

Dr Vrinda Saxena- Batch 1992

Senior Professor and head of department of public health dentistry
People's dental Academy
Bhopal

Myself Dr Vrinda Saxena proud alumni of JSSDC. I graduated in the year 1997 and completed my post graduation in 2001. I am indebted to all reverent faculty members for the valuable guidance and foster strength throughout the professional alliance. I convey my deep regards. JSSDC for me is a temple where I got priceless knowledge and bliss. Most cherished days of my life I can connect to JSS one of the most premium institute of India. It was the journey which has enhanced my personality and groomed me at many phases. During this journey I felt love, care guidance and strict discipline that is the boom in my life. The foundation I got was strong enough to transform me to a successful professional. With mesmerizing memories I own down Dr Vrinda.
