JSS dental college & Hospital, a constituent college of JSS Academy of Higher Education & Research wherein my journey started as an undergraduate and later it was my privilege to pursue my post-graduation as first batch student in periodontics. A place I always felt comfortable, could always find a willing ear to listen, and a motivation to keep up with everything at college. All the staff in JSS has a heart for students. It is indeed a proud feeling to be an alumni of JSS Dental College & Hospital.
