensic Medicine			
1	Legal Perspective of Narcoanalysis in India: Winds of change	Dr.Arun M	18 th Annual Conference of KAMLS, FORENSICON 2010, on 20 th and 21 st November 2010, held at MS Ramaiah Medical College, Bangalore, Karnataka	State
2	Gender Differentiation by Finger Ridge Count	Dr.Nithin M.D.	7 th Annual Conference of South Indian Medico Legal Society held at Vijayawada on 17 th to 20 th Sept- 2010	National

3	Incidental diagnosis of adenocarcinoma of stomach & Chromophobe variant of renal cell carcinoma at autopsy- a rare combination	Dr. Pramod Kumar G.N.	Academic Society Meeting, JSS Hospital, Mysore on 3.6.2010	State
	Surgery			
1	Poster Presentation – A rare case of Solid Pseudopapillary tumor of pancreas	Dr.G.Siddesh	ASI – KSC at Bagalkote)	State
2	Poster Presentation: Ancient Schwannoma – an interesting case	Dr.C.P.Madhu	ASI – KSC at Bagalkote)	State
3	1. Poster presentation “Disseminated cryptococcosis presenting as a thigh swelling in an Immuno competent patient. (Secured 2nd Place). 2. Paper Presentation – “Primary treatment for fibrino purulent stage of empyema thoracin” “VATS versus ICD”.	Dr.B.J.Sharath Chandra	KASICON Bijapur	State
4	1. Poster presentation “Disseminated cryptococcosis presenting as a thigh swelling in an Immuno competent patient (Secured 2nd Place) 2.Paper Presentation – “Primary treatment for fibrino purulent stage of empyema thoracin” “VATS versus ICD”.	Dr.P.B.Thrishuli	KASICON Bijapur	State
5	Co-author for poster presentation at KSC – ASICON at Bijapur. Topic – Neoadjuvant chemotherapy for downstaging of Ca Breast	Dr.M.S.Anil Kumar	KASICON Bijapur	State
6	Paper Presentation – “Primary treatment for fibrino purulent stage of empyema thoracin” “VATS versus ICD”.	Dr.Nandeesh.M	KASICON Bijapur	State
7	1.Paper presentation PG award paper “Role of Diagnostic Laparoscopy in Staging of abdominal malignancies. 2.Poster presentation “A rare case of solid pseudo papillary tumor of pancreas.	Dr.T.U.Girish	KASICON Bijapur	State
8	1.Paper presentation PG award paper “Role of Diagnostic Laparoscopy in Staging of abdominal malignancies. 2.Poster presentation “A rare case of solid pseudo papillary tumor of pancreas.	Dr.Mohd. Raa	KASICON Bijapur	State
	O.B.G.			
1	Clinical study of ectopic pregnancy	Dr.Nandish.SM	State Conference at Hassan 3 – 5 th Sept 2010	State

2	Analysis of ectopic pregnancy	Dr.Nandish	54 th All India OBG Conference 5 – 9 th Jan 2011- Hyderabad	National
3	Low Dose Magnesium Sulphate in severe PE and eclampsia - maternal outcome	Dr.M.S.Sujatha	State Conference at Hassan 3 – 5 th Sept 2010	State
4	Efficacy of Iron sucrose in Iron Deficiency Anemia in Pregnancy	Dr.Leelavathi	State Conference at Hassan 3 – 5 th Sept 2010	State
5	Efficacy of Iron sucrose in Iron Deficiency Anemia in Pregnancy	Dr.Leelavathi	54 th All India OBG Conference 5 – 9 th Jan 2011- Hyderabad	National
6	Maternal and perinatal outcome in diabetes complicating pregnancy	Dr.Suma.KB	State Conference at Hassan 3 – 5 th Sept 2010	State
7	A rare case of carcino sarcoma of the ovary	Dr.Suma.KB	Nov – 12 th to 14 th 2010 at Annual Conference of Association of Gynecc Oncologists of India at Bangalore	National
8	A rare case of Sclerosing stromal tumour of the ovary	Dr.Suma.KB	54 th All India OBG Conference 5 – 9 th Jan 2011- Hyderabad	National
9	Maternal and perinatal outcome in pregnancy complicating diabetes	Dr.Suma.KB	SAFOG conference at Colombo, Srilanka April - 2010	International
10	A study of maternal risk factors for preterm labour	Dr.Mamatha	54 th All India OBG Conference 5 – 9 th Jan 2011- Hyderabad	National
11	A study of maternal risk factors for preterm labour	Dr.Mamatha	State Conference at Hassan 3 – 5 th Sept 2010	State
12	One step procedure for screening and diagnosis of GDM	Dr.Ambarish Bhandiwad	54 th All India OBG Conference 5 – 9 th Jan 2011- Hyderabad	National
	Orthopaedics			
1	Immediate vs Early flap coverage in grade III B open fractures of Tibia	Dr.Shashi Kumar.Y	KOACON	
2	Bone transport over interlocking nail in grade III B open fracture in tibia	Dr.Shashi Kumar.Y	KOA CON	
3	Posterior dislocation of elbow with brachial artery injury – Immediate revascularization with reversed sephanous vein graft	Dr.Shashi Kumar.Y	KOACON 2008	
4	Recalcitrant non union	Dr.Shashi Kumar.Y	KOACON 2010	
5	Vaccum assisted closure (VAC) dressings in musculo skeletal wounds	Dr.Shashi Kumar.Y	KOA CON 2010	
	E.N.T.			
1	Quisy tonsillectomy a safe procedure	Dr.Sandeep s	MMC, Mysore Oct.2010	South Zone & State conference
2	Role of Tracheostomy in management of laryngeal foreign body	Dr.Rakesh B.S	MMC, Mysore Oct.2010	South Zone & State conference
	Psychiatry			
1	Identifying the 'mentally disabled' in the community: How much more is to be imparted to the internees in training?	Bindu Annigeri	Annual National Conference of Indian Psychiatric Society in Jaipur,2010	National

JSS Dental College and Hospital

Sl. No.	Title of the Research Paper	Name of the Author, department	Name of the conference with details of date, venue	Regional/ State/ National/
1.	Reliability of Panoramic Radiographs in the localized of mandibular foramen -	Dr.Preeti Tomar-Dept. of Oral Medicine & Radiology	National PG Convention in Oral Medicine & Radiology Sree Balaji Dental College and Hospital, Bharath University, Chennai, 4th – 5th September 2010	National
2.	Mandibular third molar position: A risk factor for acute pericoronitis	Dr.Anudeep Raina-Dept. of Oral Medicine & Radiology	National PG Convention in Oral Medicine & Radiology – Sree Balaji Dental College and Hospital, Bharath University, Chennai, 4th – 5th September 2010	National
3.	Dapsone in the management of symptomatic cases of oral lichen planus: A triple blind follow up study	Dr Mahesh K P-Dept. of Oral Medicine & Radiology	XXII National Conference of Indian Academy of Oral Medicine & Radiology in collaboration with IADMFR, New Delhi, 17th to 19th December 2010	National
4.	Attitudes, knowledge and practices of dentists regarding dental management of medically compromised patients	Dr Ekta Pai-Dept. of Oral Medicine & Radiology	XXII National Conference of Indian Academy of Oral Medicine & Radiology in collaboration with IADMFR, New Delhi, 17th to 19th December 2010	National
5.	Reliability of conventional and digital imaging in predicting the proximity of impacted mandibular third molars to the inferior alveolar canal	Dr Prasannasrinivas Deshpande-Dept. of Oral Medicine & Radiology	XXII National Conference of Indian Academy of Oral Medicine & Radiology in collaboration with IADMFR, New Delhi, 17th to 19th December 2010	National
6.	Predictivity of mandibular third molar position as a risk indicator for acute pericoronitis	Dr.Anudeep Raina-Dept. of Oral Medicine & Radiology	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31st December 2010	National
7.	Reliability of panoramic radiographs in localization of mandibular foramen	Dr.Preeti Tomar-Dept. of Oral Medicine & Radiology	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31st December 2010	National
8.	Hydroxyapatite discs – its feasibility as future biomimetic substrate	Dr Roli Agarwal, Dr B Nandlal-Dept. of Pedodontics	32nd Indian Society of Pedodontics & Preventive Dentistry National Conference, Amritsar, 12th to 14th November 2010	National
9.	Changing trends in restorative materials in Pediatric Dentistry -A retrospective study	Dr Talwade Priyanka, Dr B Nandlal-Dept. of Pedodontics	32nd Indian Society of Pedodontics & Preventive Dentistry National Conference, Amritsar, 12th to 14th November 2010	National
10.	Evaluation of clinical performance of glass ionomer restoration in free residential school children – A six months follow-up study	Dr Shilpi Tiwari Dr B Nandlal-Dept. of Pedodontics	32nd Indian Society of Pedodontics & Preventive Dentistry National Conference, Amritsar, 12th to 14th November 2010	National
11.	Restoring lost tooth structure with impression matrix technique	Dr Seema Deshmukh, Dr B Nandlal -Dept. of Pedodontics	FDI-IDA CDE 2010 & 38th Karnataka State Dental Conference, Jnana Jyothi Auditorium, Central College Campus, Palace Road, Bangalore, 19th to 21st November 2010	National

12	Odontoma and impacted maxillary central & lateral incisors – A surgical and orthodontic intervention	Dr Prashanth S, Dr B Nandlal-Dept. of Pedodontics	FDI-IDA CDE 2010 & 38th Karnataka State Dental Conference, Jnana Jyothi Auditorium, Central College Campus, Palace Road, Bangalore, 19th to 21st November 2010	National
13	Biological restoration	Dr Indira M D, Dr B Nandlal-Dept. of Pedodontics	FDI-IDA CDE 2010 & 38th Karnataka State Dental Conference, Jnana Jyothi Auditorium, Central College Campus, Palace Road, Bangalore, 19th to 21st November 2010	National
14	A comparative evaluation of a commercially available herbal and non herbal dentrifice on dental plaque and gingivitis in children	Dr Sushma, Dr B Nandlal- Dept. of Pedodontics	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31st December 2010	National
15	An evaluation of the effect of calcium hydroxide as a pre obturation medicament on the root fracture strength of human permanent mature teeth – An invitro study	Dr Chanchala, Dr B Nandlal Dept. of Pedodontics	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31st December 2010	National
16	Treatment of condylar fractures with trapezoidal condylar plates by a rhytidectomy incision with transmassetric anteroparotid approach	Dr Anupama P- Dept. of Oral Surgery	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31st December 2010	National
17	Fixation of maxillofacial fractures with biodegradable co polymer osteosynthesis system	Dr Ramya Dept. of Oral Surgery	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31st December 2010	National
18	The effect of casein phosphopeptide – Amorphous calcium phosphate and casein phosphopeptide – amorphous calcium phosphate fluoride	Dr Ashwini B-Dept. of Conservative Dentistry	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31st December 2010	National
19	Oral Mucosal Lesions among Diabetics & Non-Diabetics in Mysore	Dr Maurya M-Dept. of Public Health Dentistry	XIV National Congress of Public Health Dentistry & II Conference for promotion of Preventive & General Dentistry, Hotel Ashok, New Delhi, 9th to 11th April 2010,	National
20	A study of knowledge attitude and practice about hospital waste management and to assess the effect of training among the staff of dental teaching hospitals in Bangalore city	Dr Sushma R-Dept. of Public Health Dentistry	XV National Conference of Indian Association of Public Health Dentistry 2010, JSS Dental College & Hospital, Mysore, 4th & 5th December 2010	National
21	Affordability of toothpaste in developing countries – A review	Dr Maurya M-Dept. of Public Health Dentistry	XV National Conference of Indian Association of Public Health Dentistry 2010, JSS Dental College & Hospital, Mysore, 4th & 5th December 2010	National
22	A survey on oral health status and treatment needs of life imprisonment inmates in central jails of Karnataka	Dr Veera Reddy- Dept. of Public Health Dentistry	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31st December 2010	National

23.	Study to assess the oral health status and treatment needs of granite factory employees in Nanjangud Taluk, Mysore	Dr Ramya B-Dept. of Public Health Dentistry	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31st December 2010	National
24.	Study to assess the oral health status and treatment needs of granite factory employees in Nanjangud Taluk, Mysore	Dr Ramya B-Dept. of Public Health Dentistry	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31st December 2010	National
25.	Comparison of glycosylated hemoglobin levels in periodontitis patients and healthy control - a pilot study in Indian population	Dr. Ruchika-Dept. of Periodontology	9th ISP PG Convention Tirupati, 19th & 20th June 2010	National
26.	Improvement of oral health related quality of life in chronic periodontitis patients after scaling and root planning	Dr. Mishal- Dept. of Periodontology	9th ISP PG Convention Tirupati, 19th & 20th June 2010	National
27.	Effect of miswak tooth brushing and miswak as an adjunct to tooth brushing on gingivitis	Dr.Shruthi- Dept. of Periodontology	9th ISP PG Convention Tirupati, 19th & 20th June 2010	National
28.	Dermatographic findings and aggressive periodontitis of possible link	Dr.Devishree-Dept. of Periodontology	9th ISP PG Convention Tirupati, 19th & 20th June 2010	National
30.	Quantitative cytomorphometric analysis of exfoliated normal human gingival cells	Dr.Punit aibhav-Dept. of Periodontology	9th ISP PG Convention Tirupati 19th & 20th June 2010	National
31.	Influence of sex hormone on exfoliated normal gingival cells, International Academy of Periodontology	Dr.Punit Patel Dept. of Periodontology	(IAP) Chennai 2010 Conference on 27th & 28th August 2010	National
32.	Comparison of Glycosylated Haemoglobin levels in severe periodontitis cases and healthy controls – A study in Indian population	Dr.Deepika P.C. - Dept. of Periodontology	35 th National Conference of the Indian Society of Periodontology, Bangalore, 27 th – 30 th October 2010	National
33.	Therapeutic effect of ozonated oil on postsurgical epithelial healing of free gingival graft in treatment of localized gingival recession – A clinical and exfoliative cytological study	Dr Punit Vaibhav Patel- Dept. of Periodontology	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31 st December 2010	National
34.	Comparative evaluation of bioactive glass in particulate and putty forms as alloplastic graft materials in the treatment of periodontal intrabony defects – A clinical and radiological study	Dr Devishree- Dept. of Periodontology	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31 st December 2010	National
35.	Effect of surgical periodontal therapy on metabolic parameters in type ii diabetes mellitus patients with chronic generalized periodontitis	Dr Divyashree P. - Dept. of Periodontology	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31 st December 2010	National
36.	Effects of Ozonated gel in Chrome Periodontitis in type II diabetic patients – A Clinical and Microbial study	Dr Sheela Kumar Gujjari- Dept. of Periodontology	ICDRO World Congress 2011, Pune, 13 th January 2011	National

37.	Stem cells on Periodontoal regeneration: Promises versus limitations	Dr Ruchika Saxena- Dept. of Periodontology	ICDRO World Congress 2011, Pune, 13 th January 2011	National
38.	Effect of Ozonated Gel on Chronic Periodontitis in Type II Diabetic Patients: A Clinical and Microbiological Study	Dr Sheela Kumar- Dept. of Periodontology	International Clinical Dental Research Organization World Congress 2011, Pune, 14 th January 2011	International
39.	CMV in Periodontitis - A Mere Epiphenomenon or a Possible Etiology	Dr Shivali S Gaekwad- Dept. of Periodontology	International Clinical Dental Research Organization World Congress 2011, Pune, 14 th January 2011	International
40.	Stem Cells in Periodontal Regeneration: Promises versus limitations	Dr. Ruchika Saxena- Dept. of Periodontology	International Clinical Dental Research Organization World Congress 2011, Pune, 14 th January 2011	International
41.	Xerostomia – Beat the Dryness with reservoir dentures - 12 th National Post Graduate Students Convention, (Indian Prosthodontic Society)	Dr. Vikas Verma- Dept. of Prosthodontics	SRM University, SRM Dental College, Ramapuram, Chennai on 4 th to 6 th June 2010	National
42.	Virtual Articulator – The Virtual Era? - 12 th National Post Graduate Students Convention, (Indian Prosthodontic Society)	Dr. Teerthesh Jain- Dept. of Prosthodontics	SRM University, SRM Dental College, Ramapuram, Chennai on 4 th to 6 th June 2010	National
43.	Prosthetically Driven Implantology - 12 th National Post Graduate Students Convention, (Indian Prosthodontic Society)	Dr. Teerthesh Jain, Dr. Puneeth Mutneja- Dept. of Prosthodontics	SRM University, SRM Dental College, Ramapuram, Chennai on 4 th to 6 th June 2010	National
44.	Lumineers – A Breakthrough in Cosmetic Dentistry - 12 th National Post Graduate Students Convention (Indian Prosthodontic Society)	Dr. Puneet Mutneja- Dept. of Prosthodontics	SRM University, SRM Dental College, Ramapuram, Chennai on 4 th to 6 th June 2010	National
45.	Mandibular Overdentures with attachments – Demo - 12 th National Post Graduate Students Convention (Indian Prosthodontic Society)	Dr. Amrita Pandita, Dr. Karan Sethi - Dept. of Prosthodontics	SRM University, SRM Dental College, Ramapuram, Chennai on 4 th to 6 th June 2010	National
46.	Oral Rehabilitation of Orofacial Dyskinesia Patient – A Case Report - 12 th National Post Graduate Students Convention, (Indian Prosthodontic Society)	Dr. Mohamed Faizan Khan- Dept. of Prosthodontics	SRM University, SRM Dental College, Ramapuram, Chennai on 4 th to 6 th June 2010	National
47.	Microwave in Prosthodontics – 38 th Indian Prosthodontic Society Conference	Dr Ravi M B- Dept. of Prosthodontics	Indore, 12 th to 14 th November 2010	National
48.	Role of splints in management of temporomandibular joint disorders	Dr Ganesh S- Dept. of Prosthodontics	38 th Indian Prosthodontic Society Conference, Indore, 12 th to 14 th November 2010	National
49.	Evaluation of physical properties of tissue conditioning materials for functional impression	Dr Shylesh Kumar B S- Dept. of Prosthodontics	38 th Indian Prosthodontic Society Conference, Indore, 12 th to 14 th November 2010	National

50.	Ozone – A healing touch in dentistry	Dr Meenakshi S Dept. of Prosthodontics	FDI-IDA CDE 2010 & 38 th Karnataka State Dental Conference, Jnana Jyothi Auditorium, Central College Campus, Palace Road, Bangalore, 19 th to 21 st November 2010	National
51.	Esthetics with veneers	Dr Sowmya S Dept. of Prosthodontics	FDI-IDA CDE 2010 & 38 th Karnataka State Dental Conference, Jnana Jyothi Auditorium, Central College Campus, Palace Road, Bangalore, 19 th to 21 st November 2010	National
52.	An invitro study to evaluate and compare antifungal activity and flexural strength after incorporating different percent of silver-zinc zeolite	Dr Puneet Mutneja Dept. of Prosthodontics	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31 st December 2010	National
53.	Evaluation and comparision of flexural strength of negatively charged polymethylmethacrylate(pmma) with different concentrations of methacrylic acid	Dr Teerthesh Jain Dept. of Prosthodontics	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31 st December 2010	National
54.	Bond strength of commercially available acrylic resin denture teeth to acrylic denture base material reinforced with aluminium oxide	Dr Mohammad Faizan Khan- Dept. of Prosthodontics	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31 st December 2010	National
55.	Evaluation of efficacy of electrolyzed water in disinfection of old complete dentures – A comparative microbiological study with sodium hypochlorite	Dr Vikash Verma Dept. of Prosthodontics	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31 st December 2010	National
56.	Articulatory evaluation of linguopalatal sounds prior and after complete denture rehabilitation and effect of customization with paiatine rugae on linguopalatal phonemes	Dr Amrutha V S Dept. of Prosthodontics	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31 st December 2010	National
57.	A comparative evaluation of the bond failure rates of brackets bonded with different adhesive systems using different primers – An in vivo study	Dr Kanhu Charan Sahoo-Dept. of Orthodontics	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31 st December 2010	National
58.	An interdisciplinary approach to a class III malocclusion patient with multiple impacted teeth	Dr Pradeep-Dept. of Orthodontics	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31 st December 2010	National
59.	Effect of self etchant ph on shear bond strength of orthodontic brackets	Dr Amit Goyal-Dept. of Orthodontics	JSS University Scientific Meet – 2010, JSS Dental College & Hospital, Mysore, 31 st December 2010	National
60.	Cephalometric evaluation of speech disorders in Cleft palate patients and normal individuals – A comparative study	Dr N Raghunath-Dept. of Orthodontics	Indian Orthodontic Society - Mid year convention held at Hong Kong, 10 th to 16 th April 2010	International
61.	Mitochondrial DNA in Forensic Medicine – The 'POWER HOUSE' of forensic investigations	Dr.Sreeshyla H.S. -Dept. of Orthodontics	3 rd National Conference of National Foundation of Clinical Forensic Medicine (NFCFM) Clinforensicon – Coorg 2010, Ambatty Greens Resorts, Coorg, 13 th & 14 th November 2010	National

JSS College of Pharmacy, Mysore

Sl. No.	Title of the Research Paper	Name of the Author, department	Name of the conference with details of date, venue	Regional/ State/ National/ International
1	Determination of Ketoprofen In Tablet Dosage Form By Gas Liquid Chromatography	Dr. B.M. Gurupadayya	15th Annual National Convention of APTI, Hyderabad, 2nd and 3rd November 2010	National
2	Synthesis and cytotoxicity of certain bis-1,3,4-oxadiazoles and bis-pyrazole	Mr. M.N.Purohith	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
3	Design, Validation and Implementation of CPD programmes for Community Pharmacists- A Study	Mr. Atiqulla Shariff	15th Annual National Convention of APTI, 2nd and 3rd November 2010, 2nd and 3rd November 2010	National
4	Potentially inappropriate medication use in Hospitalised elderly; comparison of two explicit criteria	Mr. Vishwas HN	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
5	Patient acceptability of different inhaler devices in asthma	Mrs. Savitha RS	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
6	Assessment of Antiepileptic Drugs Usage in a Tertiary Care Teaching Hospital	Juny Sebastian	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
7	Drug Utilization Evaluation of Antiplatelet Agents in Medicine Department in a Teaching Hospital	Varun Talla	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
8	Design, Implementation and Evaluation of Community Pharmacy Based Health Screening Services	Jaidev Kumar BR	15th Annual National Convention of APTI, Hyderabad, 2nd and 3rd November 2010	National
9	Impact of Pharmacist provided Pharmaceutical Care Services on Medication Adherence Behavior in Geriatric Patients of Old Age Home Settings	Dr. Ramesh Adepu	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
10	Assessment of Drug- Drug Interactions in Hospitalized Patients	Arvind Nag K	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
11	Assessment of Suspected Adverse Drug Reactions of Selected Newly Introduced Medicines in Ambulatory Patients	Ravinandan AP	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
12	Potentially Inappropriate Medication Use and Adverse Drug Reactions in Elderly Patients visiting Emergency Dept	Dr. Ramesh M	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
13	Analysis of Culture Sensitivity Reports in a Tertiary Care Hospital	DR. Ramesh M	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National

14	Assessment of the Pharmacological Management of the Complications of ESRD in patients on Maintenance Hemodialysis	Justin Kurian	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
15	Potentially Inappropriate Medication use in Hospitalized Elderly: Comparison of Two Explicit Criteria	Vishwas HN	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
16	Design and evaluation of flucanazole microsponges for topical delivery	Vinay	15th Annual National Convention of APTI, Hyderabad, 2nd and 3rd November 2010	National
17	Preparation and characterization of gelatin polymethacrylic acid interpenetrating polymeric network hydrogels as pH sensitive drug delivery system for isosorbide dinitrate	N.Aswani	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
18	Sustained release metoprolol succinate using Kondagugu gum as carrier	N.Srujana	15th Annual National Convention of APTI, 2nd and 3rd November 2010	National
19	Global Regulations On Stem Cell Research – Boon Or Bane?	Anusha Nathani,* (Pharmaceutics)	Indo-American Pharmaceutical Regulatory Symposium, 20-21, Nov.2010	International
20	Are Indian Regulations Against Adulteration Of Food And Pharmaceuticals Justifiable?	Blessy A. Daniel	Indo-American Pharmaceutical Regulatory Symposium 20-21, November 2010	International
21	Sugar Substitutes - The Reliable Solution To Combating Diabetes?	Chinnu Grace George	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
22	Regulatory Requirements For Clinical Trials Involving Gene Therapy	V.Narahari	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
23	A Regulatory Overview Of Medical Devices Approval Process	Koushik Aerabati	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
24	The Impact Of Implementation Of Ich Guidelines On Non Ich Countries	K.Krishna reddy	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
25	Drug Regulatory Framework-Prices, Availability And Affordability Of Quality Medicines For The Masses In India	G.Navaneetha	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
26	Impact Of Globalisation On The Indian Healthcare And Pharmaceutical Industry	Pratik Thakkar	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International

27	Therapeutic Goods: A Regulatory Perspective	Srikanth Palle	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
28	Regulatory Guidance For Conducting Clinical Trials In India	K.Sunaina Sagar	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
29	FDA's Risk Management Strategy For Pharmaceutical Industry	V.Surendra Gowd	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
30	A Regulatory Overview Of Medical Devices Approval Process	Koushik Aerabati	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
31	Scope And FDA Regulatory Requirements For Fast Track Approval	Raghu Pavan Kumar.K	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
32	Regulatory Guidelines on control of Impurities in Pharmaceutical Products	Venkatesh Alla	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
33	Pharmaceutical Regulatory Environment in India – An Overview	Venkatesh Alla	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
34	Conducting Effective Annual Product Reviews for pharmaceuticals	M.Sai Jyotshna	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
35	An over view of Australian Pharmaceutical Regulatory Authorities and Evaluation & Approval of New drugs	B.Krishnakanth	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
36	Trade Mark Laws In India – An Overview	B.Krishnakanth	Indo-American Pharmaceutical Regulatory Symposium 20-21, November 2010	International
37	Concept of CAPA in Quality Management System in Pharmaceutical Industry	K.B.Leena	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
38	Quality Management In Clinical Trials; Why? How? - An Overview	Nilang Mehta	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
39	Comparative study of in-process and finished products quality control Tests of IP, BP & USP for conventional dosage forms.	Vinay S	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International

40	Indigenous & traditional intellectual property protection through Geographical indications Registration	Prathik T Kela	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
41	Indigenous & traditional intellectual property protection through Geographical indications Registration	Devendra Sharma	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
42	An Overview Of Quality Check Of Vaccines	Mehta Nilang	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
43	Provisional Guidelines On The Inspection Of Pharmaceutical Manufacturers	Sripupa Biswas	Indo-American Pharmaceutical Regulatory Symposium 20-21, November 2010	International
44	Intellectual Property Rights – An Overview	Patel Ravikumar	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
45	Contract manufacturing - a paradigm shift in the Indian pharmaceutical industry	Peeyush	Indo-American Pharmaceutical Regulatory, Symposium, 20-21, November 2010	International
46	Comparision Between India And US Patents	Kamalkumar	Indo-American Pharmaceutical Regulatory Symposium, 20-21, November 2010	International
47	Development and validation of GC-FID method for lamivudine using ethyl chloroformate as a derivatising agent in pure and pharmaceutical preparation	M.B.Rahul Reddy	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
48	Simultaneous spectroscopic estimation of carvedilol and lercanidipine in human plasma	E.Venkat Ramayya	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
49	Spectrophotometric determination of atorvastatin calcium and ezetimibe using 2,4-DNP in pharmaceutical dosage forms	A.Shravya	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
50	Stability indicating RP-HPLC method for simultaneous determination of antidiabetic drugs	P.Raja	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
51	Development and validation of isocratic RP-HPLC method for raloxifene HCl in bulk and pharmaceutical formulation	Manoja KML	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
52	Synthesis and DNA binding study of Schiff's bases derived from Bis-1,2,4-triazole	Raghunandan Shurpali	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
53	Synthesis and in vitro antimicrobial activity of some novel Schiff's bases	Veenith Kumar Singh	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National

54	Synthesis and antimicrobial activity of some Mannich Bases from 1,2,4-triazole Schiff's bases	Mohan Krishna K.	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
55	Development of gastro retentive drug delivery systems based on super porous gel	Ajay R.Kulkarni	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
56	Design and evaluation of floating hallow microspheres of rosiglitazone maleate	Srirupa Biswas	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
57	Formulation design and evaluation of bioadhesive vaginal tablet containing clotrimazole loaded microspheres by spray drying	Natasha.S.	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
58	Comparative study of quality requirements for sterile pharmaceutical product as per international guidelines	Natasha Shirodkar	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
59	Comparison of stability testing requirements of ICH with other international regulatory authorities	Heenal Patel	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
60	Formulation development and evaluation of flucanazole containing thermosensitive bioadhesive gel for vaginal drug delivery	Heenal Patel	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
61	Formulation design and evaluation of micanazole bioadhesive films for vaginal delivery	Vinay S	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
62	Sustained release metoprolol succinate tablets using cross linked Kondagugu gum as a carrier	N Srujana	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
63	Formulation and evaluation of pH sensitive and drug release characteristics of guar gum grafted pacrylamide carboxy methyl cellulose interpenetrating network hydro gel beads	N Aswani	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
64	GMP requirement for tablet manufacturing in regulated and rest of world (ROW) countries	T M Pamod Kumar	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
65	Antioxidant and antimicrobial activity of Artemisia Pallens	Sri Vasavi Reddy	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National
66	Immunomodulatory activity of Artemesia Abrotanum	Jitin Ahuja	62nd IPC, at Manipal University, Manipal, 17-19 December 2010	National

JSS College of Pharmacy, Ooty

Sl. No.	Title of the Research Paper	Name of the Author, Department	Name of the Conference with details of Date, Venue	Regional / State/
1	A sensitive RP-HPLC method for simultaneous estimation of atorvastain and fenofibrate in tablet formulation	Bindiya Chauhan, Arunadevi S. Birajdar, B.Gowramma, Baswan Babu, R.Jeyaprakash, S.N.Meyyanathan, K.Elango, Pharmaceutical Analysis	2nd International Conference on "Current status and future perspective in Pharmaceutical Sciences, 20th -21st, August 2010.	International
2	In vitro and In vivo Evaluation of Aspirin and Diphenhydramine Hcl fast dissolving tablets	Akilesh Reddy.A, S.N.Meyyanathan & N.Krishnaveni, Pharma. Analysis	62nd Indian Pharmaceutical Congress 2010, Manipal	National
3	Enantioseparation of some marketed Rosiglitazone by direct chiral HPLC method	Gowramma.B and S.N.Meyyanathan, Pharmaceutical Analysis	-do-	National
4	Estimation of relative impurity in warfarin bulk drug by RP HPLC method	Bindiya Chauhan, S.N.Meyyanathan & M.R.Jeyaprakash, Pharmaceutical Analysis	-do-	National
5	High throughtput and Insilico screening against Human Huntington Diseases Protein	R.Rajesh Kumar, Pharmaceutical Biotechnology	-do-	National
6	In vitro cytotoxicity and antimicrobial activity of Ruta chalapensis	A.R.Srividya, Pharmaceutical Biotechnology	The National Seminar held at Nirmala College for Women, Coimbatore on 7-8th October 2010	National
7	Screening of Soil samples for pigment producing microorganism	A.R.Srividya, Pharmaceutical Biotechnology	-do-	National
8	Bioprocessing of Gu-1 for the production of protease and its purification	A.R.Srividya, Pharmaceutical Biotechnology	-do-	National
9	Antiviral activity of medicinal plants of India	P.Vijayan, Pharmaceutical Biotechnology	Antiviral Congress. 7-9, November 2010. Amsterdam, The Netherlands	International
10	In vitro antidiabetic activity of methanol extract of leaves and stems of cassia auriculata linn	P.Vijayan, Pharmaceutical Biotechnology	International Conference on multidisciplinary approach to Diabetes Research and Health. 14-16, 2010. Jaipur	International
11	High through put in Silica screening against Huntigton Disease	Monica Mishra, Pharmaceutical Biotechnology	62nd Indian Pharmaceutical Congress, 2010, Manipal	National
12	Diuretic activity of Pirlia chirata	Pushparaj Singh Pajput, Pharmaceutical Biotechnology	-do-	National

13	Tacrine loaded PLGA an PBCA nano-particles: preparation, optimization, characterization, brain targeting & pharmacodynamic studies for alzheimer's disease	Rizwan Basha Khatwal, Pharmaceutical Biotechnology	International Conference on Drug Delivery, PSG College of Pharmacy, Coimbatore, during 21-22 January 2011	International
14	Affordability and accessibility to life saving Medicines in light of the recent mergers and acquisitions. Abstract No. J - 39	S.Sankar, S.Jubie, P.Dhamodaran, K.Elango, Pharmaceutical Chemistry	62nd IPC, December 17-19 2010. Manipal College of Pharmaceutical Sciences, Manipal , Karnataka.	State
15	Synthesis and antimicrobial activities of some novel 2-azetidinones bearing 1,3,4-thiadiazoles nucleus. Abstract No.231	S.Gomathy, B.Gowramma, S.N.Meyyanatha, S.Sankar, Pharmaceutical Chemistry	-do-	State
16	Enantioseparation of some marketed formulation of rosiglitazone by direct chiral HPLC method. Abstract No. F -117	B.Gowramma, S.N.Meyyanathan, B.Babu, S.Gomathy. Pharmaceutical Chemistry	-do-	State
17	Microwave Induced Synthesis and Cytotoxic activity of some Novel Pyrazole substituted 9-Anilino Acridine derivatives Abstract No. B -9	R.Kalirajan, M.H.Mohammed Rafick, V.Muralidaran and S Sankar, Pharmaceutical Chemistry	-do-	State
18	Synthesis, Characterization and evaluation of their antioxidant activity of some Novel Pyrazole substituted Acridine derivatives. Abs.No.B-3	R.Kalirajan, Ravi kishore kandula, V. Muralidaran and S.Sankar, Pharmaceutical Chemistry	-do-	State
19	Synthesis, Characterization and evaluation of anti microbial activity of some Novel Chalcone derivatives of 9-Anilino Acridine. Abs No.B-0	R.Kalirajan, Priyasingh, V. Muralidaran and S. Sankar, Pharmaceutical Chemistry	-do-	State
20	Design, Synthesis and docking studies of novel ofloxacin analogues as antimicrobial agent. Abstract No. B - 331	S.Jubie, Nilesh Patil, Prabitha, R.Rajesh Kumar, Pharmaceutical Chemistry	-do-	State
21	New benzimidazolo indane-1,3-dione derivatives: Synthesis and in-vitro screening against helminthic infections. Abstract No. B-397	Arpit Saxena, S.Jubie, R.Gayathri, S.Suresh, Pharmaceutical Chemistry	-do-	State
22	Synthesis of some novel 2-benzimidazole derivatives as analgesic and anti-inflammatory agents. Abstract No.B114	Anjali Singh, Md.Afzal Azam, Pharmaceutical Chemistry	-do-	State
23	Synthesis and neuro protective evaluation of some novel quinoxaline-2,3-dione derivatives. Abstract No. B -54	Adity Sethi, S.Jubie, Gayathri, A. Shanish Antony, Pharmaceutical Chemistry	-do-	State
24	Synthesis and biological evaluation of some novel 2-mercapto-benzothiazoles carrying 1,3,4-oxadiazole, 1,3,4-thiadiazole and 1,2,4-triazole moieties. Abstract No. 53	Md. Afzal Azam, L. Dharanya, Pharmaceutical Chemistry	-do-	State

25	Synthesis and biological evaluation of some 1,3,4-oxadiazole incorporated 2-mercaptobenzothiazoles	T.N.Srinivas, Md.Afzal Azam, Pharmaceutical Chemistry	Presented at National conference on evolving Paradigms in molecular Pharmacology and drug design at Ultra college of Pharmacy, Madurai, Sponsored by CSIR and ICMR, New Delhi, dated 17-18, March 2011.	Regional
26	Design and evaluation of inorganic controlled release systems for methyl salicylate and vanillin for extended release of flavor	Mausam Jain, Jawahar.N, Jeyaprakash, Sumeet Sood, Kunal Jain, Pharmaceutics	ICPPS & IPAC held in Chennai (March 2010)	National
27	pH Induced in- situ Gelling system of an anti-infective drug for sustained ocular drug delivery	K.Gowthmarajan, Swati Kaushik, Abdul Malik P.H., Sumeet Sood, Pharmaceutics	2nd international conference on Current status and future perspective in pharmaceutical sciences, August 20th & 21, 2010. At Bangalore	International
28	Out sourcing of pregnancy using commercial	Heeba.V.M, Pharmaceutics	Indo-American Pharmaceutical regulatory Symposium, November 20-21, 2010 Sri Ramachandra University, Chennai	International
29	Impact of patent amendments on Pharmaceutical Industries in India	Prashant Kumar, Pharmaceutics	-do-	International
30	History of GMP Indo-American Pharmaceutical regulatory	N.S.Vemkateswaran, Pharmaceutics	-do-	International
31	Globalization impacts on Indian Health Care Industry	Anitha.L, Pharmaceutics	-do-	International
32	Indo-American Pharmaceutical regulatory Symposium	Neelima.A, Pharmaceutics	-do-	International
33	Regaining the Balance of Hatch-Waxman in the FDA Generic Approval Process: An Equitable Remedy to the Thirty-Month stay	Spurthi Suryadevara, Pharmaceutics	-do-	International
34	Trends in Pharmacovigilance Emerging	Prashob Nair, Pharmaceutics	-do-	International
35	DTC a Novel Technology for Pharmaceutical Marketing Strategy	P.S.Ravichandra, Pharmaceutics	-do-	International
36	Preparation and Characterization of Oil-In-Water Nanoemulsion for Improved Oral Delivery of Atorvastatin	R.Suresh Kumar, Pharmaceutics	Indo-US Symposium on "Frontiers in Medicinal Chemistry and Drug Discovery" April 21-23, 2011, Mysore,	International
37	A Novel Formulation Approach for Poorly Soluble Drug Carvedilol Nanocrystal	N.Jawahar, Pharmaceutics	-do-	International
38	Design and Development of Buccal Drug Delivery System for Labetalol Using Natural Polymer	G.N.K.Ganesh, Pharmaceutics	-do-	International
39	Formulation and Evaluation of Theophylline Mucoadhesive Tbalet using Gums Extracted from Ceasepinia pulcherrima (CP)	V.Senthil, Pharmaceutics	-do-	International

40	Design and Characterization of Nanoemulsion system for Olanzapine	Karri.V.V.S. Narayana Reddy, Pharmaceutics	-do-	International
41	Formulation and Evaluation of Muccoadhesive Tablets of Amoxicillin Trihydrate Formulation and Evaluation of Muccoadhesive Tablets of Amoxicillin Trihydrate	Varun Rathi, Pharmaceutics	-do-	International
42	Utility of Novel Plant Based Polymer Development of Controlled Release Spheroids	Sumeet Sood, Pharmaceutics	-do-	International
43	Self Nanoemulsion Drug Delivery System of Olanzapine Formulation and In Vitro Evaluation	Sumanth Devaki, Pharmaceutics	-do-	International
44	Dissolution Enhancement of Poorly Water Soluble Drug by Liquid solid compact Technique	S. Shashanka Reddy Pharmaceutics	-do-	International
45	Formulation Development of Transdermal Gels Using Natural Mucilages	R.Shanumugam, Pharmaceutics	-do-	International
46	In Vivo Characterization and Iivc of snedds containing Poorly Soluble Drug Olanzapine,	Pathuri Raghuv eer, Pharmaceutics	-do-	International
47	Formulation Development of Transdermal Drug Delivery System using Natural Polymer	L.Priyanka Dwarampudi, Pharmaceutics	-do-	International
48	Formulation and Evaluation of Lipsomoal Drug Delivery System and Anticancer Drug and the study the Effect of Various and In Vitro Based on Physiochemical and In Vitro Characterization	Manjusha Pallaprola, Pharmaceutics	-do-	International
49	Preliminary study of Anacardium occidentale Gum As Binder In formulation of Paracetamol Tablets	Kunal Jain, Pharmaceutics	-do-	International
50	Formulation and Eval. of Cedrus deodara Loud Extracts for its Antidiabetic Activity	Kammili Lavanya, Pharmaceutics	-do-	International
51	Olanzapine loaded cationic solid lipid nanoparticles for oral lymphatic Delivery	Natarajan Jawahar, Sood Sumeet, Subramanya nainar Meyyanathan, Kuppusamy Gowthamarajan, Bhojraj Suresh Pharmaceutics	71st International Congress of FIP'compromising safety and Quality: a risky path, in Hyderabad, India, 3-8-September 2011	International
52	Recent Advances in New Drug Development and Quality Control Participated as a speaker.	Dr.B.Duraiswamy Pharmacognosy	Staff Development Programme, Swamy Vivekanandha College of Pharmacy, Tiruchengode, Namakkal district Date: 11.07.2011 to 24.07.2011	National

53	Formulation and evaluation of biopolymer as an alternate for synthetic polymer	Dr.Nalani Packianathan, Pharmacognosy	International Conference on Global Environment and its sustainability; implications and strategies at RKM Vivekananda College, Mylapore, Chennai. On 7th November 2010.	International
54	Safe and effective use of probiotics in combination with gastric acid inhibitors(Omeprazole) for the treatment of gastric Esophageal reflux Disease (GRED)	Piyush Jain, K.Elango, Anand Vijay Kumar P.R, Roger Jones, Satish Kumar. M.N, Suresh.B, Pharmacology	National Medicines Symposium 2010 26-28 May 2010 Melbourne (Australia)	Australia International
55	Assessment of the prescribing pattern of antibiotics with corticosteroids in infective acute exacerbation of chronic bronchitis patients A case series	Varun K.Soti, K.Elango, Pharmacology	IPA Student Forum Conference, Mumbai on 2nd-4th Aug-2010	Mumbai National
56	Infectious and antibiotic induced Diarrhea in Pediatric A case series	Alekya Kilaru, Sabin Thomas, Pharmacology	-do-	Mumbai National
57	Antidiabetic, antioxidant and anti hyperlipidemic status of Asparagus racemosus on streptozotocin induced Diabetic in Rats	R.Vadivelan, R.Rajeshwari M.Dipanjan S.P.Dhanapal .Elango, Pharmacology	2nd Int. Conference on Current status and future perspective in Pharmaceutical Sciences on 20&21 Aug-2010	PES college of Pharmacy Bangalore International
58	Wound healing activity of hydro alcoholic extracts of Ocimum sanctum and Ocimum basilicum in Wistar rats	Binayak Deb, Sreenath Chebrolu, M.N.Satishkumar, P.Vijayan, Pharmacology	-do-	PES college of Pharmacy Bangalore International
59	Demographic Factors influencing clinical outcomes in HIV patients receiving anti retroviral therapy	Alekya kilaru ,Evelyn Mary Joseph, K.Elango Sabin Thomas, Pharmacology	-do-	PES college of Pharmacy Bangalore International
60	Clinical aspects of phytoestrogenic preparation alone and in combination with testosterone in post menopause	Varun.K.Soti, K,Srikairavi K.Elango Sabin Thomas, Pharmacology	-do-	PES college of Pharmacy Bangalore International
61	Development and validation of a visible absorption densitometry method for quantitation of Quercetin in Ocimum sanctum plant extracts for drugs, cosmetics and food	P.Gautham S.Guptha, B.Duraiswamy, M.N.Satish Kumar, Pharmacology	Int. Conference on Bioresource Technology its applications and achievements ICBRT Oct 7-8,2010, Nirmala College for women Coimbatore	Nirmala College for Women, Coimbatore International
62	Anticandidal activity of Ocimum sanctum normal and immunocompromised mice against systemic and oral candidiasis plant extract for drugs, cosmetics and food	M.Agarwal, S.Guptha, M.N.Satish Kumar, B.Duraiswamy, Pharmacology	-do-	Nirmala College for Women, Coimbatore International
63	Spiradoline in the treatment of Isoproterenol induced Cardiac ischemia in Wistar rats : A Novel Therapeutic approach	Satisha Kumar.M.N, Deb B, Radhika Reddy.V, Suresh.B, Pharmacology	62nd Indian Pharmaceutical Congress 2010, Manipal 17-19th Dec -2010	Manipal National

64	Effect of Standardized Bacopa Monniera extract on Fluoride induced toxicity in female Swiss albino mice	Koneru.A, Balaji.B, Satish Kumar.M.N, Kumar E.P, Pharmacology	-do-	Manipal National
65	Invivo evaluation of Anti hyperlipidemic activity of cyperus rotundus linn in poloxamer induced hyperlipidemic Sprague dawley rats	Divya.R.K Satish Kumar.M.N, Manikrao.G.M, Kumar.E.P, Pharmacology	-do-	Manipal National
66	Indomethacin Nifedipine and its combination produced anti Parkinson's activity in 6-OHDA lesioned rat model	Sindhura Gudluru, Elango.K, Shanish Antony A, Pharmacology	International Conference on Pharmacology and translational research Dec – 13th -16, 2010 Hyderabad	Hyderabad International
67	Efficacy of shatyadi Quathar and rasna saphthak in ameliorating joint destruction in rheumatoid arthritis	Santhivardhan Chinni, Elango.K, Satish Kumar.M.N, Jayashankar.K, Pharmacology	-do-	Hyderabad International
68	Attenuation of Docetaxel induced toxicity by Naringenin and Quercetin in Swiss albino mice	Ch.Sreenath, Sayantoni Dey, M.N.Satish Kumar, Pharmacology	-do-	Hyderabad International
69	Assessment of treatment patterns in infectious and antibiotic induced diarrhea pediatric population	Alekya Kilaru, Sabin Thomas, K.Elango, Pharmacology	-do-	Hyderabad International
70	Tdm and immunosuppressive drug therapy: A study on renal transplantation associated with social habits	V.Subhashini, A.M.Mahalakshmi, B.Suresh, Gowthamrajan K, Pharmacology	-do-	Hyderabad International
71	Pharmacological and biomolecular investigation of a polyherbal formulation(AAF-6) for its anti asthmatic activity	Biswajith Pal, Shanish.A, Suresh.B, Pharmacology	-do-	Hyderabad International
72	Opioid antagonist Naloxone and myocardial ischemia: a novel therapeutic approach in wistar rats	Deb Binayak, Satish Kumar.M.N, Radhika Reddy V, Pharmacology	-do-	Hyderabad International
73	Assessment of treatment patterns in infective acute exacerbation of chronic bronchitis patients	Varun K.Soti, K.Elango, Sabin Thomas, Pharmacology	-do-	Hyderabad International
74	Cyto protective effect of kantha chendooram on Indomethacin induced gastric ulcer lesions in rat	Umashankar Payyavula, Vadivelan.R Ramesh.B.R, M.N.Satish Kumar, K.Elango, Pharmacology	-do-	Hyderabad International
75	Hepatoprotective activity of Santolina chamaecyparissus Linn against D-Galactosamine induced liver injury in rats	Dr.S.P.Dhanabal, Phytopharmacy & Phytomedicine	First International Convention and 15th Annual Conference of Society of Pharmacognosy, 18-20th February 2011, KLE University, Belgaum.	National
76	In-vitro antioxidant studies on ethanolic extract of rhizomes of Kyllinga nemoralis	Ms.Mythili Research Scholar	-do-	National
77	Antiinflammatory and antioxidant activity of Wrightia tinctoria leaves	Mr.Niranjan S.Tiwari Ist M.Pharmacy	-do-	National
78	Investigation of Cassia tora seeds for anti-inflammatory and antioxidant activities.	Ms.Aswothy Ist M.Pharmacy	-do-	National

79	Population Pharmacokinetics of Amiodarone in South Indian Patients	Mr.K.P.Arun Pharmacy Practitce	Workshop and National Symposium on Therapeutic Drug Monitoring' Organized by Department of Clinical Pharmacology, Christian Medical College and Hospital, Vellore in association with the 'International Association of Therapeutic Drug Monitoring and Clinical Toxicology. 22nd – 25th February, 2011.	National

Research Publications in Journals

JSS Medical College

Sl. No.	Title of the paper	Name of Author & Department	Journal	National / International	Year	Volume
1	Brugada like pattern in ECG with drug overdose	Dr.Kiran H.S Asst.Prof. of Medicine Dr.Y.S.Ravikumar Asso.Prof. of Medicine	JAPI	National	2010	Feb.10 Volume 58
2	Study of palmar dermatoglyphics in patients with essential hypertension among south Indian population.	Dr.Vidya C.S Asst.Prof. of Anatomy Dr.M.D.Nithin Asst.Prof. of Forensic Medicine Dr.B.Manjunatha Professor of Forensic Medicine	Indian Journal of Forensic Medicine & Toxicology	National	2010	Jan. to Jun.10 Volume 4(1)
3	A comparative study of cardiovascular parameters in Suryanamaskar and nadishodhana pranayama	Dr.Fareedabanu A.B. PG in Physiology Dr.A.R.Gorkal Prof. of Physiology	Biomedicine	National	2010	Jan. to Mar.10 30(1)
4	Factors associated with intension to Recommend Human Papillomavirus Vaccination among Physicians in Mysore	Dr.D.Narayanappa Prof. & HOD of Paediatrics	Journal of Adolescent Health	International	2010	Vol. 46 (2010)
5	Comparative study of Dot Enzyme Immunoassay (Typhidot-M) and Widal Test in the Diagnosis of Typhoid Fever	Dr.D.Narayanappa Prof. & HOD of Paediatrics Dr.K.Jagadishkumar Professor of Paediatrics Dr.Rajani Sr.Resident in Paediatrics	Journal of Indian Academy of Paediatrics	National	2010	Apr.2010 Vol.47
6	Wounds due to a modified shot gun (home-made): A case report	Dr. Arun M Associate Professor Dept. Of Forensic Medicine	Journal of Forensic and Legal Medicine	International Journal	2010	17(2010) :220-222
7	Ivabradine and outcomes in chronic heart failure(SHIFT): a randomized placebo-controlled study	SHIFT Investigators Dr. Basavana Gowdappa Prof. of Medicine & Pricipal Dept. of Medicine	The LANCET	International Journal	2010	Vol 376(9744) :875-885
8	Comparative Study of breath holding time in Pranayama practitioners, Suryanamaskara practitioners and in non-yogic individuals	Dr. Mamatha S.D Asst. Prof essor Dept. of Physiology	An International Journal for Biomedical Sciences	International Journal	2010	30

9	Anaesthetic Management of A case of acute intermittent Porphyria patient Posted for Emergency Caesarian Section- A Case Report	Dr. B.P. Manjula Professor Dept. of Anaesthesiology	Karnataka Anaesthesia Journal	National Journal	2010	11(1): 39-42
10	Posterior dislocation of elbow with brachial artery injury	Dr.Shashikumar.Y Sr. Resident Dept. of Orthopaedics	Journal of Emergencies, Trauma & Shock	National Journal	2010	13(3):300-2
11	Comparison of Blood Sorbital level and Microalbuminuria in early detection of Diabetic Nephropathy in Type 2 Diabetes	Dr. Deepa K Asst. Professor Dept. of Biochemistry	Journal of Pharma & Bio Sciences	International Journal	2010	1(4):335-9
12	Myocarditis and Mobitz Type I Heart Blcok Following wasp sting	Dr. Prashant Vishwanath Asst. Professor Dept. of Biochemistry	Internet Journal of Cardiology	International Journal	2010	8(1)
13	Anatomical variations of Palmaris longus muscle	Dr. Najma Mobin Asst. Professor Dept. of Anatomy	Journal of Anatomica Karnataka	National Journal	2010	4(2):74-7
14	Population Based Studies of Cancer Survival: Scope for the Developing Countries	Murali Dhar Statistician Dept. of Community Medicine	Asian Pacific Journal of cancer prevention	International Journal	2010	11:1-6
15	Pharmacist's Intervention on Drug Therapy: Impact on Healthcare Cost	Co -Author Dr. Basavana Gowdappa Prof. of Medicine & Pricipal Dept. of Medicine	Lambert Academic Publication		2010	
16	Determiation of adolescent ages 14-16 years by radiological study of permanent mandibular second molars	B.M. Balaraj M.D. Nithin Forensic Medicine	Journal of Forensic and Legal Medicine	International Indexed	2010	17
17	Supreme Court judgement on medical interrogation involving impugned techniques in criminal investigation	N. Jagadeesh Ritesh G. Menezes K.R. Nagesh M.D. Nithin Forensic Medicine	Journal of South Indian medicolegal Association	National	2010	2
18	Silent myocardial ischaemia: A case for sudden death in the young	Smitha Rani Varun Pai M.D. Nithin Forensic Medicine	Journal of South Indian medicolegal Association	National	2010	2
19	A Comparative study of cheiloscopy and Blood Groups	Dr. Chandrakant H.V Dr. Arun M Dr. Ananda Reddy Dr. Akshaya S. Gowda Forensic Medicine	Journal of Karnataka medicolegal society	State	2010	19(1)

20	Identity and Cause of Death using spot Evidence: A case report	Dr. Nithin M.D Dr. Varun Pai Dr. Balaraj B.M Forensic Medicine	Journal of Karnataka medicolegal society	State	2010	19(1)
21	Fatal Accidental Penetrating injury in a Pedal Cyclist	Dr. Puttaswamy Dr. Ashwini Narayana Dr. M.D. Nithin Forensic Medicine	Journal of Karnataka medicolegal society	State	2010	19(1)
22	A Study of variation in the origin of left hepatic artery	Dr. Pushpalatha K Asst.Prof. of Anatomy	International Journal of Anatomical Sciences	International	2010	1:31-33
23	Spondylitis ossificans ligamentosa of lumbar vertebrae	Dr. Najma Mobin Asst.Prof. of Anatomy	International Journal of Anatomical Sciences	International	2010	1:34-36
24	Oxidative stress and Calcium levels in Senile and Type 2 Diabetic Cataract patients	Dr. Deepa K Asst.Prof. of Anatomy	International Journal of Pharma and Bioscience	International	2010	2:109-116
25	Heart rate Qt and Qtc intervals response to isometric handgrip exercise test	Dr. C.G. Srinath Dept of Physiology	Biomedicine	National	2010	30(3):306-310
26	(PPROMs)“ Preterm Premature Rupture of Membranes	Dr. Ambarisha Bhandiwad Professor. Dept. of OBG	Text book of “Recent advances in High Risk Pregnancy”			Pg. No.22-27
27	Recurrent Primary Hyperphosphataemic Tumoral Calcinosis [PHTC]- A case report	Rangaswamy, Jayashree, Manjunath G.V	Jr. Acta. Cytologica.	International	2010	Vol.54 (5suppl) sep-oct :1003-1006
28	CT-guided fine needle aspiration cytology diagnosis of extra-adrenal pheochromocytoma	Rangaswamy, Sandeep, Asha, Manjunath GV.	Journal of cytology	National	2010	Vol.27(1) :26-28
29	Fine Needle Aspiration Cytology findings in human immunodeficiency virus lymphadenopathy- Authors reply	Vanishree HR Dept. of Pathology	Indian journal of Pathology & Microbiology	National	2010	53 (2) 372 – 373
30	A case report of glycogen rich clear cell carcinoma of the breast	Rekha TS, Jayashree K, Manjunath GV	Indian journal of Pathology & Microbiology	National	2010	53 (2) 374 – 375
31	Perforating lichen nitidus,	Vijaya B, Sunila, Manjunath GV	Indian journal of Pathology & Microbiology	National	2010	53 : 162 – 3
32	Multiple erythematous papules on the pinna.	Shastry V, Vijaya B	Indian J Dermatol Venereol Leprol	National	2010	76: 83 – 4.

33	A clinicopathological study of 22 cases of pemphigus	Leena, Vijaya B, Manjunath GV, Sunila Dept. of Pathology	Journal of clinical and diagnostic research	National	2010	4: 2446 – 51.
34	Extrusion of pilosebaceous unit into blister cavity of pemphigus vulgaris. - An artifact occurring as a natural phenomenon in pemphigus vulgaris	Vijaya B, Sunila Manjunath G V Dept. of Pathology	Indian J Dermatol Venereol Leprol	National	2010	Vol 76(5) :575-576
35	Subcutaneous Panniculitic Like T Cell Lymphoma – A red alert. The role of vigilant histopathologist	Vijaya B, Sunila, G V Manjunath Dept. of Pathology	Indian journal of pathology and microbiology	National	2010	Vol 54(2) :376-378
36	Neuromuscular and vascular hamartoma of the small bowel – a rare cause of intestinal obstruction	Dr Vani K , Dr B.Vijaya, Dr Sunila, Dr Manjunath Dept. of Pathology	Journal of lab physicians	National	2010	Vol 2, issue 2 :109-110
37	Idiopathic scrotal calcinosis - A rare case report	Dr Guruprasad, Dr Nandini NM, Dr GV manjunath Dept. of Pathology	JIMA	National	2010	In press
38	Benign recurrent intrahepatic cholestasis.	Nithin Chawla , Sunila Dept. of Pathology	Internet Journal of pathology.		2010	
39	Determination of adolescent ages 14-16 years by radiological study of permanent mandibular second molars	B.M. Balaraj M.D. Nithin Forensic Medicine	Journal of Forensic and Legal Medicine	International	2010	17(6) :329-332
40	Supreme Court judgement on medical interrogation involving impugned techniques in criminal investigation	N. Jagadeesh Ritesh G. Menezes K.R. Nagesh M.D. Nithin Forensic Medicine	Journal of South Indian medicolegal Association	National	2010	2
41	Silent myocardial ischaemia: A case for sudden death in the young	Smitha Rani Varun Pai M.D. Nithin Forensic Medicine	Journal of South Indian medicolegal Association	National	2010	2
42	A Comparative study of cheiloscopy and Blood Groups	Dr. Chandrakant H.V Dr. Arun M Dr. Ananda Reddy Dr. Akshaya S. Gowda Forensic Medicine	Journal of Karnataka medicolegal society	State	2010	19(1)
43	A Study of variation in the origin of left hepatic artery	Dr. Pushpalatha K Dept. Of Anatomy	International Journal of Anatomical Sciences	International	2010	1:31-33

44	Spondylitis ossificans ligamentosa of lumbar vertebrae	Dr. Najma Mobin Dept. Of Anatomy	International Journal of Anatomical Sciences	International	2010	1:34-36

78	Suicidal formalin poisoning: A case report	Dr. H. V. Chandrakanth Dr. M. Arun Dr. Varun Pai Dr. Smitha Rani	Journal of south India Medicolegal Association	National	Sep 2011	Vol.3 No.2
79	Acute renal failure as a result of rhabdomyolysis due to assault: A case report	Dr. Manjunatha B Dr. Pramod Kumar G.N Dr. Nithin M.D	Journal of Clinical Pathology and Forensic Medicine	International	Sep 2011	Vol.2(4) pp.33-35
80	Correlation of periodontal status and bone mineral density in postmenopausal women: A digital radiographic and quantitative ultrasound study	Dr. Shashikumar Y Dr. Vishwanath S.B Dr. Veerendra Kumar Dr. Sheela Kumar Dr. Pratibha Shashikumar Dr. Punit Vaibhav Patell	Indian journal of Dental Research	National	Sep 2011	Vol. 22(2)
81	HS-CRP levels in myocardial infarction patients in relation to cardiac markers	Dr. Devaki R.N Dr. Suma M.N Dr. Basavana Gowdappa H Dr. Manjunatha Goud. B.K Dr. Bhavana Nayal	International journal of Applied Biology & Pharmaceutical Technology	International	Apr-Jun 2011	Vol. 2(2)
82	Microalbuminuria and Serum creatinine levels in diabetic and non-diabetic subjects	Dr. Manjunatha Goud B.K Dr. Bhavana Nayal Dr. Sarsina Devi O Dr. Sweta Shivashanker Dr. Ravindra Maradi Dr. R.N. Devaki	International journal of Pharmaceutical Sciences Review and Research	International	May-June 2011	Vol. 8(1)
83	Vagaries of Alcoholism and its Clinical Significance	Dr. Manjunatha Goud B.K Dr. Sarsina Devi O Dr. Bhavana Nayal Dr. Raghuv eer. C.V Dr. Niveditha Suvarna Dr. R.N. Devaki	International journal of Pharmaceutical Sciences Review and Research	International	May-June 2011	Vol. 8(1)
84	Serum Albumin and its relationship with glutathione levels in patients with brain tumor	Dr. Bhavana Nayal Dr. Manjunatha Goud B.K Dr. Raghuv eer. C.V Dr. Jeevan K Shetty Dr. Sarsina Devi O Dr. K. Deepa Dr. R.N. Devaki	Research Journal of Pharmaceutical, Biological and Chemical Sciences	International	Jan-Mar 2011	Vol.2(1)

85	Significance of microalbuminuria in cardiovascular disease and nephropathy in diabetic patients	Dr. Bhavana Nayal Dr. Raghuv eer. C.V Dr. Manjunatha Goud B.K Dr. Sarsina Devi O Dr. R.N. Devaki Dr. K. Deepa	Research Journal of Pharmaceutical, Biological and Chemical Sciences	International	Jan-Mar 2011	Vol.2(1)
86	Glycated Hemoglobin— The clinical and biochemical Divide: A Review	Dr. Bhavana Nayal Dr. Raghuv eer. C.V Dr. Niveditha Suv arna Dr. Manjunatha Goud B.K Dr. Sarsina Devi O Dr. R.N. Devaki	International journal of Pharmaceutical Sciences Review and Research	International	Jan-Feb 2011	Vol.6(2)
87	Relation of calculated HbA _{1c} with fasting plasma glucose and duration of diabetes	Dr. Manjunatha Goud B.K Dr. Bhavana Nayal Dr. Sarsina Devi O Dr. Sathisha T.G Dr. Sweta Shivashanker Dr. R.N. Devaki	International journal of Applied Biology & Pharmaceutical Technology	International	Apr-Jun 2011	Vol.2(2)
88	Outcome of closed proximal phalangeal fractures of the hand	Dr. Jaswinder Singh Dr. Karun Jain Dr. Mruthunjaya Dr. Ravishankar R	Indian Journal of Orthopaedics	National	Sep 2011	Vol.45 (5)
89	Anti-depressant effects of withania somnifera fat (Ashwagandha Ghrutha) Extract in experimental mice	Dr. Jayanthi M.K Dr. Prathima C Dr. Huralikuppi J.C Dr. Suresha R.N Dr. Murali Dhar	International journal of Pharma and Bio Sciences	International	Jan-Mar 2012	Vol.3 (1)
90	Delayed Death in Hanging	Dr. Nithin M.D Dr. Manjunatha B Dr. Pramod Kumar G. N Dr. Sasidharan Sameer	Journal of Forensic Research	International	Special Issue 1 2011	ISSN:2157-7145

JSS Dental College and Hospital

Sl. No.	Title of the Research Paper	Name of the Author, department	Name of the Journal with volume	National/ International	Volume
1.	Zygomatic air cell defect: A panoramic radiographic study of a south Indian population	Srikanth H S, Karthikeya Patil, Mahima V G- Dept. of Oral Medicine & Radiology	Indian J Radiol Imaging- May 2010;20(2):112-114	National	-
2.	The Aged Mouth: An Insight	Anudeep Raina, Mahima V.G., Karthikeya Patil- Dept. of Oral Medicine & Radiology	The Internet Journal of Geriatrics and Gerontology- 2010;5(2):1-10	National	-
3.	Doppler Ultrasound for the Diagnosis of Intraparotid Hemangioma	Karthikeya Patil, Mahima V Guledgud, Srikanth H. Srivathsa- Dept. of Oral Medicine & Radiology	The Journal for Vascular Ultrasound 2010;34(2):74-76	National	-
4.	Extranodal Non-Hodgkin's Lymphoma – An unfamiliar presentation in the oral cavity: A case report	Mahima V G, Karthikeya Patil, Anudeep Raina- Dept. of Oral Medicine & Radiology	International Journal of Clinical Cases and Investigations– July 2010;1(1):1-6	International	-
5.	A Clinico histopathologic Diagnosis of Inimitable Presentation of Orofacial Granulomatosis	Mahima V G, Karthikeya Patil, Suchetha N Malleshi- Dept. of Oral Medicine & Radiology	International Journal of Clinical Cases and Investigations – July 2010;1(1):1-7	International	-
6.	Mouth is the Mirror of the Human Body – Diabetes mellitus & the oral cavity	Mahima V.G., Anudeep Raina, Karthikeya Patil- Dept. of Oral Medicine & Radiology	International Journal of Clinical Cases and Investigations – 2010;1(2):5-12	International	-
7.	Extranodal non-Hodgkin's lymphoma of the gingival in an HIV seropositive patient - Case Report	Karthikeya Patil, V G Mahima, H S Srikanth- Dept. of Oral Medicine & Radiology	Indian Journal of Sexually Transmitted Diseases and AIDS – 2010;31(2):112-115	National	-
8.	Herpes zoster induced alveolar necrosis in an immunocompetent patient	Veeranna Guledgud Mahima, Karthikeya Patil, Hanasoge Srivathsa Srikanth- Dept. of Oral Medicine & Radiology	Indian Journal of Clinical Infectious Disease – 2010;5(4):235-238	National	-
9.	Lymphangioma - advanced imaging study	Mahima VG, Karthikeya Patil, Anudeep Raina, Ekta Pai- Dept. of Oral Medicine & Radiology	International poster journal of Dentistry and Oral Medicine - Poster No.536, 2011;13(2)	International	-
10.	Impression making in Cleft Lip and Palate Infants – Case Report	Dr Shilpi Tiwari, Dr B Nandlal- Dept. of Pedodontics	SMILE – June – August 2010;10(3):29-31	National	-
11.	Staining of a Conventional and a Nanofilled Composite Resin Exposed in vitro to Liquid Ingested by Childrens	Amit Khatri, B Nandlal-Dept. of Pedodontics	International Journal of Clinical Pediatric Dentistry - September-Dec 2010;3(3):185-190	International	-
12.	Radiographic and 3D CT (VRT) scan evaluation of incisive fissure in a plastinated fetus	Shilpi Tiwari, Nandlal B-Dept. of Pedodontics	Annals and Essences of Dentistry – Oct – Dec. 2010;11(4):3-5	International	-

13.	Comparative evaluation of the effect of cavity disinfectants on the fracture resistance of primary molars restored with indirect composite inlays: An in vitro study	Indira M D, Nandlal B-Dept. of Pedodontics	Journal of Indian Society of Pedodontics and Preventive Dentistry - Oct-Dec 2010;28(4):258-263	National	[ISSN: 09704388] (H Index: 6)
14.	Efficacy of various root canal irrigants on removal of smear layer in the primary root canals after hand instrumentation: A scanning electron microscopy study	Hariharan VS, Nandlal B, Srilatha KT-Dept. of Pedodontics	Journal of Indian Society of Pedodontics and Preventive Dentistry - Oct-Dec 2010;28(4):271-277	National	[ISSN: 09704388] (H Index: 6)
15.	Management of recurrent fracture of central incisor with internal resorption using light transmitting (luminex) post	Hariharan VS, Nandlal B, Srilatha KT-Dept. of Pedodontics	Journal of Indian Society of Pedodontics and Preventive Dentistry - Oct-Dec 2010;28(3):288-292	National	[ISSN: 09704388] (H Index: 6)
16.	An indirect veneer technique for simple and esthetic treatment of anterior hypoplastic teeth	Amit Khatri, B Nandlal-Dept. of Pedodontics	Contemporary Clinical Dentistry - Oct-Dec 2010;1(4):288-290	National	[Print - ISSN: 0976-237X, E-ISSN: 0976-2361]
17.	Indirect Posterior Composite Restoration – An extended Scope in Pediatric Dentistry	Dr Prashanth S, Dr Nandlal B-Dept. of Pedodontics	published in the official website of DENTSPLY INTERNATIONAL (www.dentsply-asia.com/ceram-x/pdf/india-mono.pdf) 2011	International	-
18.	Toague Tie: From Confusion to Clarity; A Review	H.E.Darshan, P.M.Pavithra-Dept. of Pedodontics	International Journal of Dental Clinics – Jan-Mar 2011;3(1):38-42	International	[ISSN: 0975-8437]
19.	Effect of low-concentration daily topical fluoride application on fluoride release of Giomer and Compomer: An in vitro study	Dhull KS, Nandlal B- Dept. of Pedodontics	Journal of Indian Society of Pedodontics and Preventive Dentistry - Jan-Mar 2011;29(1):39-45	National	[ISSN: 09704388] (H Index: 6)
20.	Comparison of circummandibular wiring with resorbable bone plates in pediatric mandibular fractures	Dr Saikrishna D, Dr Nimish Gupta-Dept. of Oral Surgery	Journal of Maxillo facial Oral Surgery – June 2010;9(2):116-118	National	-
21.	Severe skeletal class III Malocclusion treated by Orthodontics and Orthognathic Surgery – A Case Report	Dr Nitin V Muralidhar, Dr Jayanth B S, Dr Sai Krishna, Dr N Raghunath-Dept. of Oral Surgery	Journal of the Asian Pacific Orthodontic Society (International) – November 2010;1(2): (e-journal).	International	-

22.	The versatility of temporalis myofacial flap in maxillofacial reconstruction: a clinical study	Dr Saikrishna D, Hemanth Bajpai-Dept. of Oral Surgery	Journal of Maxillofacial and Oral Surgery - Jan 2011;10(1):25-31	National	-
23.	Tension band wiring a simplified approach for fracture reduction & intermittent stabilization	Dr Saikrishna D & Nimish Gupta-Dept. of Oral Surgery	Journal of maxillofacial and oral surgery - 2011;9(4):382-384	National	-
24.	Parotid duct repair using epidural catheter	Dr Sujeeth Shetty, Santosh Dindawar-Dept. of Oral Surgery	Online article available on www.ijoms.com from March 2011	International	-
25.	An Uncommon Dental Anomaly: Talon Cusp	Usha Hegde, Paras Mull J, Gazala Danish, Syed Nabeel-Dept. of Conservative Dentistry	World Journal of Dentistry – April-June 2010;1(1):47-50	National	-
26.	Effect of 4% titanium tetrafluoride application on shear bond strength of composite resin: An invitro study	Dr Saraswathi Devabhaktuni, M K Manjunath-Dept. of Conservative Dentistry	J Cons Dent - Jan-Mar 2011;14(1):43-45	National	-
27.	Fluoride ion Concentration in Saliva following use of Fluoridated Dentifrice / Rinse – A comparative study	Dr.Darshana Bennadi, Dr.Sunitha S, Dr.C.V.K.Reddy-Dept. of Public Health Dentistry	Journal of the Indian Association of Public Health Dentistry – 2010;15:110-115	National	-
28.	Influence of <i>Salvadora persica</i> (Miswak) and <i>Mangifera indica</i> (Mango) Extracts on <i>Streptococcus mutans</i> and Salivary pH – A comparative study	Dr.Garima Sharma, Dr.Sunitha S, Dr.C.V.K.Reddy-Dept. of Public Health Dentistry	Journal of the Indian Association of Public Health Dentistry – 2010;15:116-120	National	-
29.	Oral Health Status and Treatment Needs of Karnataka State Road Transport Corporation Drivers and Employees in Mysore Division	Dr S Chaithanya Reddy, Dr C V K Reddy-Dept. of Public Health Dentistry	Journal of the Indian Association of Public Health Dentistry – 2010;16:221-227	National	-
30.	Antibiotic resistance of oral viridians streptococci among Healthy children of Mysore city	Dr Ramya B, Dr Sunitha S, Dr C V K Reddy-Dept. of Public Health Dentistry	Journal of the Indian Association of Public Health Dentistry – 2010;16:193-198	National	-
31.	Planimetrical and histopathological changes observed after topical ozone therapy on an exophytic fibrous gingival lesion: A case report	Punit Vaibhav Patel, Sheela Kumar Gujjari, Veerendra Kumar, Vidya G D, Julian Holmes-Dept. of Periodontology	e-published, available at http://www.ozonatedoilonline.com/exophytic.html , accessed on Nov 2010	National	-
32.	Lasers In Periodontics	Dr Veerendra Kumar S C, Dr Deepika P C, Dr Suresh Babu, Dr Divyashree P-Dept. of Periodontology	Karnataka State Dental Journal - July-Sept 2010;29(3): 67-74	National	-

33.	Herpes Zoster – cause behind the loss: A case report	Dr Veerendra Kumar S C, Dr Sheela Kumar G, Dr Ravi K, Dr Divyashree P-Dept. of Periodontology	Dentistry International - Oct-Dec 2010;6(4):132-135	International	-
34.	A Comparative study to evaluate the solubility and absorption of heat processed and auto polymerized soft lining materials when stored in hard and soft water – An Invitro Study	Dr R Ravikumar, Dr Anilkumar Gujjari, Dr M R Dhakshaini-Dept.of Prosthodontics	SMILE - March-May 2010;10(2):35-38	National	-
35.	Cephalometric Evaluation of Speech Disorders in Cleft Palate Patients and Normal Individual – A Comparative Study – Beyond Boundaries	Dr N Raghunath, Dr Kanhu Charan Sahoo, Prof B M Shivalinga, Dr Nikhilesh Vaid-Dept. of Orthodontics	Compendium of Scientific Deliberations... - 2010;1:90-95. International	International	-
36.	Comparative Study Between Conventional En-masse Retraction (Sliding Mechanics) and En-masse Retraction Using Orthodontic Micro Implant	Asim Ghouse Basha, Ravi Shantaraj, Shivalinga B M-Dept. of Orthodontics	Implant Dentistry - 2010;19(2):128-132	National	-
37.	Severe skeletal class III Malocclusion treated by Orthodontics and Orthognathic Surgery – A Case Report	Dr Nitin V Muralidhar, Dr Jayanth B S, Dr Sai Krishna, Dr N Raghunath-Dept. of Orthodontics	Journal of the Asian Pacific Orthodontic Society (International) – November 2010;1(2): (e-journal)	International	-
38.	Planimetric and histopathological changes observed after topical ozone therapy on an exophytic fibrous gingival lesion: A case report	Punit Vaibhav Patel, Sheela Kumar Gujjari, Veerendra Kumar, Vidya G D, Julian Holmes-Dept. of Oral Pathology	e-published, available at http://www.ozonatedoilonline.com/exophytic.html , accessed on Nov 2010	National	-
39.	An Uncommon Dental Anomaly: Talon Cusp	Usha Hegde, Paras Mull J, Gazala Danish, Syed Nabeel-Dept. of Oral Pathology	World Journal of Dentistry – April-June 2010;1(1):47-50	National	-

JSS College of Pharmacy, Mysore

SI No	Title of the Research Paper	Name of the Author, department	Name of the Journal with volume	National/ International	Impact factor
1	Adverse drug reactions to anti retroviral therapy(ART):an experience of spontaneous report in intensive monitoring from ART centre in India	Retty Rajan Modayal, Anand Harugeri, Gurusurthy Parthasarathy, Madhan Ramesh, Rajendra Prasad, Vasudeva Naik, Vamadeva Giriypura	Pharmacoepidemiology and Drug Safety (2010) DOI: 10.1002/pds.1907	International	1

2	Valproic acid-induced abnormal behavior	Nanjangud Chandrashekar Nagalakshmi, Madan Ramesh, Gurumurthy Parthasarathy, Anand Harugeri, Mary Sam Christy, Belur Seshachala Keshava	Indian Journal of Psychiatry.org on Sunday, January 17, 2010	National	0.5
3	Simultaneous Estimation of Atorvastatin Calcium, Glimepride and Metformin Hydrochloride in Tablet Formulation by RP-HPLC Method	B.M.Gurupadayya, Madhusudhan Purohit, Anand Kumar Tengli	Acta Pharmaceutica Scientia, 51, 2009, 231-235 (Published in Jan 2010)	International	0.5
4	Evaluation of Sericin as a Binder in Tablet Formulation	Kulkarni P.K., and Shant Reddy	Indian Journal of Pharmaceutical Education and Research, 43(4). Oct.-Dec., 2009 (Published in Jan 2010)	National	0.6
8	Formulation And Evaluation of Biopolymer Based Transdermal Drug Delivery	Rajesh.N Somashekara.C.N. D. V. Gowda, Siddaramaiah	International Journal of Pharmaceutical Sciences, 2(2), 2010	International	--
9	Study of Impact of Patient Education on Health Related Quality of Life In Benign Prostatic Hyperplasia (BPH) Patients In A South Indian Teaching Hospital	Adepu Ramesh, and Shiva Kartheek	Asian Journal of Pharmaceutical And Clinical Research, 2(4), 2009, 97-99 (Published in Jan 2010)	International	--
10	Floating drug delivery system of verapamil hydrochloride using karaya gum and HPMC	H.V.Gangadarappa, Mr. Rahamath Ulla, T.M.Pramod Kumar, F.Shakeel	Clinical Research and Regulatory Affairs, 27 (1), 2010, 1-8	International	
11	Medication Use during pregnancy in outpatient setting of an Indian tertiary care hospital	Veda N.R, Ramesh M, G. Parthasarathi, A. Harugeri and A.P. Chandrashekhar	Journal of Medicine Use in Developing Countries, 2009, 1(4), 35-50.	International	--
12	Antitumour and antioxidant activity of Polyalthia Longifolia stem bark ethanol extract	S.N.Manjula, K.Mruthyunjaya, and C.Mallikarjuna Rao	Pharmaceutical Biology, 48(6), 2010, 1-7.	International	0.7
13	Formulation and In Vitro evaluation of sustained release tablet of diltizem: Influence of hydrophilic gums Blends	Afrsim Moin, H G Shivakumar	Journal of Pharmacy Research, 3(3), 2010, 600-604	National	1.1
14	Development of Chitosan Acetate films For Transdermal Delivery of Propranolol Hydrochloride.	KSY Hemanth, and H G Shivakumar	Tropical Journal of Pharmaceutical Research, April, 9(2), 2010, 197-203	International	0.5

15	A comparative study of N-Trimethyl chitosan chloride and chitosan microparticles as novel carriers for the delivery of hypertensive drug	KSY Hemanth, and H G Shivakumar	Journal of Pharmacy Research, 3(4), 2010, 809-813.	National	1.1
16	Prescribing Patterns And Predictors Of High-Level Polypharmacy In The Elderly Population:A Prospective Surveillance Study From Two Teaching Hospitals In India	Anand Harugeri, Jinta Soseph, G.Parthasarathi, M.Ramesh and Shobha Guido	The American Journal of Geriatric Pharmacotherapy, 8(3), 2010, 271-280.	International	0.5
17	Development of a Gastroretentive Drug Delivery System Based On Superporous Hydro Gel	N.Vishal Kumar Guptha, and HG Shivakumar	Tropical Journal of Pharmaceutical Research, 9(3), 2010, 257-264.	International	0.5
18	In vivo evaluation of PPAR alpha and PPAR gamma hyperlipidimia induced wisatr albino rats	J.Suresh, M.N.Mahesh, K.S. Santalina and K. Mruthyunjaya	International Journal of Pharmacology, 6(5), 2010, 750-754	International	--
19	Spherical agglomeration of Indomethacin by solvent change method	Mudit Dixit, P.K.Kulkarni	International Journal of Pharma. Research & Development, 2(9), 2010, 33-43	International	--
20	Preparation And Evaluation of Microporous Drug Delivery System	D.V.Gowda, Khan M.S, Nawaz Mohammed, H.G.Shivakumar	International Journal of Pharm and Bio-Sciences, 1(4), 2010	International	--
21	Synthesis And Characterization Of Poly Ester Amide Polymer For Dug Delivery Applications	Manjunath M, Jagadish R.L Gowda D.V., Mohammed S. Khan,	International Journal of Pharm and Bio-Sciences, 1(4), 2010	International	--
22	Comparative Bioavailability Studies of Two Indomethacin Controlled Release Formulations In Healyhy Albino Sheeps	D.V.Gowda, Rajesh N, H.G.Shivakumar, and Siddaramaiah	Advanced Material Research, 123-125, 2010, 307-310	International	
23	Controlled Release Behaviour of Nifedipine From The Pellets of Gelucire/Icrocrsalline Cellulose Blends	D.V.Gowda, Rajesh. N., H.G.Shivakumar,Afasim Moin, and Siddaramaiah	An International Journal of PharmTech Research, 2(2), 2010, 215-226,	International	--
24	Antioxidant Activity of Arieial Parts of Artemisia Abrotanum In Vitro	J.Suresh, K.Elango, and S.P. Dhanpal	Deccan J. Natural Products, 1(2), April-June 2010	International	--

25	pH sensitive drug delivery systems: A review	V.Balamuralidhara T.M.Pramod Kumar, N.Srujana, M.P.Venkatesh, N.Vishal Guptha, K.L.Krishna and H.V.Gangadharappa	American Journal of Drug Discovery And Development, 2010	International	
26	The value of Pharmaceutical innovation	T.M.Pramod Kumar Ravi Valluru, V.Balamuralidhara, M.P.Venkatesh, and H.V.Gangadharappa	International Pharmacy Journal, 26(1), 2010, 24-27	International	1.0
27	Sensitive Spectrophotometric Method For The Determination of Mesalamine In Bulk And Pharmaceutical Formulations	S. Navya Sloka, B.M. Gurupadayya and CH. Aswani Kumar	Der Pharma Chemica, 2(4), 2010, 389-396	International	--
28	Novel Spectro Photometric Determination of Valacyclovir And Sefotaxime Using 1,2-Naptha Quinine-4-Sulphonic Acid Sodium In Bulk And Pharmaceutical Dosage Form	CH. Aswani Kumar, T. Anil Kumar, B.M.Gurupadayya, S. Navya Sloka and M. B. Rahul Reddy	Archives of Applied Science Research, 2 (4), 2010, 278-287	International	--
29	Formulation of Sustained Release Diltiazem Matrix Tablets using Hydrophilic Gum	Afrasin Moin and HG Shivakumar	Tropical Journal of Pharmaceutical Research, 2010, 9(3), 283-291	International	0.5
30	Preperation And Characterization Of Spherical Agglomerates of Ketoprofen By Neutrilization Method	Mudit Dixit, P.K.Kulkarni, Shahnawaz Anmis and Ashwini G Kini	International Journal of Pharma and Bio sciences, 1(4), 2010, 395-406	International	--
31	Spray Dried Indapamide Micro Particles For Controlled Release-A Novel Approach	Gowda D.V., Khan M.S, and Nagendra R.	International Journal of Pharma and Bio sciences, 1(4), 2010, 137-144	International	--
32	Determination of Kitoprofen in Tablet Doasge form by Gas liquid Chromatography	B.M.Gurupadayya, M.N.Purohith and G.V.Pujar	World journal of Chemistry, 5(1), 67-70, 2010	International	0.3
33	Validated Spectrophotometric method for the assay of diacerein in bulk and pharmaceutical formulations	B.M. Gurupadayya and B.M. Bharatheesh	Journal of Pharmaceutical Sciences and Research, 2(10), 638-643, 2010.	National	--
34	Development and evaluation of oral controlled release from acecofenac sodium pellets	D.V.Gowda Rajesh N, H.G,Shivakumar, Siddaramaiah, and Nawaz Mahammed	An International Journal of Pharmaceutical science, 360, 2010.	International	

35	Development and Evaluation of Aceclofenac loaded transdermal film	D.V.Gowda Rajesh N, Somashekhar C.N. and Siddaramaiah	International Journal of PharmaTech Research, 2(4), 2010, 2224-2233,	International	--
36	Preparation, evaluation and bioavailability studies of indomethacin loaded PEA polymeric microspheres for controlled drug delivery	D.V.Gowda Manjunath M, Jagadeesh R.L, and Mahammed S. Khan	Der Pharmacia Sinica, 1(2), 2010, 141-155.	International	--
37	Calcium alginate cross-linked polymeric microbeads for oral sustained drug delivery in arthritis	T.M.Pramod Kumar and B.Shivakumar	Drug discoveries and therapeutics, 4(2), 2010, 109-122	International	--
38	Novel vaginal drug delivery systems: A Review	Ummehani, Sudheendra Bhat, Ritesh Sisodia, and HG Shivakumar	Current Drug Therapy, 5, 2010, 95-104 .	International	
39	Spherical agglomeration of Indomethacin by solvent change method	Mudit Dixit P.K.Kulkarni	International Journal of Pharma. Research & Development, 2(9), 2010, 33-43.	International	--
40	Preparation and evaluation of Kitoprofen by melt solidification method	P.K.Kulkarni, Mudit Dixit, Yerur S Kumar, Ashwini G.Kini and Akash Johri	Der Pharmacia Sinica, 1(2), 2010, 31-43	International	--
41	Preparation and characterization of spherical agglomerates of Ibuprofen by solvent change method	P.K.Kulkarni, Mudit Dixit, Ashwini G.Kini and M.Karthik	Der Pharmacia Lettre, 2(5), 2010, 289-301	International	--
42	Spray drying: A crystallization technique: A Review	Mudit Dixit, P.K.Kulkarni, Ashwini G.Kini and H.G.Shivakumar	International Journal of Drug formulation & Research, 1(II), 2010, 1-29	International	--
43	Spherical agglomeration of Mefenamic acid by solvent change method	Mudit Dixit, P.K.Kulkarni, Ashwini G.Kini and Akash Johri	An International journal of Pharmaceutical sciences, 2010, 388-402	International	--
44	Spherical agglomeration of Kitoprofen by solvent change method,	Mudit Dixit, P.K.Kulkarni, Ashwini G.Kini	International Journal Pharmaceutical Reviewand Research, 4(3), 2010, 129-135	International	--
45	Spectrophotometric determination of Atorvastatin and Ezetimibe using 2,4-DNP in bulk and pharmaceutical dosage form	A.Shravya, R.S.Chandan, B.M.Gurupadaya, M.Sireesha	International Journal of Pharmacy and Technlogy, 2(4), 2010, 1046-1056,	International	--
46	Antioxidant and hepatoprotective potential of stem methanolic extract of Justica gendarussa Burm	K L Krishna, K. Mruthyunjanaya and Jagruthi Patel	International of Pharmacology, 6(2), 72-80, 2010	International	

47	Preparation and Characterisation of spherical agglomerates of kitopufen by neutralisation method	Mudit Dixit, P.K.Kulkarni, Shah Nawaz Anis and Ashwini G.Kini	International Journal of Pharma and Biosciences, 1(4), 395-406, 2010	International	--
48	Preparation and Evaluation of HPMC and Eudragit Nicroparticles loaded with Deltiazem Hydrochloride for controlled Release	Gowda D.V, Mohammed S. Khan, Venkatesh M.P, Soujanya A.S. and Shivakumar H.G.	Der Pharmacia Lettre, 2(5), 2010, 387-398	National	--
49	Synthesis and anticonvulsant activity of Novel 1,2,4-tiazol-3-yl-thioacetohydrazide derived from Benzimidazole and Benzoxazole	Gurubasavaraj Pujar and Madhusudan Purohit	Journal of Pharmacy and Chemistry, 4(4), 2010, 132-135	National	--
50	Microencapsulation : a promising technique for controlled drug delivery	M.N.Singh, K.S.Y. Hemanth, M.Ram and H.G.Shivakumar	Research in Pharmaceutical Sciences, 5(2), 2010, 65-77	International	--
51	Chitosan/sodium tripolyphosphate cross linked microsphere for the treatment of gastric ulcer	K.S.Y. Hemanth, Manglanand Singh, and H.G.Shivakumar	Der Pharmacia Lettre, 2(6), 2010, 106-113	National	--
52	Influence of structured patient education on therapeutic outcomes in diabetes and hypertensive patients	Ramesh adepu and Somashekhar M.Ari	Asian Journal of Pharmaceutical And Clinical Research, 3(3), 2010, 174-178	International	--
53	Development, validation and implementation of continuous Professional development programmes for community pharmacists	R.Adepu and A.Sharif	Indian Journal of Pharmaceutical sciences, 72(5), 2010, 557-563.	National	0.5
54	Potentially inappropriate medication use in elderly patients : A study of prevalence and predictors in two teaching hospitals	Harugeri A, Joseph J, Parthasarathi G, Ramesh M, Guido S	Journal of Postgraduate Medicine, 56(3), 2010, 186-191	International	1.5
55	Frequency and nature of medication-related problems in elderly Indian patients	Jinta Joseph, Madhan Ramesh, Anand harugeri, Gurumurthy Parthasarathi, Hathur Basavanagoudappa	Journal of Pharmacy Practice and Research, 40(4), 2010, 279-283	International	1.8
56	Formulation and evaluation of antacid and antiulcer suspension formulation containing herbal drugs	G.Roopa, R.Sudheendra Bhat and Murthy Sudarshan Dakshina	Biomedical and Pharmacology Journal, 3(1), 2010, 1-6	International	--
57	Formulation development and Evaluation of Thermosensitive gel for Vaginal Drug Delivery	Sudeendra R. Bhat & Hosakote G. Shivakumar	Latin American Journal of Pharmacy. 29 (7), 2010, 1093-9	International	0.3

58	Wound-Healing Activity of a Prepared Log Actig Gel Loaded With Ciprofloxacin HCl Microspheres In Albino Rats	Roopa. G, Sudeendra Bhat R	Pharmacologyonline 2, 2010 , 1010-1016	National	--
59	Bioadhesive Controlled Release Clotrimazole Vaginal Tablets	Sudeendra R Bhat and HG Shivakumar	Tropical J.of Pharma. Res.Aug.9 (4), 2010, 339-346	International	0.5
60	Development and characterization of bioadhesive vaginal films of clotrimazole for vaginal candidiasis	Bhat R. Sudeendra, Hani Umme, Ritesh Kumar Gupta and H.G. Shivakumar	Acta Pharmaceutica Scientia 52: 417-426 (2010)	International	0.5
61	Frequency and nature of medication-related problems in elderly Indian inpatients,	Jinta Joseph Madhan Ramesh Anand Harugeri Gurumurthy Parthasarathi, Hathur Basavanagowdappa	Journal of Pharmacy Practice and Research, 40 (4), 2010, 279-283.	International	1.5
62	Determination of Artemisinin in Artemisia arbotanum and Artemisia pallens by LC/MS method,	J.Suresh K.Mruthunjaya N.Paramakrishna M.N.Naganandini	Inte. J. of Current Pharmaceutical Research (IJCPR), 3(1). 49-52, 2011.	International	--
63	Preparation and characterization of spray dried microparticle and spray chilled particle of mefenamic acid by spray drying method,	Mudit Dixit Parthasarathi P Kulkarni	International Journal of Pharmaceutical Sciences reviews and research (IJPSRR), 5, 28-33, 2010.	International	--
64	Preparation and characterization of spherical agglomerates of ibuprofen by neutralization method.	Mudit Dixit Parthasarathi P Kulkarni	International Journal of Pharmacy Research (IJPR) 1(1) 2010, 305-313	International	--
65	Formulation and evaluation of positively charged self-emulsifying drug delivery system containing NSAIDS	Mudit Dixit Parthasarathi P Kulkarni, Jose Sojan, Kini. G. Aswini and Johri Akash	International Journal of Pharmaceutical Sciences, 2010; 2(3), 792-803.	International	--
66	Formulation and characterization of piroxicam floating microspheres for prolonged gastric retention	Mohammed S Khan D.V.Gowada and Afifa Bathool	Der Pharmacia Littere, , 2(6), 2010, 217-222	International	--
67	Study on encapsulation of ranolazine in bees wax microspheres: preparation, characterization and release kinetics of microspheres	D.V.Gowada ManjunathM, Balmurlidar V, Mohammed S. Khan	Der Pharmacia Littere, 2010, 2(6): 232-243.	International	--

68	Synthesis and Cytotoxicity of Bis-1,3,4-oxadiazoles and Bis-pyrazoles derived from 1,4-Bis[5-thio-4-substituted-1,2,4-triazole-3-yl]-butane and their DNA binding studies	Madhusudan Purohit V.V.S. Rajendar Prasad and Yergeri C Mayur	Arch. Pharm. Chem. Life Sciences. 2011, 000, 1-7	International	1.8
69	Synthesis, invitro, cytotoxicity, and antimicrobial studies of 1,4-bis(4-substituted-5-mercapto-1,2,4-triazole-3-yl)butanes,	Madhusudan Purohit Yerigeri C.Mayur	Medicinal Chemistry Research, Online first article. DOI: 10.1007/s00044/010/9517/9	International	1.2
70	Synthesis and pharmacological évaluation of 7-chloro-6-fluoro-(5-aminooxazol/thiazol-2-aryldenylamino)-benz(1,3) thiazoles	B.M.Gurupadayya Ch.Sambireddy, M.N.Purohith and G.V.Pujar	Journal of Scientific Research, 3(1), 2011, 121-128	International	--
71	Simultaneous estimation of citalopram hydrochloride and dothiepin hydrochloride in human plasma by HPLC method	V Dilip kumar Mahesh N.M, Gurupadayya B.M and V Ravi	Journal of Pharmacy Research 2011, 4(1), 50-52	International	1.1
72	Spectrophotometric determination of mesalamaine by PDAC and NQS reagents in bulk and tablet dosage form	Navya Slokla Sama B.M.Gurupadayya and Aswini kumar	Journal of Pharmacy Research 2011, 4(1), 39-41	International	1.1
73	Selective and validated Spectrophotometric method for determination of Acyclovir and Valacyclovir using N-Bromosuccinimide	T. Anil kumar B.M.Gurupadayya, M.B Rahul reddy, M V Prudhvi Raju	Journal of Pharmacy Research, 2011, 4(1), 24-27.	International	1.1
74	Impact of education on knowledge attitude and practice (KAP) of HIV/AIDS patients towards their disease management-A study	Mini KV, Adepu R, Mothi SN, Swamy T	Indian journal of pharmacy practice, 2010, 3(4), 40-44.	National	--
75	Chemistry and biological activity of biginelli type dihydropyrimidiones-A brief review	Bhavya K, Purohit M N, Pujar G V	Indian Drugs, 2011, 48 (01), 7-18	National	0.5
76	Synthesis, Anticonvulsant activity of some Novel 1, 2, 4-triazol 3-yl-thioacetohydrazides derived from benzimidazole and bezoxazole	Gurubasavaraj V Pujar Madhbusudan N Purohit	Journal of pharmacy and chemistry, 2010 4(4), 132-135	National	--

77	Preparation and characterization of spray dried Microparticle and chilled spray dried particles of ketoprofen by spray drying method	Mudit Dixit, Parthasarathi K Kulkarni, Vangala Gowtham and H G Siva kumar	Asian journal of pharmaceutical and clinical research, 2011, 4(1), 138-142	International	--
78	Polymer cross linked silk protein as a pharmaceutical excipient	Shankar Gouri, Kulkarni Parthasarathi, Kesavarao Kulkarny Ajay and Dixit Mudit	International research journal of pharmacy, 2011, 2(1), 267-274	International	--
79	Enhancement of solubility and dissolution rate of poorly water soluble drug by spray drying using different grade of chitosan	Ashwini G Kini Dixit Mudit and P.K. kulkarni	International Journal of Pharmacy and Pharmaceutical Sciences, 2011, 3(2), 231-235	International	--
80	Self emulsifying formulation, platform for solubility enhancement: A review	Paner selvam R Kulkarni PK and Dixit Mudit	international journal of current research and review, 2011, 3(1), 28-38	International	--
81	Colorimetric Determination of Cefadroxil and Ceftriaxone in Pharmaceutical Dosage Forms	Ch Aswani Kumar BM Gurupadaya, S Navya Sloka, RS Chandan and JC Thejaswini	Tropical Journal of Pharmaceutical Research, February 2011; 10 (1): 81-88	International	0.5
82	Spectrophotometric Determination of Pregabalin Using Gibb's and MBTH reagent in Pharmaceutical Dosage Form	K. Sowjanya, J.C. Thejaswini B.M.Gurupadaya and M. Indupriya	Der Pharma Chemica, 2011, 3(1), 112-122.	International	--
83	Spectrophotometric Determination Of Levetiracetam Using P-Chloranilic Acid And Potassium Ferricyanide In Pharmaceutical Dosage Form	M. Indupriya R.S. Chandan, B.M. Gurupadaya and K. Sowjanya	Der Pharma chemica, 2011, 3(1), 472-481	International	--
84	Spectrophotometric Determination Of Nateglinide Using 2,4-Dinitrophenyl Hydrazine And Potassium Ferricyanide In Pharmaceutical Dosage Form	M. Sireesha R.S. Chandan B.M.Gurupadaya and A. Shravya	Der Pharma Chemica, 2011, 3 (1), 497-506.	International	--
85	Validated Spectrophotometric Method For The Estimation Of Lamivudine, Zidovudine and Efavanz	Reddy R.M.B. B.M.Gurupadaya and T.Anil Kumar	Indian Drugs, 2011, 48(2), 65-67	National	0.5
86	Preparation and characterization of spray dried microsphere of Indomethacin	Mudit Dixit, Gowraw M.P, Paneer Selvam and P.K.Kulkarni	International journal of Drug Formulation and Research, 2(1), 2011, 139-150	International	--

87	Preparation and characterization of spray dried microparticle of Carbamazepine	Mudit Dixit P.K.Kulkarni, Johri Akash and Kini G Ashwini	International Research Journal of Pharmacy, 2(2), 2011, 168-175.	International	--
88	Preparation and characterization of microparticles of piroxicam by spray drying and spray chilling methods	Mudit Dixit, A.G. Kini and P.K.Kulkarni	Research in Pharmaceutical Sciences, 5(2), 2010, 89-97	National	--
89	Quantitative determination of Levetiracetam by Gas chromatography using ethyl chloroformate as derivatizing reagent in pure and pharmaceutical preparation	M. Indupriya, R.S. Chandan, B.M. Gurupadaya and K. Sowjanya	International Journal of Pharmaceutical Technology, 3(1), 2011, 1964-1701	International	--
90	Sensitive and validated Spectrophotometric methods for determination of Rosiglitazone and Pioglitazone with 2,4-DNP	Sireesha, R.S. Chandan, B.M.Gurupadaya and CH. Aswani Kumar	International Journal of Pharmaceutical Technology, 3(1), 2011, 1554-1564.	International	--
91	Spectrophotometric determination of some cephalosporins containing amino group using 1,2- Naphthaquinone-4-sulphonic acid sodium in Pharmaceutical dosage form	Aswani Kumar Chavala B.M.Gurupadaya, Navya Sloka Sama and KVR Prasanth	International Journal of Pharmaceutical Technology, 3(1), 2011, 1750-1767.	International	--
92	Development and validation and implementation of continuous professional development programmes for community pharmacists	R.Adepu, A.Sharif	Indian Journal of Pharmaceutical Sciences, 72(5), 557-563	National	0.5
93	Assessment Of Prevalence And Mortality Incidences Due To Poisoning In A South Indian Tertiary Care Teaching Hospital	J.Jeslin, R.Adepu and S. Churi	Indian Journal of Pharmaceutical Sciences, 72(5), 587-591	National	0.5

JSS College of Pharmacy, Ooty

Sl. No	Title of the Research Paper	Name of the Author, Department	Name of the Journal with Volume	National/ International	Impact Factor
1	Analysis of Monosodium L Glutamate in food products by High Performance Thin Layer Chromatography	Krishnaveni.N, Karthika.D, Surya Devi M, Mary Rubini.F, Vishalini.M and Yamuna Pradeepa.J, Pharm. Analysis	Journal of Young Pharmacist 2(3), 2010, 297-300	National	--
2	Simultaneous determination of Nebivolol HCL and Valsartan in solid dosage form by spectro-photometric and RP-HPLC method	S.N.Meyyanathan, Arunadevi S. Birajdar, and Bhojraj Suresh, Pharmaceutical Analysis	International Journal of Pharmaceutical Sciences and Research, 2(2), 2011, 424-431	International	--
3	Design and development of sustained release prochlorperazine maleate matrix tablets: Influence of hydrophilic polymers on the release rate and in vitro evaluation	D.Nagasamy Venkatesh, S.Sankar, S.N.Meyyanathan, K.Elango, B.Suresh and K.Santhi. Pharmaceutical Analysis	International Journal of Pharmaceutical Sciences and Nanotechnology, 3(2), (July-Sep 2010) 971-983	International	--
4	Simultaneous estimation of colorants sunset yellow and tartrazine in food products by RP HPLC	Krishnaveni.N, Meyyanathan.S.N, Narendrababu.B, Abhishek Kumar Sharma, Arun Srikanth. B, Bombhroliya Satyam.A & Suresh.B Pharma. Analysis	International Journal of Research in Pharmaceutical Sciences (In press)	International	--
5	Determination of Doxycycline in Human plasma by Liquid chromatography-Mass Spectrometry after Liquid –Liquid Extraction and its application in Human Pharmacokinetics studies	Mulalidharan Selvadurai, Subramai Nainar Meyyanathan, Sekar Rajan, Govindarajan Padmanaban and Bhojraj Suresh, Pharmaceutical Analysis	Journal of Bioequivalence and Bioavailability Volume 2(4) 093-097, 2010	International	--
6	Formulation development of Pellets using different grades of HPMC by Extrusion Spheronization Technique.	D.Nagasamy Venkatresh, T.Abirami, K.Gowthamrajan, M.K.Samanta, S.N.Meyyanathan, E.Elango & K.Karthika, Pharmaceutical Analysis	International Journal of Pharma Research, Jan-March 2010	International	--
7	Design, synthesis and molecular designing of noval ofloxacin analoge as Antimicrobial agents	Rajesh Kumar. R, Pharmaceutical Biotechnology	Medicinal Chemistry Research. 2011. DOI	International	1.058
8	Nutraceutical as medicine	A.R.Srividya, Pharmaceutical Biotechnology	An international Journal of Advances in Pharmaceutical Sciences, 2010, 1(2): 132-145.	International	--
9	Antioxidant, antimicrobial and cytotoxic property of Melianthus major leaves	A.R.Srividya, Pharmaceutical Biotechnology	Journal of Global Pharma Technology, 2010; 2(10): 94-97.	International	--
10	In vitro and in vivo evaluation of Hepatoprotective activity of Gymnema Sylvestre	A.R.Srividya, Pharmaceutical Biotechnology	International Journal of Pharmaceutical Science and Nanotechnology. 2010: 2(4): 768-773.	International	--

11	Antioxidant and antimicrobial activity of <i>Alpinia officinarum</i>	A.R.Srividya, Pharmaceutical Biotechnology	Indian Journal of Pharmaceutical Sciences, 2010: 72(1): 143-146.	National	0.455
12	Synthesis and Characterization of some Novel Quinoxaline-2,3-Dione Derivatives: A Preliminary Investigation on their Activity against a Human Epithelial Carcinoma Cell Line	A.R.Srividya, Pharmaceutical Biotechnology	Letters in Drug Design & Discovery, 2011: 8: 217-320.	International	0.668
13	Synthesis of novel Hantzsch dihydropyridines and Biginelli dihydropyrimidines as biological interest: a 3D-QSAR study on their Cytotoxicity	Dr.P.Vijayan, Pharmaceutical Biotechnology	Medicinal Chemistry Research, 2010	International	1.058
14	In vitro and in vivo Hepatoprotective effects of the total alkaloid fraction of <i>Hygrophila Auriculata</i> Leaves.	Dr.P.Vijayan, Pharmaceutical Biotechnology	Indian Journal of Pharmacology, 2010, 42(2), 99-104.	National	--
15	Hepatoprotective protective activity of Terpenoids and Terpenoids fractions of <i>Scoparia dulcis</i> L.	Dr.P.Vijayan, Pharmaceutical Biotechnology	Oriental Pharmacy and Experiential Medicine. 10 (4), 2010.	International	--
16	Chitosan based Nanospheres as Drug Delivery System For Cytarabine	Dr.M.K.Samanta Pharmaceutical Biotechnology	International Journal of Pharma and Bio Sciences, Vol. 1.	International	--
17	Formulation and Evaluation of Oro-sustained Release In situ Gelling Sol Using Xanthan Gum	Dr.M.K.Samanta Pharmaceutical Biotechnology	International Journal of Pharma and Bio Sciences, Vol. 1.	International	--
18	Formulation and Evaluation of Oro-Sustained Release In situ Gelling Sol Using Kappa Carrageenan	Dr.M.K.Samanta Pharmaceutical Biotechnology	Journal of Pharmacy Research, Vol. 3.	International	1.09
19	Single dose vaccine delivery system of Tetanus Toxoid formulations based on Chitosin Microspheres	Dr.P.Vijayan Pharmaceutical Biotechnology	International Journal of advances in Pharmaceutical Sciences	International	--
20	In vitro and in vivo hepatoprotective effects of total alkaloid fractions of <i>Hygrophila auriculata</i> leaves	Dr.P.Vijayan Pharmaceutical Biotechnology	Indian Journal of Pharmacology	National	--
21	Hepatoprotective properties of <i>Caesalpinia sappan</i> Linn. Heartwood on Carbon Tetrachloride induced toxicity	Dr.P.Vijayan Pharmaceutical Biotechnology	Indian Journal of Experimental Biology	National	0.5
22	Synthesis and biological evaluation of some hydrazones and carbazones of endane 1,3 dione.	S.Jubie, S.Meera K.V.Ramaseshu N.Jawahar and S.Vijayakumar	Indian J. of Chemistry, 49 B, 1261-1263, (2010).	National	--

23	Synthesis and biological evaluation of some novel 2- mercaptobenzothiazoles carrying 1,3,4-oxadiazole, 1,3,4-thiadiazole and 1,2,4-triazole moieties.	Md.Afzal Azam, B.Suresh, Shanish Antony, S.Kalsi	S. Afr. J. of Chemistry, 63, 114-122 (2010).	International	--
24	Synthesis and biological evaluation of some 1,3,4-oxadiazole incorporated 2 - mercaptobenzothiazoles.	Md.Afzal Azam, B.Suresh and A.Thomas,	Indian J. of Heterocyclic Chem, 20,77-80 (2010).	National	--
25	Microwave Assisted Synthesis and biological evaluation of pyrazole derivatives of Benzimidazoles.	R.Kalirajan, Leela Rathore, S.Jubie, B.Gowramma, S.Gomathy, S.Sankar and K.Elango	Indian J. of Pharm. Educ. Res. 44(4), 358 -362, (Oct-Dec 2010)	National	--
26	Global drug master filing procedures.	Md.Afzal Azam, S.K.Sahu & P.K.Nandi, B.Suresh.	The Pharma Review, P 88-94, (Nov-Dec 2010)	National	--
27	Synthesis, Characterization, and In Vitro Drug Release Study of Methacrylate Diclofenac Conjugate as Macromolecular Prodrug.	Agrawal, MJ N Chandrasekar, U.V.S.Sara, A.Rohani Neeraj	J Pharm Sci and Tech, Vol 64, 348-355, (2010).	National	--
28	Synthesis, glucose uptake activity and structure-activity relationships of some novel glitazones incorporated with glycine, aromatic and alicyclic amine moieties via two carbon acyl linker.	B.R.Prashantha Kumar, Mukesh Soni, S.Santhosh Kumar, Kuldeep Singh, Mohan Patil, R.B.Nasir Baig and Laxmi Adhikary.	European Journal of Medicinal Chemistry, 46(3), P835-844, (March 2011)	International	3.08
29	Synthesis and biological evaluation of some Schiff bases of [4-(amino)-5-phenyl-1,2,4-triazole-3-thiol.	S.Jubie, A.Shanish Antony, Pranabesh Sikdar, R.Kalirajan, S.Gomathy, B.Gowramma and K.Elango.	Pakistan Journal of Pharmaceutical Sciences, 24(2),109-112, (2011)	International	--
30	Synthesis and characterization of some novel quinoxaline-2,3dione derivatives: a preliminary investigation on their activity against human epithelial carcinoma cell line.	S.Jubie, R.Gayathri, AR.Srividya, R.Kalirajan, P.Prabitha, S.Sankar and K.Elango.	Letters in drug design and discovery, 8 (4), 317-320, (2011)	National	0.805
31	Synthesis and biological evaluation of ome aceto-hydrazide incorporated 2-mercaptobenzothiazoles.	Md.Afzal Azam, B.Suresh.	Indian Drugs, 48(3), 9-15, (2011).	National	--
32	Isolation and evaluation of a polysaccharide from Prunus amygdalus as a carrier for trans-buccosal delivery of Losartan potassium.	M.J.N.Chandrasekar, S.Mahesh Kumar, D.Manikandan and M.J.Nanjan,	International Journal of Biological Macromolecules, Vol 48, Issue 5, 773-778, (2011).	International	--

33	Poly(HEMA-Zidovudine) conjugate: A macromolecular pro-drug for improvement in the biopharma-ceutical prop. of the drug	Neeraj Agrawal, M.J.N.Chandrasekar, U.V.S.Sara, A. Rohani	Drug Delivery, Vol. 18, No. 4, Pages 272-280: 272-280, (May 2011)	National	--
34	Mucosa as a route for systemic drug delivery	S.Sangeetha, D.Nagasamy Venkatesh, P.N.Krishnan, R.Saraswathi	Res. Journal of Pharm. Biological and Chem. Sci, July-Sept 2010/ Vol.1 Issue 3, Pg. 178-87	National	--
35	Design and development of Prochlorperazine maleate sustained release tablets: Influence of hydrophilic polymers on the release rate and In vitro evaluation	D.N.Venkatesh, S.Sankar, S.N.Meyyanathan, K.Elango	International Journal of Pharmaceutical Sciences and Nanotechnology, July-September 2010, Volume 3, Issue 2	International	--
36	Preliminary study of Anacardium occidentale gum as binder in formulation of Paracetamol tablets, Carbohydrate Polymers	K.Gowthamarajan, G.Kanaka Phani Kumar, Narayan Babulal Gaikwada	Under press	International	3.126
37	Dissolution testing for poorly water soluble drugs: A continuing perspective	K.Gowthamarajan, Sachin Kumar Singh	Dissolution Technologies, August 2010.	International	4
38	Formulation development of pellets using different grades of hpmc by extrusion Spheronization technique	D.Nagasamy Venkatesh, T.Abirami, K.Gowthamarajan, M.K.Samanta, S.N.Meyyanathan, K.Elango, K,Karthika	International Journal of Pharma Research Jan June 2010, Pg. 32-40	International	--
39	Mucoadhesive slow-release tablets of theophylline: Design and evaluation	V.Senthil, S.Gopalakrishnan, R.Sureshkumar, N.Jawahar, GNK.Ganesh, D.Nagasamy Venkatesh	Asian Journal of Pharmaceutics, January 2010, Pg. 64-68	International	--
40	Optimization of formulation and process variable of Nano-suspension: An industrial perspective	Dhananjay.S.K, K.Gowthamarajan	International Journal of Pharmaceutics, Vol .402,(2010)213-220, December 2010. 2.962	International	--
41	In vivo and in vivo evaluations of Theophylline Gastroretentive Mucoadhesive tablets prepared by using natural gums	V.Senthil, R.Suresh Kumar, K.Lavanya, Varun Rathi, D.Nagasamy Venkatesh, GNK Ganesh, N.Jawahar & K.Gowthamarajan	Journal of Advanced Pharmaceutical technology & Research, Vol. 1/Issue 3/ Jul-Sep 2010, 1.09	International	1.09
42	Optimization of formulation and process variable of Nano-suspension: An industrial perspective	Dhananjay.S.K. K.Gowthamarajan	International Journal of Pharmaceutics, Vol.402,(2010)213-220, December 2010	International	2.91
43	Development and Validation of discriminatory dissolution procedure for poorly soluble glyburide	K.Gowthamarajan	Asian Journal of Pharmaceutics Vol. 4, Issue 4, page 205-212, 2011	International	1.09
44	Liquisolid: A Novel Technique to Enhance Bioavailability	K.Gowthamarajan	Journal of Research, Journal of Research, Vol. 4. Issue 1 2011,4(1),181-185	National	1.09

45	Preliminary study of Anacardium occidentale gum as binder in formulation of Paracetamol tablets	K.Gowthamarajan, G.Kanaka Phani Kumar, Narayan Babulal Gaikwada, B.Suresh	International Journal of Carbohydrate Polymers, Volume 83, Issue 2(2011), pages 506-511	International	3.167
46	Development and Validation of discriminatory dissolution procedure for poorly soluble glyburide	Sachin K.Singh, K.K.Srinivasan, K.Gowthamarajan	Asian Journal of Pharmaceutics Vol 4, Issue 4, page 205-212, 2011	International	1.09
47	Pelletization Technology: A quick Review	Kammil Lavanya, V. Senthil and Varun Rathi	International Journal of Pharmaceutical Sciences and Research, 16-6- 2011	International	--
48	Formulation and Evaluation of Liposomal Drug Delivery System for an Anticancer Drug and the study the effect of various Stabilizers based on Physio-chemical and In Vitro Characterization.	Ganesh G.N.K, Gowthamarajan.K, Suresh Kumar.R, Senthil.V, Jawahar.N, Venkatesh.N, Manjusha.P, Anindita De	International Journal of Pharmaceutical Research And Development June - 2011 / Volume - 3 / Issue - 04	International	1.96
49	Design and Development of Buccal Drug Delivery System for Labetalol using Natural Polymer	Ganesh.G.N.K, Manjusha Pallaprola, Gowthamarajan.K, Suresh Kumar.R, Senthil.V, Jawahar.N, Venkatesh.N	International Journal Of Pharmaceutical Research And Development May - 2011 / Volume - 3 / Issue - 03 / Article No -6 / Research Article	International	2
50	Development of Mucoadhesive Patches for Buccal Administration Of Felodipine	G.N.K.Ganesh, D.Nagasamy Venkatesh, R.Suresh Kumar, N.Jawahar, V.Senthil, M.K.Samanta	Hygeia.J.D.Med. Vol.3 (1), 2011	National	--
51	Brain Delivery by Solid Lipid Nanoparticles for Cns Drugs	Lireni.C. Humtsoe, N.Jawahar, K.Gowthamarajan, S.N.Meyyanathan, Sumeet Sood	International Journal of Pharmaceutical Research and Development June - 2011 / Volume - 3 / Issue - 04 / Article No -5/ Research Article	International	1.96
52	Investigation of preparation parameters of nanosuspension by top-down media milling to improve the dissolution of poorly water-soluble glyburide	Sachin Kumar Singh, K.K.Srinivasan, K.Gowthamarajan, Dhananjay.S. Singare, Dev Prakash, Narayan Babulal Gaiwad	European Journal of Pharmaceutics and Biopharmaceutics, 78(2011)441-446, 23 March 2011.	International	2.96
53	Investigation of preparation parameters of solid dispersion and Lyophilization technique in order to enhance the dissolution of poorly soluble glyburide	Sachin Kumar Singh, K.K.Srinivasan, K.Gowthamarajan, Dev Prakash, Narayan Babulal Gaiwad	Research Article, Journal of Pharmacy Research Vol.4, Issue 8, August 2011.	National	1.96
54	A Brief Review on Oral Film Technology	Rathi Varun, Senthil,V, Kammili Lavanya, Hans Ritu,	International Journal of Research in Ayurveda & Pharmacy, 2(4), 2011, 1138-1147	International	1.96

55	Design, Development and Evaluation of Rosiglitazone sustained Release Matrix Tablets	Meyyanathan.S.N. Nagasamy.V.D, Narendra Babu.B, Sathish Kumar.M.N, Jeyaprakash.M.R, Babu.B, Krishnaveni.N, Gowramma.B and Elango.K.	Indian Drugs 48(08) August 2011	National	1.09
56	A Review of Metallothionein Isoforms and their role in Pathophysiology	N.Thirumoorthy1, A Shyam Sunder, KT Manisenthil Kumar, M.Senthil Kumar, GNK Ganesh and Malay Chatterjee	World Journal of Surgical Oncology. 2011, 9:54	International	2.5
57	Expression of Metallothionein, P53 and Antioxidant Enzymes by Selenium and Vitamin D3 during Diethyl Nitrosamine-Induced Rat Liver	PreneoplasiaN Thirumoorthy, A.Shyam Sunderb, L.Panayapanb, K.T.Manisenthil Kumarb, G.N.K.Ganesh, M.Senthil Kumar, Soundera Pandiand, Malay Chatterjee	Iranian Journal of Pharmaceutical Sciences 2010: 6(2): 115-124	International	1.96
58	Formulation and Evaluation of Polysaccharide based Biopolymer –an ecofriendly alternative for synthetic polymer	Nilani.P, Raveesha.P, B.Rahul nandakumar, Kasthuribai.N, B.Duraiswamy, P.Dhamodaran and Elango.K	Journal of Pharmaceutical Sciences and research Vol 2(3),2010,178-184	National	--
59	Benincasa Hispida Reversed myelin degeneration in Ethidium bromide induced rat models	A.Shanish antony, R.Vadevelan, Atanu Bhattacharjee, Anshu Deo gupta B.Duraiswamy and B. Suresh	Adv. Pharmacol. Toxicology II(I) 2010,1232-130	National	--
60	In vivo anticancer activity of Clerodendrum serratum (L) moon.	Ashish S.Zalke, Ashish V.Kulkarni, Devendra S.Shirode, B.Duraiswamy	Research Journal of Pharmaceutical, Biological and Chemical Sciences July –September, 2010, Volume 1 issue 3, 89-98.	International	--
61	Hypertrophic scar management with a flavonoid fraction of Cyphomandra betacea	Ruckmani Kandasamy, Saravanan karumbayaram, Nilani packinathan, Duraiswamy Basuviah, Dhamodaran Perumalsami Reddy, Elango Kannan	Functional Plant Sciences and Biotechnology	International	1.2
62	Formulation and Evaluation of Herbal Hair Dye: An Ecofriendly Process,	Nilani Packianthan, Duraiswamy.B, Dhamodaran.P, Saravanan Karumbayaram	Journal of Pharmaceutical Sciences and Research Vol.2(10), 2010, 648-656	International	--
63	Skin care with Herbal exfoliants	Nilani.P., Rukmani.K	Functional Plant Sciences and Biotechnology	International	1.2
64	Role of Liver enzymes for a healthy life : A review	Nilani.P, Amber.S, Arshal.M, Duraiswamy.B, Dhamodaran.P	International Journal of Ayurvedic and Herbal Medicine 1(1) Aug 2011	International	--
65	Formulation and evaluation of wound healing dermal patch	Nilani.P, Pranavi.A. Duraiswamy.B. Dhamodaran.P. Subhashini.V. and Elango.K	African journal of Pharmacy and Pharmacology Vol.5(8). August 2011	International	0.667
66	Nootropic studies on leaf and stem of Bacopa Monnieri (Linn)	B.Duraiswamy, S.S.Mulay	Pharmacologyonline 1(2011), 1144-1152	National	--

67	Invitro and invivo evaluation of Hepatoprotective activity of <i>Gymnema sylvestre</i>	A.R.Srividya. Sameer Kumar Varma, S.P.Dhanapal. R.Vadivelan, P.Vijayan	International Journal of Pharmaceutical Sciences and Nanotechnology , 2010;2(4)	International	--
68	Antidiabetic activity of <i>Mukia maderas patina(L)</i> Roem in alloxan induced diabetic rats	Vadivelan.R Dhanapal.S.P. Patil Mohan, Shanish Antony, Elango.K. Suresh.B	Research Journal of Pharmacology and Pharmacodynamics, 2010:2(1)	International	--
69	Amelioration of CNS Toxicities of L-Dopa in Experimental models of Parkinson's disease by concurrent treatment with <i>Tinospora cordifolia</i>	Shanish Antony.A, Parha Deb Roy, Vadivelan.R, Jayashankar.K, Vikram. M Nandini.S, Sundeep M, Elango.K, Suresh.B,	Hygeia. 2010:2(1)	National	--
70	Healing effect of <i>Aya Chendooram</i> on Acetic acid chronic ulcer model in rats	Vadivelan.R, Patil Mohan A.Raghuram, Shanish Antony, Elango.K. Suresh.B	International Journal of Pharmacology and Biological Sciences, 2010: 4(1)	International	--
71	<i>Benincasa hispida</i> reversed myelin degeneration in Ethidium bromide induced Rat models	Shanish Antony.A, Vadivelan.R, Atanu bhattacharjee, Anshu Deo Gupta, B.Duraiswamy , Suresh.B	Advances in Pharmacology and Toxicology, 2010: 11(1)	International	0.7
72	Antiasthmatic activity of the root of <i>Desmodium gangeticum DC</i>	Shanish Antony.A. Jayashankar.K. Partha Deb Roy, Vedpal, Vadivelan.R. Elango.K Suresh.B	Advances in Pharmacology and Toxicology. 2010:11(2)	International	0.93
73	Oxidative stress in Diabetes -A Key therapeutic agent.	Vadivelan.R. Dhanapal.S.P. Rajarajeshwari. Shanish.A. Elango.K. Suresh.B	Research Journal of Pharmacology and Pharmacodynamics , 2010:2(3)	International	--
74	Renal protectant activity of <i>Cochlearia armoracia</i> in 5/6 Nephrectomised Rat Model	Shanish Antony.A. Jayashankar. Parthadeb Roy Pankaj.N. Dhamodaran.P Duraiswamy.B, Elango.K	Research Journal of Pharmacology and Pharmacodynamics , 2010:2(4)	International	--
75	Oxidative stress induced diabetic nephropathy	Vadivelan.R, Umashankar.P Dipanjan Mandal.D, Shanish Antony.A, Dhanabal,S.P, Elango.K	Research Journal of Pharmacology and Pharmacodynamics 2010:2(5)	International	--
76	Preliminary Pharmacognostical, Phytochemical and anti bacterial studies on the leaves of <i>Eravatia coronaria (Jacq.) Stapf</i>	A.Shanish Antony. B.Samuel Thavamani, S.Gomathy	Hamdard Medicus 2010:52(3)	International	--
77	Diabetes associated dyslipidemia:Management	Ramachandran Vadivelan, Dipanjan Mandal, Umashankar Payyavula Dhanapal Palaniswamy, Kannan Elango, Suresh Bhojaraj	Der Pharma Chemica 2010:2(4)	International	--
78	Synthesis and biological evaluation of some novel 2- Mercapto benzothiazoles carrying 1,3,4-oxidiazole 1,3,4-Thiadiazole and 1,2,4-Triazole Moieties	M.Afzal Azam, Bhojraj Suresh, Sandip.S, Kalsi A.Shanish Antony	South African Journal of Chemistry, 2010:22(4)	International	--

79	Indomethacin, Nifedipine and its combination produced anti Parkinson's activity in 6-OHDA lesioned rat model	Shanish Antony.A. Sindhura Gudluru, Biswajith Pal, R.Vadivelan , M.N.Satishkumar, K.Elango, Suresh.B	International Journal of Comprehensive Pharmacy-2010,1(4)	International	--
80	Pharmacological and biomolecular investigations of a polyherbal formulation (AAF-6) for its antiasthmatic activity	A.Shanish Antony, K.Jayashankar, Partha Deb Roy, Suganya, R.Vadivelan, M.N.SatishKumar, K.Elango	International Journal of Green Pharmacy, 2010	International	--
81	Antidiabetic activity of Madhumeaga churanam (Siddha formulation) in Alloxan induced diabetic rats	Vadivelan.R. Umashankar.P, Dipanjan.M, Dhanabal,SP, Shanish.A, Satish Kumar.M.N, Elango,K	Der Pharmacia Sinica 2011:2(2)	International	--
82	Screening of Caesalpinia bonduc leaves for antipsoriatic activity	Dr.S.P.Dhanabal TIFAC CORE & Phytopharmacy and Phytomedicine	Journal of Ethnopharmacology2011: 133 (2); 897-901	International	2.322
83	Rigid and flexible docking studies on PPAR- agonists: key interactions for a better anti-hyperglycemic activity and in silico pharmacodynamic activity versus experimental in vivo activity.	Dr.M.J.Nanjan, TIFAC CORE & Phytopharmacy and Phytomedicine	Medicinal Chemistry Research, 20, Online, 29 Jan 2011.	International	1.1
84	Isolation and evaluation of a polysaccharide from Prunus, amygdalus as a carrier for transbuccosal delivery of Lisatan potassium.	Dr.M.J.Nanjan, TIFAC CORE & Phytopharmacy and Phytomedicine	International Journal of Biological Macromolecules, 48, 2011, 773-778	International	2.8
85	In-vitro and In-vivo evaluation of hepatoprotective activity of Gymnema sylvestrae.	Dr.S.P.Dhanabal TIFAC CORE & Phytopharmacy and Phytomedicine	International Journal of Pharmaceutical Sciences and Nanotechnology, 2 (4), 2010.	International	--
86	Antioxidant and antimicrobial activity of Alpinia officinarum.	Dr.S.P.Dhanabal TIFAC CORE & Phytopharmacy and Phytomedicine	Indian Journal of Pharmaceutical Sciences, 2010, 72 (1),145-148.	National	--
87	Antidiabetic activity of Mukia maderaspatana (L) Roem in alloxan induced diabetic rats.	Dr.S.P.Dhanabal TIFAC CORE & Phytopharmacy and Phytomedicine	Research J. Pharmacology and Pharmacodynamics 2010; 2(1), 78-80.	National	--
88	Cytochrome P450 inhibitory potential of Triphala - A Rasayana from Ayurveda	Dr.S.Ponnusankar Pharmacy Practice	Journal of Ethnopharmacology 2011, 133(1): 120-125.	International	2.466
89	Cytochrome P450 inhibition assay for standardized extract of Terminalia chebula Retz	Dr.S.Ponnusankar Pharmacy Practice	Phytotherapy Research 2011, 25(1): 151-154	International	1.878

Guest Lectures

JSS Medical College

Sl. No.	Name and details of the Expert	Date	Lecture Topic
1.	Dr. Naveen Patil, MD.MHSA,MA Clinical Fellow University of Arkansas for Medical Sciences USA.	20-3-2010	Basics and updates in HIV
2.	Dr. Bhaskar Balakrishnan, IFS, Former Indian Ambassador to Greece & Visiting Faculty to JSS University.	4th October 2010	Nano Technology Development and its application in Health Care
3.	Dr.M.S.Mahadevaiah, Honorary Medical Director, Spastic Society of Karnataka & Former Prof. & HOD of Paediatrics, KIMS, Bangalore.	18 th June 2010	Current perspectives in the diagnosis & management of cerebral palsy
4.	Padmasri Dr. B.Soma Raj, Chief Cardiologist & Chairman, CARE Group of Hospitals, Hyderabad	09-11-2010.	Building institutions with an Enduring Edifice of Character
5	Dr. Usha Datta, Senior Scientist CDFD (Hyderabad)	18-02-2010.	Basics of common genetic disorders
6	Dr.Sreekanth, Paediatric Cardiologist, Bangalore	28.03.2011	Fetal Echocardiography & Interventions in Pediatric cardiology
7	Dr. Neeraj Patil, Mayor for "The London Borough of Lambeth	11-08-2010	How the Health-Care Policy and Politics work in Great Britain
8	Dr.V.V.Pillay, President, Indian Society of Toxicology, AIMS, Cochin	4.12.2010	Poisoning – Diagnostic & Management Strategies in Seconds
9	Mr.Atiqulla Shariff, Lecturer in Clinical Pharmacy, JSS College of Pharmacy, Mysore	4.12.2010	Profile of Poisoning
10	Sri C.V.Nagaraj, Retired Chief Chemist, Ministry of Food & Agriculture, Government of India & Convener, Mysore Grahakara Parishat	4.12.2010	Consumer awareness & Detection of Food Adulteration

JSS Dental College and Hospital

Sl. No.	Name and details of the Expert	Date	Lecture Topic	Department	No. of Participants
1.	Dr.M.J.Nanjan, Chairman, Board of Studies in Research, JSS University, Mysore and Co-Chair for Research Coordination Council	5.4.2010	Orientation to research project submission	All Departments	35
2.	Dr.Bhaskar Balakrishnan Professor Visiting faculty, JSS University	05.05.2010	Nanotechnology development and applications in Health care	All Departments	120
3.	Dr. Issac Joseph, Professor of Oral Pathology, SRM Dental College, Tamil Nadu	18. 05.2010	Interactive Clinical Pathological Meeting (educative program)	OMR, Oral Surgery & Oral Pathology	80
4.	Dr Russel L Stefanie, (Director & Asst. Director in summer student research programme, Associate Professor in the Department of Epidemiology in John Hopkins University, New York)	03.12.2010	International Guest Lecture: Topic of discussion: Dental Schools in USA and India. Presentation about our College. Topic of discussion: Periodontal research in elderly and pregnant women Guidelines for collaborative research and funding	All Departments All Departments	110
5.	Dr P A Mahesh Asso. Professor of Pulmonology, JSS Hospital Dr T S Sathyanarayana Rao Professor & HOD of Psychiatry, JSS Hospital Dr B S Jayaraj Professor of Pulmonology JSS Hospital	8.3.2011	Dentist Day: Topic discussion: Hazards of smoking Psychological aspects of Tobacco De-addiction, Tobacco De-addiction - Treatment options	All Departments	105
6.	Dr Rajesh Asst. Professor Dept. of Radiology JSS Medical College & Hospital	17.3.2011	Conventional Chest Radiography	Oral Medicine & Radiology	08
7.	Dr Rajesh Asst. Professor Dept. of Radiology JSS Medical College & Hospital	24.3.2011	Conventional Skull Radiography	Oral Medicine & Radiology	07

JSS College of Pharmacy, Mysore

Sl. No.	Name and details of the Expert	Date	Lecture Topic	Department	No. of Participants
1	Mr. Niranjana Kumar M.N City Head, TIME Pvt Ltd, Bangalore	13.10.2010	Campus Recruitment Programme and GRE Coaching	All Depts.	90
2	Dr. A.R. Rao Professor, Pharmaceutical Chemistry Division, University Institute of Pharma. Sciences, Punjab University, Chandigarh	20.12.2010	Applications of Mass Spectroscopy and In Silico Screening Methods	Pharmaceutical Chemistry	25
3	Dr. John Talbot, Director, Patient Safety, Astra Zeneca UK	05.01.2011	Clinical Safety evaluation during drug development	Pharmacy Practice	40
4	Dr. Timothy F Chen Associate Professor, Faculty of Pharmacy, University of Sydney, Australia	12.01.2011	Clinical Pharmacy services in Australia focus on Medication Management Review	Pharmacy Practice	32
5	Dr. Praveen SPI Pharma, Bangalore	12.01.2011	Design of Experimentation	Pharmaceutics	48
6	Ms. Vasundhara Ram Iyengar Global Senior QA Auditor, Astra Zeneca, Bangalore	02.02.2011	Regulatory requirement for analytical method development	Pharmaceutics Pharmaceutical Chemistry	45
7	Dr. Kratish Bopanna President, Semlers Research, Bangalore	03.02.2011	Landscape of Clinical Research in India	Pharmacy Practice	25
8	Mr. Parijat Nandi Director – Clinical Research and Development, Semlers Research, Bangalore	03.02.2011	Landscape of Clinical Research in India	Pharmacy Practice	35
9	Dr. B.S. Vishwanath Professor, Department of Bio-Chemistry, University of Mysore, Manasagangotri, Mysore	07.02.2011	Plant Extract as Antidote Venomous Snake Bite	Pharmacognosy Pharmaceutical Chemistry	25
10	Dr. Sriharsha Manager Quality Assurance Department, Biocon Limited, Bangalore	26.02.2011	Drug Design and drug discovery process of anticancer drugs and impurities in drug substances	Pharmaceutical Chemistry	48
11	Dr. Sriram Akundi Head, Quality and Regulatory, Biocon Limited, Bangalore	05.03.2011	Biotechnology and Biopharmaceutical drug development and regulatory aspects	Pharmaceutics	48
12	Mr. Nithin C.S Deputy Manager, Biocon Limited, Bangalore	05.03.2011	Soft Skills required by Quality Professionals	Pharmaceutics	48
13	Mr. Vishwanath M Director, Scientific content, Medeka Health Private Ltd, Bangalore	12.03.2011	Careers in Pharmacy-Medical Writing	Pharmaceutics	35

JSS College of Pharmacy, Ooty

Sl. No.	Name and details of the Expert	Date	Lecture Topic	Department	No. of Participants
1	Mr.Sama Venkatesh, Professor, Pulla Reddy College of Pharmacy, Hyderabad	October 2011	--	Pharmaceutical Analysis	--
2	Mr.G.K.Sivaraman, General manager, Apex laboratories Private Limited, Tirupurur.	September 2010	--	Pharmaceutical Analysis	--
3	Dr.Sridhar.N. Bedarkar. Mr. Biswanath Mishra, Brilliant Biopharma Limited, Andrapradesh.	September 2010	--	Pharmaceutical Analysis	--
4	Dr.R.Thangamoney M.D (S), Prof. & Head, Department of Medicine, Dy Director Cancer and AIDS i/c Govt. Siddha Medical College, Palayamkottai, Tirunelveli	August 2010	--	Pharmaceutical Analysis	--
5	Mr.S.Dhanasekaran, Medical Research Specialist 1 united Arab Emirates university, Faculty of Medicine and Health Sciences visited the department.	July 2010	--	Pharmaceutical Analysis	--
6	Mr.Nishchel Sharma, Waters Limited, Bangalore	July 2010	Supercritical Fluid Chromatography - Theory & applications	Pharmaceutical Analysis	50
7	Dr.Suresha, Professor & Head, Dr.M.K.Jayanthi, Professor, Dr.K.Kalabharathi, Associate Professor, Dr.Satish.A.M, Associate Professor, Dr.Pushpa, Associate Professor, Dr.Shivaprasad.M Guggali, PG, Dr.Jyothi. M.Benni, PG, JMVP, Mysore	June 2010	--	Pharmaceutical Analysis	--
8	Dr.Ansar Ali Khan, Research Scientist, Orchid Research Laboratories, Chennai.	April 2010	--	Pharmaceutical Analysis	--
9	Mr. Lalit Pradhan, VC, Micro Lab, Bangalore	09.11.2010	Calibration and Preventive Medicine	Pharmaceutical Biotechnology	50
10	Dr.D.S.Chaudhury Leprosy Physician ICMR Lab, Kolkata	10.02.2011	The story of drug development in the treatment of Leprosy	Pharmaceutical Biotechnology	50
11	Dr.P.K.Prakash Reddy, Lecturer in Pharmaceutical Chemistry, Omer Al- Mukthar University, Al-Baida-Desna Libya.	During 2 nd week of August 2010	Discussion with our faculty members, to improve research approaches.	Pharmaceutical Chemistry	Faculty members and students
12	Mr.P.Sivaprasad, CEO Analytical Technologies Limited, Vadodara	21.09.2010	Chromato- graphic Techniques	Pharmaceutical Chemistry	M.Pharm students

13	Mr.Alok Bhatnagar, Director of AB Consortium India, New Delhi	15.02.2011	High Performance Counter Current Chromatography	Pharmaceutical Chemistry	M.Pharm students
14	Dr.A.Banerjee, Amrita University, Coimbatore	15.02.2011	Had visited to our department and apprise the research activities with our staff members and student	Pharmaceutical Chemistry	M.Pharm students
15	Dr.Rajkumar, Assistant Manager, NDDS Development, FDC Limited, Mumbai.	15.03.2011	Solid State Characterization: polymorphic Perspectives.	Pharmaceutical Chemistry	M.Pharm students
16	Dr.C.Palaniappan & Dr.M.Sivanand, Scientists, Quality Control Department, Pasteur Institute, Coonoor Govt. of India.	16.03.2011	Antigen Antibody Reaction	Pharmaceutical Chemistry	30
17	Dr.B.M.Annapoorna, Professor, Dept. of Conservative Dentistry and Endodontics, JSS Dental College, Mysore.	17.03.2011	Biofilms in Medicine and Therapy	Pharmaceutical Chemistry	30
18	Dr.Velumurugan, Professor, Department of Biophysics, University of Madras.	18.03.2011	Computer Aided drug design	Pharmaceutical Chemistry	30
19	Dr.Sakthi Sekaran Professor and Head, Department of Medical Biochemistry, University of Madras	19.03.2011	Antioxidants and Chemotherapy	Pharmaceutical Chemistry	30
20	Mr.Nirmal Robinson, National Research Council, Canada	20.07.2011	He visited to our Department and discuss with students & faculty regarding research methodology	Pharmaceutical Chemistry	--
21	Mr.J.B.Senthil Kumar Research Scholar (CSIR-SRF) Dr.B.R.Ambedkar Center for Biomedical Research University of Delhi, New Delhi	17.08.2011	Had visited our department and interact with our students, regarding chromatography.	Pharmaceutical Chemistry	M.Pharm students
22	Mr.J.Raveendran, Manager Regulatory & Mr.P.Surendra Kumar, Deputy Manager, Regulatory Affairs	29.11.2010	GMP inspections and auditing GMP requirements of various regulatory activities like USFDA, Eu, etc. GMP requirements according to schedule Auditing & checklist	Pharmaceutics	20

23	Mrs. Ranjani Nellore, President and Regulatory Consultant Pharantra, Hyderabad	3 rd & 4 th December 2010	CMC post approval regulatory affairs and regulation for combination products (controlled release system), medical device, environmental concerns and regulations. 21 CFR part 11 and LIMS (Laboratory information management system) Data procession for global submission, text and tabular exposition CTD/ECTD format for marketing authorization submission to US, EU, ASIA	Pharmaceutics	20
