JSS Academy of Higher Education & Research, Mysuru, Karnataka

“JSS Academy of Higher Education & Research (JSSAHER), formerly known as Jagadguru Sri Shivarathreshwara University, Mysore, is a Deemed to be University located in Mysuru, Karnataka. It was established in 2008 under Section 3 of the UGC Act 1956 and is part of JSS Mahavidyapeetha, which runs a variety of educational institutions. JSSAHER is recognized by Ministry of Education and accredited by NAAC with A⁺ Grade (3.48 CGPA). JSS AHER has been graded as Category-I University by UGC.

JSSAHER is a Health & Life Sciences intensive establishment initiated with the gracious patronage and forethought of His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the Chancellor. Together with the exceptional leadership of Pro-Chancellor Dr. B. Suresh and Vice-Chancellor Dr. Surinder Singh, JSSAHER is now one of the most sought after higher educational destinations in India.

The Faculties of Medicine, Dentistry, Pharmacy, Biomedical Sciences, Occupational Therapy, Life Sciences, Health System Management Studies and Yoga under the ambit of JSSAHER are fashioning a mark of their own in the national and international scenario.

With 8434 students and 667 highly competent and steadfast faculty members, over 150 academic programs are being offered at JSS AHER catering to the needs of students intending to pursue their higher education and further.

JSS Academy of Higher Education & Research asserts to foster its students with quality education and develop effective leadership qualities in them to evolve as responsible professionals and as conscientious citizens.

This Fourteenth Convocation of JSSAHER is more than a ceremony; it's a celebration of knowledge, tenacity, and the pursuit of excellence. During the Fourteenth Convocation, 2546 Graduands are receiving their Degrees and Diplomas, 49 Candidates will be awarded Doctor of Philosophy Degree and 55 Academic Toppers will be presented with 84 Medals and Awards with certificates for their exceptional academic performances.

Congratulations to the graduating classes; we eagerly anticipate the indelible mark you will leave on the world.

JSS Academy of Higher Education & Research

- Deemed to be University under Sec. 3 of the UGC Act, 1956
- Accredited A⁺ by NAAC
- Aims to nurture and develop talent of the students and create applicable knowledge to support social and economic advancement
- Committed to offer highest quality education in undergraduate and postgraduate programmes

Constituent Colleges

- JSS Medical College, Mysuru
- JSS Dental College & Hospital, Mysuru
- JSS College of Pharmacy, Mysuru
- JSS College of Pharmacy, Ooty

Schools

- School of Life Sciences, Mysuru
- School of Life Sciences, Ooty
- School of Public Health, Mysuru

Departments

- Dept. of Water & Health
- Dept. of Health System Management Studies
- Dept. of Nutrition & Dietetics
- Dept. of Microbiology
- Dept. of Biotechnology & Bioinformatics
- Dept. of Environmental Science
- Dept. of Yoga

Centre

- Centre for Distance & Online Education

ಭಾಗವಹಿಸುವವರಿಗೆ ಸೂಚನೆಗಳು

- ಆಹ್ವಾನ ಪತ್ರಿಕೆಯನ್ನು ಪ್ರವೇಶದ್ವಾರದ ಬಳಿ ತೋರಿಸಬೇಕು
- ಬೆಳಿಗ್ಗೆ 10.30ರೊಳಗೆ ಸಭಾಂಗಣದಲ್ಲಿ ಆಸೀನರಾಗಿರಬೇಕು
- ಘಟಕೋತ್ಸವದ ನಡುವೆ ಸಭಿಕರು ಸಭಾಂಗಣದಿಂದ ಹೊರಗೆ ಹೋಗಬಾರದು
- ಮೆರವಣಿಗೆಯು ಸಭಾಂಗಣ ಪ್ರವೇಶಿಸಿ, ಅತಿಥಿಗಳು ಆಸೀನರಾಗುವವರೆಗೆ ಹಾಗೂ ಘಟಕೋತ್ಸವದ ನಂತರ ಮೆರವಣಿಗೆಯು ಸಭಾಂಗಣವನ್ನು ಬಿಟ್ಟು ತೆರಳುವವರೆಗೆ ನಿಂತು ಗೌರವ ಸಲ್ಲಿಸಬೇಕು
- ಸಭಾಂಗಣದಲ್ಲಿ ಮೊಬೈಲ್ ಫೋನ್‌ಗಳನ್ನು ನಿಶ್ಚಲಗೊಳಿಸಿರಬೇಕು
- ಆಹ್ವಾನ ಪತ್ರಿಕೆಯನ್ನು ಮತ್ತೊಬ್ಬರಿಗೆ ವರ್ಗಾಯಿಸಬಾರದು

Instructions for attendees

- The invitation shall be presented at the venue
- Invitees shall occupy their seats before 10.30 AM
- Audience shall not leave the venue during the convocation
- The audience shall remain standing when the procession enters the auditorium and will remain so until the guests take their seats and after the convocation is over, until the procession leaves the auditorium
- Mobile phones must be kept in silent mode
- Invitation is not transferrable

Welcome Address and Report

A very good morning to one and all present here.

At the outset, I submit my sincere Pranams to the lotus feet of **His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji**, the Founder President of JSS Mahavidyapeetha.

Dr. Surinder Singh
Vice Cancellor

I seek the blessings of **His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji**, the Hon'ble Chancellor of JSS Academy of Higher Education & Research, Mysuru. His vision and spiritual dynamism have taken this academy to higher levels of quality and excellence. We submit respectful Pranams to the Hon'ble Chancellor and President of JSS Mahavidyapeetha and welcome His Holiness on behalf of the JSS Academy of Higher Education & Research, Mysuru.

Respected Chief Guest - **Prof. Mamidala Jagadesh Kumar ji, the Chairman of the University Grants Commission (UGC).**

Prof. M. Jagadesh Kumar Ji is an acclaimed academician and researcher. He has obtained his MS (Electrical Engineering) and Ph.D. (Electrical Engineering) degrees from the Department of Electrical Engineering, Indian Institute of Technology (IIT), Madras. He did his post-doctoral research at the Department of Electrical and Computer Engineering, University of Waterloo, Ontario, Canada.

He is presently the Chairman of the University Grants Commission (UGC) and a Professor of Electrical Engineering at IIT Delhi and still teaches at IIT Delhi. This shows his commitment to the teaching profession. He has served the Jawaharlal Nehru University (popularly known as JNU), New Delhi, as the 12th Vice-Chancellor, from January 2016 to February 2022. He held the NXP (Philips) Chair Professor established at IIT Delhi by Philips Semiconductors, Netherlands, and has received the 2013 Award for Excellence in Teaching (in large class category) from IIT Delhi.

He works in the areas of Nanoelectronic Devices, Nanoscale Device Modeling and Simulation, Innovative Device Design, and Power Semiconductor Devices. He has published extensively in the above areas with 03 books, 04 book chapters, and more than 250 publications in refereed journals and conference proceedings. He has filed several patent applications based on his research.

He was the Editor of the Institute of Electrical and Electronics Engineers (IEEE) Transactions on Electron Devices for nine years. He is on the editorial board of several international journals including the IEEE Journal of the Electron Devices Society and is Editor-in-Chief of the Institution of Electronics and Telecommunication Engineers (IETE) Technical Review.

He is a Fellow of the Indian National Academy of Engineering, The National Academy of Sciences, India, and The Institution of Electronics and Telecommunication Engineers, India. He has been awarded the 29th IETE Ram Lal Wadhwa Gold Medal for distinguished contribution in the field of Semiconductor Device Design and Modeling field. He also received the first-ever India Semiconductor Association -VSLI Society of India (ISA-VSI) TechnoMentor Award given by the India Electronics & Semiconductor Association to recognize a distinguished Indian Academician and Researcher for playing a significant role as a mentor and researcher. He is a recipient of the 2008 International Business Machines (IBM) Faculty Award in recognition of professional achievements.

He was a member of the UGC and a member (Part-Time) of the Telecom Regulatory Authority of India (TRAI). He was also the Chairman of the Governing Body of the National Council of Science Museums, Ministry of Culture, Government of India. He is the President of the General Council, National Assessment and Accreditation Council, (NAAC).

Under his Chairmanship, many initiatives have been implemented by UGC to date. To name a few;

- ❖ Formulation of the National Higher Education Qualifications Framework (NHEQF)
- ❖ Guidelines for Innovative Pedagogical Approaches & Evaluation Reforms
- ❖ Guidelines for Transforming Higher Education Institutions into Multidisciplinary Institutions
- ❖ Guidelines for Engaging Professor of Practice in Universities and Colleges
- ❖ UGC's Academic Collaboration between Indian and Foreign Higher Education Institutions to offer Twinning Programme, Joint Degree, Dual Degree, and Regulations, 2022
- ❖ Guidelines for Establishment of Research & Development Cell in Higher Education Institutions
- ❖ UGC (Setting up and Operation of campuses of Foreign Higher Education Institutions in India) Regulations 2023.

It's our proud privilege to have an eminent academician, researcher, and able administrator **Prof. M. Jagadesh Kumar Ji**, the Chairman of UGC as the Chief Guest for this convocation. I heartily welcome you to this convocation Sir.

I wholeheartedly welcome Hon'ble Members of the Board of Management, Planning and Monitoring Board, Academic Council, Research Advisory Council, Finance Committee, Boards of Studies, and all the other committees, who are present with us in person and virtually.

I welcome the Hon'ble Executive Secretary, Secretaries, Directors, and Officers of JSS Mahavidyapeetha.

I welcome all the Officers and Staff of JSS AHER, the Faculty of the Constituent Colleges and Departments of JSS AHER.

I welcome all the graduates, who will receive their degrees in person from this reputed Higher Education Institution in the presence of their proud parents. I also welcome all the parents and guardians, who have joined us to witness the achievements of their wards.

I welcome all the members of Electronic, Visual, and Print media.

On behalf of the JSS AHER, Mysuru, I am honored to welcome this August gathering and present the report on the institution's performance on the occasion of the 14th Convocation.

I quote Dr. APJ Abdul Kalam "***Both spirituality and education must go hand in hand and is a must for all-round development of a person***". The theme of JSS institutions has always been a blend of spirituality and service with the integration of modern science in education and research.

In its quest for quality and excellence, JSS AHER has relentlessly worked to keep the highest standards of academic and research activities, which have resulted in many national and international accolades, rankings, and ratings.

- ❖ JSS Academy of Higher Education & Research has been placed in the rank band of 351- 400 by **Times Higher Education World University Rankings in 2023** and **2nd in India**.
- ❖ In the **Times Higher Education-Asia Rankings 2023**, JSS AHER ranked **68th in Asia** and **2nd in India**.
- ❖ In the **Times Higher Education Subject Ranking 2023**, JSS AHER has been ranked in the **band 126 -150 in the world** in the subject ‘**Clinical and Health**’ and **1st in India**.
- ❖ Further, in **Times Higher Education – Young University Rankings 2023**, JSS AHER, ranked **79th Globally** and **ranked 2nd in India**.
- ❖ In the **Times Higher Education Impact Rankings 2023**, JSS AHER ranked in the band of **301- 400. Under Sustainable Development Goal – 3 (SDG – 3)**, which is “Good Health and Wellbeing”, **JSS AHER ranked 16th Globally and 1st in India**.
- ❖ Similarly, in the **Quacquarelli Symonds (QS) Asia University Ranking 2023**, JSS AHER ranked in the band of **301-350**, featuring in the top 500 in Asia.
- ❖ In the **QS World University Rankings by Subject 2023**, JSS AHER is ranked in band of;
 - **101 – 150** in Pharmacy and Pharmacology, and stands **2nd in India**.
 - **651-680** in Medicine and stands **10th in India**.
- ❖ In the **QS Star Rating 2023**, JSS AHER is rated for excellence with a **5-star rating**, which is valid for the next three years from 2023 to 2026.
- ❖ In **SCIMAGO Institutional Rankings (SIR) 2023**, many departments of JSS AHER have featured;
 - Under Medicine, **6th rank** in Epidemiology, Psychiatry and Mental Health, **10th rank** in Obstetrics and Gynecology, **12th rank** in Otorhinolaryngology, **14th rank** in Pathology and Forensic Medicine, **18th rank** in Surgery, **19th rank** in Oncology.
 - **8th rank** in Dentistry
 - **44th rank** in Pharmacy
- ❖ In **National Institutional Ranking Framework (NIRF) 2023**,
 - **JSS AHER** has secured **34^h rank** and has maintained its position among the top 50 Universities in the Country for the last 8 consecutive years.
 - **JSS College of Pharmacy, Ooty**, is ranked **4th** and **JSS College of Pharmacy, Mysuru** is ranked **7th** amongst the Pharmacy Colleges in the country.
 - **JSS Dental College and Hospital** is ranked **11th** amongst the Dental Institutions in the Country.
 - **JSS Medical College** is ranked **37th** amongst the Medical Institutions in the Country.

Today, in this 14th Convocation of JSS AHER:

- **2546** Graduands are receiving their Degrees and Diplomas in various Faculty
- **49** Candidates will be awarded Doctor of Philosophy Degrees
- **55** Academic Toppers will be presented with 84 Medals and Awards with certificates for their exceptional academic performances.

Participation in Akhil Bharatiya Shiksha Samagam (ABSS) 2023.

- ❖ Being one of the first few Higher Education Institutions in Karnataka to take up the task of implementing National Education Policy – 2020 (NEP-2020), JSS AHER continues its efforts in strategizing and implementing skill-based programs in emerging areas of national interest.
- ❖ In recognition of these efforts, JSS AHER was one among the 20 out of 1070 Universities in India, invited to participate in the “**Akhil Bharatiya Shiksha Samagam (ABSS) 2023**” on 29th and 30th July 2023. This event was organized by the Ministry of Education and Ministry of Skill Development and Entrepreneurship, Government of India on the occasion of the 3rd Anniversary of the National Education Policy (NEP) 2020, **which was inaugurated by Hon’ble Prime Minister Shri Narendra Modi Ji.**
- ❖ JSS AHER proudly portrayed “**Skill Development in Higher Education through Research Empowerment and Social Outreach driven by Technology Augmentation (SHRESTA)**” highlighting its efforts towards implementation of NEP 2020. The exhibits and the virtual reality module of the skill and simulation center of JSS AHER were witnessed by **Sri Dharmendra Pradhan Ji**, the Minister of Education and Minister of Skill Development and Entrepreneurship, Government of India, **the Hon’ble Chairman of UGC, and the Secretary of UGC** along with other officials. The enthusiastic efforts of JSS AHER in this event were acknowledged by the UGC. I quote the communication received from the Secretary of UGC appreciating the efforts of JSS AHER stating that “*Your enthusiasm and passion for education were evident and undoubtedly left a positive impact on the attendees*”

Progress made by JSS AHER in Academics

- ❖ JSS AHER has a good number of meritorious students from Pan-India and abroad adding to the student diversity. Presently, we have **8434 students, 667 teaching faculty, and 517 non-teaching staff** with an enviable staff-student ratio across all the faculty.
- ❖ The relentless efforts of JSS AHER towards achieving its vision of transforming education to make the most amazing learning experience possible in new-emerging areas of knowledge continues with the **introduction of a total of 95 proposed new programs under various Faculty** of JSS AHER between 1st September 2022 and 31st August 2023. The new programs include regular, online, diploma, certificate, and value-added programs for UG, PG, and super specialty students.

- The new regular programs include DM Cardiology, M.Ch Plastic and Reconstructive Surgery, M.Phil. in Rehabilitation Psychology, Master of Library and Information Science (M.Lib.L.Sc.), M.Sc in Synthetic Biology, M.Sc in Health Technology and Data Sciences, B.Sc in Computational Biology and Bioinformatics, B.Sc in Statistics and Data Analytics, B.Sc in Medical Genetics and Genomics (Honors), B.Sc in Environment and Sustainable Development, B.Sc in Synthetic Biology, B.Sc in Cellular and Molecular Biology, Diploma in Industrial Safety and Diploma Program in Clinical Research along with 71 value-added programs, and 10 certificate programs in different faculties.
 - The Center for Distance and Online Education (CDOE) of JSS AHER, has received approval for starting the new online postgraduate program “MBA in Pharmacy Administration” by the UGC Distance Education Board in the current academic year.
 - All the above academic programs have been conceptualized with a focus on upskilling the graduating students to be industry-ready and serve society with scientific and intellectual capabilities.
- ❖ Aligning with the UGC guidelines aimed at bridging the gap between Industry and Academia and to develop the much-needed life skills of entrepreneurship in our students and scholars, JSS AHER has initiated the “**Professor of Practice**” by empaneling 5 leaders and experts from Fortune 500 companies of the world like Google and Johnson and Johnson. This will provide our students with exposure to leading industry experts that would transform their learning experience at JSS AHER.
 - ❖ JSS AHER aligns with NEP 2020 in fostering **multidisciplinary academic programs** integrating the industry component. **The Entrepreneurship in Public Nutrition**, which is conceptualized by the **Centre of Excellence in Entrepreneurship Development (CEED)** at Science Promotion and Advancement of Research and Knowledge for Life through Entrepreneurship, Centre for INnovation and Entrepreneurship (**SPARKLE CINE**), JSS AHER, is coordinated by the Department of Health System Management Studies (HSMS) and the Department of Nutrition and Dietetics. The program engages startup founders and entrepreneurs to train and upskill the student community in line with the vision of the Government of India, i.e., Skill India, Digital India, Start-up India, Atmanirbhar Bharat, and Make in India.
 - ❖ Internationalization is the new focus and arena, where UGC has issued guidelines for Higher Education Institutions for effective implementation. JSS AHER, with its aspirations to lead the internationalization in the healthcare sector, has started a **Joint Ph.D. program with La Trobe University, Australia**, which encourages advanced research.
 - ❖ The translational research has assumed greater importance in today’s education. **The Translational Health Science and Technology Institute (THSTI)**, which is an autonomous institute under the Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India, specializes in translational research in the interdisciplinary fields of Biotechnology, Clinical Research, and Healthcare. THSTI in association with JSS AHER, offers a ‘**Master of Science degree in Clinical Research**’, designed to provide in-depth theoretical knowledge, practical understanding, and all the associated skills involved in the design, conduct, analysis, and interpretation of clinical trials.

- ❖ JSS AHER has conducted 3 Faculty Induction Programs this year as per the ‘**UGC Guru-Dakshata guidelines**’. A total of 120 faculty members from the Medical, Dental, Pharmacy, Life Sciences, and Management Studies have been trained on the various aspects of teaching-learning, instructional methodologies, assessment and evaluation techniques, ICT-enabled teaching-learning, and equipped them with knowledge of university rules and regulations, basics of governance and administration.
- ❖ Upholding the practice of ‘**Anytime Anywhere Learning**’, JSS AHER embraces the concept of technology-enabled and technology-augmented learning and has implemented the credit transfer mobility framework, which will empower the students to acquire knowledge from leading Indian institutes like the Indian Institute of Science (IISc) and IITs through SWAYAM. JSS AHER also is a registered Local Chapter for SWAYAM NPTEL and facilitates these seamless online facilities on the SWAYAM Portal, which is proudly the world’s largest free online learning portal and platform developed by the Ministry of Education (MOE), Government of India.

Research and Publication Report

- ❖ JSS AHER has distinguished itself as a **Research-Oriented Health Sciences University** and nurtures an interdisciplinary and translational research eco-system.
- ❖ Since the inception of the University, 1181 scholars have registered for Ph.D., and 349 have been awarded Ph.D. to date. This year 49 candidates are receiving their Ph.D. Degrees in this convocation and 663 scholars are currently pursuing their Ph.D.
- ❖ The JSS AHER has to date 12,480 publications to its credit including 1365 publications added in the year 2022 and 972 publications in the year 2023 till October. Among the total publications, 6300 are Scopus indexed, of which 690 are published in 2023. The current Scopus H- Index for JSS AHER is 107 (which was 100 last year) and for Web of Science (WOS), it is 96 (which was 88 last year).
- ❖ **In the year 2023**, JSS AHER has been sanctioned **42 extramural research projects** with grants worth **INR 12.6 Crores** (equivalent to **1.5 million USD**), from various Government funding agencies like the Department of Science and Technology (DST), Science and Engineering Research Board (SERB), Department of Biotechnology (DBT), and Indian Council of Medical Research (ICMR).
- ❖ In 2023, **16 patent applications have been filed and published. 07 patents have been granted**, marking the highest number of patents granted in a year. **This brings the overall count of patents filed and published to 96 and patents granted to 24, thus taking the total number to 120.** The education and research imparted at JSS AHER has always had the trend of giving back to the Society. In this regard, the patents that have been filed and granted at JSS AHER have demonstrated industrial translation, through commercialization. With 4 patents commercialized out of 24 patents granted, the 16 % commercialization rate at JSS AHER is ahead of the world average of 5 to 7 % and we are proud to contribute to the Nation Building through translational research outcomes.

- ❖ **The Overseas Research Fellowship (ORF)** is a unique initiative of JSS AHER to encourage research scholars to get opportunities and guidance from international experts in cutting-edge research techniques and areas. The authorities of JSS AHER have approved a budget of **INR 1 crore** equivalent to approximately 1,20,144 USD per year (**INR 10 lakhs per scholar** equivalent to approximately 12,014 USD), wherein, the scholars can carry out part of the Ph.D. research in highly ranked and reputed International Research Institutes and Universities. In the year 2023, **04 research scholars** have been awarded the JSS AHER Overseas Research Fellowship. These scholars have worked with renowned researchers in cutting-edge platforms in the frontiers of Science at the University of South Carolina - USA, focusing on Neurodegenerative Diseases; Loughborough University-United Kingdom, focusing on Environmental Sciences; Germans Trias Pujol Research Institute - Spain, focusing on Lung Cancer Biology; and the National Food Institute, Technical University – Denmark, focusing on the isolation and characterization of novel probiotics from millets. This Overseas fellowship has been a transformative experience for these young researchers, providing global expertise, and technological know-how, thus contributing significantly to in-house capacity building of the research capabilities in niche areas, while at the same time adding to the creation of a highly skilled national talent pool of researchers.
- ❖ **SPARKLE CINE**, a Section 8 Company under the aegis of JSS AHER has facilitated the commercialization of 04 technologies developed in-house, and 03 of the startup incubatees have products in the market. The Centre has also mentored financial assistance of the scale of **INR 94 Lakhs** (equivalent to 1,12,957 USD) to date, through the ‘Nidhi-Prayas Scheme, BIRAC-BIG grant, Rashtriya Krishi Vikas Yojana – Remunerative Approaches for Agricultural and Allied Sectors Rejuvenation (RKVY-RAFTAAR)’ for the incubated start-ups. The Secretary of UGC, on his visit to JSS AHER, interacted with the students and visited the incubation center. In his tweet regarding the visit, he expressed his appreciation for the students of JSS AHER, and quoted *“Lively and enlightening interactions with enthusiastic students and smart faculty of JSS University; 12 students assured me to have their own unicorns in future”*. It is heartening to witness the keenness of UGC in supporting entrepreneurship among students.
- ❖ The concept of **‘Local to Global and Global to Local’** is the key to achieving potential societal impact for the region and the nation through research and education. The Department of Biochemistry of JSS Medical College, JSS AHER is identified as the **Indian Council of Medical Research (ICMR) Collaborating Centre of Excellence** in the areas of Molecular Biology, Regenerative Medicine, and Medical Genetics and will be pioneering cutting-edge transformational research of national importance. The center is one among the 3 identified centers by ICMR in Karnataka and is among the chosen 25 at the National level.
- ❖ To empower our researchers and faculty innovators, JSS AHER has invested in the finest and most advanced Medical, Pharmacy, and Life Sciences research facility at the **‘JSS AHER University Sophisticated Instrumentation Centre (USIC)’** with funding of over **INR 20 crores** (equivalent to 2.4 million USD) from the Department of Biotechnology (DBT), Department of Science & Technology (DST), Government of India. With this, JSS AHER will be looked upon as a state-of-the-art research provider as well as a facilitator, not only within the JSS group of institutions but also to other educational and research institutes in the region.

JSS AHER Global Collaboration footprints

- ❖ As part of the **Joint Non-Aligned Movement Science & Technology (NAM S&T) Center – JSS AHER, Mysuru, India Fellowship – 2023**, 05 recipients of the fellowship from Mauritius, Iraq, Sri Lanka, Egypt, and Iran have undergone training at JSS AHER, which is in line with NEP 2020 vision of internationalization and globalization of education.
- ❖ JSS AHER has partnered with IKP Knowledge Park, a 200-acre premier Science Park, and Incubator in Hyderabad and Bengaluru, India, set up with the mission to create a world-class ecosystem for fostering leading-edge innovation in the country by supporting start-ups. IKP has so far supported over 430 companies from 7 countries, 90% of which are startups. The **IKP Global Regulatory Forum** was launched on 16th February 2023 in Bengaluru, and the **Vice Chancellor** of JSS AHER is **The Chair** of the Core Expert Committee of the IKP Knowledge Park.
- ❖ Further, JSS AHER, Mysuru has received **an appreciation award from IKP Knowledge Park** at the **International Knowledge Millenium Conference 2023** for partnering with IKP to build the Indian Biopharma and MedTech regulatory forum. This recognition is a well-deserved acknowledgment and testament to JSS AHER's unwavering commitment to fostering innovation, supporting startups, nurturing entrepreneurship within its ecosystem, and promoting the growth of the Biopharma and MedTech industries in India. JSS AHER endeavors to cultivate a landscape of innovation, support entrepreneurship, and lay down roots for an ecosystem, where pathbreaking ideas not only sprout but also flourish.
- ❖ 10 students from **Tzu Chi University, Taiwan**, and 03 students from the **Asian Medical Students Exchange Program (AMSEP) National Board** were part of the student exchange program at JSS Medical College, JSS AHER, Mysuru, which was held from 4th to 10th July 2023.
- ❖ One student from **Quinnipiac University, USA**, pursued observership at JSS Medical College and JSS Hospital for 4 weeks from 5th June 2023 to 1st July 2023.
- ❖ 04 students from the **National University of Science & Technology (NUST), Muscat, Oman**, visited JSS College of Pharmacy, Mysuru for a hospital experiential program in July-August 2023.
- ❖ 20 interns accompanied by a staff from JSS Dental College and Hospital visited the **Asian Institute of Medicine, Science, and Technology (AIMST) University at Kedah, Malaysia** for a Global Immersion Program in August 2023 as part of the student exchange program.
- ❖ JSS AHER and its constituent colleges organized the **2nd International Competition of Poster Presentations on "Innovative Ideas of Young Researchers"** in collaboration with **South Kazakhstan Medical Academy, Kazakhstan** on 3rd May 2023; the **2nd Asian Institute of Medicine, Science, and Technology (AIMST) International Dental E-conference 2023** in collaboration with **Faculty of Dentistry, AIMST University, Malaysia** from 7th to 9th July 2023. 16 students and faculty members from JSS AHER have won prizes for paper and poster presentations at these conferences.

Memorandum of Understanding (MoU) and Collaborations

With a strong emphasis on internationalization, JSS AHER has strategically positioned itself to excel in the global academic landscape. Guided by a fundamental purpose of creating and disseminating knowledge, the university has built a robust network of engagement and collaboration nationally and internationally. Recognizing the continuous process of globalization, JSS AHER is dedicated to equipping its students and academicians with the skills and opportunities to thrive in an interdependent world.

JSS AHER has to date, a total of 145 MOUs and Collaborations. Out of these, 59 are international from 22 countries and 86 are national. Among the international collaborations, 24 (44%) are from North and South America, 15 (27%) are from Europe, 9 (16%) are from Asia Pacific, 4 (7%) are from Central Asia and 3 (6%) are from Africa.

JSS AHER has expanded its global presence by establishing newer collaborations in Uzbekistan, Kazakhstan, Belgium, Russia, Indonesia, and Japan in 2023.

In the national collaborations, 33 (40%) are with Industry, 8 (10%) are with hospitals, 34 (41%) are with institutes/organizations, and 7 (9%) are with universities. Nine collaborations (7 international and 2 national) were signed in this year.

JSS AHER is also partnering with the top renowned research institution of India, the **Indian Institute of Science, (IISc) Bengaluru** to bridge futuristic research, agglomerating the experts from Medical and Engineering backgrounds. The MoU between JSS AHER and IISc is envisaged to propel the medical device sectors with tangible innovations from the Collaboration.

These partnerships have yielded significant quantitative outcomes, including:

- i. **496 student exchange programs.**
- ii. **150 faculty exchanges.**
- iii. **Hosting of 23 expert visits.**
- iv. **Development and support for 08 academic programs.**
- v. **562 research paper publications with a cumulative impact factor of 6232 and 44,800 citations.**
- vi. **114 joint research projects, with a total research grant of INR 20.89 crores (equivalent to 2.51 million USD).**
- vii. **Engagement in 12 consultancy projects with a total research grant of INR 74.35 lakhs (equivalent to 89,327 USD).**
- viii. **12 programs that focused on professional development.**
- ix. **49 joint conferences, workshops, symposiums, and seminars.**
- x. **26 guest lectures by renowned experts**
- xi. **53 research scholars enrolled from the collaboration partners and provided 692 internships.**

Other notable achievements

- ❖ **Tashkent Medical Academy, Uzbekistan, conferred the honor of "Honorary Professor" on the Vice Chancellor, JSS AHER in recognition of his contribution to the development of Medical Education and Science on the 13th of April 2023.**
- ❖ **The Principal of JSS Medical College, Mysuru, was conferred the Lifetime Achievement Award by the Association of Physicians of India, Karnataka Chapter on the 11th of August 2023.**
- ❖ **The Hon'ble Governor of Tamil Nadu honored the Principal of JSS College of Pharmacy, Ooty on the 26th of July 2023 in the 'Conclave of Excellence in Higher Education of Tamil Nadu', organized at the Raj Bhavan, Chennai for Institutional achievement in NIRF 2023.**

- ❖ **The Golden Jubilee Celebrations of JSS College of Pharmacy, Mysuru** was inaugurated by the **Hon'ble Governor of Kerala** on the 17th of February 2023.
- ❖ **JSS AHER and the constituent colleges were involved in various national and international academic and collaborative activities**, and dignitaries like the Chairman of the Department-related Parliamentary Standing Committee on Education, Women, Children, Youth, and Sports; the Secretary of the University Grants Commission, New Delhi; Australian Parliamentary delegation led by the speaker of the Legislative Assembly, Western Australia, visited JSS AHER and interacted with staff and students between March and June 2023.
- ❖ JSS AHER aligned to the **Theme of G20's India's Leadership in Co-Curricular Activities** by organizing events such as **Artificial Intelligence in Drug Discovery and Development** on the 28th of April 2023; National Symposium on **Revisiting Millets for Food & Nutritional Security – 'Siridhanya Sukhadhanya'** on the 19th and 20th of May 2023; **Energy Swaraj Yatra** on the 14th of February 2023; **G20 Goals-Climate Change and Renewable Energy** on the 5th of June 2023, and participated in the Association of Indian Universities and Symbiosis International Deemed University (AIU-SIU) Conference 2023, which was held from 19th to 21st of June 2023.
- ❖ Students from JSS AHER participated in the **G20 Ministerial Conference on Women Empowerment** held at Gandhinagar from the 2nd to the 4th of August 2023.
- ❖ Quality and Excellence are the cornerstone of Academics and Research at JSS AHER. This has been acknowledged and recognized by the **Asia Pacific Quality Network (APQN) by conferring an International Award for the Best Model Internal Quality Assurance (QA) for the Technology Assisted Performance Appraisal System (TAPAS)**, developed and adopted at JSS AHER. The award was conferred at the APQN Academic Conference and Annual General Meeting held in Dhaka, Bangladesh on the 4th of November 2023. APQN is a non-governmental and not-for-profit network, which has more than 253 institutions from 45 member countries. It is the largest international organization on Quality in Higher Education in the Asia-Pacific region.

Infrastructure

During the year 2022-23 (between 1st September 2022 to 31st August 2023), JSS AHER has invested INR 28.57 crores equivalent to 3.44 million USD for creating and upgrading the infrastructure facilities, development of the campus, and smart campus initiatives, in accordance with UN Sustainable Development Goals.

Future Directions

- ❖ JSS AHER focuses on enhancing its academic and research position, improving the quality of education, and fostering an environment of innovation, conducive to nurturing exceptional talent. By leveraging its strong international reputation, the university is attracting outstanding research partnerships to replace the requirement of animal testing with the establishment of the **3D Organoids Laboratory** in collaboration with the University of Nebraska Medical Center, Omaha, USA, and Develop Liver and Skin **Tissue-on-a-Chip Facility** in collaboration with the Griffith University – Australia, that will help in better understanding of drug metabolism and toxicity and placing the JSS AHER amongst the few institutions in the country working in these cutting-edge areas.

Further, the establishment of **Microbiota Biobank** in Collaboration with the University of Nottingham, UK, would be another unique facility in the country to facilitate Faecal Microbiota Transplantation (FMT) for the treatment of Neurological Disorders.

In line with the Government of India Vision of Amrit Kaal to better the lives of the citizens, JSS AHER has initiated the process of establishing a **Blue Zone Health Cohort** in Mysuru, Chamarajanagara, and Mandya Districts of Karnataka to be able to increase life expectancy and make the healthy choice - the simple choice for the people in the community. Blue Zones globally constitute the areas, where people live a longer and healthier life up to the age of 100 years.

All these activities will be complemented by securing increased funding and recruiting top-tier faculty and students worldwide. The strategy also envisages promoting the university's values, embracing diversity, and empowering students and staff to engage with the international fraternity.

- ❖ The vision of JSS AHER is to be a **Pioneer in Technology-Enabled Teaching-Learning** with an objective to revolutionize education by making it Personalized, Engaging, and Effective while integrating innovative technologies like Virtual Reality, Augmented Reality, and Mixed Reality in Medical and Life Sciences Domain. JSS AHER envisions establishing the **Centre of Excellence in Futuristic Education**. This center will be crafting the applications of Metaverse to provide tangibly imaginative interactive learning scenarios to prepare industry-ready graduates and post-graduates.
- ❖ The starting of an off-campus center at JSS Academy of Technical Education, Bengaluru, an off-shore campus in Dubai, and establishing the **JSS AHER Global Campus at Varuna** will add significantly to our progression towards a multidisciplinary research-intensive university.

I congratulate all the graduates and gold medalists, who will be honored today and will be the torchbearers of knowledge contributing to Human Development and Society.

To conclude, I would like to quote our **Hon'ble Prime Minister Shri Narendra Modi Ji** from the address that he delivered at the **Akhil Bharatiya Shiksha Samagam (ABSS) 2023 held at New Delhi;**

“We have to create an energetic new generation in the next 25 years of Amrit Kaal, a generation free from the mentality of slavery, eager for innovations, and filled with a sense of duty”.

Thank you and welcome one and all to the 14th Convocation of JSS Academy of Higher Education & Research, Mysuru.

Fourteenth Convocation

20th November 2023

During the Fourteenth Convocation, 2546 graduands are being conferred their Degrees/Diplomas/Fellowships in the Faculty of Medicine, Dentistry, Pharmacy, Biomedical Sciences, Occupational Therapy, Life Sciences, and Management Studies.

Degree/Diploma/Fellowship		
1.	Doctor of Philosophy (PhD)	49
2.	Postgraduate Degree in Faculty of Medicine(MD/MS)	132
3.	Master of Science in Faculty of Medicine (M Sc)	76
4.	Master of Public Health	39
5.	Fellowship in PSM/PM	17
6.	Undergraduate Degree in Faculty of Medicine (MBBS)	195
7.	Postgraduate Degree in Faculty of Dentistry (MDS)	34
8.	Undergraduate Degree in Faculty of Dentistry (BDS)	60
9.	Diploma in Dental Mechatronics	05
10.	Postgraduate Degree in Faculty of Biomedical Sciences (M Sc)	42
11.	Bachelor of Science in Biomedical Sciences (B Sc)	79
12.	Bachelor of Occupational Therapy (BOT)	09
13.	Residency Program (Pharmacy)	02
14.	Postgraduate Degree in Faculty of Pharmacy (M Pharm)	197
15.	Postgraduate Diploma in Faculty of Pharmacy	34
16.	Doctor of Pharmacy (Pharm D)	71
17.	Bachelor of Pharmacy (B Pharm)	204
18.	Diploma in Pharmacy (D Pharm)	104
19.	Master of Science in Faculty of Life Sciences (M Sc)	499
20.	Bachelor of Science in Faculty of Life Sciences (B Sc)	437
21.	Master of Business Administration (HA & PA)	48
22.	Bachelor of Business Administration (HHSM)	57
23.	Master of Science & Post Graduate Diploma ODL	13
24.	Master of Business Administration (HA) – OL	118
25.	Diploma Programmes – OL	25
Total		2546

Chief Guest

Prof. M Jagadesh Kumar

Chairman

University Grants Commission (UGC)

Prof. M. Jagadesh Kumar obtained his MS(EE) and PhD(EE) degrees from the Dept of Electrical Engineering, Indian Institute of Technology, Madras. He did his post-doctoral research at the Department of Electrical and Computer Engineering, University of Waterloo, Waterloo, Ontario, Canada. He is a Professor in the Department of Electrical Engineering at IIT Delhi.

He is the Chairman of the University Grants Commission and a Professor of Electrical Engineering at IIT Delhi. He is the 12th Vice-chancellor of Jawaharlal Nehru University, New Delhi (Jan 2016 – Feb 2022). He held the NXP (Philips) Chair Professor, established at IIT Delhi by Philips Semiconductors, Netherlands. He received the 2013 *Award for Excellence in Teaching* (in large class category) from IIT Delhi.

He works in the area of Nanoelectronic Devices, Nanoscale Device modeling and simulation, Innovative Device Design, and Power semiconductor devices. He has published extensively in the above areas with three books, four book chapters, and more than 250 publications in refereed journals and conferences.

He is on the editorial board of several international journals, including the IEEE Journal of the Electron Devices Society, and is Editor-in-Chief of IETE Technical Review. He was an Editor of IEEE Transactions on Electron Devices for nine years.

He is a Fellow of the Indian National Academy of Engineering, The National Academy of Sciences, India, and The Institution of Electronics and Telecommunication Engineers, India. He has been awarded the *29th IETE Ram Lal Wadhwa Gold Medal* for distinguished contribution to the Semiconductor device design and modeling field. He also received the first-ever *ISA-VS/ TechnoMentor Award* from the India Electronics & Semiconductor Association to recognize a distinguished Indian academician and researcher for playing a significant role as a mentor and researcher. He is a recipient of the 2008 IBM Faculty Award for professional achievements.

He is the President of the General Council of the *National Assessment and Accreditation Council* (NAAC). He was a member of the University Grants Commission (UGC) and a member (PT) of the Telecom Regulatory Authority of India (TRAI). He was the Chairman of the Governing Body of *the National Council of Science Museums*, Ministry of Culture, Government of India.
