Being an Alumni of JSSDC is an honor, privilege and prestige for me to be a part of this ever growing visionary institute which has grown at its peak. This is an unique institute with very hardworking, knowledgeable, well informed and exceptional teachers. It has been a great learning experience for me from not only academics but also from life's lessons. I owe all my never ending thanks for where or what I am today and best wishes to all my teachers, staff and colleagues. Also, my good wishes and prayers are always with my alma mater.
